PGC Holds Advocacy and Information Drive for Sustainable Internal Peace and a Secure Province

The Provincial Government of Cavite, through the Office of the Provincial Social Welfare and Development Officer (OPSWDO), conducted an Advocacy and Information Drive for Sustainable Internal Peace and a Secure Province on September 17, 2026, at Bucal National Integrated High School in Maragondon, Cavite.

The activity brought together representatives from the local government, Department of the Interior and Local Government (DILG), Armed Forces of the Philippines (AFP), Civil Society Organization (CSO), Department of Health (DOH), and other stakeholders to promote awareness, cooperation, and community participation in sustaining peace and security in the province.

The initiative also culminated in the Pledge of Commitment, awarding of certificates, and evaluation, reinforcing the shared responsibility of stakeholders in building peaceful, safe, and resilient communities in Cavite.

Serbisyong may malasakit, pagkakaisang may layunin, at pagkilos para sa bawat Pilipino

Ito ang naging mensahe ni Acting Regional Vice President Dr. Edwin M. Oriña sa ginanap na "YAKAP na Handog ng Pangulo" sa iba't ibang site locations sa Cavite, Laguna at Quezon ngayong araw, Setyembre 14, 2026.

Ang YAKAP na Handog ng Pangulo ay sabay-sabay na isinagawa sa buong bansa bilang bahagi ng inisyatibo ng Handog ng Pangulo 2026 na naglalayong ilapit sa mga Pilipino ang mahahalagang serbisyong pangkalusugan, proteksyong pinansyal, at segurong pangkalusugan para sa lahat. #HandogNgPangulo2026 #YAKAPnaHandogngPangulo #PhilHealthYAKAP #MalayoSaSakit #naYAKAPnako

No waste takers in Cebu City

We attended the 3rd Quarter Full Council Meeting of the Regional Peace and Order Council this Tuesday, where we discussed steps and plans to further strengthen peace and order throughout the NCR. We were joined in this meeting by DILG Secretary Jonvic Remulla, National Capital Region Police Office Chief Christopher Abrahano, DILG-Parañaque City Director John Visca, fellow mayors from different cities, and government agency heads. One of the main discussions was the strengthening of security in our schools, as well as the enhancement of programs and faster response to violence in schools. This kind of collaboration is important because through it, we can ensure the effective implementation of steps to advance a safer community and protect our citizens. You can count on the continued cooperation and participation of the City Government of Parañaque in similar programs and issues to further strengthen our commitment to peace, order, and safety, not just in Parañaque City but throughout the National Capital Region. #SaDiyosSaTaoSerbisyongTotoo #sErbisyoLangpo #bagongparanaque

The Legal Office of the Cebu Provincial Government disclosed on Tuesday that it has begun investigating 15 infrastructure projects from the previous administration as its procurement records are either missing or incomplete.

These projects according to Assistant Legal Counsel Romielyn Macalinao were implemented in 2024 and are now being reviewed for possible referral to the National Bureau of Investigation (NBI) and Office of the Ombudsman.

The investigation is part of the administration of Cebu Governor Pamela Baricuatro's housekeeping efforts.

She revealed that three of the 15 projects have

15 previous infra projects w/ missing records probed

"completely empty" records, with no project folders or documents located.

"We have three projects that are completely empty, meaning we cannot locate the documents or project folders," Macalinao said.

These three projects have a combined value at ₱7.7 million.

Two were reinforced concrete lampposts. One covers 112 units in Asturias, Carmen, Barili, and Toledo City with an estimated cost of ₱550,000.

The other involves 466 units in Balamban and Toledo City valued at ₱2.4 million.

Both projects have the same contractor, whose identity is withheld.

The third project was concreting of a road shoulder and road section in Aloguinsan which amounts to ₱4.7 million.

The fourth project was the concreting of road section in Balamban worth ₱1.9 million.

The remaining 11 projects have missing procurement records, including performance bonds,

Contractor' All Risks Insurance (CARI), and labor-related documents.

Macalinao said the current Bids and Awards Committee (BAC) inherited the documents without a formal turnover.

Former BAC members and personnel were given the opportunity to locate and submit the missing records until September 11, 2026.

"We are looking into possible graft and corruption. But we don't want to preempt the Ombudsman's decision on this," Macalinao stressed.

No waste takers in Cebu City

Will Cebu City's garbage problem worsen?, this as for the fourth time the ₱99.3 million procurement bidding for licensed solid waste disposal facility failed.

This has left the Cebu City government to depend on the Aloguinsan waste disposal which is more than 60 kilometers from the city proper.

Mayor Nestor Archival's Chief of Staff Kenneth Siasar said the September 10 submission and opening of bids marked the fourth scheduled procurement attempt for the city's solid waste disposal requirements since May.

"No bidder participated in the latest opening," he added. The city had previously opened procurement biddings on May 5, July 2, and July 21.

On May 5, Prime Integrated Waste Solutions participated but was disqualified because its PhilGEPS registration had expired.

