CIRCULATED NATIONWIDE

January 11 - 17, 2023

Calabarzon workers get second tranche of wage hike

Minimum wage earners in Calabarzon will get an increase of P23 to P48 in their daily take-home pay following the implementation of the second tranche of a wage order. The Regional Tripartite Wages and Productivity Board (RTWPB) IV-A announced on Tuesday, January 3 that Wage Order IVA-19 previously signed in May 2022 took effect last December 30.

Minimum wage earners in the region have already received an additional P3 to P49 daily increase during the first tranche of the wage order last year.

The new minimum wage rate in the non-agricultural sector is set to P470 in the extended metropolitan area which includes the cities of Bacoor, Imus, and Dasmarinas in Cavite; Binan and San Pedro in Laguna; Antipolo City, Cainta, and Taytay in Rizal.

Component cities and first class municipalities will receive a P28 wage increase or P429 daily rate. Wage rate in the second and third class municipalities workers was set to P390 while the rate in the fourth to sixth class municipalities was set to P350.

Meanwhile, agricultural workers in the extended metropolitan area and component cities will now receive P429 daily; workers in first class municipalities will get P390 daily; those in second to sixth class municipalities will receive P350 daily.

Those in the retail and service establishments with not more than 10 workers will receive an across-the-board increase of P23 giving them a P350 daily wage rate. The minimum wage rate is given to employees who work for not exceeding eight hours a day.

According to the RTWPB IV-A, the wage hike is the government's response to the lower purchasing power of the peso, two-tiered wage system, poverty threshold, impact of the COVID-19 pandemic, comparability of wages vis-a-vis benchmark regions, and the dispersal of industries across the region. *(CH/PIA-Laguna; with reports from RTWPB IV-A)*

BOC-Cebu Coll. Atty. Cruz joins regional task force vs illegal drugs, smuggling in Central Visayas!

The Bureau of Customs Port of Cebu District Collector Atty. Elvira Cruz has joined an inter-agency task force in Central Visayas that was created to beef up the security and operation against the proliferation of illegal drugs in the region. The Port of Cebu District Collector Atty. Elvira Cruz said the BOC is among the 15 government enforcement agencies that signed for the One Cebu-Inter-Agency Interdiction Task Force

(OC-IAITF). Aside from illegal drugs, the task force will also focus on smuggling, human trafficking, and terrorism. While continuing the performance of their mandates, each member-agency shall have a close working relationship with the task force by providing active support through law enforcement operations, detail of personnel, and timely exchange of relevant information, the MOA reads.

On the part of the Port of Cebu Coll. Atty. Cruz has committed to immediately act upon any derogatory information forwarded by the task force against international packages/cargoes for conduct of a joint physical examination. Coll. Atty. Cruz also vowed to strengthen border protection measures, including anti-drug interdiction efforts through intensified coordination with partner government agencies and stakeholders.

Lastly Coll. Atty. Cruz said "It takes the whole community to fight the unscrupulous individuals and their network if we want to stop them." [A.C]

Seized smuggled onions to be donated to Kadiwa stores!

The Bureau of Customs (BOC) Commissioner Yogi Filemon L. Ruiz is mulling to donate the remaining shipments of seized agricultural products, including onions, to Kadiwa stores. At the Kapihan sa Manila Bay Wednesday, Commissioner Yogi Filemon Ruiz, said more than 500 container vans of smuggled agricultural items are still at ports where they were confiscated.

"I have been part already of a series of meetings regarding that. The BOC is very much open to sell...not only sell. Let's remove the word sell, the BOC is open to donating it to the Kadiwa stores," Com. Ruiz said.

The Marcos administration has launched the Kadiwa program to enable the public to buy agricultural products at lower prices amid the rising prices of basic goods. The Kadiwa stores of "Kadiwa ng Pasko" program allow farmers, fishermen and microentrepreneurs to sell their products directly to the public.

Com. Ruiz said donating the seized products would help the "Kadiwa ng Pasko" program of the president, adding that it is better to utilize the seized agricultural products instead of destroying them. However, these items should undergo a thorough inspection to determine if they are safe for human consumption.

"We leave it to their discretion if they can attest that these products are fit for human consumption, then much better. We are very much open to that," Com. Ruiz said.

There were 600 questionable shipments that BOC seized during the past months, and 41 of these had been turned over to the Department of Social Welfare and Development. He said the agency is trying to expedite the processes of disposing of through donation of the seized shipments.

"It's already being processed. We asked for your understanding as there are certain processes that we have to follow. But if you take a look at what we are doing right now at the BOC, it's being expedited," he said, noting that there are items that need to be disposed of immediately since they are perishable.

Meanwhile, Com. Ruiz said BOC surpassed its annual revenue target of PHP721.52 billion when it collected a total of P851 billion in revenues from January to December 27. **turn to page 7**

SEIZED SMUGGLED ONIONS. Customs Commissioner Yogi Filemon Ruiz says the bureau is donating the confiscated smuggled onions to Kadiwa store during a press briefing at the Kapihan sa Manila Bay on Wednesday (Dec. 28, 2022). He said there are 500 container vans being held at various ports. *(Photo by F. P)*

BoC-Cebu Coll. Atty. Cruz 'excellent' 2022 P5-B surplus collection!

THE Bureau of Customs [BoC] under the stewardship of Commissioner Yogi Filemon L. Ruiz, the Port of Cebu Customs District Collector Atty. Elvira Cruz announced it managed to get a P5-billion excess collection for the year 2022.

According to BoC-Cebu Collector Atty. Elvira Cruz the Port of Cebu collected a total of P42.8 billion for the year as against the target of P37.8 billion, a 13-percent excess.

Coll. Atty. Cruz added that based on the data submitted by Cash Division chief Conrado 'Radi' Abarintos, the port logged a positive collection record from January to December, with the second and third quarters posting higher surplus.

Coll. Atty. Cruz said "In the second quarter, we posted 16.39 percent higher than the target. It means that the port collected P1.5 billion in surplus as it collected a total of P11.1 billion as against the quarterly target of P9.5 billion for the second quarter of 2022".

Coll. Atty. Cruz also mentioned that their third-quarter collection amounted to P12.3 billion, a P2.7 billion or 28.5-percent surplus from the target of P9.6 billion.. In the fourth quarter, BoC-Cebu posted a collection amounting to P22.6-billion, 7.5 percent higher or P3.4 billion more than the P19.2-billion target.

