P20 BBM rice program now serving more groups in Bacoor City

CITY OF BACOOR, Cavite (PIA) — More residents in Bacoor City are set to benefit from the government's P20 rice program as the Department of Agriculture (DA) Calabarzon and the Bacoor City government rolled out the expanded "Benteng Bigas, Meron Na!" initiative.

Around 2,500 Bacooreños were able to purchase P20-per-kilo rice during the ceremonial selling held on March 6, which also signaled the start of regular rice distribution by the Bacoor local government unit for qualified residents.

Residents were also registered in the P20 Benteng Bigas Masterlist Registry System (PBBMRS), a web-based application developed by the Information and Communications Technology Service of the Department of Agriculture (DA-ICTS) to facilitate the registration of program beneficiaries.

According to the city government, around 200,000 Bacooreños are expected to benefit from the P20 rice program, which prioritizes vulnerable sectors such as senior citizens, persons with disabilities (PWDs), 4Ps beneficiaries, solo parents, farmers, fisherfolk, public transport drivers, minimum wage earners, and public school teachers and non-teaching staff.

Other groups, including teachers, jeepney drivers, students, house helpers, and the city government's job order workers, will also be included among the beneficiaries as endorsed by Bacoor City Mayor Strike Revilla.

According to Assistant Secretary for Agribusiness, Marketing, and Consumer Affairs Atty. Genevieve E. Velicaria-Guevarra, the program's scope has been expanded in its second rollout in Bacoor City to allow more residents to benefit.

Meanwhile, Efen Capacite, a resident of Barangay Niog III, expressed gratitude after purchasing 10 kilograms of rice at the subsidized price. He said that as a senior citizen whose wife is currently ill, the program greatly helps reduce their household expenses.

Farmers' groups in Cavite were also allowed to sell their products through KADIWA, which was part of the activity.

DA Calabarzon reaffirmed its commitment to assist local government units in the region in rolling out the Benteng Bigas, Meron Na! program to benefit more residents and help ensure food affordability for vulnerable sectors. **(FC, PIA)**

PAM links illiteracy to malnutrition in Cebu

ON THE WATCH

Rico Osmeña

Cebu Governor Pamela Baricuatro on Thursday said she was not surprised on reports that five out of 10 early-grade pupils in major cities in Cebu struggle to read and understand simple sentences.

She cited the findings from the Second Congressional Commission on Education (EDCOM II) which disclosed illiteracy is largely a symptom of malnutrition among children.

"Our illiteracy rate is a byproduct of malnutrition, as a child can not properly study because they don't have food to eat, thus schooling is affected," the Governor said.

Data from the National Nutrition Council in Central Visayas (NNC-7) supports the Governor's claim, showing Cebu Province consistently ranks second in Central Visayas across key malnutrition indicators.

Cash gifts hike for long-married couples pushed in Cebu City

Long-married couples in Cebu City may soon have cash gifts rather than the usual "thank you" in celebrating their 50th and 60th wedding anniversaries.

North District City Councilor Atty. Sisinio Andales and Sangguniang Kabataan President Rhea Mae Jakosalem have filed a measure to update the city's rules on financial aid for married couples having their golden and diamond milestones.

"We believe these couples are role models for the community. By staying together for decades, they show the strength of commitment and stability in Cebuano families,"

VAWC cases drops 47% in Cebu

The Cebu Provincial Police Office (CPPO) disclosed on Friday that cases of violence against women and children (VAWC) dropped by 47% or 259 to 137 cases in the Province of Cebu.

This was the data for the first two months of 2026 compared to the same period in 2025.

While violence against women (VAW), in particular, decreased 35% from 133 to 86 which includes violations of the Anti-VAWC Act, acts of lasciviousness, rape, concubinage, and violations of the Safe Spaces Act.

