Philippine revolution's first victory in Battle of Imus a lesson in patriotism, accountability

IMUS CITY, Cavite (PIA) — A former lawmaker wants the Battle of Imus taught in schools, calling the historic event a crucial but often overlooked chapter in Philippine history.

In his message during the 130th anniversary of the Battle of Imus last September 3, former senator and Philippine Red Cross (PRC) chairperson Richard Gordon emphasized that today's generation should learn more about the battle's history, which was a decisive victory against the Spanish forces.

"Hindi lang ito isang labanan na natutuwa tayo. Dapat malaman at maituro sa eskwela ito sapagkat itong labanang ito ang nagbigay-daan para sa ating kalayaan. It is important for us to remember na ang labanan na ito ay laban ng mga Pilipino sa ating bansa, labanan na kahit salat sa gamit at sa armas ay nabuo at lumago."

Gordon emphasized that the revolutionaries did not have the weaponry that matched that of their enemies, the Battle of Imus teaches a valuable lesson on perseverance and courage—values that remain relevant amid the issues the country faces today.

"If we forget the sacrifices of our leaders ay walang mangyayari sa Pilipinas. That is why dapat maituro ito because this is the very first victory of our very poor Filipinos as they fought for a country that did not exist at that time."

For Mayor Alex Advincula, the Battle of Imus remains deeply relevant today, serving as a reminder of the unity and patriotism needed to face the country's current challenges.

"Ipagpatuloy natin ang malasakit at pagkakaisa. Ito po 'yung nawawala ngayon, nawawala na po ang malasakit sa ating bayan. Alam naman po nating dugo at pawis ang puhunan ng ating mga ninuno kaya natin nakamtan ang ganitong kalayaan."

Advincula added, "Mayroon pong mga problema ang ating lungsod, pero hindi kaya nang nag-iisa ito, kailangan po nito ng tulong-tulong muli natin."

The mayor also noted that while the city faces its own challenges—such as flooding—it remains committed to transparency and accountability to help resolve broader issues affecting Philippine governance.

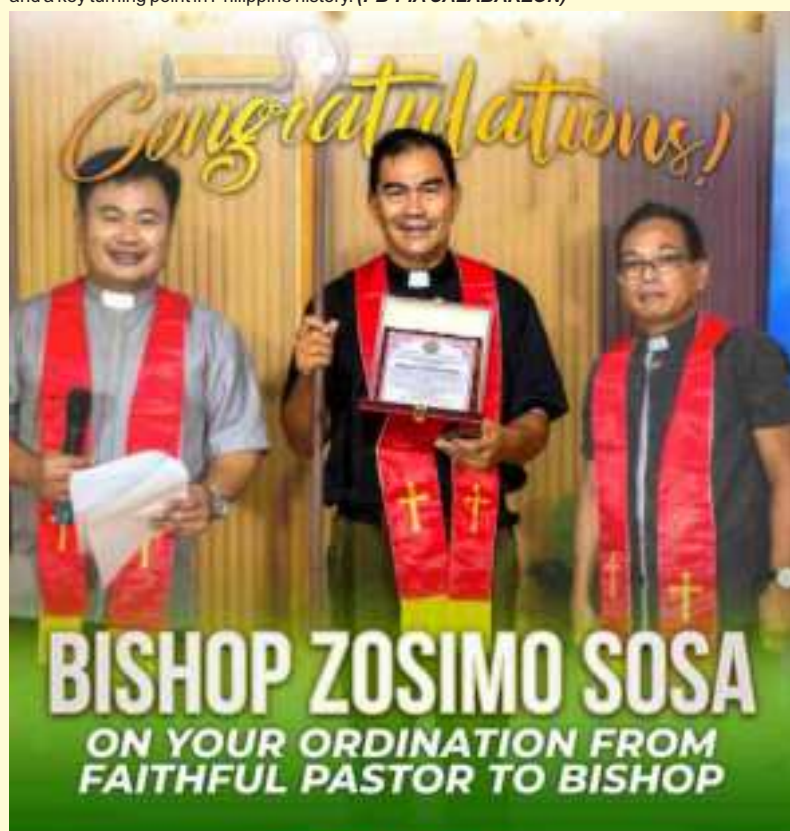

"Ipinapakita natin dito sa Imus 'yung transparency, [nilalabanan natin] 'yung kurapsyon na inalis natin. Pero hindi natin kayang biglain at inuunti-unti natin, lahat naman ng mga kababayan natin ay sumuporta. Nakikita natin na ang may pagkakaisa."