Based again on data submitted by Rady Abarintos, April and May logged a surplus collection performance of over 20 percent while July and September had an accomplishment of over 30-percent over collection. Moreover, January to March reflected an almost flat collection performance while August and December had over 10-percent surplus with June, October and November having less than 10 percent more duties and taxes collected.

Coll. Atty. Cruz lauded the collectors in the sub-ports of Mactan Customs Port Collector Gerardo A. Campo and Dumaguete Customs for contributing to the Port of Cebu's overall collection performance. *[E.S/D.P]*

BOC-CIIS IO-3 Enciso finds P17-M Onions from Ukay-ukay shipments!

Customs Intelligence and Investigation Services (CIIS) led by IO-3 Alvin Y. Enciso shows sacks of yellow onions which agents discovered upon inspection of three containers docked at the Port of Manila. The onions are concealed between stacks of used or ukay-ukay clothes. According to the Bureau of Customs, the shipments are consigned to SB Express Logistics and Business Solution Inc..

On Tuesday, smugglers brought in yellow onions worth P17- Million by hiding them in piles of second hand, or ukay-ukay, clothing.

Reports from the Bureau of Customs (BOC) showed that the Customs Intelligence and Investigation Services (CIIS) issued alert orders last December 22 for three containers from China that were consigned to a certain SB Express Logistics and Business Solution Inc.

Upon inspection, all three containers docked at the Port of Manila yielded onions among an assortment of clothing.

The report came as President Ferdinand Marcos Jr. left the Philippines for a three-day state visit to China.

The farmers asked Marcos to raise the issue of rampant smuggling of agricultural products, including onions, from China during his visit there.

BOC and CIIS said the shipments were initially declared to contain plastic buckets, ladies' blouses, slippers, dish plates, and cat litter. All in all, the ukay-ukay clothes were estimated to be worth around P2 million.

Customs Deputy Commissioner Juvmax Uy said the successful operation was another result of the coordination between the BOC and the Department of Agriculture (DA) and its attached agencies like the Bureau of Plant Industry.

"We processed the derogatory information received by the DA and shared with us. Based on these initial reports and investigation, we issued the AO (alert order) shortly before Christmas. I thank all our hardworking team members for ensuring that we can complete the examination of the containers before the holidays kick in," Depcom. Uy said.

According to the bureau, this is not the first time alert orders have been issued for shipments addressed to the same consignee. It disclosed that seven other containers consigned to SB Express Logistics and Business Solution Inc. are also on hold for possibly containing under-declared items or smuggled onions.

Meanwhile, Customs Commissioner Yogi Filemon Ruiz warned potential smugglers that such tactics would not elude authorities.

He also said that attempting to smuggle items into the country is an insult to businesspeople who pay the right tariff or charges to bring in products.

"The bureau has, so far, examined, detained, and seized hundreds of millions worth of shipments that contain agricultural products this month alone. If they think they can use the ukay-ukay to hide the onions, they are mistaken," Com. Ruiz said.

"We swore to protect the country's borders from this kind of illegal activities. But much more than that, we are also trying to protect our people, many of whom are deeply affected—and have been crying out—against the prices of the most basic of our food products," he added.

Coll. Atty. Cruz 'excellent' 2022 P5-B surplus Collection!

Investigation Services (CIIS) shows sacks of yellow onions which agents discovered upon inspection of three containers docked at the Port of Manila. The onions are concealed between stacks of used or ukay-ukay clothes. According to the Bureau of Customs, the shipments are consigned to SB Express Logistics and Business Solution Inc..

The retrieval of smuggled onions among used clothes came after the BOC announced on December 31 that they seized P139 million worth of smuggled agricultural products — the majority of which are red onions — from December.

The BOC estimated that from November to December 2022, the total value of allegedly smuggled agricultural products seized from shipments for SB Express Logistics and Business Solution Inc. from China reached P327.4 million.

The prevalence of onion smuggling is currently a major problem for the country, especially as prices of red onion recently skyrocketed to P600 or P700 per kilogram. The Department of Agriculture had suggested a retail price of P250 per kilogram of red onion during the holidays or until the first week of this month.[G.L/D.P]

Customs delays full digitalization to 2024!

The Bureau of Customs is expecting a hiccup in its bid to fully digitalize its processes and operations, likely to be completed in 2024 instead of early this year.

Customs Commissioner Yogi Filemon L. Ruiz said the BOC has informed Finance Secretary Benjamin Diokno on the delay in the system overhaul in the agency to increase productivity and efficiency.

Last October, Ruiz said full digitalization may happen in the first quarter of 2023. However, this is expected to be further delayed to 2024.

"Some Customs processes that we need to digitalize involves a third party provider and there are still some court orders that we need to address," Ruiz said.

"Pending the resolution of that case, our hands are tied," he said. Nonetheless, Com. Ruiz said cases are moving, but there is still a need to reschedule the timeline.

As of end-2022, 94 percent or 159 out of 170 Customs processes have already been automated to boost trade facilitation and ensure transparent delivery of government services.

"There are certain areas that we can procure even if there are pending cases and they do not affect the BOC," Com. Ruiz said. The World Bank is supporting the digitalization of the BOC through an \$88.28-million financing for the Philippine Customs Modernization Program.

The BOC has been pushing for its digitalization efforts until it achieves a fully automated Customs procedure.

Doing so would make international trade transactions more efficient and transparent while improving regulatory compliance.[L.S]

BOC-Cebu Coll. Atty. Cruz and Coll. Campo delivers 'balikbayan' boxes free of charge!

The Bureau of Customs-Port of Cebu District Collector Atty. Elvra Cruz and Mactan Customs Port Collector Gerardo A. Campo, LCB said it is completing the delivery of 185 "balikbayan" boxes to families of overseas Filipino workers (OFWs) free of charge after the packages were abandoned in warehouses, mostly in Manila.

Mario David Luminarias Jr., BOC-Cebu's acting deputy collector for operations, said the boxes arrived in Cebu in late December and are being distributed to the consignees residing in this capital city, Lapu-Lapu City, Cordova, Dumaguete City and Bohol province.

Luminarias said the packages which were loaded onto two 20-footer container vans were mostly from Dubai.

He said in October last year, Customs Commissioner Yogi Filemon Ruiz instructed his personnel to consolidate the abandoned boxes in various warehouses and ordered their delivery to the consignees in Luzon, Visayas and Mindanao free of charge.

