Volunteer groups scrub vandalized Cavite City historical markers clean

CAVITE CITY, Cavite (PIA) – Known for their pride in Cavite’s role in history, Caviteños are wrapping up the National Arts Month with a series of restoration efforts of historical markers within the City of Cavite.

Last February 27, volunteers from the Cavite Historical Society, Cavite State University, Kabataang Kabiseno and Temple Street Primera Familia led the city-wide cleaning and restoration of historical markers within Samonte Park.

Led by the City Tourism Office and volunteers from the Manileños for Heritage Group, a non-government organization dedicated to restoring historical markers and monuments in Manila City, the cleaning and restoration activity included key historical items such as the 1872 Cavite Mutiny marker, Capital Marker, and the Ermita de Porta Vaga Façade and Marker.

In a statement, the city government noted that the project will prioritize the restoration of the Ermita de Porta Vaga replica monument and its marker.

“Recognizing our city’s historical value as a cradle of revolutionary heroes and martyrs, they vowed to help the City Government in restoring these markers and monuments to their former glory.”

The Ermita de Porta Vaga has been repeatedly defaced and vandalized over the past year, which captured the attention of civil society organizations. (PB-PIA CALABARZON, City Government of Cavite)

ON THE WATCH

Rico Osmeña

Cebu City Mayor Nestor Archival warned on Friday, March 6, 2026 that the city's waste disposal expenses could balloon to ₱2 billion a year if global fuel prices surge.

He cited that hauling waste 60 kilometers to a landfill in Aloguinsan may strain the city's budget amid rising geopolitical tensions in the Middle East.

This as Archival placed the City under Heightened

State of Economic and Operational Preparedness, anticipating possible ripple effects of escalating hostilities in the Gulf region on oil prices, transportation, and basic commodities.

He said the city currently spends about ₱500 million annually on waste disposal. But with shift of residual waste hauling to Aloguinsan town, with the rise in fuel prices this May reach to ₱1 in expenses or possibly reaching to ₱1.5 billion to ₱2 billion.

"This is a serious financial responsibility," said the mayor. "When fuel prices go up, transportation, food, and basic commodities are also affected," he stressed.

As he urged residents to remain disciplined and prepared.

"We must protect public funds to ensure uninterrupted delivery of services to our people," Archival added.

After the closure of the Binaliw landfill earlier this

year, which killed 36 people, the city had to seek alternative dumping sites.

And waste was initially transported to Consolacion town.

From the previous ₱1,100 per ton in Binaliw, now hauling and disposal has reached to ₱3,906 per ton.

Cebu City alone collects waste daily from 500 tons to 600.

Pam warns retailers vs. unjust price hikes

Cebu Governor Pamela Baricuatro warned on Thursday retailers and business establishments in the province against unjust price increases amid tensions in the Middle East.

"Watch out because we are monitoring you. Please do not take advantage of the situation," the governor stressed.

This as Assistant Provincial Administrator Aldwin Empaces disclosed that the Department of Agriculture Central Office informed the province that rice selling prices has reached to ₱70 per kilogram.

Baricuatro assured the public that the province has not run out of rice or food and that supply remains stable as of the moment.

"So far, everything is good. Everything is in order.

Meanwhile, Cebu Chamber of Commerce and Industry

(CCCI) urged local businesses to take proactive and precautionary measures against potential economic disruptions brought by escalating tensions in the Middle East.

CCCI pointed out that the Philippines, which is heavily dependent on imported fuel, is expected to feel the strain. The country may face higher transportation costs, increased electricity rates, and rising prices of basic goods and services.

With Cebu being a trade-driven and tourism-dependent economy, is particularly vulnerable to these pressures. Higher fuel and logistics costs will also likely impact manufacturers, exporters, retailers, and transport operators.

Likewise, businesses that rely on imported raw materials may face additional challenges, including supply

chain disruptions and currency fluctuations.