Led by General Emilio Aguinaldo and Jose Tagle, the Battle of Imus was a three-day engagement between Spanish forces and Filipino revolutionaries that marked the first major victory of the Philippine Revolution. It is considered the most decisive early battle of the uprising and a key turning point in Philippine history. **(PB-PIA CALABARZON)**

The Cebu Electricity Rights Advocates (CERA) has called on national government on Thursday to investigate power plants shutdowns.

CERA Lead Convenor Nathaniel Chua told DAILY TRIBUNE that the power crisis currently affecting the region is the result of a "dual failure" in generation and transmission.

He insisted that there is a need to investigate the recurring power outages, which severely affected residents and businesses in the area, as well as the country's power grid infrastructure as a whole.

"It is completely unacceptable that major power plants are suddenly "conking out" at the exact same time, plunging Cebu's households and businesses into deep uncertainty," Chua stressed.

"We are demanding an immediate congressional inquiry and a strict audit by the Department of Energy (DOE) and the Energy Regulatory Commission (ERC). Consumers deserve to know why these multibillion-peso

CERA calls for probe on power plants shutdowns

facilities are failing when we need them the most. Are these genuine Technical failures, or is there a lack of proper maintenance and foresight by the generation companies," he said.

Based on the National Grid Corporation of the Philippines (NGCP) data at least 73 consecutive days of yellow and red alerts were experienced in Cebu.

In a separate interviews Regan Rex King, the president of the Cebu Chamber of Commerce and Industry (CCCI) and Mark Ynot, past Present of the Mandaue Chamber of Commerce and Industry (MCCI) expressed grave concerns on the power crisis in Cebu.

King and Ynot warned that persistent power outages and rising operational costs threaten Cebu's economic growth and investor interest.

King said that access to consistent electricity is now a deciding factor for major global companies looking to set up shops in the region.

As he called on unified action among national agencies, local governments, and private power firms, noting that Cebu Governor Pamela Baricuatro has scheduled a convergence meeting on October 7 to map out long-term solutions.

Ynot on the other hand cautioned that the rising price of fuel and backup electricity will eventually ripple down to the everyday consumers.

"Anything you do with power, anything you do with

fuel...that affects the supply chain increases the consumer cost," Ynot narrated.

To cope up with scheduled power cuts, businesses are shifting work hours, shortening shifts, and rushing to install solar energy systems.

But King emphasized that these quick fixes cannot replace stable grid, as solid power infrastructure is vital to keeping investor interest alive.

On Thursday, NGCP declared the Visayas Grid alert status, with Red alert from 2p.m. to 9p.m. and Yellow alert from 1:00 p.m. to 2:00p.m. and 9:00p.m. to 10:00p.m.

The available capacity was 2,205 MW and the Peak demand was 2,460 MW.

The factors that contributed to the Red and Yellow alerts were :1: Unavailability of Visayas large coal plants, Therma Visayas Inc 1 and 2, and Panay Electricity Development Corporation (PEDC) 3.

And limited power import from the Mindanao grid. Air Quality fluctuations in Cebu seen

The Environmental Management Bureau in Central Visayas (EMB-7) expects fluctuating air quality in Metro Cebu as shifting wind conditions and transported pollutants affected levels of fine particulate matter.

EMB-7 air quality monitoring specialist Engr. Arthur Nino Calupig said changes in wind speed and direction affect how much pollution from forest fires in Indonesia reaches Metro Cebu.

"Gustiness, or sudden strong winds, has a significant effect," Calupig said, explaining that strong winds can carry pollutants away from Central Visayas instead of directly toward the region.