"In the spirit of Christmas, the Bureau of Customs doesn't collect any fee at all. I think it's the instruction of President

'BALIKBAYAN' BOXES. A consignee (second from left) is seen in this Tuesday (Jan. 3, 2023) photo claiming balikbayan boxes from Bureau of Customs-Subport of Mactan Collector Gerardo Campo (third from left). These packages were part of the 185 abandoned balikbayan boxes ordered by Customs Commissioner Yogi Filemon Ruiz to be distributed for free to the consignees in Central Visayas. (Photo courtesy of BOC Collector Gerardo Campo)

Ferdinand Marcos Jr. to deliver it free of charge, including the duties and taxes if there are taxable items. Our thoughts are for the OFWs who want their families to be happy," Luminarias said. .

The BOC, he added, has shouldered the cost of delivery in coordination with cargo handlers.

Luminarias said the subports of Mactan, Dumaguete and the customs office at the Panglao International Airport in Bohol were tasked to complete the delivery of the packages this week.

The Mactan support Collector Gerardo A. Campo said they have completed the distribution for the recipients in Lapu-Lapu City and the town of Cordova.

"We can't imagine their (consignees') feelings when they received their packages," Coll. Campo said.

Apparently, some of the consignees were no longer expecting to receive their balikbayan boxes after much delay, as they noted schemes by unscrupulous consolidators abroad who would just collect the freight fees even without a clear agreement with local forwarders with regard to the delivery.

Com. Yogi Filemon L. Ruiz offered a long-term solution by pushing for policy measures to thwart such schemes through a collaboration with the Department of Trade and Industry's Fair Trade Enforcement Bureau.

Luminarias said the BOC under Com. Ruiz has created the Balikbayan Box One-Stop-Shop as an offshoot of the inter-agency agreement with the DTI and the Department of Migrant Workers to put in place collaborative measures to stop the illicit activities of "balikbayan" box consolidators abroad. (J.S-D.P)

Web-based system that connects BOC with ASEAN's counterparts launched!

The Bureau of Customs (BOC) has launched a management portal system that will connect its electronic data-based documents to its counterparts in the Southeast Asia region.

BOC Commissioner Yogi Filemon L. Ruiz said the project is the Philippine government's commitment to have interconnectivity of Customs data with members of the Southeast Asian Nations (ASEAN) by electronically exchanging export declarations made to customs officials.

The BOC-ASEAN Customs Declaration Document (ACDD) Management Portal was made possible with technical support from USAID's ASEAN Policy Implementation (API) Project. This is accomplished by electronically exchanging export declarations made to customs officials.

"To maximize the potential of intra-ASEAN trade, the BOC ACDD Management Portal enables the Philippines to electronically transmit ACDD data through the ASEAN Single Window (ASW) regional trade facilitation network," said Com. Ruiz. The Philippines has joined seven other ASEAN Member States, namely Brunei, Cambodia, Indonesia, Malaysia, Myanmar, Singapore, and Thailand, in digitizing trade processes and enhancing regional economic connectivity.

More than 140 stakeholders and representatives from the Philippines witnessed, both in person and virtually, the unveiling of one of the landmark digital tools at the Bonifacio Global City in Taguig City.

During the event, the Anti-Red Tape Authority (ARTA) urged the participants to pursue greater efficiency in government service delivery through the Signing of the Pledge of Commitment Towards Customs Digital Transformation Through the National Single Window (NSW).

Finance Secretary Benjamin Diokno welcomed everyone and highlighted the significance of the Philippines' prompt participation in implementing the live exchange of the ACDD with other ASEAN member states.

"With ongoing support from USAID, the Philippines will be able to speed up its compliance with additional regional ASEAN-endorsed commitments," said Com. Ruiz.

For her part, Jennifer Crow, acting deputy mission director for USAID/Philippines, said the launch of the USAID-supported ACDD management system is a significant step forward to effectively harness the benefits of cross-border trade flows while incorporating international best practices in customs technology.

"Building customs and trade systems that offer greater predictability, visibility, and transparency, will help Filipino exporters expand their markets and maximize opportunities," said Crow.

The NSW and ACDD tutorial video presentations, including the short clip of the ACDD launching event, are available on the official Youtube Page of the Bureau of Customs. [A.R]

BULACAN TUMABO NG MGA PARANGAL SA PANAHON NI GOV. FERNANDO

KATROPA N'YO Vic Billones III

Nakabili naman ang tambalang Gov. Daniel Fernando at VG Alex Castro, Lalawigan ng Bulacan, dahil sa 24 na parangal na nasyunal at rehiyonal ang nakamit ng nasabing lalawigan, sa kanilang anim na buwan ng ika-2 termino ng Punong lalawigan.

Tsk! Tsk! Tsk! Batay sa tala, narito ang mga parangal: 2022 Most Business-Friendly Province award mula sa Philippine Chamber of Commerce and Industry; ang ika-10 pwesto bilang Most Competitive Province; Ang ika-anim nitong Seal of Good Local Governance, ang apat pang parangal mula sa 2022 Gawad Timpuhan Central Luzon Award, Recognition for the Local Committee on Anti-Trafficking and Violence Against Women and Children, Local Council for the Protection of Children, Local Government Support Fund-Support to Barangay Development Program 2021, at Local Government Support Fund-Conditional Matching Grants to Provinces.

Top 3 sa Local Revenue Generation Hall of Fame Award para sa Fiscal Year (FY) 2018 hanggang 2020, at Top 2 sa Highest

Locally Sources Revenues para sa FY 2021. Limang parangal para sa lalawigan sa ginanap na 8th Central Luzon Excellence Awards for Health kabilang ang Outstanding Epidemiology and Surveillance Unit, Best in Multi-sectoral Collaboration on COVID-19 Vaccination, Pulang Laso Excellence Awards for Health na ipinagkaloob sa Bulacan Medical Center (Hospital Category), Excellence Award for DRRM-H Institutionalization, at Excellence Award in UHC Implementation.

Rank 2 on Outstanding Performance in the implementation of projects, accounts and programs under the High Value Crops and Development Program; Highest Accomplishment on the distribution and submission of signed list for inorganic fertilizer; Highest Number of verified farmers and farm lots under the RCM-FFR (Provincial Category); Outstanding Province in Central Luzon, at Highest Accomplishment on the distribution and submission of signed list for inorganic fertilizers (RCEF Provinces). Nakamit rin ng lalawigan ang Beyond Compliant Seal of Excellence sa ginanap na Ika-22 Gawad Kalasag Seal for Local DRRM Councils and Offices. 2021 Top Performing Public Library in the Philippines – Provincial Category ng National Library of the Philippines at Asia Foundation, at ng Energy Efficiency Excellence Awards mula sa Department of Energy; wagi ang SINEliksik Bulacan ng Best Program for Culture and the Arts Grand Champion mula sa Association of Tourism Officers of the Philippines – Department of Tourism; at kinilala si Gov. Fernando bilang 2022 Most Influential Elected Official ng Gawad Amerika Awards.