At the recent "Hisgutan Ta!" media forum, CPPO Women and Children's Protection Desk (WCPD) Chief Police Lieutenant Ritchil Tesoro attributed the decline to various prevention efforts, including house-to-house visitations and community dialogues.

She also shared that a total of 107 arrest warrants for suspected VAWC perpetrators were served in the first two months of the year, while 79 cases were filed in court.

On top of VAWC cases were Talisay City and the municipality of Minglanilla in the south and the municipality

In 2024 Operation Timbang Plus report it was recorded at 3.64 percent of Cebuano children as underweight, 8.67 percent as stunted, and 1.42 percent as wasted.

While 2.58 percent or equivalent to more than 4,900 children aged 0 to 59 months were classified as Overweight or obese.

To address this, Baricuatro is prioritizing nutrition through feeding programs in schools, with the support from the private sector and non-government partners such as Century Pacific and Rise Against Hunger Philippines.

"We are moving to address both literacy and nutrition gaps through structural reforms and targeted Interventions, including the creation of a dedicated education office and the roll out of school-based feeding programs," she stressed.

The program will initially be piloted in three to five schools before a province-wide roll out.

"We are fine-tuning the process. We cannot just go in and do a feeding program and just provide them with rice and okay, you tell the school to do the rest. We cannot be like that," she added.

To be prioritize local government units with the highest illiteracy rates for targeted Interventions. Like the island town of Pilar in Camotes island and Tuburan.

said Andales and Jakosalem.

The cash grants will be ₱30,000 for couples reaching their Golden Wedding Anniversary (50 years) while ₱50,000 for Diamond Wedding Anniversary (60 years).

If passed, the amended ordinance will serve as a tribute to the love and resilience of Cebuano couples who have stood the test of time, proving that enduring unity is something worth celebrating.

The initiative is part of Cebu City's larger effort to support its elderly residents. By honoring long marriages which is consistent from the Philippine Constitution's goal

The EDCOM II report showed that half of early-grade learners in major urban hubs in Cebu are classified as "struggling readers," or those unable to read or comprehend a simple paragraph.

Talisay City recorded the highest share at 52.99 percent followed by Cebu City with 46.85 percent, Lapu-Lapu City with 45.65 percent, Toledo City with 43.83 percent, Mandaue City with 39.70 percent, Cebu Province with 39.31 percent, City of Naga with 35.57 percent, Danao City with 32.51 percent and Bogo City with 32.50 percent.

The Comprehensive Rapid Literacy Assessment (CRLA) covers the beginning of the school year 2025 to 2026, and assesses 263,204 learners between Grades 1 and 3. Nationwide, the top 10 localities with highest number of struggling readers are those from Mindanao.

of protecting the family as the foundation of the nation.

Under the new rules, couples who received a grant for their Golden anniversary can still apply for another one when they reach their 60th year.

To be eligible, couples must meet a few requirements: 1. They must have lived in Cebu City for at least 10 years. 2. They must show their Senior Citizens IDs and voter certifications to prove they live in the city. 3. They need to provide a marriage certificate from the Philippine Statistics Authority (PSA).

"Violence inside the home should never be treated as a private family matter. Abuse is a violation of human rights and the law, and victims deserve protection and support from both the community and authorities," Tesoro added.

She noted that many victims are afraid to come forward because they fear retaliation from their abuser, family conflict, or losing financial support from their partner. "We encourage victims to come forward and report the abuse. You are not alone. The PNP is ready to help protect you and your children," she stressed.

Victims of violence May seek assistance from the Philippine National Police Women and Children Protection Desk, Barangay VAWC Desk, or the Municipality/ City Social Welfare and Development Office.

NBI-7 alarms vs. cryptocurrency scam

The National Bureau of Investigation in Central Visayas (NBI-7) warned on Wednesday that cryptocurrency scam has reached to ₱10 million in total losses in the region.

NBI-7 Investigator Maria Contessa DC. Lastimoso disclosed that 10 victims had already fallen prey in the scam.