Philippine Government Electronic Procurement System (PhilGEPS). Archival earlier said the city spends ₱4.2 million to ₱4.5 million daily to transport 600 to 700 tons of garbage to Aloguinsan.

Siasar said the city continues to hope that a

qualified provider will participate in another Procurement attempt.

However, he cited that the latest Procurement remains connected to the city's efforts to resume waste disposal at or through the Binaliw facility, subject to the applicable regulatory, safety, and procurement requirements.

Siasar disclosed that if the Binaliw arrangement eventually pushes through, the city would prioritize garbage from barangay s near Binaliw for disposal there and continue sending the remaining waste to Aloguinsan under existing arrangement. **(By RICO MIRASOL OSMEÑA)**

DILG ok's 2 Sea ambulances for Cebu Province

The Department of Interior and Local Government (DILG) has approved the purchase of two sea ambulances by year-end as it is now in the bidding process.

Cebu Provincial Disaster Risk Reduction and Management Office chief Col. Dennis Pastor (ret) disclosed to DAILY TRIBUNE on Thursday.

Provincial Administrator Atty. Joseph Ace Durano

said the bidding process has reached the post-bid stage of the ₱50 million vessels.

"The bidding is ongoing. It's already in the post-bid stage and has been published, so we're just waiting for compliance with the required periods," said Durano.

The two sea ambulances will be deployed in Bantayan and Camotes islands.

"What we said about completing it within the year

remains our target. The procurement process is already underway," Durano added.

Pastor said the provincial government is looking at local suppliers to help keep the delivery process on schedule. He added that having local supplier would also an advantage in the maintenance of the vessels.

Daily Tribune requested DILG through Regional Director Leocadio Trovela for the approval of the vessels purchase but up of this writing, DILG has not yet furnished. **(By RICO MIRASOL OSMEÑA)**

Cebu's Vegetable Basket to establish SMART Agri-Food Processing Hub

The Department of Science and Technology in Central Visayas (DOST-7) and the Municipality of Dalaguete, Cebu partnered on Saturday the establishment of a SMART Agri-Food Processing Hub to transform farms with science and technology.

A memorandum of agreement has been signed between Dalaguete Mayor Nelin B. Tambis and DOST-7 Assistant Regional Director Bryan B. Ybanez to transform the local produce into high-value, nutritious products through advanced food processing technologies.

The processing hub will bring modern food

processing infrastructure and advanced technology directly to the farmers and producers to drive long-term Agricultural innovation.

This will develop vegetable-based snack foods and instant noodles packed with local produce to supply the Department of Education Feeding program and boost market demand.

The hub will minimize crop losses by converting unused harvest and crop residues into marketable, value-added food products.

Men and women will be both equipped with

hands-on training in Good Manufacturing Practices (GMP), product development, packaging, and food safety to spark local entrepreneurship.

A Starbook kiosks will be put which will deliver offline digital Science and Technology libraries to local schools, ensuring equal access to science and technology learning resources for the youth.

The initiative will be "From farm to fork" as science is creating sustainable livelihoods and meals for Dalaguete. Dalaguete is known as the Vegetable Basket of Cebu. **(By RICO MIRASOL OSMEÑA)**

Cebu Customs seizes misdeclared medical devices

The Bureau of Customs of the Port of Cebu confiscated on Friday two 40-footer container vans which contained misdeclared medical devices with an estimated value of ₱1.041 million.

During the conduct of a 100 percent physical examination a total of 78,720 regulated medical devices or 24,000 peritoneal dialysis (PD) drainage bags, 43,200 sterile disposal intravenous (IV) infusion/ administration sets, and 11,520 hemodialysis blood tubing sets packed in 1,800 cartons were discovered.

The examination established that the actual goods did not correspond with the declared description as "water purified tube and bag."

The items were identified as regulated medical devices subject to applicable Food and Drug Administration (FDA) requirements prior to importation.

Cebu Customs District Collector Atty Czae Carrie De Guzman issued a Warrant of Seizure and Detention (WSD) for violation of Sections 117 and 1400, in relation to Section 1113(f) and (i) of the Customs Modernization and Tariff Act(CMTA), and applicable FDA laws, rules and regulations governing the importation of medical devices.

"The Port of Cebu remains vigilant against misdeclaration and other attempts to circumvent our laws. We will continue to strengthen our border protection measures while ensuring that regulated goods entering the country comply with the necessary requirements," said District Collector De Guzman.

BOC Commissioner Ariel F. Nepomuceno emphasized the importance of ensuring that regulated

medical devices entering the country are properly declared and compliant with applicable requirements.

"Mahigpit nating binabantayan ang pagpasok ng regulated goods, especially products that May directly affect public health and safety. We will ensure that medical devices entering the country are properly declared and comply with all applicable requirements," Commissioner Nepomuceno said.