To help mitigate these risks, CCCI recommended that businesses adopt a range of precautionary strategies.

These include conducting scenario planning to assess potential outcomes, recalibrating sales and growth targets in anticipation of softer demand, and reviewing pricing strategies with consumer sensitivity.

They also recommended strengthening operational efficiencies, securing supply chains, exploring alternative sourcing options, and preserving liquidity through contingency reserves.

CCCI called on government agencies to closely monitor inflationary pressures, ensure supply stability, and provide timely support mechanisms for Micro Small Medium Enterprises (MSMEs).

"While the situation remains fluid, preparedness and prudence will be the key," CCCI emphasized. **(By RICO MIRASOL OSMEÑA)**

Around 34,000 Overseas Filipino Workers (OFWs) in Central Visayas are now being by the Department of Migrant Workers (DMW), who are deployed in the Middle East.

As of March 3, the Overseas Workers Welfare Administration (OWWA) reported zero casualties and no requests for assistance from Central Visayas-based OFWs in affected areas.

OWWA-7 has activated its regional contingency protocols in coordination with DMW-7 to ensure the safety and welfare of OFWs and their families amid the deepening

conflict.

Maintaining constant communication with Migrant Workers Offices (MWOs) and OWWA posts across the region to obtain real-time updates on developments on the ground.

Central Visayas, particularly Cebu, remains one of the country's major labor-sending regions, with thousands of workers employed in construction, healthcare, domestic work and other sectors across Middle East.

Alert Levels 1-4 were declared by the

Department of Foreign Affairs (DFA).

"These alert levels guide our response and preparedness measures," said OWWA-7, who also urged OFWs and their families to closely follow official advisories.

In preparation for possible repatriation or flight disruptions, a joint OWWA-7 and DMW-7 team has been placed on standby at the Mactan Cebu international Airport (MCIA). The team is ready to provide immediate assistance to returning or stranded workers.

Assistance includes Airport reception and profiling, temporary accommodation, food support, and transportation back to home provinces within Central Visayas.

MCWD assures public to cut water losses, safeguard public health

The Metropolitan Cebu Water District (MCWD) reaffirmed on Wednesday, 4 March 2026, its commitment in reducing water losses, modernizing infrastructure and safeguarding public health.

This was its reaction on the criticism issued by the Cebu Electricity Rights Advocates (CERA) that MCWD now is facing Fiscal and Humanitarian disaster.

MCWD is targeting a reduction in Non-Revenue Water (NRW) to 25% by December 2026 and further down to 20% by December 2027.

The projected reductions are expected to generate more than ₱109.8 million in additional revenues in

2026 and ₱335.8 million in 2027. These funds will be used to support infrastructure upgrades and service improvements.

MCWD added that it has earmarked substantial investments for the renewal of aging pipelines and installation of new distribution lines.

It has also intensified its campaign against water pilferage and continues to hold contractors and other utilities accountable for project-related damages that result in major leaks.

"Reducing NRW remains a priority, and measurable progress is underway," MCWD said.

Frat members involved in Cavite hazing death urged to surrender

MANILA—Department of the Interior and Local Government (DILG) Secretary Jonvic Remulla and Philippine National Police (PNP) chief Gen. Jose Melencio Nartatez Jr. on Friday urged members of the Tau Gamma Phi fraternity responsible for the alleged hazing death of a college freshman in Cavite to surrender and face the charges against them.

In a press briefing at the Rizal Memorial Sports Complex in Manila, Nartatez urged those involved to give themselves up to the authorities to answer for the alleged crimes they were involved in.

"Of course, as soon as possible they will surrender. They can do it themselves or through the Tau Gamma. This is important so that once and for all, we can solve this," Nartatez said.

He said investigations are still ongoing despite the earlier reports of evidence tampering following a fire that occurred on the crime scene.

"The provincial director, chief of police and the different investigators there have come together to identify everyone and they will have their recommendation, especially referring this case to the prosecutor whether they are suspects or victims," the PNP chief said.

