The Provincial Government of Cavite (PGC), through the Office of the Provincial Public Employment Service Manager (OPPESM) led by Ms. Rizalie P. Enero, Provincial PESO Manager, successfully conducted the Cavite Career Caravan on October 2, 2026, at SM City Rosario.

The event brought together 55 participating companies offering a combined 11,573 vacancies, giving jobseekers access to diverse employment opportunities. Participating national government agencies (NGAs) likewise provided complementary services and assistance, making the caravan a meaningful convergence of employment and public service.

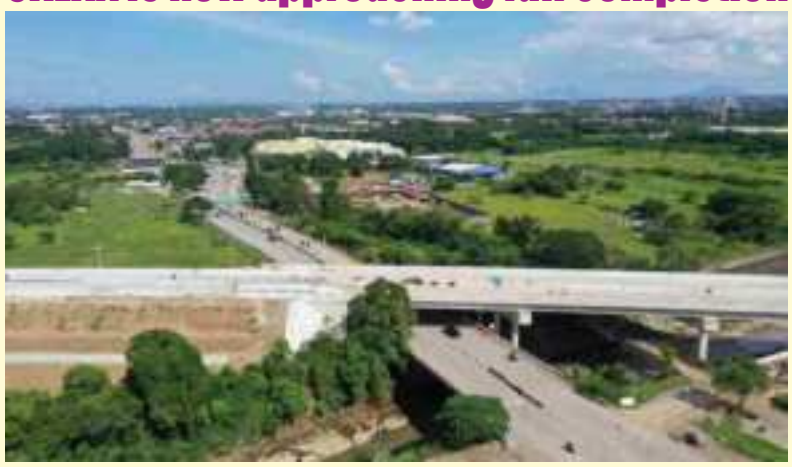

Thirty – four (34) applicants were hired on the spot and 99 others nearly hired, bringing them closer to securing employment.

More than matching people with jobs, the career caravan demonstrated the PGC's continuing commitment to bringing employment opportunities closer to Caviteños and strengthening partnerships with employers and government agencies.

Through the OPPESM, the Provincial Government of Cavite remains committed to creating accessible employment opportunities and empowering Caviteños to take the next step toward productive and sustainable careers. — ***OPIO***

CALAX is now approaching full completion

MPCALA Holdings, Inc. is nearing completion of the Cavite-Laguna Expressway (CALAX), marking substantial progress toward the full operation of the 45-kilometer, four-lane expressway with two lanes in each direction, connecting Cavite and Laguna.

Construction continues on the remaining 18.5 kilometers of CALAX, covering Subsections 1 and 2, with active works focused on mainline road pavements, bridge superstructures, drainage systems, interchange ramps, and other associated infrastructure.

CALAX currently operates continuously from Mamplasan, Binan to Governors Drive in General Trias. Completion of Subsections 1 and 2 will extend the expressway through Open Canal to Kawit, completing the CALAX corridor and connecting it to CAVITEX through the CAVITEX-CALAX Link (CCLink).

This will give motorists a more direct route across the Cavite-Laguna corridor and toward Metro Manila, providing an alternative route to major local roads and improving access to residential, commercial, industrial, and economic centers across the region. The interconnected network will also provide a more seamless expressway connection, supporting the movement of people and goods and strengthening access to key destinations across the region.

The completed CALAX will further support logistics and business activity by strengthening connections between industrial areas, warehouses, distribution hubs, commercial centers, and major markets in Cavite, Laguna, and Metro Manila. Improved expressway connectivity can

Cebu tourism arrivals surges by 12.78%

The Cebu Provincial Tourism Office (PTO) recorded on Monday, more than 1.08 million tourist arrivals from January to August this year.

During the eight-month period , PTO said 1,080,809 tourists arrived or 122,492 more compared to 2025's same period of 958,317 which is 12.78 percent increase.