However, when prevailing southwest winds carry pollutants from Indonesia toward the Philippines, Metro Cebu can again experience increased concentrations of fine particulate matter.

Air quality in Metro Cebu spiked to "very unhealthy" category on September 7 as EMB-7 recorded a fine particulate matter (PM2.5) air quality index (AQI) at

158.

The level was higher than September 6's "unhealthy for sensitive groups" classification and on September 5, EMB-7 recorded "very unhealthy" PM2.5 levels in parts of Metro Cebu. September 3 and 4 "acutely unhealthy" category was classified in Metro Cebu.

Calupig added that cooler periods, particularly from midnight to early morning, can also contribute to higher fine particulate matter concentrations because pollutants can remain suspended in the air.

He clarified though that wind speed and direction alone do not determine Metro Cebu's air quality, as the amount of pollution being transported or dispersed also affects the concentration recorded at monitoring stations.

"Our pollutant concentration really depends on what reaches our monitoring station," Calupig said.

He explained further that wind,-trajectory models can show where pollutants May be moving, but these do not automatically represent the concentration of pollutants at ground level.

13 nation-investors in Cebu for Eco Forum

At least 13 foreign countries are expected to invest in Cebu Province as its culminated today, 9 September 2026, its 2-day Cebu Province Economic Forum 4.0.

"To our investors and business community: Come to Cebu. We welcome investments that create jobs, introduce new technologies, strengthen our industries, and prepare us for the future," Cebu Governor Pamela Baricuatro said during the opening ceremonies.

The economic forum aims to turn investor interest into concrete projects, jobs and long-term economic opportunities for Cebuanos.

It also seeks to give investors not only information but also clearer investment structures, access to relevant stakeholders and practical next steps toward actual projects in Cebu.

BOC PORT OF CEBU EXCEEDS AUGUST COLLECTION TARGET BY PHP 86.85 MILLION

The Bureau of Customs (BOC) Port of Cebu surpassed its revenue collection target for August 2026, collecting Php 4.062 billion against its assigned target of Php 3.975 billion.

Based on the Port's preliminary collection report, the Port generated a total revenue of Php 4,061,858,713.18, exceeding its monthly target of Php 3,975,002,780.97 by Php 86,855,932.21, equivalent to a 2.19% surplus. The positive performance was bolstered by the strong collections of the Subport of Mactan and the Subport of Dumaguete, both of which significantly exceeded their respective August targets.

The Subport of Mactan collected Php 534,792,471.76 against its target of Php 179,764,200.00, posting a surplus of Php 355,028,271.76, or 197.50% above target.

Meanwhile, the Subport of Dumaguete recorded Php 683,860,642.10 in collections against its target of Php 582,996,480.00, exceeding its goal by Php 100,864,162.10, equivalent to 17.30% above target.

District Collector Atty. Zsae Carrie C. De Guzman attributed the positive collection performance to

Companies from China, Japan, Malaysia, South Korea, India, Thailand, Singapore, the United States, Canada, Taiwan, Hongkong and Ukraine attended and committed investments.

Discussed was the future of Electric Vehicle Industry for Cebu.

"Hire locally, Train locally. Develop Cebuano talent. Partner with our communities and local enterprises. Because if there is one thing I can assure you....it is this: Cebu is rich in talent, skill, intelligence, and hardworking people who are ready to grow with you," Baricuatro stressed.

She assured that the provincial government is also working to improve the ease of doing business by simplifying processes, speeding up transactions, making

strengthened revenue monitoring, proper valuation and assessment, and the collective efforts of the Port's personnel in ensuring the efficient collection of lawful duties and taxes.

"This achievement reflects the consistent work of our personnel and the cooperation of our stakeholders. Beyond meeting our revenue responsibilities, we remain focused on ensuring that our processes are efficient, transparent, and responsive to the needs of the trading community," District Collector De Guzman said.

The Port continues to closely monitor its collection

This is why EMB-7 continues to rely on its air quality monitoring stations in Talisay and Toledo Cities to determine actual levels of fine particulate matter in Metro Cebu.

Calupig said forest fires in Indonesia remain active, while the prevailing Southwest winds continue to provide a pathway for pollutants to reach the Philippines.