She cited the victims were asked if they knew about cryptocurrency -- but they didn't even understand what it was. Despite this, they were convinced to invest and later demanded more payments.

The transactions were traced through the Bangko Sentral ng Pilipinas (BSP), describing the scheme as "futuristic" in nature.

Napolcom, DepEd tie up to boost peace, order in schools

MANILA – The strengthened partnership between the National Police Commission (Napolcom) and the Department of Education (DepEd) will boost crime prevention efforts in schools by focusing on values formation and awareness initiatives.

Philippine National Police (PNP) chief Gen. Jose Melencio Nartatez Jr. said guiding the youth lowers involvement in law violations.

"Crime prevention also starts in schools, at doon natin huhubugin ang (and there we will shape) discipline and awareness," he said in a news release Sunday.

The partnership builds on existing efforts of Napolcom and DepEd to integrate safety awareness, anti-drug campaigns and anti-bullying programs in schools.

"It aligns education and law enforcement for a long-term impact, especially in preventing potential crimes involving the youth," Nartatez said.

The PNP has long flagged youth involvement in petty crimes, online exploitation and gang activity, pushing learning institutions to adopt a more proactive stance rather than relying on police response after incidents occur.

"We in the PNP believe that peace and order is not an exclusive job for the police. Keeping the streets and communities safe requires a whole-of-community effort that includes our academic institutions," Nartatez said.

He said the PNP plans to increase its visibility around campuses and train more officers in child protection and crisis response. He said more police officers will be trained in child protection and crisis response, while increasing their visibility near schools during peak hours.

"The long-term impact of this partnership is safer communities. Through this partnership, we will be more proactive instead of reactive in addressing threats to public safety," he said. **(PNA)**

BOC Subport of Iligan: Kauna-unahang ISO-Certified Sub-Port sa Mindanao, Simbolo ng World-Class na Serbisyo at Subport of Mactan napanatili ang kanilang ISO 9001:2015 certification! Kudos!

Tutok Aduana ni Reynante Salgado

Simula noong 2021, ang Bureau of Customs (BOC) Subport of Iligan ay gumagawa ng kasaysayan sa buong isla ng Mindanao. Sa ilalim ng matatag at visionary na pamumuno ni Port Collector Nasrudin Guro, ang nasabing sub-port ay kinilala bilang kauna-unahang ISO-certified Sub-Port sa Mindanao, isang karangalang nagpapatunay sa inyong pagsunod sa International Quality Management Standards.

World-Class na Proseso at Modernisasyon

Ang tagumpay na ito ay hindi tsamba kundi bunga ng sistematikong pag-enroll ng lahat ng proseso sa ISO standards. Mula sa Top Management hanggang sa mga yunit na direktang nakikipag-ugnayan sa publiko, ang bawat galaw ay garantisadong efficient, transparent, at reliable. Kabilang sa mga "ISO-enrolled" na departamento ay ang:

Customer Care Center (CCC): Para sa mabilis at maayos na serbisyo sa mga stakeholder. Administration: Ang pundasyon ng maayos na operasyon.

Assessment Unit (LBU, EPU, at PEZA): Tinitiyak ang wasto at tapat na koleksyon para sa kaban ng bayan.

Operations at Export: Nagbibigay ng world-class

na suporta sa daloy ng kalakalan sa bansa.

Ang ISO certification ay nagsisilbing patunay ng continuous improvement ng SP Iligan, na naglalayong itaas ang antas ng serbisyo-publiko sa bansa.

Ang "Pader" ng District 10 Laban sa Smuggling

Hindi lamang sa serbisyo-publiko nangunguna ang SP Iligan; sila rin ang nagsisilbing pinakamahigpit na bantay laban sa ilegal na kalakalan. Sa ilalim ng direktiba ni Collector Nasrudin Guro, ang Subport of Iligan ay naging sentro ng border protection sa rehiyon.