Domestic tourists reached to 838,575 or 9.19 percent increase from the previous year, while foreign arrivals climbed to 242,108 or 27.28 percent increase.

Cebu Governor Pamela Baricuatro told DAILY TRIBUNE that her administration intensified efforts to promote Cebu in both the domestic and international markets.

She cited for the domestic market, the province has actively participated and will be participating in travel fairs and tourism promotions around the country, bringing Cebu's destinations and experiences directly to potential travelers and strengthening partnerships with tourism stakeholders.

At the same time, the Governor has consistently pushed for better direct International air connectivity to Cebu, recognizing that easier access is crucial to bringing more foreign visitors to the province.

Adding that Cebu Province had several official missions and engagements abroad.

Cebu recently hosted the 19th East Asia Inter-Regional Tourism Federation (EATOF) General Assembly in September.

During the assembly, Baricuatro specifically raised the possibility of establishing more direct flights linking Cebu with EATOF member regions.

"Improved connectivity could create greater opportunities not only for tourism but also for business, investment and people-to-people exchanges," Baricuatro said.

Data from the Mactan Cebu International Airport Authority (MCIAA) disclosed that from January to July this year, MCIAA handled 7,355,524 passengers with International passengers reaching 1,930,856 or 14 percent increase.

Mactan Cebu International Airport (MCIA) serves 23 airlines with 18 foreign and five local, including 16 International destinations.

South Korea remained the largest foreign source market with 60,518 arrivals, followed by United States of America (USA) with 22,866 and Japan with 22,223.

The PTO also reported that 53 foreign markets registered positive growth during the period. South Korea posted the biggest increase in absolute arrivals at 13,630, followed by China with 10,546 and the United Kingdom with 3,409.

The governor emphasized repeatedly that growing tourism must ultimately translate into economic opportunities for Cebuanos --- from hotels, resorts, and tour operators to local businesses, transport providers, workers and communities across the province.

COA flags unfinished P108.5M housing project in Cebu City

The Commission On Audit (COA) flagged a ₱108.5 million unfinished housing project in barangay Lorega, Cebu City.

COA said Cebu City government has poured ₱108.5 million for the five-story tenement housing but remained unfinished for more than five years, since construction began.

Leaving at least 170 urban poor families still waiting for homes.

COA disclosed that deficiencies in contract administration and project implementation prevented auditors from fully determining whether the disbursements were proper, valid, and legal.

But found the possible wastage of public funds in the city's pilot socialized housing program.

The project started in October 2020 with a contract cost of ₱227.5 million with 300-day timeline. Target completion was supposed August 30,2021.

As of December 31,2025, the city disbursed ₱108.5 million.

Auditors inspected the site in March 2026 and structures showed signs of deterioration and dilapidation.

Auditors further noted that the cited reasons for suspensions, including missing business permits and unapproved designs, were the contractor's own responsibility to secure, under mining the justification for granting the contractor more time rather than penalties.

Construction itself began before the project secured its locational clearance and building permit, violating the National Building Code of the Philippines.

COA also found that the contract price itself was inflated by ₱42.8 million, or 23.2 percent which was COA's own cost evaluation.

COA attributed the gap to overstated material quantities across concrete works, masonry, waterproofing, and other items, plus a mark up for overhead and Contractor's profit exceeded the rates of the Department of Public Works and Highways for similar projects. ***(By RICO MIRASOL OSMEÑA)***

P217.5-M Ghost Housing project in Bogo City flagged by COA

Intended for Super Typhoon Yolanda victims, the Commission On Audit(COA) flagged the Housing project in Bogo City, Cebu.

In its report dated September 29,2026, COA said that the housing project remains incomplete, with ₱32.62 million advance payment released to the contractor in 2021. "Still unrecouped and no housing structures built," COA added.

The National Housing Authority (NHA) and Bogo City Government signed a Memorandum of Agreement in March 2019 of which the local government unit took responsibility for procurement, fund use, and quality control while NHA released funds in tranches.