Ipinakikita nila Gov. Daniel Fernando at VG Alex Castro, ng Lalawigan ng Bulacan, ang mga parangal na nakamit ng makasaysayang lalawigan, sa panahon ng kanilang panunungkulan.

“Oo, mahalaga ang mga parangal na tulad ng mga ito. Ngunit ang lubos na importante ay ang sinisimbolo ng mga ito, na ibinigay natin ang maaasahang serbisyo-publiko sa ating mga kalalawigan. At hindi sila nagkamali na tayo ang pinili nila na mamuno sa kanilang tungo sa kaunlaran,” wika ni Gov. Fernando.

Mabuhay ang Lalawigan ng Bulacan sa pamamahala nila Gov. Daniel Fernando at VG Alex Castro!

Coll. Martin, nasungkit ang P48.7-B over-target 2022!

OPINYON LANG! Rey Endaya Domingo

CONGRATULATIONS sa tropa nina District Collector Marites "Meeks" Martin ng Port of Subic (POS), collection district ng Bureau of Customs (BOC). Nakaka-wow ang paglilingkod sa ahensya ng grupo nina Coll. Martin, partikular sa pagkolekta ng mataas na halagang buwis.

Maipagmamagaling natin ang pananatiling matatag at masigla ng koleksiyong buwis ng Team POS lalona nang muling masungkit ang lagpas sa target na taunang buwis para sa nakaraang taon (January -December) ng 2022. Nagulat ba kayo, Parekoy Ratsador Live at Bobbyjam Gagambino?

Kakaiba talaga ang husay sa paglikom ng buwis ng team POS, 'di ba? Sa totoo lang, hindi maubos ang aking paghanga sa tropa nina Coll. Martin habang sinusulat ang balitang ito. Kahanga-hanga naman kasi talaga! At lalong kapuri-puri ang kanilang talino't galing sa paglikom ng buwis!

Sa katunayan, base sa datos, naitala nang kanilang kampo ang annual o para sa loob ng isang taon (2022) consistent over-target tax collection na aabot sa P48,733,322,614, higit na mataas sa target na P41,579,080,000, at may tumataginting collection surplus na P7,154,242,614 or 17.21 percent positive deviation.

Samantalang sa katatapos lang na December 2022, gaya noong magkakasunod na taon 2021, 2020 at 2019, nakalikom rin ang team POS ng over-target tax collection na P4,381,676,829. Ito ay mas mataas kumpara sa target na P2,500,000,000 at naitala rin ang collection surplus na P1,881,676,829 or equivalent 75.27% positive.

Katulad rin noong nakaraang November 2022, nasungkit ng Team POS ang inaasahang over-target tax collection na umaabot sa P3,405,254,647.82 na mas malaking halaga kesa target na P2,600,000,000,00 at may collection surplus na P805,254,647.82 or equivalent 30% positive deviation.

Ang Nakakabilib pa, ito ay nangyari o nagawa ng Team POS sa gitna ng matumal na import at export business bunga ng patuloy na pagtaas ng inflation, serye ng mataas na presyo ng petroleum products, bagsak na halaga ng piso kontra dolyar at wala pa rin lubay na gulo sa pagitan ng Russia at Ukraine.

Nanaig ang matatag na kakayahan, kasanayan at katapatan ng tropa nina Coll. Martin sa aktibong paglilingkod, at para sa pagpupursige at todo-kayod na paglikom ng malaking halagang buwis sa kabila ng naturang pinagdaang mga

problema sa kalakalan. "EXCELLENT" ang kanilang collection performance, para sa akin.

Kung matatandaan pa ninyo, sa datos, P3,757,941,789.25 ang naitalang actual tax collection ng team POS mula August 1 hanggang 23. Mataas kumpara sa P3,572,990,000.00 na target at may surplus na P184,951,789.25 or 5.18% positive deviation.

Habang nu'ng July, 2022, nakalikom ang team POS ng P5,425,091,726.82 actual tax collection. Higit mataas sa target na P3,781,740,000.00. Suma-total, nagkaroon ng P1,643,351,726.82 or equivalent 43.45% tax collection surplus.

Samantalang nu'ng June, nakalikom ng lagpas sa target na buwis ang team POS na aabot sa P5,154,651,133.15 na mas mataas sa target na P3,380,949,000.00 at may surplus na P1,773,702,133.15 or 52.46% positive.

At nu'ng May, naitala ng Team POS ang actual tax collection na P3,843,653,098.36, higit na mataas sa P3,410,903,000.00 target na buwis. Nagkaroon ng P432,750,098,36.00 collection surplus or 12.69% positive deviation.

Katulad rin nu'ng April na P3,524,919,216.53 ang nakolektang buwis. Mataas sa target na P3,358,262,000.00, at may sobrang P166,657,216.53 or 4.96% positive.

Again, congratulations, Team POS, especially kay Coll. Meeks Martin. Keep up the good work and more power, mga Bossing! Mabuhay kayong lahat! Salute!

CAAP's statement on the ATMC power supply failure

The Communications, Navigation, and Surveillance/Air Traffic Management (CNS/ATM) System was a P10.8-billion project financed by the Japan International Cooperation Agency (JICA) that was completed on October 2017.

The CNS/ATM system provides various computer-aided safety measures in Air Traffic Control (ATC), and enhances safety through reduction of controller/pilot workloads and human errors. The new ATM System introduced Air Traffic Flow Management (ATFM) and Air Space Management (ASM) functions, which optimize the use of airport capacity and the efficient use of airspace, hence minimizing delays and allowing more flexible and user-preferred air-route selection.

Previously, CAAP only used three radars which are stationed at the Ninoy Aquino International Airport in Pasay, in Clark, Pampanga, and in Tagaytay, Cavite to manage the Philippines' air traffic.

With the new CNS/ATM system, the country now has 13 radars (NAIA1, Clark, Tagaytay, Aparri, Laoag, Cebu-Mt. Majic, Quezon-Palawan, Zamboanga, NAIA2, Mactan, Bacolod, Kalibo, and Davao) covering around 70% of Philippine air space. Additionally, with the introduction of the Automatic Dependent Surveillance – Contract (ADS-C) and the Controller-Pilot Data Link Communications (CPDLC), the CNS/ATM is able to cover 100% of the remaining oceanic airspace, hence increasing air traffic safety and capacity in the oceanic region of the Manila FIR.