The shipment remains under BOC custody pending the appropriate Seizure and forfeiture proceedings. **(By RICO MIRASOL OSMEÑA)**

P199.7-M DROGA NASABAT NG BOC AT PDEA; BUREAU PINARANGALAN SA SERBISYO PUBLIKO AT PAKIKIPAGBALIKAT SA SEKTOR NG NEGOSYO

FROM THE CUSTOMS CORRIDOR

by Sensei Ryu

Nasabat ng Bureau of Customs (BOC) at ng Philippine Drug Enforcement Agency (PDEA) ang mahigit P199.7 milyong halaga ng shabu at high-grade marijuana na itinago sa mga padalang idineklarang "personal effects" sa isang bodega sa Pasay City. Pinangunahan ni BOC Commissioner Ariel F. Nepomuceno, kasama ang PDEA, Port of NAIA, at Paircargo Assessment Composite Division sa ilalim ni Special Deputy Collector Dr. Siegfred L. Manaos, ang ginawang inspeksyon sa mga nakumpiskang kargamento. Nagmula sa Canada ang 15 kahon ng kontrabando na agad na-flag ng BOC X-ray Inspection Project (XIP) matapos makakita ng mga kaduda-dudang imahe sa X-ray screening. Ito ang nagbunsod sa pagpapalabas ng Alert Order at ang pagsasagawa ng 100% physical examination sa mga packages.

Sa isinagawang pagsusuri, natuklasan ang anim na kahon na naglalaman ng 28 lata na may humigit-kumulang 28,324 gramo ng shabu na nagkakahalaga ng P192.603 milyon. Natagpuan din sa isa pang kahon ang humigit-kumulang 4,746 gramo ng "kush" o high-grade marijuana na nagkakahalaga ng P7.119 milyon. Bukod dito, nakuha rin ang 20 tuwalya at 20 duvet na binabad sa liquid methamphetamine. Nagpositibo sa methamphetamine hydrochloride at cannabis ang lahat ng sampol matapos isailalim sa laboratory examination ng PDEA.

Naging matagumpay ang operasyon sa pamamagitan ng pinagsamang koordinasyon ng PDEA,

Port of NAIA, Paircargo Assessment Composite Division, Customs Intelligence and Investigation Service (CIIS), Customs Anti-Illegal Drug Task Force (CAIDTF), Enforcement and Security Service (ESS), XIP, at NAIA Inter-Agency Drug Interdiction Task Group (NAIA-IADITG).

Dumalo rin sa ginanap na press conference sina BOC Deputy Commissioner Nolasco Bathan, Director Noel Estantislao, Director Thomas Narcise, Director George Aliño, OCOM Chief of Staff Atty. Jek Casipit, Director Atty. Chris Bendijo, at CAIDTF Executive Officer Atty. Gilbert Ordoña.

Binigyang-diin ni Commissioner Nepomuceno at BOC-NAIA District Collector Atty. Yasmin O. Mapa na ang pagkaharang sa shipment ay patunay ng mas pinaigting na intelligence profiling at makabagong teknolohiya.

"Hindi natin hahayaang gawing daan ang ating mga paliparan para sa pagpasok ng illegal drugs. With better technology, sharper intelligence, and strong coordination with our partner agencies, mas napapalakas natin ang ating kakayahang matukoy at mapigilan ang mga ganitong shipment bago pa makarating sa ating mga komunidad," pahayag ni Nepomuceno.

Isinagawa ang buong operasyon sa pakikipagtulungan ng iba't ibang ahensya alinsunod sa direktiba ni Pangulong Ferdinand R. Marcos Jr. na paigtingin ang kampanya ng pamahalaan kontra iligal na droga at smuggling sa mga lagusan ng bansa.

Samantala, Pinarangalan ang Bureau of Customs (BOC) ng Champions of the Industry Award for Public Service and Business Partnership Excellence sa ginanap na CAMANAVA Business Conference 2026. Ang pagkilalang ito ay bilang pagpupurisgi sa dedikasyon ng ahensya sa mabilis at responsableng serbisyo publiko, pagpapadali ng kalakalan (trade facilitation), at mas matibay na pakikipagbalikat sa komunidad ng negosyo.

Inorganisa ang naturang kumperensya ng Philippine Chamber of Commerce and Industry (PCCI) NCR North Sector, sa pakikipagtulungan ng mga PCCI

chapter ng Caloocan, Malabon, Navotas, at Valenzuela, pati na rin ng Malabon Chamber of Commerce and Industry.

Formal na tinanggap ni Deputy Commissioner PMGen. Emmanuel Luis D. Licup (Ret.) ang parangal sa ngalan ni Customs Commissioner Ariel F. Nepomuceno at ng buong ahensya sa ginanap na Gala Night. Binigyang-diin ng parangal ang mahusay na pamumuno, inobasyon, at mahahalagang kontribusyon ng BOC sa pagbuo ng mas mabilis at business-friendly na kapaligiran para sa kalakalan.