He said there are at least 21 individuals involved, and investigators are piecing together what really transpired.

"Remember, per the hazing law, when you are a victim you will also be punished. No one will be left here who cannot be punished," Nartatez said.

Remulla also urged the suspects to surrender as soon as possible after he met with the national leaders of the Tau Gamma Phi (TGP) fraternity.

"They have promised to cooperate fully and to reform the culture of violence in their initiations in order to make this better," Remulla said at the briefing. "But, first of all, it is the accountability of the 21 [suspects and persons of interests] that is important."

The Interior Secretary, reading a police report from the Cavite Provincial Police Office, identified 14 of the suspects and persons of interest as: John Ferson Cabrera; Archie Rosil; Felix Martin Dala; John Rey Torrecampo; John Lee Tuilao; John Vicent Malipot; Niel Nicholas Rapatan; John; Michael Jagonoy; Dar Sabilona; Zidane Manglanlan; Gabriel Vergara; Kurt dela Cruz; Alias Kenneth Ompod; Alias Mark.

The other suspects and persons of interest remain John Does, according to Remulla.

He also identified two more neophytes who were also allegedly hazed during the purported rites as Jedrick Solomon Bornea and Joel Marce Garcia Jr.

Remulla said they will be charged in court for violation of Republic Act (RA) 11053, the Anti-Hazing Act, and warrants of arrest will be issued against them.

"Ngayon nakikiusap ako sa sinabi kong mga pangalan: unahan niyo na mag-surrender kayo kaysa habulin namin kayo. Para rin sa Samahan din ng Tau Gamma Phi, kung gusto niyong maayos ang pangalan ng inyong Samahan, ng inyong kapatiran, unahin niyo na na mag-surrender kayo (I appeal to the persons I just named: surrender now or we will run after you. Also, for the Tau Gamma Phi fraternity, if you want to clean the name of your fraternity, of your brotherhood, surrender now)," he said.

"You're all young. 18, 19 years old. You all still have

much to do in your lives. Cooperate with us. Let's fix this. You still have hope. You can still fix this," he added.

Also present during the press briefing was Martin Asturias, TGP head National Judicial Council and spokesperson, who assured Remulla of the fraternity leadership's cooperation in the investigation.

"We will conduct expulsion proceedings towards the perpetrators. With the conversation we had with Secretary Remulla, we've given our word that we will cooperate with the local authorities and the DILG to get this resolved. Again, we gave our word, so we will keep it and assist the local authorities," Asturias said.

The Tau Gamma Phi official condemned the incident and expressed condolences to the victim's family.

According to Asturias, they have relieved the officers of its Cavite and Dasmariñas City chapters, though he has yet to receive word on whether the order has already been implemented.

"We are still conducting our own internal investigation, but from last what I've heard, the current provincial and city officers have been relieved and we are putting in caretaker officers that will ensure that we find out and get to the bottom of what happened," he said.

Asturias also stressed that the organization had "explicitly told" all its local chapters to abide by RA 11053 or the Anti-Hazing Law during their congress in November 2023, months after its members were implicated in the fatal hazing of chemical engineering student John Matthew Salilig, whose body was also found in Cavite. **(PNA)**

BOC Lalong tumitibay! 1.2 bilyong surplus ng BOC sa buwan ang February Collection! Kudos sa lahat! POM, CDO Port good Job!

Tutok Aduana ni Reynante Salgado

Binigyang-diin ni Bureau of Customs Commissioner Ariel F. Nepomuceno na nananatiling buo at matibay ang estratehikong ugnayan ng ahensya sa iba pang sangay ng pamahalaan, sa kabila ng mga naglalabasang mapanirang intriga at espekulasyon na nagtatangkang buwagin ang kanilang pagkakaisa.