The housing project was originally intended to provide 750 units at Vicente Ferrer Homes 2 in Barangay Paz, but the target later fell to 387 units after NHA cut its allocation.

COA said that despite a revised completion date of July 27, 2024, it found the project had shown no substantial progress as of its audit cut-off.

The city received the first tranche of ₱32.62 million mobilization and advance payment which is equal to 15 percent of the Contract in October 2021, and was released to the contractor.

On September 2022 , a budget shortfall at NHA cut the project 's cost to ₱105 million, forcing the city to cut 750 units to 387 units which prompted NHA to deobligate roughly ₱79.8 million in remaining funds.

City officials told COA the Contractor's site had legal disputes with the landowners and was brought to court.

But COA said the city never submitted documentation to justify those suspensions or presented formal status update on the project which left the revised 2024 completion date unverified.

COA cited the project 's term of reference that the contractor bore responsibility for securing a clean land title and all necessary permits, meaning those delays, should have been factored into the original timeline rather making it as justification afterward.

Bogo City is a sixth class component city roughly 98 kilometers north of Cebu City.

13 years ago, typhoon Yolanda struck the Province of Cebu and Bogo City was one of the hardest hit. ***(By RICO MIRASOL OSMEÑA)***

COA flags several projects in Carcar City

The Commission On Audit (COA) flagged several projects in Carcar City noting that ₱93.55 million remained unimplemented.

In its 2025 Financial Audit report, the ₱93.55 million represented 53 projects or about 60.29 percent of the city's ₱155.16 million appropriation as of December 31,2025.

The reasons for non-implementation were land problems, sites not ready for construction, incomplete documents, and procurement delays. The funds came from the 20 percent Development Funds.

COA also flagged ₱270.77 million worth of completed infrastructure projects which are now "idle."

The audit report identified three facilities: ₱19.99 million Takdog Water Treatment Facility which was completed in 2018; ₱100.89 million Carcar City Public Transport Terminal completed in 2020; and ₱149.89 million Livestock Auction Market completed in 2024.

COA said these facilities continued idleness which meant government resources were not being used effectively.

There is ₱2.64 billion accounting discrepancy in property, plant, and equipment as COA found an unreconciled difference between the General Ledger and the city's physical count report.

COA added that ₱562.32 million domestic loans payable had a ₱43.15 million unreconciled difference against loan amortization schedules, and ₱1.34 million accrued interest had not been recognized.

Also raised were the ₱187.38 million in inventories, real property/ special education tax receivables, ₱36.99 million in long-outstanding accounts payable, and ₱8.24 million in breeding stocks.

And COA previously questioned Carcar City's ₱3 million El Nino rice assistance program because the city could not produce a beneficiary list showing who received the 1,073 sacks of 50 kilogram rice.

COA said the absence of documentation made it difficult to establish that the rice reached the intended beneficiaries.

However, COA clarified though that the findings not automatically have corruption or criminal wrongdoing.

COA is identifying deficiencies and requiring the city to explain, correct, document, or resolve them.

DAILY TRIBUNE tried on several times to get City Mayor Patrick Barcenas side but as of this writing, no replies yet. ***(By RICO MIRASOL OSMEÑA)***

COA flags P388.7-M loans in Toledo City

Despite having a P1 billion bank deposits, Toledo City, Cebu was questioned by the Commission on Audit (COA) from its borrowing practices of P388.7 million.

"Why the City borrowed money for infrastructure while maintaining substantial bank deposits," the COA asked in its 2025 Financial Audit report.

The auditors noted that the city's deposits had already reached P600 million by March 2025, thus potentially allowing it to finance the projects without borrowing.

"Was the borrowing economically justified when the city already had substantial funds available," the report added.

Aside from the loan, the city had allocated P265.82 million for 15 projects but only two were implemented during the year.

The allocations were under the 20 percent development fund in 2025.