Sudden shifts in wind conditions can temporarily divert pollutants away from Central Visayas, which would lower concentrations before the winds shift again and carry pollutants toward the region.

Rain May temporarily reduce airborne particulates by washing them out of the atmosphere.

But Calupig said this does not necessarily mean the haze will disappear if the fires remain active and winds continue carrying pollutants toward the Philippines.

EMB-7 admitted that for now, it cannot provide specific forecast of how severe Metro Cebu's air quality will be in the coming days because concentrations depend on changing wind conditions and the amount of pollution transported toward monitoring stations. **(By RICO MIRASOL OSMEÑA)**

requirements clearer and ensuring a more responsive government.

For his part, Secretary Philip Lo of the Presidential Assistant for the Visayas (OPAV) said his office is more than willing to serve as a coordinating platform between investors, local governments and national government agencies.

"OPAV can help facilitate conversation among investors, local governments, and relevant national government agencies. We can ensure that concerns affecting strategic investments in the Visayas are properly brought of the appropriate national authorities," Lo said.

University of the Philippines Professor Professor Alexander Magno urged Cebu on not depending much to the Central Government.

"The central government is chaotic, I know Cebu can do its own," he said. **(By RICO MIRASOL OSMEÑA)**

BOC AT ANG SEGURIDAD SA DAUNGAN: MULA SA P366.65-M KUSH HAUL SA SUBIC HANGGANG SA PROTEKSYON SA BALIKBAYAN BOXES NG OFW

FROM THE CUSTOMS CORRIDOR

by Sensei Ryu

SUBIC BAY FREEPORT — Muling pinatunayan ng mga awtoridad ang kanilang walang-hupang sigasig sa pagbabantay sa mga baybayin ng bansa matapos pumalo sa kabuuang ₱366.65 milyon ang halaga ng high-grade marijuana o “kush” na nasamsam mula sa isang nasiraang banyagang sailing yacht sa Subic Bay Yacht Club (SBYC).

Nagsimula ang matagumpay na operasyon noong Setyembre 2, 2026, matapos mabilis na umakasyon ang Bureau of Customs (BOC) – Port of Subic sa natanggap na derogatory information. Mula sa Kota Kinabalu, Malaysia at patungong Taiwan, napilitang sumilong sa SBYC ang sasakyang-dagat na pinaikutan ng mga tripulanteng Thai at Malaysian dahil sa masamang panahon at aberya.

Agad na nagpalabas ng Mission Order si Port of Subic District Collector Atty. Geniefelle P. Lagmay upang siyasatin ang barko. Sa paunang inspeksyon ng composite team kasama ang Subic Bay Metropolitan Authority Law Enforcement Department (SBMA-LED), Philippine Coast Guard (PCG), Philippine Drug Enforcement Agency (PDEA), Department of Justice (DOJ), at mga lokal na opisyal, natuklasan ang unang 98.332 kilo ng kush na may tantiya na ₱162.2 milyon.

Dahil sa hindi nagpapakampanteng adhikain ng pamahalaan, isinagawa ang masusing vessel-stripping at ikalawang inspeksyon sa pakikipagtulungan din ng

Philippine National Police (PNP). Dito ay nadiskubre ang karagdagang 109 pakete ng kush na may bigat na 123.91 kilo at nagkakahalaga ng ₱204.44 milyon. Dahil sa panibagong huli, umakyat sa kabuuang 198 pakete (mahigit 222 kilo) ang nasamsam na iligal na droga mula sa naturang yacht.

Binigyang-diin ni District Collector Lagmay na ang matagumpay na operasyon ay nagpapakita ng matinding dedikasyon ng BOC. Aniya, hindi nagtatapos sa unang huli ang kanilang mandato at patuloy nilang susuriin ang bawat sulok ng mga kaduda-dudang sasakyang-dagat upang matiyak na walang maipupuslit na kontrabando sa ating mga komunidad.