Sa kanyang pagtanggap ng award, ipinaabot ni Deputy Commissioner Licup na ang pagkilala ay resulta ng sama-samang pagsisikap ng ahensya at ng matatag na ugnayan nito sa pribadong sektor.

"Lubos na kinikilala ni Commissioner Nepomuceno ang karangalang ito. Hindi niya ito tinitingnan bilang personal na tagumpay, kundi bilang patunay ng kolektibong pagsisikap ng mga nakatalagang kawani ng Bureau of Customs, pati na rin ng ating mga kasama sa business community na patuloy na nakikipagtulungan sa amin upang isulong ang transparency, efficiency, at magandang pamamahala," pahayag ni Licup.

Nagsama-sama sa dalawang araw na kumperensya ang mga pinuno ng pamahalaan at negosyo upang patatagin ang ugnayang pampubliko at pribado at isulong ang paglago ng ekonomiya sa rehiyon. Tampok sa kumperensya ang mga talakayan sa industriya, networking activities, at ang Manufacturing, Producing and Processing Expo na nagtanghal ng mga lokal na negosyo, produkto, serbisyo, at inobasyon.

Ikinagalak naman ni Commissioner Nepomuceno ang natanggap na parangal bilang pagpapatibay sa kahalagahan ng ugnayan ng pamahalaan at ng industriya. Muli ring pinagtibay ng BOC ang komitment nito sa ugnayan sa mga stakeholder, modernisasyon, at mga repormang magsusulong ng mabilis at transparent na proseso sa customs habang pinapadali ang legal na kalakalan para sa pag-unlad ng ekonomiya.

Pagtatapos ng 600 na magniniyog sa CALABARZON, tagumpay ng programang Masaganang COCObuhayan: Radyo Eskwela sa Pagniniyugan

Mahigit 600 magniniyog mula sa 13 munisipalidad at lungsod sa CALABARZON ang matagumpay na nagtapos sa Masaganang COCObuhayan: Radyo Eskwela sa Pagniniyugan, isang dalawang-buwang distance learning program na naghatid ng mahahalagang kaalaman at teknolohiya sa pagniniyog sa pamamagitan ng radyo at online platforms.

Kabilang sa mga 13 munisipalidad at lungsod na ito ang Amadeo, Cavite; Luisiana at Sta. Cruz, Laguna; San Luis, Lipa at Padre Garcia, Batangas; Rodriguez, Rizal; at Sampaloc, Sariaya, Lucena, Alabat, Buenavista at Guinayangan sa Quezon, na sama-samang nakibahagi sa programa upang higit na mapalawak ang kaalaman ng mga magniniyog sa makabagong teknolohiya at pamamahala ng kanilang mga niyugan.

Idinaos ang graduation ceremony noong Setyembre 3, 2026 sa Lucena City Convention Center bilang pagkilala sa pagsisikap at aktibong pakikilahok ng mga magniniyog na nakibahagi sa serye ng mga aralin tungkol sa coconut hybridization.

Ang coconut hybridization ay isang paraan kung saan pinagsama ang magagandang katangian ng dalawang magkaibang barayti upang makalikha ng hybrid na punla na may potensiyal na maging mas mataas ang ani, mas matatag, at mas angkop sa produksyon. Tinatalakay rin dito ang produksyon at pamamahala ng dekalidad na planting materials, wastong pangangalaga ng niyugan, at iba pang teknolohiyang makatutulong sa pagpapataas ng ani at kita.

Dumalo sa seremonya sina DA-ATI CALABARZON Center Director Dr. Rolando V. Maningas, RAgr, kasama si Assistant Center Director Sherylou C. Alfaro, RAgr; PCA Region IV-A Regional Manager III, Bibiano C. Concibido Jr., RAgr; Atty. Rhaegee Tamaña, Chief of Staff ni dating Senador Cynthia Villar; at Lucena City Committee on Agriculture Chairperson, Patrick Norman Nadera, na kumatawan kay Lucena City Mayor Mark Don Victor Alcala.

Para kay Dr. Maningas, higit pa sa bilang ng mga nagtapos ang tunay na tagumpay ng programa. Aniya, mahalaga ang kaalamang nakuha ng mga magniniyog at ang kanilang kakayahang gamitin ito upang mapaunlad ang sariling niyugan at kabuhayan.

"Ang Masaganang COCObuhayan ay hindi lamang tungkol sa mataas na ani ng niyog. Higit, ito ay

tungkol sa kasanayan ng mga magniniyog na makasabay sa pagbabago, sa angkop na teknolohiya, at sa kakayahang gawing mas produktibo at mas kumikita ang ating mga niyugan," ani Dr. Maningas.

Ibinahagi rin ng isang magasakang mag-aaral mula Buenavista, Quezon, na naging mas madali para sa mga magniniyog ang pagkatuto dahil nailapit sa kanilang mga bukid ang mga bagong kaalaman sa pamamagitan ng Radyo Eskwela.