Daily Tribune tried interviewing, City Mayor Joie Perales but as of this writing no replies yet.

COA reiterates that these funds are matters of public accountability. ***(By RICO MIRASOL OSMENA)***

LAKAS NG BOC IPINAKITA: P757.4-B KOLEKSYON NAABOT, P496-M SHABU NASABAT

FROM THE CUSTOMS CORRIDOR

by Sensei Ryu

Mga kababayan, kung may isang ahensya ng gobyerno na kadalasan ay paboritong tirahin ng mga kritiko dahil sa mga isyu ng korapsyon at palusot noon, yan ay walang iba kundi ang Bureau of Customs (BOC). Pero mukhang kailangan nating ibahin ang tingin natin ngayon. Sa ilalim ng direktiba ni Pangulong Ferdinand R. Marcos Jr. at sa pamumuno ni Commissioner Ariel F. Nepomuceno, tila nagkakaroon ng mas matalim na ngipin, tunay na reporma, at kamay na bakal ang Adwana.

Ang pinakabagong pruweba? Isang matinding dobleng tagumpay: ang walang-precedenteng pag-apaw ng koleksyon sa kaban ng bayan, at ang walang humpay na pagsawata sa pagpasok ng bilyones na halaga ng ilegal na droga.

₱1-TRILYON NA TARGET, AMOY NA AMOY NA

Hatiin natin ang magandang balita. Una sa lahat, umarangkada sa pinakamataas nitong record ang BOC matapos pumalo sa tumataginting na ₱757.406 bilyon ang kanilang nakolekta mula Enero hanggang Setyembre 2026.

Para sa mga mahilig sa numero diyan, lampas ito ng ₱8.913 bilyon (1.2%) sa kanilang orihinal na ₱748.494-bilyong target para sa nasabing panahon. At kung ikukumpara natin noong 2025, mas mataas ito ng ₱55.735 bilyon (7.9% growth). Hindi rin nagpreno ang Adwana noong Setyembre lang, kung saan nakakolekta sila ng ₱93.339 bilyon—higit na mas mataas sa ₱89.184-bilyong monthly target nila.

Ibig sabihin nito, hindi puro drawing, hindi puro laway, at hindi haka-haka ang projections ng gobyerno—aktwal na pera itong hawak na natin!

Saan ba nagmumula ang tagumpay na ito? Bukod sa sipag ng mga kawani, bunga ito ng mas mahigpit na Integrity, Accountability, and Modernization (IAM) Movement na ipinapatupad ni Comm. Nepomuceno. Mas maayos na ang bentahan, mas mahigpit ang valuation, at talagang tinutugis ang mga "revenue leakages" o yung mga butas kung saan tumutulo pababa ang pondo imbes na dumiretso sa kaban ng bayan.

Ayon nga mismo sa Kumpanyero natin sa Adwana: “Let us look at this goal not as a responsibility of a few, but as a shared mission of the entire Bureau. At ang tagumpay ng Bureau ay hindi lang tagumpay ng ahensya kundi tagumpay ng buong bansa. Every peso we properly collect goes back to our people, supporting the services and programs they need.”

May tatlong buwan pa bago matapos ang taon. Ang target? Isang Trilyong Piso. Sa nakikita nating momentum, mukhang abot-kamay na natin ito.

BILYONES SA KABAN, MILYONES NA DROGA, HINARANG!

Pero habang abala silang punuin ang kaban ng bayan para sa mga proyekto ng gobyerno, hindi naman nakakaligtaan ng BOC ang isa pa nilang mahalagang trabaho: ang maging guwardiya ng ating mga border laban sa mga kontrabando.

Kamakailan lang, isang malaking operasyon ang ikinasa ng hanay nina BOC-NAIA District Collector Atty. Maria Yasmin M. Obillos-Mapa, katuwang ang Philippine Drug Enforcement Agency (PDEA) at iba pang intelligence groups (gaya ng CAIDTF, ESS, XIP, CIIS, at IADITG). Ang resulta? Nasabat ang 73.002 kilo ng shabu na nagkakahalaga ng ₱496.413 milyon!