Sa katunayan, ang Subport of Iligan ang responsable sa mahigit 70% ng lahat ng huli ng ilegal na sigarilyo sa buong Collection District 10 (Cagayan de Oro). Ang kahanga-hangang record na ito ay nagpapakita ng bagsik at dedikasyon ng mga kawani ng SP Iligan sa pagsugpo sa smuggling upang protektahan ang lokal na industriya at ekonomiya.

Pangakong Integridad

Ang BOC Subport of Iligan ay hindi lamang isang opisina ng gobyerno; ito ay isang institusyong may dangal. Sa bawat transaksyon at bawat huli ng kontrabando, ipinapakita ng SP Iligan na ang serbisyon Pilipino ay kayang pumantay sa pinakamataas na pamantayan ng mundo.

Sa patuloy na pamumuno ni Collector Guro, ang Subport of Iligan ay mananatiling "World-Class Port" ng Mindanao—matapat, matibay, at laging maaasahan.

Muling matagumpay na natapos ng Bureau of Customs (BOC) Subport of Mactan ang kanilang ika-apat na surveillance audit, na nagpapatibay sa kanilang patuloy na dedikasyon sa kahusayan sa operasyon at pagbibigay

ng mataas na kalidad ng serbisyo, gaya ng itinalaga ng pagpapatili ng kanilang ISO 9001:2015 certification.

Sa pangunguna ng mga kinatawan ng TuvSud na sina Ms. Christine Anne Formalejo (Lead Auditor) at Mr. Arnel Dalisay, kinumpirma ng audit ang pangako ng Subport sa patuloy na pagpapabuti at paghahatid ng world-class na serbisyo sa customs, partikular na binigyang-diin ang kanilang serbisyo sa pagdating at pag-alis (Arrival and Departure services).

Mula nang ipatupad ang Quality Management System (QMS) noong 2021, napanatili na ng Subport of Mactan ang sertipikasyong ito, na gumagarantiya ng mahusay na mga pamamaraan, magkakatulad na pamantayan, at mataas na antas ng kasiyahan para sa mga stakeholder. Ang pinakabagong audit ay nagpapatunay sa patuloy na pagsunod ng Subport sa mga istriktong kalidad, na nagpapalakas sa kanilang operasyon at kahusayan sa serbisyo.

Sa ilalim ng pamumuno ni Port Collector Gerardo A. Campo, at sa walang sawang suporta nina BOC Commissioner Ariel F. Nepomuceno, ang Interim Internal Quality Management System Office (IIQMSO), at Port of Cebu District Collector Alexandra Yap-Lumontad, patuloy na itinataguyod ng Subport of Mactan ang pangako nito sa world-class na serbisyo kasabay ng pagtuon sa inobasyon at pag-unlad.

Nanatiling tapat ang BOC Subport of Mactan sa patuloy na pagpapahusay ng kanilang mga proseso upang matiyak ang mabilis, maaasahan, at de-kalidad na serbisyo para sa kanilang mga stakeholder habang isinusulong ang kultura ng kahusayan upang mapanatili ang kanilang katayuan bilang isang ISO certified na tanggapan.

Lokal na pensiyon para sa mga senior citizen sa Bayan ng Pandi ay malaking tulong, habang ipinapakita ng komunidad kung paano malalampasan ng pangangalaga ang mga pandaigdigang hamon.

Puno ng init at pasasalamat ang San Roque Gymnasium sa Barangay San Roque habang ipinamamahagi ng Munisipalidad ng Pandi, sa pangunguna ni Mayor Enrico Roque, ang mga benepisyo ng lokal na pensiyon sa mga nakatatandang residente nito, ginanap ito sa Bayan ng Pandi, kamakailan.