The system was inaugurated on 16 January 2018 and commenced comprehensive operations on 26 July 2019.

The incident that resulted in the loss of power in the

system was due to a problem in the system's electrical network, with its uninterruptible power supply (UPS), which is to be used as backup power supply, also failing. The main cause of the power supply problem is still being determined and is subject for investigation. The CAAP's Aerodrome and Air Navigation Safety Oversight Office (AANSOO) will be tasked to investigate the incident.

CAAP recognizes that the system is already behind when it was first used in 2019 and has made recommendations to the President on improving the country's air traffic management system.

Despite the circumstances, CAAP, alongside concerned authorities, has ensured that no aircraft or passengers were harmed. CAAP is grateful to its air traffic management officers, air navigation system officers, and other staff involved in ensuring that the country's air traffic maintained its safety in spite of the power failure encountered by the system.

As we continue to work to guarantee the safe return of normal flight operations, the Authority would also like to apologize and thank affected passengers for their patience in this unfortunate event.

The Philippine Air Traffic Management Center (ATMC), which houses the equipment to the system, resumed partial operations with limited capacity at 4:00PM and normal operations have resumed as of 5:50PM on 1 January 2022. Philippine Airlines flight 222 (4:55PM) and Cathay Pacific flight 930 (5:33PM) were the first flights to respectively land and take off at NAIA after the airport resumed normal operations. (CAAP)

DPWH heeds PBBM directive to build bridges, farm-to-market roads to make life easier for farmers, common folks

The Department of Public Works and Highways (DPWH) has heeded the directive of President Ferdinand R. Marcos Jr. to make life easier for common folks as the agency continues to build, upgrade and rehabilitate bridges, flood control structures and school buildings.

Through a budget provided by the Department of Agriculture, the DPWH built some 75 kilometers of farm-to-markets roads from July to November this year as part of President Marcos' pledge to help farmers transport their harvest to public markets.

To ensure the unhampered transport of goods and services in the provinces, the DPWH built, upgraded, and rehabilitated a total of 112 bridges, 650 flood control structures as well as 2,575 school buildings for use of public school students.

The DPWH has also played an active role in disaster response like what it did in the aftermath of the magnitude 7.3 earthquake in Abra where the agency deployed thousands of personnel to help in the search, rescue and relief efforts.

In its report to Malacañang, the DPWH said it deployed more than 7,000 personnel as the government responded to several disaster areas brought about by earthquakes and the successive typhoons that hit the country this year.

Aside from personnel deployment, the DPWH also dispatched 1,711 pieces

of equipment and cleared 168 road sections in multiple provinces from Luzon to Mindanao.

Responding to the President's call to build high-quality and efficient infrastructure, the DPWH said in its accomplishment report that it has so far constructed, maintained and rehabilitated 1,105 kilometers of roads from July to November this year.

The DPWH's major infrastructure projects include the Cavite-Laguna Expressway, NLEX-SLEX Connector Road, Central Luzon Link Expressway, Cagayan de Oro River Flood Management project, Samar-Pacific Coastal Road and the Mindanao Growth Corridor Road Sector Project.

Also on the DPWH list are road network development projects in conflict-affected areas in Mindanao, Laguna-Lakeshore Road Network, Bataan-Cavite Interlink Bridge, Panguil Bay Bridge, Samal Island-Davao City Bridge and the Davao City Bypass Construction project.

The agency's key priority programs under the administration's 8-point socioeconomic agenda include a traffic decongestion program through the construction of high-standard highways and expressways, bypasses, diversion roads, flyovers and interchanges.

The DPWH is also actively involved in the Integrated and Seamless Transport System Program such as improving the Daang Maharlika, construction of inter-island linkages and mega bridges, and connecting gaps along national roads.

Through its Rural Roads Convergence Program, the DPWH will construct and upgrade access roads leading to tourism destinations, industry and trade corridors, RORO ports, airports and railway stations.

To support the Agri-infrastructure Support Program, farm-to-market and farm-to-mill roads will be built, based on the DPWH program.

The DPWH also has programs on flood management, water management and basic social infrastructure support that will create more livable, sustainable and resilient communities. **(PND)**

Distribution of College Educational Assistance - Blessed day, Treceños! 04 January 2023 Atin pong isinagawa ang pamamahagi ng educational assistance sa college students sa pangunguna ng Pamahalaang Lungsod kasama sina Vice Mayor Bobby Montehermoso, ang 11th Sangguniang Panlungsod katuwang ang CSWDO Trece Martires. May kabuuang bilang na 1,935 beneficiaries ang nakatanggap ng tig 2,500 pesos bilang tulong pinansyal para sa kanilang pag-aaral. Ang programang ito ay ginanap sa Colegio de Amore Astrodome. Para po sa mga hindi pa nakakuha pwede nyo po itong iclaim sa trece trece trece office hanggang January 20, 2023. Magdala lamang po ng photocopy ng valid id with 3 signatures. Source of fund: City Fund Maraming salamat po, taxpayers! Be blessed, Be a blessing! Bagong Trece, Puso ng Cavite, Lungsod ng Pag Asa! #GGBL #GoodGovernanceforBetterLife ❤️MGBL

Bagong taon, bagong simula para po sa ating mga kababayang natatangi! Narito po ang mga Imuseñong nagpakita ng iba't ibang galing at nagkamit ng gantimpala. Talaga nga naman pong maipagmamalaki ang talento at husay ninyo! #AAngatAngImus #AlagangAdvincula

GOODBYE 2022, WELCOME 2023, MALIGAYANG BAGONG TAON SA MGA KATOTO!!!**KUMENTO, REKLAMO, AT SUHESTIYON-09287354919**

SUMAATIN NAWA ANG PAGPAPALA NG ATING PANGINOONG DIYOS! Bukal sa aking puso mga katoto ang pagkasambit kong ito sapagkat sa karanasan ng aking buhay ay hindi ako aabutin ng mahigit na dalawang dekada bilang mamahayag sa diyario at radio program hanggang sa maging online tv broadcast na kung saan ay napapanood na sa FB at YOUTUBE sa buong bansa hanggang sa maging LIFETIME Member ang inyong katoto sa National Press Club (NPC).