Ang modus ng mga ismagler? Ibinaon ang mga droga sa loob ng tubular frames ng isang dambuhalang industrial "pelletizing machine" na galing pa sa Guadalajara, Mexico. Dumating ang kargamento noong Setyembre 26, pero dahil sa matalas na "derogatory intelligence report," agad itong kinasahan ng Alert Order. Pagsapit ng Oktubre 2 sa isang bodega sa Pasay City, isinailalim ito sa X-ray at kinamada ng mga K9 dogs ng PDEA. Ayun, huling-huli ang mga puting kristal!

Matapang ang naging babala ni District Collector Obillos-Mapa sa mga sindikato. Aniya, gaano man kasopistikado ang pagtatago ng kontrabando, mabubuko at mabubuko ito kapag ginagamitan ng tamang teknolohiya, impormasyon, at masusing koordinasyon ng mga ahensya. Sinuportahan din ito ni Comm. Nepomuceno na nagbigay ng direktang babala: “Hindi makakalusot ang ilegal na droga sa ating mga pantalan at paliparan.”

ANG HAMON SA ADWANA

Ang dalawang magkasunod na balitang ito—ang pag-apaw ng koleksyon at ang pagkakasabat ng milyun-milyong halaga ng shabu—ay nagbibigay ng magandang senyales para sa ating bayan. Ipinapakita nito na kapag tapat at nagkakaisa ang mga kawani sa kanilang sinumpaang tungkulin, doble ang panalo ng ordinaryong Pilipino. Lumalaki ang pondo para sa edukasyon, kalusugan, at imprastraktura, habang napoprotektahan din ang ating mga pamilya laban sa salot na droga.

Sana ay magtuluy-tuloy ang ganitong klaseng serbisyo hanggang sa dulo ng 2026. Para naman sa mga ismagler na nag-iisip pang subukang lusutan ang mga awtoridad gamit ang mga makinarya o kung ano pang palusot—mag-isip-isip na kayo. Gising na gising ang mga bantay sa Adwana.

Bulacan PDRRMC Strategizes for El Niño Mitigation

KATROPA N'YO

Vic Billones III

With a steady and reassuring message, Bulacan Governor Daniel R. Fernando opened the recent meeting of the Provincial Disaster Risk Reduction and Management Council, bringing together department heads, national agencies, non-government organizations, media representatives, and local stakeholders to lay out a clear and unified plan as the province faces the predicted El Niño phenomenon.

Governor Fernando emphasized that in times of uncertainty, truth and unity serve as our greatest strength. He explained that the media was invited to the meeting so that accurate and reliable information reaches every Bulakenyo directly, preventing misinformation from causing unnecessary alarm. All agencies and sectors are now integrated into the Provincial El Niño Task Force, ensuring that assistance, information, and preparation reach every barangay and every family across the province.

When asked about the province's priorities regarding livelihood, community welfare, and water security, the Governor spoke plainly and with deep concern for the people. He affirmed that water impounding projects are already in place and being maintained, as these serve as vital reserves when dry conditions set in. He noted that El Niño brings not only drought but also an increased risk of grass fires, and that these challenges must be addressed side by side.

The Governor called upon the Bureau of Fire Protection to stand ready not only for fire response but also to assist communities without access to piped water supply, working hand in hand with local government units to deliver water where it is needed most. He also emphasized that fire safety remains critical, especially during water distribution operations, and has reached out to Meralco to address potential electrical hazards that often trigger fires during dry weather. Every agency and sector has been called to remain attentive and coordinated throughout the coming season.