Ang programang "lokal na pensiyon para kay lola at lola" – isang inaabangang taunang inisyatiba – ay nagdulot ng ngiti sa humigit kumulang 430 katandaan, na nagtipon upang tumanggap ng suporta mula sa kanilang komunidad. "Our local pension program is our response to the global challenges we are all facing," Mayor Roque shared with the crowd. "When prices began to rise worldwide and conflict broke out in the Middle East, we

LOCAL PENSION PARA SA MGA SENIOR CITIZENS PINAMAHAGI SA BAYAN NG PANDI, BULACAN

knew we had to adjust our plans to ensure our seniors were taken care of first. Before Vice Mayor Lui stepped down, she asked me to raise benefits for our elderly – and this year, we made that promise a reality."

Inanunsyo rin ng butihing Alkalde Rico Roque, na sa susunod na linggo, magbibigay ng tulong ang lokal na pamahalaan sa TODA (Tricycle Operators and Drivers Association) na labis na naapektuhan ng pagtaas ng presyo ng gasolina at ng hirap ng ekonomiya.

Idinagdag niya, "Pinagsikapan din naming tulungan ang mga pamilyang may kamag-anak na nagtatrabaho sa Middle East at nais nang umuwi. Nakipag-ugnayan kami sa mga kinauukulang tanggapan upang

matiyak na matatanggap nila ang kinakailangang suporta pag-uwi nila dahil bawat tao sa Pandi ay bahagi ng aming pamilya."

Ang diwa ng pangangalaga sa komunidad ay direktang sumasalamatin sa mensaheng ipinahatid ng aming gawain sa iba't ibang bansa: ang pagkakapatiran at praktikal na pagkilos ay laging mananaig sa pagkakawatak-watak at salungatan. Ang aming unang artikulo sa Katropa News Online na "Build, Not Fight: Why Business and Brotherhood Beat War Every Time" ay umabot na sa mahigit 138 mambabasa sa Pilipinas at Canada. Ang aming ikalawang artikulo ay nakaugnay sa mga mambabasa sa U.S., Canada, at lokal, habang ang aming pinakabagong panawagan para kumilos—na humahamon sa United Nations na itaguyod ang misyon nito—ay nakakuha na ng mahigit 32 view mula sa mga residente sa Pilipinas. Global issues, such as ongoing conflicts in Europe and the Middle East and the imperative to uphold international rulings like that concerning the West Philippine Sea, can be overwhelming.

Gayunpaman, ipinapakita ng gawa ni Mayor Roque sa Pandi na ang pagbabago ay hindi nakasalalay sa pandaigdigang pagkilos; nagmumula ito sa lokal na antas sa mga pinunong inuuna ang kanilang nasasakupan at mga komunidad na nagpapakita ng pagkakaisa.

Ang pagsisikap na ito ay hindi nilayon upang magpakalat ng maling impormasyon o upang targetin ang mga indibidwal. Sa halip, layunin nitong panagutin ang mga institusyon para sa mga pangakong ginawa nila sa publiko. Kung ang mga pandaigdigang samahan tulad ng UN ay nagpakita ng kalahati ng pagmamalasakit, pangako, at puso na nakikita araw-araw sa Pandi, ang mundo ay magiging isang lugar kung saan ang kapayapaan ay hindi lamang isang pangarap kundi isang katotohanang binuo nang magkasama, isang komunidad sa bawat pagkakataon.

With every hug, we continue to build a brighter future—turning the dreams of every youth and citizen a reality. #AmaNgCarSiGMA #20thCongress #WeLoveCarSiGMA

MIAA PINAGTIBAY ANG APAT NA ARAW NA LINGGO NG TRABAHO, PINALAKAS ANG MGA HAKBANG SA PAGTITIPID NG ENERHIYA

Mga katoto sadyang makabuluhan ang mga bagay na napagisipan na pagtibayin ng Manila International Airport Authority (MIAA) ang apat na araw na linggo ng trabaho para sa mga kawani nakatalaga sa Gusali ng Administrasyon nito bilang bahagi ng mga hakbang sa pagpapahigpit ng sinturon ng gobyerno kasunod ng panawagan ni Pangulong Ferdinand Marcos Jr. para sa mga ahensya na bawasan ang mga gastos sa operasyon sa gitna ng patuloy na kaguluhan sa Gitnang Silangan.