"Naging mas madali nang matutunan ang makabagong teknolohiya dahil sa Radyo Eskwela. Napatunayan ng Radyo Eskwela na hindi hadlang ang oras at layo ng bukid upang matuto. Sa bawat pakikinig, natutunan naming alagaan at magparami ng mga hybrid na niyog—mga punong mas madaling magbunga, mas matatag sa bagyo at mas maraming kita," ani niya.

Dagdag pa niya, ang pagtatapos ng mga magniniyog ay hindi lamang pagkilala sa kanilang nakumpletong pag-aaral, kundi simula ng pagsasabuhay ng mga natutuhan upang patuloy na mapayabong ang kanilang mga niyugan.

"Tagumpay po natin ito. Isabuhay natin ang ating mga natutunan at ating payabungin ang ating mga niyugan," aniya.

Ang Masaganang COCObuhayan: Radyo Eskwela sa Pagniniyugan ay isinagawa ng DA-ATI CALABARZON sa pakikipagtulungan ng Philippine Coconut Authority (PCA) Region IV-A at Department of Science and Technology–Philippine Council for Agriculture, Aquatic and Natural Resources Research and Development (DOST-PCAARRD), katuwang ang mga provincial at municipal local government units.

Dinala ng programa ang mga aralin sa pagniniyog

sa pamamagitan ng regular na radio broadcasts at online platforms mula Hunyo 2 hanggang Hulyo 16, 2026, na nagbigay-daan upang makapagpatuloy sa pagkatuto ang mga magsasaka kahit malayo ang kanilang mga bukid sa mga training venue at may mga gawaing kailangang asikasuhin sa kanilang kabuhayan.

Sa pagtatapos ng programa, kinilala hindi lamang ang mahigit 600 magniniyog na nakumpleto ang serye ng mga aralin, kundi maging ang sama-samang pagsisikap ng mga institusyon, lokal na pamahalaan, at mga magsasaka na gawing mas produktibo, matatag, at kapaki-pakinabang ang industriya ng niyog sa CALABARZON.

Ang pagtatapos ng mga magniniyog ay nagsisilbing patunay na ang kaalaman, kapag naihatid nang abot-kamay at naisabuhay sa bukid, ay maaaring maging pundasyon ng mas masaganang kabuhayan—isang tagumpay na sama-samang ipinundar ng Masaganang COCObuhayan. Ulat ni: Eloisa A. Mariano-Diaz

FLOOD MITIGATION SUMMIT 2026: UNITED ACTION AGAINST FLOODING

As representatives of our District, we actively participated and attended the Flood Mitigation Summit 2026 for the First and Second Legislative Districts of Cavite, held today in Kawit.

We were joined by Cong. Lani M. Revilla, Rosario Mayor Jose Voltaire V. Ricafrente, Rosario Vice Mayor Bamm Gonzales, Noveleta Vice Mayor Dino Reyes-Chua, Cavite City Vice Mayor Raleigh Grepo Rusit, Kawit Vice Mayor Angelo G. Aguinaldo, and Bacoor Vice Mayor Rowena Bautista-Mendiola, along with representatives from DPWH, OCD-CALABARZON, DOLE, Cavtex, and other stakeholders.

Our goal is one: to have a clearer and more coordinated approach to fighting flooding—from dredging and clearing waterways, deploying equipment,

strengthening drainage and flood control infrastructure, to identifying priority intervention areas in Cavite.

Our heartfelt thanks to all our partners from the national government, local governments, and private sectors who continue to help quickly address areas prone to flooding.

Temporary solutions are not enough. We need joint planning, concrete action, and continuous coordination to achieve a safer, more resilient, and better prepared Cavite.

Let's take action together against flooding!

NHA GM TAI NAKIPAGPULONG SA TOWN HALL 'TUNNEL COMMUNITY' NG MAYNILA; RELOKASYON SA BULACAN, TARGET NGAYONG SETYEMBRE

Mga katoto sadyang tunay na malasakit at pagmamahal ang inilaan ng ating butiing Pangulong Ferdinand "BONGBONG" R. Marcos sa ating mga kababayan kung saan sa kagustuhan niyang matupad ang pangarap na ang ilang kapus palad na Pilipino ay mabigyan ng sariling lupa't bahay, binigyan ng direktiba si National Housing Authority (NHA) Manager Joeben A. Tai, simula ng mahalal si PBBM ay tuloy-tuloy na ang proyektong pabahay saan man lugar sa bansang Pinas.

Dumalo si National Housing Authority (NHA) General Manager Joeben A. Tai sa isang espesyal na "town hall meeting" na pinangunahan ng Department of Social Welfare and Development (DSWD) noong Setyembre 15, 2026. Layunin nitong tugunan ang mga usaping pabahay ng mga pamilya at indibidwal na naninirahan sa ilalim ng "Tunnel Community" sa Maynila, partikular sa mga Barangay 738 at 799.

Pinangunahan ni DSWD Secretary Rexlon T. Gatchalian ang pagpupulong kasama sina Director at Officer-in-Charge Jay R. Dela Fuente ng Manila Department of Social Welfare (MDSW)—na kumatawan kay Manila City Mayor Francisco "Isko Moreno" Domagoso—at iba pang lokal na opisyal.