PAGASA projections indicate that the dry period is expected to affect agriculture, fisheries, and household water sources across the province in the coming months. In response, the Provincial Government is encouraging every household to practice water conservation and to collect and store rainwater while it is still available. Businesses and establishments are likewise urged to use water wisely and to develop their own storage capacity.

Through an Executive Order, new developments such as subdivisions, commercial areas, and warehouses are now required to include water detention and impounding systems — a forward-thinking measure that helps manage excess water during heavy rains while building up essential reserves during the dry season. Governor Fernando also shared a thoughtful reminder regarding the responsible use of groundwater, explaining that drawing too much water from beneath the land causes the ground to sink, increasing flood vulnerability when the rains eventually return.

Governor Fernando extended a heartfelt call to every Bulakenyo, reminding us that preparation is not the sole responsibility of the government but a shared duty in every home. He encouraged families to store water wisely, use it carefully, and look out for one another throughout the coming season.

Tsk! Tsk! Tsk! Prepared early, spoken with one voice, and faced together — this is how Bulacan meets the challenge of El Niño.

NCRPO PINAIGTING ANG KOORDINASYON SA MGA PRIBADONG SEGURIDAD LABAN SA BURGLARY, HOME INVASION

Mga katoto iba ang pagmamalasakit na ipinamalas ni katotong PBGen Christopher N Abrahano sa simula ng pagkatalaga nito sa tungkulin bilang Regional Director ng NCRPO, palibhasay lubhang malawak ang kaalaman nito sa karanasan sa pagtupad nito sa tungkulin sa tagal ng karasan bilag alagad ng batas kung kayat nais nitong maging matagumpay ang pamamahala nito ngayong siya na ang pinagkatiwalaang mamahala sa buong Kalakhang Maynila ni katotong PNP Chief Police General JOSE MELENCIO NARTATEZ JR. na alalaumbagay bukas sa puso ang dakilang layuning maitaas ang antas ng kapulisan sa bansang Pinas.

Inatasan ni National Capital Region Police Office (NCRPO) Officer-in-Charge Police Brigadier General Christopher N. Abrahano ang limang police district at lahat ng police unit sa Metro Manila na higit pang paigtingin ang koordinasyon sa mga security management ng mga residential subdivision, condominium, commercial establishment, mall, at iba pang establisimyento upang maiwasan ang pagnanakaw, at iba pang krimen, at iba pang krimen.

Ang direktibang ito ay kasunod ng naiulat na insidente ng "akyat-bahay" sa Forbes Park, Makati City noong Setyembre 24, kung saan naaresto ang mga awtoridad sa isang 25-anyos na suspek.

Ayon kay PBGen. Abrahano, bagama't ipinakikita ng pagkakaaresto sa mga suspek ang pagiging kriminal ng pag-uutos at pagsisiyasat ng maagang pulisya, nagsisilbi rin itong paalala na kinakailangang palakasin ang seguridad hindi lamang matapos mangyari ang isang krimen, kundi higit sa lahat bago pa magkaroon ng pagkakataon para maisagawa ito.

"Habang papalapit na tayo sa darating na mahabang bakasyon, kung kailan maraming pamilya ang inaasahang magbibiyahe at umalis sa kanilang mga tirahan nang walang pag-iingat, inatasan ko ang ating mga distrito ng pulisya na paigtingin ang preventive security measures at panatilihin ang malapit na koordinasyon sa mga pribadong security personnel at village o building administrators, saad ni PBGen. Abrahano.

Partikular na inatasan ni PBGen. Abrahano ang mga police unit na dagdagan ang police visibility at pagpapatrolya sa mga residential community, lalo na sa mga lugar na posibleng maiwang walang tao sa mga bahay.

Mahigpit na makipag-ugnayan sa village, building, at establishment security upang matukoy ang mga vulnerable area at agad na maiulat ang mga kahina-hinalang tao, sasakyan, o aktibidad. Dapat ding suriin ang mga security measure tulad ng perimeter fence, gate, ilaw, at CCTV system .