Sa isang memorandum na may petsang Marso 9, 2026, mga katoto inatasan ni MIAA General Manager Eric Ines ang lahat ng mga tauhan nagtatrabaho—kabilang ang mga nasa ilalim ng Contract of Service (COS) at mga kaayusan sa Job Order—na sundin ang isang apat na araw na iskedyul ng trabaho sa lugar na epektibo agad.

Sa ilalim ng bagong kaayusan, mga katoto ang mga kawani ay magrereport para sa onsite duty mula Lunes hanggang Huwebes, 8:00 a.m. hanggang 7:00 p.m., habang ang Biyernes hanggang Linggo ay ipagdiriwang bilang mga araw ng pahinga. Inaasahang makakatulong ang hakbang na ito na mabawasan ang pagkonsumo ng kuryente at iba pang mga gastos sa operasyon habang pinapanatili ang produktibidad sa lugar ng trabaho.

Gayunpaman mga katoto ang mga tanggapan ng MIAA na nagsasagawa ng mga kritikal na gawain sa operasyon ay magpapatuloy sa pag-ooperate gamit ang mga iskedyul na shifting. Kabilang dito ang Airport Police Department, Operations and Compliance Group, Engineering Services, at Medical Services.

Ang mga yunit na ito mga katoto ay may mahalagang papel sa pangangasiwa ng MIAA sa New NAIA Infra Corp (NNIC), ang pribadong operator ng Ninoy Aquino International Airport (NAIA.)

Pagpapalakas ng Konserbasyon ng Enerhiya

Bilang suporta sa binagong kaayusan sa trabaho, muling babasahin ng MIAA ang mga umiiral na inisyatibo sa konserbasyon ng enerhiya at susuriin ang mga karagdagang estratehiya upang higit pang mabawasan ang pagkonsumo ng kuryente at gasolina.

Sa ilalim ng MIAA Memorandum Circular No. 14-C, serye ng 2022, ang Awtoridad ay nagpatupad na ng ilang mga hakbang sa pagtitipid ng enerhiya. Kabilang dito mga katoto ang paggamit ng mga ilaw na matipid sa enerhiya tulad ng mga LED bulbs, pag-optimize ng mga sistema ng pag-init, bentilasyon, at air-conditioning sa pamamagitan ng mga inverter-type air-conditioning unit, regular na pagpapanatili ng mga air filter, at ang paggamit ng mga programmable thermostat. Ang karaniwang setting ng thermostat sa mga opisina ay pinapanatili sa 24°C.

Hinihikayat din ng MIAA mga katoto ang mga tanggapan na i-maximize ang paggamit ng natural na ilaw sa pamamagitan ng pag-aayos ng mga workspace malapit sa mga bintana at panel na salamin. Pinapayagan nito ang pagpatay ng mga hindi mahalagang ilaw sa mga operasyon sa araw nang hindi naaapektuhan ang visibility sa lugar ng trabaho.

Kabilang sa iba pang patuloy na mga inisyatibo ang pagtanggap sa saksakan ng mga kagamitan sa tanggapan pagkatapos ng oras ng opisina at pagbibigay-prioridad sa pagkuha ng mga kagamitan sa tanggapan na matipid sa enerhiya, lalo na ang mga may label na Energy Star. Bilang bahagi ng mga pagsisikap nitong makatipid, binawasan din ng MIAA ang alokasyon ng gasolina para sa mga sasakyang pangserbisyo nito ng 10 porsyento.