Sa isang opisyal na pahayag, tiniyak ni Commissioner Nepomuceno na ang kolektibong layunin ng BOC at ng mga katuwang nitong ahensya ay nakatuon sa pagpapaligtang ng serbisyo publiko, pagpapatupad ng mga radikal na reporma, at pagpapanatili ng pinakamataas na antas ng integridad sa lahat ng aspeto ng operasyon sa aduana.

Hindi Natitinag na samahan ayon sa hanay ng mga opisyaes at kawani ng BOC, hindi kailanman nagalaw ang pundasyon ng kanilang pakikipagtulungan sa ibang mga ahensya ng gobyerno.

Sa gitna ng mga "ingay" at "intriga," nananatili silang nagkakaisa sa paglaban sa mga ilegal na aktibidad at sa pagpapanatili ng kaayusan sa mga hangganan ng bansa at mahigpit na Polisiya at Reporma Bilang bahagi ng kampanya para sa isang "Clean Customs."

Focus sa Serbisyon Tapat ang BOC at ayon kay Comm. Ariel "Ang aming atensyon ay hindi nakatuon sa mga walang saysay na ingay, kundi sa masigasig na pagpapatupad ng batas at sa pagbabalik ng buong tiwala ng sambayanang Pilipino sa Bureau of Customs."

Sa pamamagitan ng mga hakbang na ito, layon ng BOC na patunayan na ang tunay na lakas ng ahensya ay nagmumula sa katapatan sa tungkulin at hindi sa anumang panlabas na panggugulo. Ang mensaheng ito ay nagsisilbing babala sa mga nagnanais sumira sa imahe ng kawanihan habang ito ay patuloy na naglilinis ng sariling hanay.

Nakakabilib talaga ang performance ng Bureau of customs sa pangunguna ng magaling at masipag na Head ng agency na si Comm. Ariel Nepomuceno dahil napanatili ang malakas na momentum ng revenue noong unang bahagi ng 2026 matapos lumampas sa target nitong

koleksyon noong Pebrero ng higit sa ₱1.2 bilyon. Ito ay minarkahan ang ikalawang magkakasunod na buwan ng higit sa target na pagganap para sa Kawanihan ngayong taon.

Ang paunang datos ay nagpapakita na ang BOC ay nakakolekta ng ₱73.798 bilyon noong Pebrero, na lumampas sa ₱72.592 bilyon na target nito ng humigit-kumulang ₱1.206 bilyon, o humigit-kumulang 1.7 porsiyento.

Ito ay kumakatawan sa isang kapansin-pansing pagpapabuti kumpara sa koleksyon nitong Pebrero 2025 na ₱71.765 bilyon, na sumasalin sa isang taon-sa-taon na pagtaas ng 2.8 porsiyento, o ₱2.033 bilyon.

Mula Enero hanggang Pebrero 2026, nagtala ang BOC ng kabuuang koleksyon na ₱154.747 bilyon, na kumakatawan sa 2.5 porsiyentong pagtaas, o ₱3.729 bilyon, kumpara sa parehong panahon noong nakaraang taon.

Ang patuloy na paglago ay binibigyang-diin ang matatag na mga kita sa unang bahagi ng taon ng pananalapi.

Sinasalamin ng tagumpay na ito ang direktiba ni Pangulong Ferdinand R. Marcos Jr. na palakasin ang disiplina sa pananalapi at pahasayin ang koleksyon ng kita para sa mga pambansang prayoridad, at ang pamumuno ni Customs Commissioner Ariel F. Nepomuceno sa pagpapalakas ng pagpapatupad at pagsunod sa buong Kawanihan.

Binigyang-diin ni Commissioner Nepomuceno ang pangako ng Kawanihan sa pagpapanatili at pagbuo sa momentum na ito, habang kinikilala ang sama-samang pagsisikap at kontribusyon ng mga kalalakihan at kababaihan ng BOC sa likod ng tagumpay.

Sabi ni Comm. Ariel Nepomuceno "The entire Bureau delivered more than the expected financial target for February.