Kaya mga katoto sapat na bonus na ang ipinagkaloo ng ating Panginoong Diyos sa magandang buhay na inyong katoto, pinalad na makapagtapos sa pagaaral ang aking 6 na anak at may knikaniyang maayos na buhay ang kanilang pamilya, bagamat pangkaraniwang pamilya ang aming katayuan sa buhay

BOC Com. Ruiz...

from page 8

"We swore to protect the country's borders from this kind of illegal activity. But much more than that, we are also trying to protect our people, many of whom are deeply affected—and have been crying out—against the prices of the most basic of our food products," he added.

Com. Ruiz said the thorough examination on the three container vans were conducted on Dec. 23 after an alert order was issued over reports received by the Customs Intelligence and Investigation Service (CIIS) of possible smuggling attempts from the shipment.

The examination was witnessed by the assigned Customs examiner, COO III Jordan G. Apurillo, and witnessed by DA Representative Commander Leopoldo Apellanes, Bureau of Plant Industry (BPI) Representative Mr. Fernando Masbate, Chamber of Customs Brokers, Inc. (CCBI) Representative Renz Jon S. Temeña, and CIIS officials.

The shipments were consigned to SB Express Logistics and Business Solution Inc., according to Ruiz.

He said the shipment was originally declared to contain plastic buckets, ladies' blouses, ladies' slippers, dish plates, and cat litter.

But the examination of the first container yielded misdeclared sacks of yellow onions hidden in between sacks of "ukay-ukay".

Com. Ruiz said the imported "ukay-ukay" seized from the three container vans are worth P2 million.

Aside from the three containers that yielded P17 million worth of yellow onions, seven other containers consigned to SB Express Logistics and Business Solution Inc. are currently on hold by the bureau for suspicion of undeclared and misdeclared onions.

Customs Deputy Commissioner for Intelligence Juvymax Uy shared that the success of the operation became possible because of the coordination between BOC and the Department of Agriculture (DA/D.P).

"We processed the derogatory information received by the DA and shared with us. Based on these initial reports and investigation, we issued the AO shortly before Christmas. I thank all our hardworking team members for ensuring that we can complete the examination of the containers before the holidays kick in," he said

Com. Ruiz, for his part, lauded his men, particularly BOC-CIIS agents, for another successful operation that foiled onion smuggling amid the continuous rise in the price of onion in the local market.

"Many small business owners pay the right fees to bring ukay-ukay or used clothing products into the country legally, while unscrupulous groups bring in millions worth of them without going through the proper process," said Ruiz.

The BOC has launched an aggressive campaign against agricultural smuggling following the order of President Ferdinand "Bongbong" Marcos Jr., to protect local farmers and drive the country toward food security and improved agricultural conditions. [A.R]

Ang MANUNURI

Andy Verde

PATUTUPAD po ng National Capital Rrgion Police Office (NCRPO) ang No fly zone at Gun ban para sa seguridad ng traslacion 2023. Handa na ang NCRPO sa pagdiriwang ng fiesta ng poong Nazareno sa Enero 9, 2023.

Abot sa 5,559 PNP personel ang idedeploy hanggang sa matapos ang traslacion katuwang ang 175 na mga myembro ng BFP-NCR bilang support unit.

Ayon kay NCRPO Chief P/Major General Jonnel C. Estomo bilang pag-ingat ipapatupad ang no fly zone sa Quirino Grandstand at Quiapo Church lungsod ng maynila mula kahapon Enero 6 alas 12:00 ng tanghali hanggang 20 ng Enero alas 12:00 ng tanghali.

Samantala alas 12:00 ng madaling araw kamakalawa umiirral na ang suspensyon sa Permit to Carry Firearms Outside of Residence ng mga may-ari ng baril sa lungsod ng maynila.

Tanging mga PNP ,afp at ibang uniform personal na tumutupad sa kanilang tungkulin ang pinapayagang mag dala ng baril bilang karagdangang pagingat para sa kaligtasan ng mga deboto.

Tulad ng dati ipapatulad din ang liquor ban mula Enero 7 hanggang Enero 9.

Bawal ang vendors sa paligid ng quiapo church sa araw ng traslacion at transparent na bag at lagayan ng inumin (tubig)lang muna ang papayagan.

Bagaman nasa new normal hindi maiiwasan na marami pa ring deboto ang dadalo sa pista kaya't umapela si General Estomo sa publiko na sumunod sa mga inilag na patakaran at paalala upang magkaroon ng maayos at mapayapang selibrasyon sa kapistahan ng poong itim na Nazareno.

SUPPORTADO ng Metro Manila Council (MMC) ang panawagan ng Department Interior & Local Government (DILG) sa courtesy resignation sa lahat ng mataas na opisyal ng Philippine National Police (PNP).

Inihayag ng Metropolitan Manila Development Authority (MMDA) na nagpahayag na rin ng pagsuporta ang Metro Manila Council (MMC) sa panawagan ni DILG Secretary Benjur Abalos Jr. na mag file ng courtesy resignation ang lahat ng Colonel at General sa gitna ng pangamba na may ilang mataas na opisyal ng pulisya na sangkot sa kalakalan ng iligal na droga.

Ayon sa MMDA naglabas ng resolusyon ang Metro Manila Council bilang suport sa apela ni Stecretary Abalos.

Alinsunod sa Section 1, Article XI, 1987 Constitution, na naglalayong linisin ang hanay ng PNP mula sa mga tiwaling pulis.

Ito'y upang mapangalagaan at maprotektahan ang kredibilidad ng organisasyon ng pulisya at alisin ang anuman pagdududa ng publiko para sa reputasyon at katayuan nito.

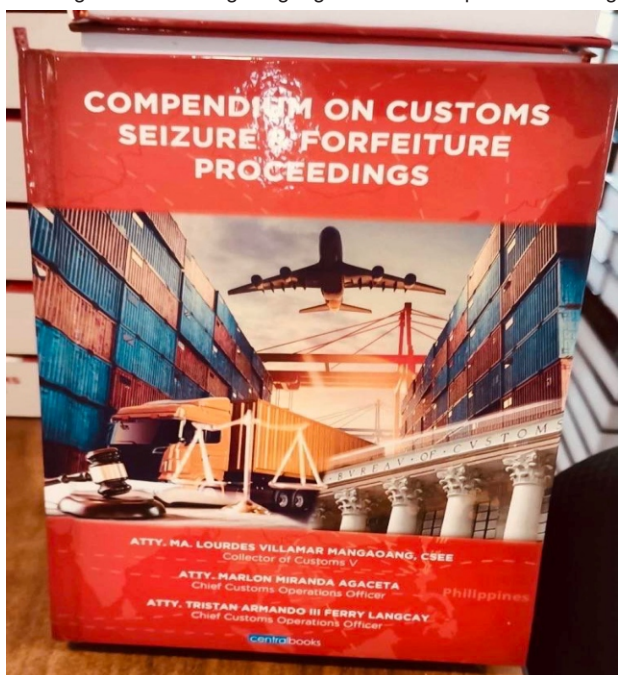

Nakasaad sa naturang resolusyon bilang bahagi ng kanilang manifestation bilang propesyunal at makabayan dapat na agarang maghain ang mga PNP higher ranking officials ng kanilang courtesy resignation para mapanatili ang kredibilidad ng PNP at maaalis ang agam-agam ng publiko.