Ayon naman kay BOC Commissioner Ariel F. Nepomuceno, ang mabilis at intelligence-driven na aksyong ito ay direktang pagtalima sa utos ni Pangulong Ferdinand R. Marcos Jr. na paigtingin ang seguridad sa mga hangganan ng bansa at supilin ang iligal na kalakalan ng droga.

Agad na isinuko ang lahat ng mga nasamsam na kontrabando sa PDEA para sa kaukulang disposisyon at paghahain ng mga kaukulang kasong legal laban sa mga sangkot.

Walang mas hihigit pa sa pananabik ng isang pamilyang Pilipino kapag may dumarating na Balikbayan box mula sa abroad. Ang bawat kahan ay hindi lamang naglalaman ng mga tsokolate, damit, o sabon; ito ay konkretong simbolo ng dugo, pawis, at sakripisyo ng ating mga Overseas Filipino Workers (OFWs) para sa kanilang mga mahal sa buhay.

Subalit sa loob ng maraming taon, napakaraming kwento ng kababayan natin ang nagwawakas sa pagkadismaya—mga kahong nawawala, nauudlot nang ilang buwan, nananakawan ng laman, o 'di kaya'y natatangay ng mga pekeng freight forwarder at mapagmantalang shipping scams.

action resonates across the region. President Ferdinand Marcos Jr. has directed the strict enforcement of no-build zones—areas along rivers, creeks, and natural flood paths where structures are prohibited—to mitigate widespread flooding. Although these regulations are established to ensure waterways remain clear for safe expansion during heavy rainfall, the encroachment of homes and structures into these vital spaces has obstructed natural drainage, causing floodwaters to rise higher and recede more slowly.

Governor Fernando directed DPWH to confirm funded projects and timelines; NIA to clear channels; DILG to enforce waste management laws. The province will acquire specialized equipment — barge-mounted backhoes, jetting trucks, and high-capacity pumps — to assist in clearing operations and flood control. And he spoke words we must all live by:

"Let us not point fingers — let us work together."

Tsk! Tsk! Tsk! Resources exist; plans are set; national directives are clear. But true recovery demands we act on all three. Respect the no-build zones. Clear the rivers. Dispose of waste properly. Remove encroachments. Hold one another accountable — not in anger, but in service. The waters will recede only when we stand as one.

SINGKABAN: Where Culture Holds Bulacan Together

On September 8, 2026, the streets of Malolos erupted with the vibrant energy of the Singkaban Festival. Beyond the pageantry of music and floats, the week-long celebration resonates with the enduring Bulakenyo spirit, honoring the profound unity that sustains the province through every challenge.

Known as the “Mother of All Fiestas of Bulacan,” this

isang napapanahong hakbang ang isinagawa ng pamahalaan upang wakasan ang ganitong uri ng pang-aabuso.

Formal na nilagdaan ng Bureau of Customs (BOC) sa pangunguna ni Commissioner Ariel F. Nepomuceno at ng Commission on Filipinos Overseas (CFO) sa pamumuno ni Secretary Dante Francis M. Ang II ang isang Memorandum of Agreement (MOA). Ang layunin: pagsamahin ang pwersa ng dalawang ahensya upang protektahan ang mga padala ng OFWs at turuan ang publiko laban sa mga scam.

Ang tambalang ito ay isang lohikal at matalinong hakbang. Ang BOC ang may hawak ng awtoridad at teknikal na kaalaman ukol sa mga patakaran sa daungan, prohibited goods, at tamang dokumentasyon. Sa kabilang banda, ang CFO naman ang may direktang linya sa mga komunidad ng Pilipino sa iba't ibang sulok ng mundo sa pamamagitan ng kanilang mga orientation program, Migration Talks, at Community Education Program.

Sa pamamagitan ng pagbuo ng isang Joint Technical Working Group (TWG), magkakaroon na ngayon ng mas malinaw na referral mechanism. Ibig sabihin, kapag may nawala, naantala, o nabuksan na Balikbayan box, hindi na magtuturuan ang mga ahensya. Magkakaroon na ng mabilis at direktang daan kung saan pwedeng humingi ng saklolo ang mga OFW at ang kanilang pamilya dito sa Pilipinas.