This is contrary to the expectation that, during the month of the Chinese New Year, bumababa yung collection natin. But we were able to prove, with the efforts of everyone, especially our port collectors, that it can be done—with the proper assessment, with the stricter implementation of enforcement rules, and with the due diligence of our deputy commissioners, who keep on budging everyone to collect properly. So, again, thank you and congratulations to the Bureau for achieving our collection target more than the expectation,"

Sa pasulong, ang Kawanihan ay nananatiling nakatuon sa higit pang pagpapahusay sa mga sistema at proseso nito upang matiyak ang patuloy na pagganap ng kita bilang suporta sa katatagan ng pananalapi at agenda

ng pag-unlad ng bansa. Keep up the good work sa buong Bureau of customs!

Samantala ang BOC – Port of Manila Lumampas sa Target ng Koleksyon noong Pebrero 2026

Matagumpay na nalampasan ng Bureau of Customs – Port of Manila ang target ng koleksyon nito para sa Pebrero 2026, na nagpapakita ng sustained operational efficiency at malakas na performance ng kita sa ilalim ng pamumuno ni District Collector Rizalino Jose C. Torralba.

Ayon sa POM Collection Division, ang Port ay nag-post ng aktwal na koleksyon na ₱6.547 bilyon, na lumampas sa nakatalagang target na ₱6.514 bilyon at nagrehistro ng 0.51% surplus para sa buwan. Binibigyang-diin ng tagumpay na ito ang hindi natitinag na pangako ng POM sa pagbuo ng revenue, pagpapadali sa kalakalan, at epektibong pangangasiwa sa customs.

Pinuri ni District Collector Torralba ang workforce ng Port para sa kanilang dedikasyon, propesyonalismo, at walang sawang pagsisikap sa pagkamit ng mga resultang ito sa kabila ng mga hamon sa pagpapatakbo. Ipinaabot din niya ang kanyang pasasalamat sa BOC Central Office para sa kanilang patuloy na paggabay at estratehikong direksyon.

"Sa pamamagitan ng pakikipagtulungan at sama-samang pangako, patuloy naming pinalalakas ang aming serbisyo publiko at kahusayan sa pagpapatakbo," sabi ni Collector Torralba, na hinihimok ang lahat ng tauhan ng POM na panatilihin ang momentum at ituloy ang mas mataas na pamantayan sa pamamahala ng customs.

Ang tagumpay na ito ay umaayon sa pananaw ni Customs Commissioner Ariel F. Nepomuceno, na ang pamumuno ay nananatiling instrumento sa pagsusulong ng mga layunin ng Bureau ng matatag na koleksyon ng kita, kahusayan sa kalakalan, at integridad ng institusyon.

Ganundin sa Port of Cagayan De Oro na pinamumunuan ni District Collector Atty. Manuel O. Zurbito Jr., ay napanatili ang malakas nitong pagganap sa pamamagitan ng muling paglampsang sa nakatalagang target na koleksyon para sa Pebrero 2026.

Nagtala ang ang Port ng kabuuang koleksyon na nagkakahalaga ng ₱3,743,818,469.43, na lampas sa target na ₱3,193,327,370.42. Nagresulta ito sa surplus na ₱550,491,099.01, na kumakatawan sa isang positibong paglilis na 17.24%. Batay sa datos para sa 2026, ang Port of Cagayan de Oro ay nakakolekta na ng kabuuang ₱7,224,615,314.58 mula noong Enero, na lumampas sa ₱6,452,906,780.20 revenue target o isang positive deviation na 11.96%.

Kinilala ni District Collector Zurbito ang malakas na performance ng Port sa mahigpit na pagsubaybay nito sa mga imported na bilihan at ang matatag na dedikasyon ng mga tauhan nito sa pagtiyak ng tumpak na pagtatasa at napapanahong pangongolekta ng mga tungkulin at buwis.