BAGONG PANGALAN NG POLO SA SINGAPORE

NAGBIGAY na po ng abiso ang Philippine Embassy sa Singapore, sa mga Pinoy sa pagpapalit ng bagong pangalan ng POLO-Singapore.

Pinalitan na ang pangalan ng Philippine Overseas Labor Office (POLO) sa Singapore. Ito ay Migrant Workers Office (MWO) na ngayon , base sa pagkakatatag ng Department for Migrant Workers, sa ilalim ng Republic Act No. 11641.

Pinapayuhan ang mga Pilipino doon na magpadala ng kanilang mensahe sa mga bagong email address para sa kanilang

You can avail this customs book at Central Bookstore Website or you can buy the book at the Central Bookstore Quezon Avenue, Quezon City.

GUN BAN IPATUTUPAD NG NCRPO

labor-related inquiries at iba pang pangangailangan.

Bukas din ang facebook page ng Philippine Embassy sa Singapore para sa concerns ng mga Pinoy sa nasabing bansa.

SINIMULAN ng hakutin ang tambak ng basura sa mga lansangan mula Pasko at Bagong Taon ng City Environment and Natural Resources Office ng Parañaque City.

Makikita ang tambak ng basura sa mga kalsada na naipon kasunod ng nagdaang Pasko at Bagong Taon.

Paliwanag ng Parañaque local government unit (LGU) naanatala ang paghahakot ng basura dahil sa transition mula sa Leonel Waste Management Corporation sa Metropolitan Solid Waste Management Corporation.

Subalit sa ngayon tuloy tuloy na ayon sa LGU ang pag-iikot ng mga truck ng basura.

Humihingi ng pag-unawa at kooperasyon sa publiko ang local na pamahalaan kaugnay sa isinasagawang paglilinis sa siyudad.

BINAHANG LUGAR HINATIRAN NG TUBIG SA MINDANAO

NAGHATID po ng malinis na tubig ang Metropolitan Manila Development Authority (MMDA) sa mga lugar na naapektuhan ng pagbaha sa ilang lugar sa Mindanao.

Mapayapa naman nakarating at nakapamahagi ng malinis na inuming tubig ang mga tauhan ng MMDA sa ilang lugar sa lalawigan ng Mindanao.

Halos 10,000 gallon ng malinis na tubig ang naihatid ng 16-man team ng MMDA sa mga komunidad na binaha sa Misamis dahil sa epekto ng malakas na pagbuhos ng ulan sa Mindanao.

Dala ang 20 water filtration system, na may kapasidad na mag-filter ng 180 gallons ng tubig kada oras.

Namahagi din ang MMDA ng malinis na tubig sa 862 apektadong pamilya sa barangay Tuburan at Tawi-Tawi, Munisipalidad ng Aloran; East Poblacion, Munisipalidad ng Lopeza Jaena.

Matatandaan na ang MMDA ay nagpadala ng mga tauhan sa Misamis Occidental at Misamis Oriental noong Disyembre 30 para magsagawa ng humanitarian at relief operations sa mga apektadong pamilya sa nasabing mga lalawigan.

AMINADO ang Civil Aviation Authority of the Phillipines (CAAP) na luma na ang Communications, Navigation, and Surveillance/Air Traffic Management (CNS/ATM) System ng CAAP. Ayon sa CAAP, taong 2019 pa nang simulang gamitin ang nasabing equipments.

Anila, ang naturang equipments ay pinondohan pa noong 2017 ng Japan International Cooperation Agency (JICA) sa halagang P10.8-billion.

Kinumpirma naman ng CAAP na nagsumite na sila ng rekomendasyon kay Pangulong Ferdinand Bongbong Marcos, Jr., para maisaayos ang air traffic management system ng bansa. Natalakay na rin aniya ito sa Pangulo ni Transportation Sec. Jaime Bautista.

SAMANTALA sinasabing aabutin pa po ng ilang araw bago maibalik sa normal ang flight operation sa Ninoy Aquino International Airport (NAIA) ito ang inihayag ng pamunuan ng Manila International Airport Authority (MIAA).

Posibleng sa Huwebes pa maibalik sa normal bago ganap na mai-normalize ang flight operation sa mga terminal ng NAIA.

Kasunod ito ng pagpapanumbalik ng Manila Air Traffic Management System bilang resulta ng matagumpay na pagresolba ng Aviation Authority sa problema sa pagkawala ng kuryente na nakaapekto sa mga flight mula at papunta ng Pilipinas. Sinabi ni MIAA Acting General Manager Cesar Chiong may mga konting flights pa na cancelled dahil sa operational requirements ng mga airlines.

Punong- puno aniya ang mga flights kaya hindi ma-accommodate iyong mga na-cancel na flight at ilang air pasahero. Ipinaabot din ni Chiong ang kanyang paghingi ng paumanhin sa abalang dulot ng nasabing hindi inaasahang pagkaantala sa flight operation.

Sa ngayon nagtutulungan na ang MIAA at mga airlines companies para sa recovery flights matapos ang aberya dulot ng technical glitch.

AGARANG UPGRADE SA AIR TRAFFIC CONTROL

Seized smuggled...

from page 1

"We are ending the year with so much surplus. This will translate to more projects, more services that the government can deliver by maintaining peace and order, construct more infrastructure projects, especially our roads, to build more classrooms and for the government to cash aid those who are in need," Com. Ruiz said.

Three ports— the Manila International Container Port, and the Ports of Batangas and Limay – posted as the top three highest revenue earners.

Meanwhile, Department of Agriculture (DA) Assistant Secretary Rex Estoperez on Wednesday said the Department of Trade and Industry, Bureau of Plant Industry and BOC will still determine if no laws would be violated in case the seized red onions will be sold in the market.

He said the DA is also studying the price and cost structure of the commodity to determine the right suggested retail price of onion, which is currently placed at P170 a kilo.

To date, the price of red onion ranges from P400 up to almost P600 per kilo in public markets.