Tulad ng binigyang-diin ni Commissioner Nepomuceno, ang hakbang na ito ay alinsunod sa utos ni Pangulong Ferdinand R. Marcos Jr. na ilapit at pabilisin ang serbisyo ng pamahalaan para sa mga mamamayan.

Ang mensahe ng alyansang ito ay malinaw: Ang bawat Balikbayan box ay padalang puno ng pagmamahal. Hindi ito dapat nagiging biktima ng lokohan, at nararapat lamang na ang buong pwersa ng gobyerno ang magsilbing bantay nito mula sa pinagmulan hanggang sa pintuan ng pamilyang Pilipino.

FIVE BULACAN AREAS IDENTIFIED AS PRIORITY FOR FLOOD RESPONSE

KATROPA N'YO

Vic Billones III

Following recent observations and research regarding the province's ongoing flooding crisis, Governor Daniel R. Fernando convened agency leaders and stakeholders on September 3 to address the situation. Five communities have been designated as priority areas for urgent assessment: Longos and Bulihan in Malolos City, Malis in Guiguinto, Panginay in Balagtas, Masuso in Pandi, and Saluysoy in Meycauayan City—regions where floodwaters have reached critical levels and persisted for an extended duration.

PDRMO Chief Manuel Lukban Jr. confirmed that these floods result from clogged waterways, structures obstructing natural drainage, heavily silted rivers, improper waste disposal, damaged culverts, narrow floodways, and compromised dikes and pumps.

In Masuso, Pandi, residents experienced rising floodwaters during the August monsoon; classes were suspended on August 7 as streets became submerged. Bulacan's province-wide State of Calamity encompasses these affected communities.

year's festival carries a powerful, timely theme: “Kultura ng Integridad, Pamana ng Pagkakaisa” (Culture of Integrity, Heritage of Unity). It is a reminder that the culture Bulakenyos inherited is not just tradition — it is a responsibility to carry forward.

Governor Daniel R. Fernando put it plainly: this gathering is not about forgetting the challenges the province has faced — including calamities and recent floods. It is about remembering what no disaster can wash away.

“Singkaban is our chance to show and take pride in our culture, arts, history, and talents — while together we nurture our unity,” the governor said.

In other words: the harder the rain falls, the stronger our bond must stand. The opening day also marks the launch of the Singkaban ng Bayan: Bulacan Travel and Tourism Fair at the Capitol Mini Forest, running until September 15. The streets will echo with the Parada ng Karosa, the 3rd Marching Band Competition, and the presence of Department of Education Secretary Juan Edgardo “Sonny” M. Angara — all signs that Bulacan is not just celebrating the past, but building toward tomorrow. For a province that has seen its share of rising waters and difficult days, Singkaban offers something precious: a moment to breathe together, to stand together, and to remember — no matter what comes — the culture, integrity, and unity of the Bulakenyo will always remain.

BOC NAKASIGURO NG MAS MAHUSAY NA ACCES SA PANGANGALAGANG PANGKALUSUGAN PARA SA MGA KAWANI, RETERADONG, AT PAMILYA SA PAMAMAGITAN NG MANILAMED PARTNERSHIP

Mga katoto sadyang kapuri-puri ang ipnamalas na malasakit ni katotong Customs Commissioner Ariel Nepomuceno sa mga kawani nito lalo sa panahon ng reterado na limitado ang pagkukunan ng iba pang mga gastusin at tumatanda sa paglipas ng panahon. Sadyang iba ka Com Ariel bukod tanging ikaw lang ang nakaisip na makipagnegosyo sa Medical Center Manila.

Kaya marahil na natala sa isipan ni Com Ariel na magkaroon ng ugnayan ang Bureau of Customs (BOC) sa Medical Center Manila, Inc. (ManilaMed) upang magbigay ng mga pribilehiyo sa pangangalagang pangkalusugan at mga prayoridad na serbisyong medikal para sa mga aktibong tauhan, retirado, at kanilang mga kwalipikadong dependent, na nagpapatibay sa pangako ng ahensya sa kapakanan ng mga empleyado.