Pangako sa Kapaligiran

Ang mga hakbang na ito ay bahagi ng mas malawak na pangako ng MIAA sa pagpapanatili ng kapaligiran. Noong 2021, nakuha ng MIAA Environmental Management System Committee ang sertipikasyon ng ISO 14001:2015, isang internasyonal na kinikilalang pamantayan na nagbibigay ng balangkas para sa pagpapabuti ng mga sistema ng pamamahala ng kapaligiran at pagganap sa kapaligiran.

Bilang bahagi ng pangakong ito, sinusuri rin ng MIAA ang pagsasama ng mga renewable energy source sa mga plano nito sa pagpapaunlad ng imprastruktura. Kamakailan lamang, ang mga solar panel ay na-install sa

isa sa mga gusali nito malapit sa Our Lady of the Airways Parish.

"Mula ngayon, itutuloy natin ang direksiyong ito. Ang pangmatagalang benepisyo ng paggamit ng mga solar panel sa pagpapagaan ng pagbabago ng klima ay higit na mas malaki kaysa sa malaking pamumuhunan na kakailanganin sa simula," sabi ni Ines. "Mabilis na bumibilis ang pagbabago ng klima. Hindi na maaaring balewalain ang pandaigdigang panawagan na bawasan ang mga epekto nito," dagdag niya.

Mga Karagdagang Hakbang sa Kahusayan

Bukod sa mga inisyatibo sa pagtitipid ng enerhiya, mga katoto nagpapatupad din ang MIAA ng mga karagdagang hakbang upang isulong ang kahusayan sa operasyon at mabawasan ang mga gastos. Kabilang dito mga katoto ang pagsasagawa ng mga virtual na pagpupulong hangga't maaari, paghikayat sa mga kawani na gamitin ang hagdan bilang isang uri ng ehersisyo sa cardio, at paglilimita sa mga opisyal na paglalakbay sa loob at labas ng bansa sa mga pakikipag-ugnayan na mahigpit na kinakailangan upang matupad ang mga responsibilidad sa ilalim ng mga lokal o dayuhang kasunduan.

Pasasalamat: Mekeni Celebrates 40 Years by Honoring the People Behind Every Flavor

Mekeni Food Corporation celebrated four decades of success with a grand employee Thanksgiving on February 28, 2026, gathering more than 1,400 employees at the Laus Group Event Centre, City of San Fernando, Pampanga in a heartfelt tribute to the people who have built the company over the past 40 years.

With the theme "Pasasalamat: Apat na Dekadang Kwento sa Bawat Timpla," the celebration honored the dedication, resilience, and shared stories of the Mekeni workforce, recognizing that behind every product and milestone is the commitment of its employees.

"Our 40-year journey is a testament to the hard work and passion of our people," said Mekeni President Mr. Pruds Garcia. "Every product we make carries the story of the individuals behind it. This Thanksgiving celebration is our way of expressing our deepest gratitude to the employees who have helped build Mekeni and continue to move it forward."

The event featured a festive evening of appreciation and entertainment, with special guest artists invited to perform and entertain employees, creating a lively atmosphere of celebration and camaraderie.

One of the highlights of the evening was the Service Awards, recognizing long-serving employees whose years of dedication, loyalty, and hard work have played a vital role in Mekeni's journey and continued success.

The evening also marked the launch of Mekeni's renewed Vision, Mission, and Values, which will guide the organization as it enters its next chapter of growth.

"Our new vision, mission, and values will serve as our compass as we move forward," said Ms. Kat Gomez-Schultz, Assistant Vice President for Marketing. "As Mekeni expands and evolves, these guiding principles will ensure that we continue to stay true to the values that have shaped our company for the past 40 years."

Adding to the celebration was a back-to-back employee appreciation initiative recognizing key individuals who were entrusted with challenging targets and successfully delivered despite the obstacles in Fiscal Year 2025. In recognition of their contributions to the company's achievements, they were rewarded with a celebratory Asian cruise from March 3 to 9, 2026, visiting Ishigaki, Japan, and Keelung, Taiwan.