Hikayatin ang mga property administrator na tugunan ang mga natukoy na kahinaan sa seguridad; at palakasin ang pagpapalitan ng impormasyon at mabilis na pagtugon sa pagitan ng mga pribadong security personnel at pagdating ng police unit kapag may natukoy na kahina-hinalang aktibidad o posibleng krimen. "I also remind our security personnel that vigilance must be maintained at all times. Dapat sundin ang mahigpit na access-control at visitor-verification procedures, partikular sa mga panahong wala ang mga residente," ani PBGen. Abrahano.

Nanawagan din si PBGen. Abrahano sa mga homeowner na magsagawa ng mga kawani ng pag-iingat bago umalis para sa bakasyon—siguraduhing nakakandado ang lahat ng pinto at bintana, i-activate ang mga available na alarm at security system, iwasang mag-iwan ng mga mahahalagang bagay na madaling makita, at kung maaari ay makiusap sa isang taong pinagkakatiwalaan na regular na tingnan ang kanilang tahanan.

Mariin din niyang hinimok ang mga residente na iwasang mag-post sa publiko ng detalyadong mga plano sa paglalakbay o anumang impormasyong nagpapakita na walang tao sa kanila bahay.

"Ang pag-aresto sa suspek sa Forbes Park ay isang paalala na ang aksyon ng pulisya at pagbabantay ng komunidad ay dapat magtulungan. Ang layunin natin ay hindi lamang tumugon sa mga krimen pagkatapos mangyari ang mga ito, ngunit upang maiwasan ang mga ito na mangyari sa unang lugar," sabi ni PBGen. Abrahano. "Sa pagpasok natin sa panahon ng kapaskuhan, magtulungan tayo upang matiyak na ang mga pamilya ay makakaalis sa kanilang mga tahanan nang may higit na kapayapaan ng isip at makabalik sa kanila nang ligtas," dagdag pa ni heneral.

Muling iginiit ni PBGen. Abrahano ang commitment ng NCRPO na tiyak sa kaligtasan ng publiko, alinsunod sa kautusan ni Philippine National Police (PNP) Chief Police General Jose Melencio Nartatez Jr. na manatiling mapagmatyag ang mga pulis at palakasin ang kanilang presensya sa mga komunidad upang mapanatiling ligtas ang Metro Manila

A total of 246 job seekers attended the job fair organized by the City Government of Parañaque in collaboration with the Philippine Association of Legitimate Service Contractors on Friday at 88 Square Mall. In this program, 39 local companies participated, offering 4,630 job opportunities for our fellow citizens. We are also pleased to note that 15 applicants were hired on the spot. We assure that Parañaque residents are given priority in these opportunities. We continue to implement City Ordinance No. 07-014, where not less than 40% of employees are from Parañaque. In addition, all necessary documents required for job seekers are free. We look forward to the continued efforts of the City Government to provide more opportunities for a better future for every Parañaqueño. *#SaDiyosSaTaoSerbisyongTotoo #sErbisyoLangpO #bagongparanaque*

Elderly Filipino Week Celebration: 09 October 2026 Isang makabuluhan at masayang umaga ang ating ipinagdiwang kasama ang higit 600 na mga Senior Citizens para sa Elderly Filipino Week Celebration na ginanap SM Foodcourt na may temang, "Nakakatatandang Pilipino: May Halaga at Karapatan, May Boses at Ambag sa Bayan!" Naging mas masaya ang pagdiriwang sa pamamagitan ng ballroom dancing at pa-raffle para sa ating mga Senior Citizens. Muli nating kinilala ang kanilang mahalagang papel sa lipunan—karapat-dapat sa paggalang, pagkalinga, at pagpapahalaga sa kanilang patuloy na ambag sa ating komunidad. Maraming salamat sa lahat ng nakasama natin sa mahalagang selebrasyong ito. Mahal namin kayo Nanay at Tatay, Lolo at Lola.