Nagsilbing pagkakataon ang "town hall meeting" upang linawin at ipahayag ng mga residente ng "Tunnel" ang kanilang mga hinaing at alalahanin, lalo na tungkol sa pabahay at iba pang tulong mula sa pamahalaan.

Bilang kinatawan ng sektor ng pabahay, iniulat ni NHA GM Tai na handa na ang NHA na ilipat ang 49 na pamilya sa St. Ildephonsus Village sa Brgy. Anyatam, San Ildefonso, Bulacan ngayong buwan. Nakatapos na ang mga pamilyang ito sa mga kinakailangang dokumento, kaya maaari na silang ilipat ayon sa itinakdang panahon ng NHA.

Sa kanyang mensahe, ipinaabot ni GM Tai ang tagubilin ni PBBM na tiyaking maililipat ang mga pamilya sa mga tahananang ligtas, disente, at abot-kaya.

Magpapatupad ang NHA ng "moratorium" para sa mga benepisyaryo sa kanilang unang taon matapos ang relokasyon.

Samantala, sa isang panayam, tiniyak ni GM Tai na maililipat din ang mga natitirang pamilya bago matapos ang taon.

Bukod dito, magbibigay ang DSWD, sa pamamagitan ng "Pag-abot Program" nito, ng tulong sa upa para sa natitirang 36 na pamilya habang hinihintay nila ang pagkumpleto ng kanilang mga yunit ng pabahay at ang iskedyl ng relokasyon.

Matatagpuan sa Tripa de Gallina, ang "Tunnel Community"—na nabuo noong dekada '90—ay kasalukuyang tinitirhan ng 94 na pamilyang may

mababang kita na hindi kayang kumuha ng disenteng pabahay sa lugar ng Maynila dahil sa limitadong kakayahang pinansyal. Ang NHA, bilang isang kalakip na ahensya ng Department of Human Settlements and Urban Development (DHSUD), ay nananatiling nakatuon sa pagsuporta sa bisyon ni Pangulong Marcos Jr. na bumuo ng mga komunidad na matatag at isulong ang mga layunin ng Bagong Pilipinas, kung saan ang bawat pamilyang Pilipino ay may access sa disente, ligtas, at sustenableng pabahay.

PhilHealth LHIO Dasmariñas and DLSMHSI Strengthen Partnership through MOU for Graduating Students and Alumni

PhilHealth through Local Health Insurance Office (LHIO) Dasmariñas and the De La Salle Medical and Health Sciences Institute (DLSMHSI) strengthened their partnership through the signing of a Memorandum of Understanding (MOU) on August 14, 2026, at the DLSMHSI Library Auditorium.

The partnership, effective August 16, 2026 to August 15, 2028, supports DLSMHSI's Pre-Employment Services Program through its Alumni Center for Engagement and Services (ACES), providing graduating students and alumni with easier access to PhilHealth services as they prepare to enter the workforce.

Under the MOU, LHIO Dasmariñas will assist eligible students and alumni with PhilHealth registration, updating of member record, issuance of Member Data Record and PhilHealth ID, and YAKAP clinic assignment.

LHIO Dasmariñas will also provide guidance on the PhilHealth online application and conduct orientations on PhilHealth membership, benefits, and available services.

The MOU was represented by LHIO Dasmariñas

Chief Social Insurance Officer Ma. Obelia M. Fontanilla, Social Insurance Officer III Alma P. Fortaleza, and Social Insurance Officer II Darlene D. Albaño. Representing DLSMHSI were President Dr. Antonio B. Ramos, Chancellor and Chief Administrative Officer Ferdinand L. Berba, Vice Chancellor for Academics Dr. Naomi M. De

Aro, and ACES Director Kathlyne Jane F. Graycochea.

Through this collaboration, LHIO Dasmariñas and DLSMHSI continue to bring essential health insurance information and services closer to future professionals, helping them stay informed and protected as they begin their professional journey.

Bulacan Under State of Calamity: A Cycle of Devastation

KATROPA N'YO Vic Billones III

Bulacan stands under a State of Calamity once again. After successive typhoons in August and September, twenty-four areas are devastated, thousands of families

displaced, and billions of pesos in damage to agriculture, fisheries, livelihood, and infrastructure. Vast sums have been allocated for flood control and disaster response — yet the flooding worsens annually.

Governor Daniel R. Fernando opened the provincial press conference at the Bulacan Provincial Capitol on September 18, 2026, with a voice heavy with the people's pain. "Taon-taon ganito po ang aming sitwasyon. Bago pa po makarecover sa kalamidad, may papasok na na namang bagyo. Patak-patak pa lang ng ulan, nararamdaman na ng ating mga kababayan ang takot — dahil alam nila ang hirap na kasunod. Ito lamang po ba ang aming realidad?" The full proceedings were broadcast live by the Provincial Government of Bulacan, viewed by over 26,000 people, with residents commenting publicly on the urgent need for action.