Sa ilalim ng kasunduan, ang mga kwalipikadong miyembro ng komunidad ng BOC ay maaaring magtamasa ng mga diskwento sa mga serbisyong medikal sa ManilaMed. Kabilang sa mga benepisyo ang 5% diskwento sa mga serbisyong outpatient at 10% diskwento sa mga paggamot sa Emergency Room at inpatient hospitalization. Ang mga diskwentong ito ay ilalapat pagkatapos ibawas ang saklaw ng PhilHealth at iba pang naaangkop na benepisyo, na makakatulong na mabawasan ang mga out-of-pocket na gastusin sa medikal para sa mga empleyado, retirado, at kanilang mga pamilya.

Upang gawing mas maginhawa ang access sa pangangalagang pangkalusugan, magbibigay din ang ManilaMed ng serbisyong express lane para sa mga benepisyaryo ng BOC. Ang nakalaang lane na ito ay magagamit para sa mga konsultasyon sa outpatient, admission, serbisyo sa laboratoryo, at mga transaksyon sa pagsingil, na nagbibigay-daang sa mga tauhan at kanilang mga dependent na makatanggap ng medikal na atensyon nang mas mahusay. Mananatili ang mga umiiral na prayoridad na serbisyo para sa mga senior citizen, mga taong may kapansanan, at mga buntis.

Pormal na pinagtibay ang pakikipagsosyo sa pamamagitan ng isang Memorandum of Agreement (MOA) na nilagdaan noong Agosto 27, 2026, ni Deputy Commissioner Raul S. Nagrampa sa ngalan ng BOC at ni ManilaMed President Eduardo S. Esequé, M.D. Ang Direktor ng Administrative Office ng BOC na si John M. Simon ang kumatawan kay Deputy Commissioner Nagrampa sa seremonya ng paglagda, na dinaluhan din ni Dr. Sigrid B. Duclan, Chief ng Medical and Dental Division, at iba pang mga opisyal mula sa parehong institusyon.

Sinabi ni Commissioner Ariel F. Nepomuceno na ang pakikipagsosyo ay sumasalamin sa patuloy na pangako ng BOC sa kapakanan ng mga tauhan nito at ng kanilang mga pamilya.

"Ang aming mga tauhan ay nararapat sa komprehensibong suporta, at ang pagtiyak na ang aming mga aktibong empleyado, retirado, at kanilang mga pamilya ay may access sa abot-kayang pangangalagang pangkalusugan ay nananatiling pangunahing prayoridad. Hindi natatapos sa opisina ang ating tungkulin na pangangalagaan ang mga taong naglilingkod sa ating bayan," diin ni Commissioner Nepomuceno.

Samantala, binanggit ni Deputy Commissioner Nagrampa na sa likod ng bawat empleyado ng customs ay isang pamilya na nakikibahagi sa mga responsibilidad ng serbisyo publiko.

"Sa pamamagitan ng pakikipagsosyo na ito sa ManilaMed, nilalayan ng BOC na pagaanin ang pasanin ng mga gastos sa pangangalagang pangkalusugan at magbigay ng mas mabilis na access sa mga serbisyong medikal kapag kinakailangan ang mga ito. Ang programa ay idinisenyo upang gawing mas naa-access, abot-kaya, at maginhawa ang dekalidad na pangangalagang pangkalusugan para sa buong komunidad ng BOC," sabi ni Deputy Commissioner Nagrampa.

Bagama't nananatiling responsibilidad ng mga indibidwal na tauhan at kanilang mga dependent ang mga

gastusing medikal, patuloy na makikipag-ugnayan nang malapit ang BOC sa ManilaMed upang matiyak ang maayos na pagpapatupad ng programa at pagsunod sa mga karaniwang patakaran at pamamaraan ng ospital.

Ipinahayag ni Commissioner Nepomuceno ang kanyang pasasalamat sa ManilaMed, sa pangunguna ni Pangulong Eduardo S. Esequé, M.D., para sa pakikipagsosyo at ibinahaging pangako nito na gawing mas naa-access ang dekalidad na pangangalagang pangkalusugan sa buong komunidad ng BOC.