Asst. Sec. Estoperez said although there are ongoing harvest of the produce, it is not enough to bring down its prices.

"There is supply, but it is not enough, it is not enough to pull down the prices," he said in a phone interview.

He said farmers also increased the farmgate price of onion -- from P120 per kilo to P300 a kilo.

By January next year, the DA estimates the price of onion at P200 to P300 a kilo. [L.I.PNA]

KAILANGAN

TALAGANG kinakailangan na po ng agarang upgrade sa air traffic control system ng mga paliparan sa bansa kasunod ng malaking aberya na nangyari sakto nitong Bagong Taon na nagdulot ng kanselasyon, pag-divert o delay sa mga biyahe ng eroplano.

Nagpahayag ng pagdududa ang Civil Aviation Authority of the Philippines (CAAP) na dulot ng cyberattack ang nangyaring insidente kung saan ay nakaranas ng power supply glitch ang naturang sistema.

"Nonetheless, a review will still be conducted by cyber-security experts," pahayag ng CAAP kasunod ng briefing na idinaos kasama ng iba pang transport officials tulad nina Department of Transportation (DOTr) Secretary Jaime Bautista, National Security Adviser Clarita Carlos, at Department of Information and Communications Technology (DICT) Secretary Ivan John Uy.

Dapat daw na ideklara bilang importanteng bahagi ng national security ang aviation communications at electrical equipment upang maiwasan na ang kahalintulad na insidente ayon kay Carlos.

Binigyan-diin niya na ang pagpalya ng Communications, Navigation and Surveillance Systems for Air Traffic Management (CNS/ATM) ay malaking banta sa seguridad ng bansa.

Sa nasabing pagpupulong po ay napagkasunduan ng mga opisyal na ayusin at pagbutihin pa ang pasilidad ng CAAP kasabay ng pagpapalit sa mga damaged equipment.

Nag-alok naman si Uy ng tulong sa CAAP sa pagpapabilis ng acquisition ng mga kagamitan sa pamamagitan ng DICT.

"We will give our full support to DOTr and CAAP [in] resolving this issue," aniya.

Nang matapos pagpupulong, ininspeksyon naman ng mga opisyal ng DOTR, DICT, DND, NICA at Intelligence Service ng Armed Forces of the Philippines ang mga apektadong kagamitan sa air traffic control sa loob ng CAAP.

Magugunita na sinabi nito na ang pagpalya sa uninterruptible power supply (UPS) ang naging dahilan ng technical problems na naranasan sa air traffic management system noong Enero 1.

Sa kasunod na araw, inamin din ng CAAP na outdated na ang kanilang air traffic control equipment.

TULONG SA BINAHA SA MISAMIS

TUMULONG po ang Metropolitan Manila Development Authority (MMDA) nang magpadala ng 16- man team sa mga komunidad na binaha sa Misamis Oriental at Misamis Occidental na epekto ng shear line sa Mindanao.

Ayon kay MMDA General Manager Procopio Lipana na ang contingent, na binubuo ng mga tauhan mula sa Public Safety Division at Road Emergency Group, ay naatasang magsagawa ng humanitarian at relief operations sa mga apektadong pamilya sa nasabing mga lalawigan.

"Their main task is to set up water filtration systems in communities with limited or no supply of clean and potable water," ani GM Lipana.

Nagdala ng 20 units ang team ng water purifier system na may kapasidad na mag-filter ng 180 gallons ng tubig kada oras.

Inatasan silang makipag-ugnayan sa Provincial Disaster Risk Reduction and Management Council pagdating sa Laguindingan Airport, Misamis Oriental at manatili sa Misamis sa loob ng walong araw.

Ang shear line ay ang pagtatagpo ng mainit at malamig na hangin na nagdulot ng malakas na pag-ulan sa katimugang bahagi ng bansa na nagresulta sa napakalaking pagbaha at pagguho ng lupa.

Matatandaan, ang MMDA ay dati nang nagtalaga ng mga team sa Maguindanao, Tacloban, at Leyte, at iba pang mga lalawigan upang tumulong din sa mga operasyon sa pagtugon sa kalamidad.

NAGTALA po ng zero major incidents ang buong Metro Manila sa pagdiriwang ng Bagong Taon na naging mapayapa . ayon kay National Capital Region Police Office Regional (NCRPO) Director, P/Major General Jonnel Estomo.

Sabi ni Estomo, walang naiulat na major firecracker-related incident, kabilang ang anumang pinsala mula sa ligaw na bala, walang habas na pagpapaputok, o firecracker-related conflagration.

Iniuignay ni NCRPO Chief ang tagumpay sa pinaigting na pagpapatupad ng "Ligtas Paskuhan 2022" sa pamamagitan ng S.A.F.E. NCRPO Program na nagbawas ng mga krimen at insidente sa pagdiriwang ng Pasko at Bagong Taon.

"The metro wide celebration of December 31 New Year's Eve revelry was resoundingly safe and peaceful," pahayag ni Estomo.

"These positive developments could be attributed to our early preparations and consistent implementation of various measures," ani pa ng opisyal.

Malaki ang naitulong ng pagbabawal sa paggamit at pagbebenta ng mga paputok at pyrotechnics sa kampanya, ani Metro Top Cop.

Nadakilang pulisya ang 7 lumabag sa firecracker ban, 2 lumabag sa illegal discharge of firearms, at nasamsam ang mga paputok na nagkakahalaga sa kabuuan ng P1,208,710.00 sa buong rehiyon.

Kinilala rin ni P/Maj.Gen. Estomo ang suporta at kooperasyon ng publiko sa pagsasakatuparan ng mapayapa at walang pinsalang pagdiriwang ng Bagong Taon.

Binigyan diin ni Estomo na walang nakitang nagpaputok ng kanilang service firearms sa mga pulis ng NCRPO sa pagsalubong sa Bagong Taon.

BOC Com. Ruiz foils smuggling of P17-M worth of onions!

The agents of the Bureau of Customs (BOC) under the stewardship of Commissioner Yogi Filemon L. Ruiz have intercepted around P17 million worth of onions in an apparent agricultural smuggling attempt after they were found to be hidden in between sacks of used clothings, popularly known as "ukay-ukay", inside three container vans from China.

Commissioner Yogi Filemon L. Ruiz said the three container vans arrived at the Port of Manila and were deliberately misdeclared to be containing various clothings and home products.

"The Bureau has, so far, examined, detained, and seized hundreds of millions worth of shipments that contain agricultural products this month alone. If they think they can use the ukay-ukay to hide the onions, they are mistaken," said Ruiz.