Colonel Bonoan presented detailed maps showing floodwaters scattered across communities and identifying high-risk zones throughout the province — visual evidence of the widespread devastation. His data confirmed that thousands of barangays face recurring flooding, with significant portions of flood control structures reported as incomplete or substandard.

Turning directly to DPWH Secretary Vince B. Dizon, the Governor spoke plainly and publicly. "Secretary, binabaha na ang Bulacan. Batid po natin ang mga anomalous DPWH flood control projects — kawalan ng plano, kawalan ng kalidad, bilyon-bilyon na halaga — at ang masaklap, walang naging solusyon. Hindi lang high tide ang dahilan — kundi baradong ilog, substandard na proyekto, at dekadang hindi pagdredge." The province had long sought answers. Through Executive Order No. 22 (2023) and Executive Order No. 23 (2025), the provincial government pushed for an Integrated Flood Control Master Plan and established monitoring mechanisms — yet the flooding persisted.

Secretary Dizon acknowledged the gravity of the crisis and laid out immediate, practical interventions. He emphasized dredging and desilting to restore the waterways, explaining that shallow rivers and clogged waterways — worsened by years of neglect — were at the root of the problem. He also spoke of closing the gaps in flood control structures

through relocation and community cooperation, citing successful efforts in Calumpit where families agreed to move and dikes were finally connected. And while long-term construction takes years, he proposed deploying modular flood barriers — quick, affordable, and proven effective — to provide immediate protection while permanent solutions are underway.

Tsk! Tsk! Tsk! Governor Fernando closed with a commitment to shared responsibility, saying that isolated projects would never be enough — what was needed was an integrated, sustainable, and interconnected approach. He called for full transparency, close coordination, and genuine partnership between the national government, the province, and the people. "Ang pondo ay nariyan — dapat itong makita sa gawa, hindi lang sa papel. Ang taumbayan ay nagtititiis — hindi na sa salita, kundi sa tunay na solusyon na darating nang tama at darating nang mabilis."

The Enduring Wisdom of 1898: A Blueprint for Contemporary Nation-Building

At the historic Barasoain Church, we commemorated the 128th anniversary of the Malolos Congress. The wisdom of 1898 remains profoundly relevant, offering a blueprint for addressing contemporary national challenges.

DSWD Secretary Rex T. Gatchalian emphasized that nation-building is a collective endeavor. He advocated for a whole-of-nation approach, urging government, communities, and civil society to act in concert toward a shared future. "Whatever our differences, we are one people," he stated. He is correct: progress is not driven by a single leader or group, but is achieved through our collective effort.

Perhaps the most profound insight came from Bulacan Governor Daniel R. Fernando, who noted that unity does not require uniformity. True unity involves holding diverse views while choosing cooperation. It requires respecting our differences while working toward the national interest. Furthermore, he reminded us that trust is not demanded; it is earned through tangible service.

These words are significant. We are told that the government cannot do everything and that no single voice holds all the answers. Nation-building is not something done to us; it is something we achieve together. From the halls where our first republic was born to the communities where we live today, the Malolos spirit calls us to listen, act, be accountable, and move forward as one.

Tsk! Tsk! Tsk! That is the true legacy of September 15—not merely a memory, but a promise we fulfill every day.

Heal Our Nation: The Justice Our People Deserve

Corruption is a societal blight that must be eradicated. From local barangay offices to the highest levels of government, corruption deprives the vulnerable—the hungry, the homeless, and the youth—of essential resources. This cycle must end.

First, we must elect leaders of integrity: individuals who serve with transparency and remain accountable to the public rather than their own interests.

Second, we must restore proportional justice. When billions are embezzled—funds intended for schools, hospitals, and infrastructure—mere imprisonment is insufficient. We must ensure the recovery of stolen wealth and implement consequences that serve as a genuine deterrent. For plundering our nation's lifeblood, the consequence must be absolute.

Tsk! Tsk! Tsk! This is not anger, but love for our country.

Let us cleanse our ranks, restore respect for the law, and allow the Philippines to rise—pure, protected, and just.-

Bulacan's Waters: Long-standing Wounds

The floods in Bulacan are not just water — they reveal deep, long-standing wounds. Waters rush down from denuded mountains upstream, where trees are gone and soil washes away unstopped. They pass through rivers choked with waste, where some still toss trash with a resigned "Bahala na" — as if the burden will pass to someone else. Climate change brings heavier, more frequent rains, and our waterways can no longer carry it all. The suffering is real, widespread, and growing worse with every season.

Serious questions remain unanswered. Senate hearings and resource persons have named certain public officials accused of receiving billions of pesos meant for flood control, river dredging, and environmental protection. Yet these same officials remain in their posts — still not investigated, still not held to account. Where did the funds go? The people watch the waters rise and ask: Where is the protection we paid for?