According to Assistant Vice President for Human Resources and Exports Ms. Marilou Uy, the initiatives reflect Mekeni's commitment to recognizing both loyalty and excellence among its employees.

"At Mekeni, we believe that our greatest strength lies in our people," Uy said. "Through initiatives like our Thanksgiving celebration and the celebratory cruise, we aim to show our appreciation for the dedication, talent, and commitment of our employees who continue to drive our success."

As Mekeni celebrates its 40th anniversary, the Thanksgiving initiatives served as powerful reminders that the company's success is built not only on quality products, but on the dedication of the people behind them.

With renewed purpose and unity, the Mekeni family looks ahead to the next chapter of its journey, continuing to create stories of excellence, innovation, and shared success for the next 40 years and beyond.

Pagtatag ng Community Urban Garden sa Cavite Prov'l Jail, Layon ng Seminar para sa Kababaihang PDL

Kayang magtanim ng masustansyang pagkain sa limitadong espasyo at gawin itong kabuhayan — ito ang babaunin ng mga kalahok na kababaihang person deprived of liberty (PDL) mula sa katatapos na "Kabilang Ka, Juana: Seminar on Inclusive Community Urban Gardening for Women Deprived of Liberty" na inihatid ng DA-ATI CALABARZON.

Bahagi ang aktibidad ng pagdiriwang ng National Women's Month, na layong suportahan ang reintegrasyon sa komunidad ng mga kababaihang PDL sa Cavite Provincial Jail, Trece Martires City, noong Marso 10-11, 2026.

Sa loob ng dalawang araw, ibinahagi sa 27 kalahok ang iba't ibang teknolohiya sa urban agriculture, pamamahala sa isang community urban garden, at paggawa ng mga organikong pataba at pestisidyong. Sa tulong ito ng mga tagapagtalakay mula sa DA-ATI CALABARZON na sina Engr. John Mendoza (Training Specialist I), Bb. Cristine Jan Beler (Technical Support Staff II), at G. James Gabriel Bawisan (Administrative Support Staff III).

"Kahit pala sa maliit na lugar, makakapagtanim tayo ng mga gulay. And 'yung mga nasa paligid natin is useful para 'yung mga p'wede nating i-recycle gaya ng plastic bottles na pagtataniman, ultimo 'yung mga talbos at hinog na prutas o gulay ay magagamit sa paggawa naman ng organic concoctions. Kung anuman 'yung natutunan natin dito, dalhin natin hanggang sa paglabas at i-share din natin siya sa family natin," ani isang kalahok.

Dumalo at nagbigay ng mensahe sina Center Director Dr. Rolando Maningas at Provincial Warden JCl Insp. Candelario Warllie Hermo. Kapwa nila binigyang-diin ang pagiging inklusibo ng agrikultura at ang potensyal nitong makapagbigay ng bagong pag-asa at kabuhayan. Inaasahan namang magpapatuloy ang kolaborasyon ng DA-ATI CALABARZON at Cavite Provincial Jail upang maitatag ang sustenableng community urban garden sa pasilidad.

CRACKING DOWN ON SMUGGLING: Commissioner Ariel F. Nepomuceno, District Collector Carmelita Talusan, Intelligence Group Deputy Commissioner Romeo Allan Rosales, and CIIS Director Thomas Narcise inspects a seized P235-million shipment of illicit cigarettes bound for Batangas. The operation underscores the Bureau of Customs' intensified intelligence-driven campaign to dismantle unlawful trade and protect government revenues under the Marcos administration. Nepomuceno (left) leads the symbolic turnover of P102.47 million in auction proceeds to the Bureau of the Treasury (BTr), represented by Atty. Jerekko Cadorna, on March 19, 2026. The funds, generated from the public auction of nine luxury vehicles unlawfully imported by the Discaya family, underscore the government's intensified crackdown on smuggling and its commitment to converting confiscated assets into resources for national development.