Pinuri rin niya ang sama-samang pagsisikap ng buong workforce ng Port of Cagayan de Oro, kabilang ang Subport ng Mindanao Container Terminal sa pangunguna ni Atty. Geniefelle Lagmay, ang Subport ng Iligan sa pamumuno ni Coll. Nasrudin Guro, at ang Subport ng Ozamiz na pinamumunuan ni Coll. Ernie Lacpao. Ang tagumpay na ito ay sumasalin sa mga prayoridad na programa ni BOC Commissioner Ariel F. Nepomuceno at binibigyang-diin ang direktiba ni Pangulong Ferdinand R. Marcos Jr. na pahasayin ang performance ng kita ng mga ahensyang nangongolekta ng gobyerno.

Sa pamamagitan ng pagpapanatili ng matatag na mga koleksyon, tinutulungan ng Bureau na matiyak ang maaasahang pagpopondo ng mga kritikal na proyektong pang-imprastruktura at iba pang pangunahing inisyatiba sa pambansang pag-unlad.

Marcos, kung saan sadyang di niya pinababayaan ang ating mga kababayan tulad ng pamamahagi lote, pabahay, at mga pinansyal sa nasunugan, trahedya tulad ng mga bagyo, baha, at lindol saan man dako o panig ng bansang Pinas tanging si PBBM ang kailangan! Dapat pa bang imemorays yan mga katoto!

Lalot katuwang ang pinagtitiwalaang tpat na maglingkod na si katotong National Housing Authority (NHA) General Manager (GM) Joeben A. Tai na super sipag at workoholik sa lahat ng mga direktibang iniatas sa kanya ni katotong PBBM, abay walang hindi, umulan man at bumagyo tuloy-tuloy ang trabaho o serbisyo publiko para sa bayan mga katoto!

Namahagi ang National Housing Authority (NHA), sa ilalim ng Emergency Housing Assistance Program (EHAP) nito, ng P15.96 milyong halaga ng tulong pinansyal sa mga biktima ng sunog sa isang seremonya na ginanap sa Delpan Sports Complex, Tondo, Manila, nitong Marso 04, 2026.

Personal na pinangunahan ni NHA General Manager Joeben A. Tai, kasama si Manila City Mayor Francisco “Isko Moreno” Domagoso, ang pamamahagi ng ayuda para sa 532 apektadong pamilya sa Brgy. 655, Zone 69, Cabido St., Intramuros, Manila, noong nakaraang Pebrero 25, 2026.

Sa kanyang mensahe, umaasa si GM Tai na makakatulong kahit papano ang ayuda sa mga benepisyaryo.

“Sa lahat po ng mga benepisyaryo ng ating EHAP, hangad po namin na makatulong ang munting halaga na ito sa inyong unti-unting pagbangon at pagsisimulang muli,” ani GM.

Ayon sa mga alituntunin ng programa, nakatanggap ang bawat pamilya ng P30,000 bilang paunang pondo para sa pagkukumpuni at pagsasaayos ng kanilang mga tirahan. Bukod dito, ang mga pamilya ay nascreen at na-validate, sa koordinasyon at pakikipagtulungan sa Manila social welfare and development office para sa recipient certification at verification.

Hawak hawak nila NHA GM Joeben A. Tai at Manila City Mayor Isko Moreno Dumagoso ang chekeng nagkakahalagang P15.95 milyong tulong finansyal para sa 532 apektadong nasunugang pamilya sa Cabido St. Brgay 655, Sona 69 Intramuros Manila. Pasky Natividad

Bilang tugon, nagpahayag naman ng pasasalamat si Mayor Moreno para sa agarang tulong ng NHA sa mga Manileño na naapektuhan ng sunog.

“Maraming salamat sa NHA at kay GM Tai sa paghahatid ng EHAP sa mga taga-Maynila at sa pagbibigay ng mabilisang tulong at serbisyo sa ating mga kababayan,” wika ng local chief executive.