SSS LoanLite now available through UnionDigital Bank mobile app

QUEZON CITY, 8 September 2026 – The Social Security System (SSS) announced that UnionDigital Bank (UD) has officially began accepting applications for the SSS Micro Loan Program, also known as SSS LoanLite, though its mobile application, giving qualified SSS members a convenient and secure digital channel to access short-term financial assistance.

SSS President and Chief Executive Officer Robert Joseph M. de Claro said UD is the first of the four participating financial institutions (PFIs) to make SSS LoanLite available through its digital platform.

“After months of preparation, SSS LoanLite is finally here. Qualified members can now apply through the UnionDigital Bank mobile application, making access to short-term financial assistance more convenient and secure,” de Claro said. “We are also working with our other PFIs, which will soon make SSS LoanLite available through their respective digital platforms.”

SSS LoanLite is a digital microloan facility designed to provide qualified members with accessible, secure, and affordable short-term financial assistance for immediate needs. It is part of SSS’ continuing efforts to promote financial inclusion, strengthen member services, and provide members a safer alternative to informal and potentially predatory lending arrangements.

First SSS loan facility for employed members with fully digital application

SSS LoanLite is the first SSS loan facility for employed members that allows qualified private-sector employees to apply through a PFI’s mobile application without the employer certification normally required for conventional SSS loans.

The application and related transactions are facilitated through the UD mobile application, eliminating the need for members to secure and submit the usual employer certification for conventional SSS short-term loans.

Qualified members may apply for loans ranging from ₱1,000 to ₱20,000, depending on the average of their 12 latest Monthly Salary Credits. Available repayment periods are 15, 30, 60, or 90 days, with an interest rate of 8% per annum, equivalent to approximately 0.67% per month.

The fully digital process is designed to make loan application more convenient and may allow eligible applications to be processed and approved within minutes, subject to the applicable SSS and PFI requirements, verification procedures, and system processing.

Eligibility and other requirements

To qualify for SSS LoanLite, members must meet the eligibility requirements under SSS Circular No. 2026-005, including the applicable age, with at least 36 total contributions, including at least six posted monthly contributions within the 12-month period immediately preceding the loan application, having no past-due Short-Term Member Loans or active SSS Micro Loan, maintaining an account with the PFI enrolled in its online facility, and meeting the other requirements on existing loans, benefit claims, and SSS account status.

All eligibility requirements under SSS Circular No. 2026-005 shall apply. Members are encouraged to review the Circular for the complete eligibility requirements, loan terms, conditions, and other program details. The Circular is available on the official SSS website.

Repayments will be collected according to the agreed schedule through an automatic debit arrangement, which will serve as the default collection mode. Deductions will mainly be made from the account where the loan proceeds were credited. Members are encouraged to repay on time to maintain good standing and remain eligible for future SSS LoanLite availment, subject to applicable requirements.

Safer alternative to informal lending

De Claro said SSS LoanLite is intended to help address members’ short-term financing needs while encouraging them to use formal financial services.

“SSS LoanLite is part of our broader effort to expand access to formal financial services and protect our members from predatory lending. Through our partnership with UD, we are supporting faster, safer, and more convenient access to credit for qualified members,” de Claro said.

SSS reminded members to use only the official UD mobile application when applying for SSS LoanLite and not to transact with individuals or third parties offering to process their loan applications.

Members are advised to carefully review the loan disclosure statement before accepting the loan, including the applicable interest, fees, repayment schedule, and other terms and conditions.

SSS will continue to work with its other PFIs to make SSS LoanLite available through their respective digital platforms, providing more qualified members with convenient access to formal short-term credit. **(JOHN D. OBLANCA)**

Kasama sina Finance Secretary Ralph Recto, Cavite Governor Abeng Remulla, Vice Gov. Ram Revilla Bautista, at mga kapwa natin Kinatawan at mga lingkod-bayan ng mga Distrito sa Cavite, tayo po ay nakibahagi sa Ceremonial Turnover ng Bawat Bayan Makikinabang Program na ginanap sa Carmona City Gymnasium nitong umaga.