Amid the hardship, many leaders show up to serve. Governor Daniel Fernando and Vice Governor Alex Castro distribute food packs, rice, and relief across the province. But they are not alone — others stand with them:

Mayor Enrico 'Rico' Roque of Pandi — serving our community close to home

Mayor Ma. Rosario "Ate Charo" Sy Alvarado Mendoza of Hagonoy — leading one of the province's most flood-battered towns

Mayors and public servants across Bulacan — all doing what they can to reach their people

These leaders bring aid, comfort, and presence when their constituents suffer. Their work deserves to be seen and acknowledged.

But food today cannot stop the floods of tomorrow. We need more than relief — we need accountability. We need answers about funds that vanished. We need mountains reforested, rivers cleared, waste properly managed, and every public servant answerable to the people who trusted them. True service means feeding the hungry and protecting the land so they do not suffer the same hardship again.

Tsk! Tsk! Tsk! We stand in the middle — grateful for those who help, unafraid to ask the hard questions. Our province deserves leaders who serve with both hands: one giving help now, the other building a safer, fairer, more honest future for all Bulakenyos.

BJMP Calabarzon Regional Trade Fair Showcases PDL Livelihood Products at SM City Dasmariñas

The BJMP Calabarzon Regional Trade Fair provided Persons Deprived of Liberty (PDLs) an opportunity to showcase and promote products created through their livelihood and skills training programs.

Held at the Main Event Center of SM City Dasmariñas on September 7–8, the trade fair featured a variety of products crafted and prepared by PDLs as part of their efforts to develop practical skills and livelihood opportunities. Beyond showcasing their products, the event highlighted how skills development and livelihood training can help PDLs prepare for productive opportunities and life beyond incarceration.

Mallgoers were invited to visit the trade fair, discover the featured products, and support the livelihood initiatives of the participating PDLs.

Cavite barangays welcome scholarships, grants under Bawat Barangay Makikinabang program

CARMONA CITY, Cavite (PIA) — Barangays across Cavite Province are looking forward to building safer communities where students can finish their studies without worrying about their safety and daily commutes.

During the Cavite leg of the Bawat Barangay Makikinabang Program last September 11, Toto Cantimbuhan, President of the Liga ng mga Barangay in Dasmariñas City, thanked President Ferdinand Marcos Jr. for launching an initiative that ensures government projects are responsive to community needs.

"Nagpapasalamat ako sa Pangulong Ferdinand Marcos Jr. para sa programang direktang ibinigay sa mga barangay. Sana hindi lang ito ang simula at sana ay magtuloy-tuloy ito."

Having served as a barangay official for 15 years, Cantimbuhan noted that this is the first time a national program brought benefits that were tailor-fit to their community needs.

"Napakasaya ng barangay namin dahil sa 15 taon na panunungkulan namin, first time nagkaroon ng programa ang Pangulo at ang pamahalaang nasyunal na direktang ibinababa sa barangay; mga programa kung saan pangangailangan ng barangay ang inuuna."

In partnership with the Office of the Executive Secretary, the Bawat Barangay Makikinabang Program is a national government initiative that provides direct financial assistance worth P200,000 to every barangay across the country.

The two-pronged financial grant allocates P100,000 for education through a scholarship for five college students, and another P100,000 for other priority infrastructure, security, and social projects.

Cantimbuhan also acknowledged the Office of the Executive Secretary for helping bridge the program for barangays.

"Nagpapasalamat kami sa Pangulong Ferdinand Marcos Jr. para sa programang direktang ibinigay sa mga barangay. Sana hindi lang ito ang simula at sana ay magtuloy-tuloy ito. Kay Executive Secretary Ralph Recto naman, salamat sa inyong mensahe at kayo ang binigyan ng pagkakataon ng pangulo na maghatid nito sa amin."

Meanwhile, Tanza Mayor Archangelo Matro noted that many barangays are prioritizing service vehicle upgrades and scholarship grants to improve public service

delivery.

"Sa meeting ng aming mga barangay, ang kanilang priority ay 'yung mga scholarship at additional na mga sasakyan na kanilang magagamit sa pagseserbisyo sa kanilang lugar."

"Maraming salamat po sa ating mahal na Pangulong Bongbong Marcos at kay Executive Secretary Ralph Recto. Napakalaking tulong nito sa aming lalawigan. Sana po ay ulanin pa kayo ng maraming biyaya para maipadala n'yo rin po dito sa aming lalawigan ng Cavite."

Matro said he hopes that aside from social services, their town can also benefit from national housing projects, highlighting their vulnerability to severe weather and monsoons.

"Wish po namin na patuloy pong makapaghatid [ang Pangulo] ng tulong sa aming lalawigan, at sa bayan ng Tanza. Ang bayan ng Tanza ay daanan ng bagyo. Napakarami po naming mga evacuee kahit walang bagyo at habagat lang. Sana magkaroon kami ng housing projects na mapaglipatan po." **(PB-PIA CALABARZON)**