Nakasama rin sa okasyon sina NHA NCR-West Sector Cromwell C. Teves, Manila Urban Settlements Head Jay Dela Fuente, at iba pang lokal na opisyal.

Ang EHAP ay isa sa mga kasalukuyang programa ng NHA na nagbibigay ng tulong-pinansyal sa mga pamilyang nasalanta ng iba’t ibang kalamidad tulad ng bagyo, sunog, pagbaha, pagguho ng lupa, at lindol. Layunin ng programang ito na makapaghatid ng suporta sa mga pamilyang nawalan ng tahanan o kabuhayan, bilang tugon sa direktiba ng Pangulong Ferdinand “Bongbong” R. Marcos, Jr.

IMUS CAVITE - The night sky turned into a theater of celestial wonder as SM Center Imus hosted a successful community event for the recent Total Lunar Eclipse. Local residents and space enthusiasts gathered at the mall to witness the rare astronomical spectacle, watching in awe as the moon shifted into its iconic blood-red hue. The event was packed with educational opportunities, featuring interactive science displays that explored the mechanics of the solar system. To deepen the experience, experts conducted a series of short talks on moon observation, teaching attendees how to identify key lunar landmarks. The evening concluded with live sky-watching sessions, where families and hobbyists used provided equipment to get a closer look at the unfolding phenomenon.

YIPOA Graduate, Isa nang LSA Farmer-Cooperator

Isang kahanga-hangang tagumpay para kay Claudette Anne Aguila, graduate ng Youth Internship Program on Organic Agriculture (YIPOA) Batch 2, nang mailunsad nitong Pebrero ang kanyang farm na Simula Agricultural Farm bilang isa sa mga bagong Learning Site for Agriculture (LSA) ng DA-Agricultural Training Institute (ATI) CALABARZON.

Mula sa pagiging isang intern ng YIPOA, si Claudette, na isang kabataang magsasaka mula sa Calamba City, Laguna, ay isa nang ganap na farmer-cooperator — patunay aniya na hindi basehan ang edad, kundi ang puso sa agrikultura.

Matatandaang noong siya ay intern ng YIPOA, naitalaga siya sa Adhika Nature Farm sa Majayjay, Laguna. Dito niya natutunan ang mas malalim na kaalaman at praktikal na kasanayan sa pag-oorganiko—mula sa wastong produksyon ng gulay at mga halamang herbal, pangangalaga ng lupa, hanggang sa epektibong pagmamarket ng mga ani.

Sa tulong ng YIPOA at sa kanyang dedikasyon, unti-unting napaghusay ang kanyang kaalaman ukol sa organikong pagsasaka.

Tampok sa kanyang sakahan ang iba't ibang uri

ng gulay na kanyang itinatanim at direktang mina-market.

Bilang isang Agribusiness graduate mula sa University of the Philippines Los Baños, siya mismo ang nangangasiwa sa marketing at pagbebenta ng kanyang mga produkto.

Aktibo niyang dinadala ang kanyang ani sa mga Kadiwa ng Pangulo outlet at nakikilahok sa iba't ibang trade fairs na inisyatibo ng DA at iba pang kumpanya sa Laguna. Dahil dito, mas lumalawak ang kanyang merkado at mas maraming mamimili ang naaabot ng kanyang mga sariwa at de-kalidad na produkto.

Hindi nagtatapos sa produksyon at pagbebenta ang kanyang misyon. Patuloy siyang nagpapalawak ng kaalaman sa pamamagitan ng pagdalo sa mga pagsasanay at seminar na inihahandog ng DA at DA-ATI CALABARZON.

Mula sa pagiging intern, ngayon ay isa na siyang huwarang kabataang magsasaka at lider sa larangan ng organikong pagsasaka. Ang kanyang kuwento ay malinaw na patunay na sa tamang pagsasanay, determinasyon, at suporta, ang kabataan ay may mahalagang papel sa pagsusulong ng makabago at sustenableng agrikultura.
