Cavite Art Fair highlights creative industry as driver for economic growth

TRECE MARTIRES CITY, Cavite (PIA) –Local artists in Cavite are calling for stronger support to the creative industry, highlighting its vital contribution to economic growth and the continuity of culture.

With a goal to push for support to local artists, Henry Ancanan, Alitaptap Artist Community President and curator of the Cavite Art Fair, underscored the contributions of artists in cultural development.

"Sa mahabang panahon ay nagkaroon rin tayo ng sariling gawaing pansining sa Cavite sa pamamagitan ng pagtutulungan ng mga local artist at ng pamunuan ng Cavite. Kami po ang bumubuo ng kultura na gusto nating iparating sa Cavite, sa bansa, at sa buong mundo."

Last October 22, the Provincial Government of Cavite opened the second edition of the Cavite Art Fair with a pledge of continuous support to the creative industry.

Vice Governor Ram Revilla, noted that the growing sector remains a priority in the province's economic development.

"Rest assured that the provincial government will provide unwavering support to the local creative sector for its worthy endeavours. The Provincial Government of Cavite will always put our creative industry first, [and] we [will] always protect this industry because it can improve the economic development of the province."

Revilla added that the Cavite Art Fair presents an opportunity for local artists and artisans to showcase their talents and products.

"This is an opportunity to showcase the diverse talents, artistic expression of our exhibitors. The provincial government sincerely appreciates this passion, courtesy and dedication you portrayed in your respective craftsmanship."

Data from the Philippine Statistics Authority (PSA) shows the Philippine creative sector contributes 7.6 percent to the country's Gross Domestic Product (GDP), generating 8.71 million jobs nationwide in 2025 alone. ***(PB-PIA CALABARZON)***

Cebu Business community welcomes Ombudsman's "ease of doing business" initiatives

ON THE WATCH

Rico Osmeña

The Cebu Business community welcomes Ombudsman's initiatives on direct consultations. Cebu Chamber of Commerce and Industry (CCCI) President Regan Rex King said the "direct" engagement could help rebuild public trust and strengthen business confidence.

He cited that the dialogue with the Ombudsman Jesus Crispin Remulla would lead to sustained collaboration between the Ombudsman, Anti-Red Tape Authority(ARTA) and local business chambers to address Regulatory concerns, improve government transparency and make doing business easier.

He added that the Ombudsman's commitment for regular consultations will create greater opportunities for businesses to thrive as practical reforms with closer coordination.

Remulla was here in Cebu City and conducted consultations among business organizations aimed at strengthening public-private collaboration against corruption, addressing integrity challenges affecting businesses and promoting greater investor confidence.

"It is not impossible to talk to government if you are willing to talk to government. And maybe the time is right for you to probably know that our office is there to help business," Remulla told business leaders.

"Basta May problema sa governance, gusto naming malaman namin so we know how to make a system work. We have to make the system work," he added.

The key focus of the consultation was the proposed Investment Ombudsman Program, an initiative to strengthen mechanisms for addressing corruption-related concerns affecting investors and legitimate business operations.

"It's really the business sector that keeps the country alive. You have jobs, you create the velocity of money. You produce what has to be produced so that people can live good and peaceful lives. And that's what it's all about, we want to work with you in making this country a better country," Remulla stressed.

He disclosed that a Philippine Regulatory Summit will be called for in 2027, considered as a platform for advancing regulatory reforms, institutional cooperation, and corruption prevention.

Recognizing the business community's role in driving economic growth, employment and investment, the Ombudsman emphasized the need for a collaborative approach to promoting transparency, fair competition, ethical business practices, and accountability.

"We cannot be just all prosecution, be angry every day, all the time. We have to keep living as a Country. That's why the investment window of our country has to be fully open and it has to be prepared. And we're telling you, we will help those who want to invest in country," Remulla.

For the Filipino Cebuano Business Club INC. (FilCEB), the Ombudsman's Town Hall Meeting with entrepreneurs was a vital step toward strengthening good governance, promoting transparency, and fighting corruption.

"Less red tape and fewer bureaucratic delays. Faster business permits and government transactions. More entrepreneurs encouraged to invest and expand. More jobs created, higher local revenues, and better public services," said Rey Calooy, the president of FilCEB.

When government removes unnecessary barriers to business, the economy grows, investments flourish, and more Filipinos find employment," he stressed.

FilCEB is a confederation of micro, small, and medium enterprises (MSMEs) in Cebu Province.

Philippine Shipping industry cries on rising cost on logistics

The Philippine Coastwise Shipping Association (PCSA) raises on Friday the high cost on logistics resulting into high prices of food, construction materials, consumer products and other basic commodities.

"Our theme today, "One Nation, One Network: Lower Logistical Costs, Lower Inflation," captures both a challenge and an opportunity for our nation," said Lucio Lim Jr., PCSA Chairman during the General Membership Meeting held in Cebu City.

"Today, in most cases, Ro-Ro(roll on roll off) terminal fees account for approximately 5% to 10% total freight costs for a ten-wheeler truck, while some very short-haul routes account for even up to 15%. For truckers, shippers, producers and consumers-- this is substantial burden. Ultimately, these additional costs are passed on to the public through higher prices of food, construction materials, consumer products and other basic commodities. Eliminating these roro terminal fees will immediately lower logistics costs and contribute to reducing inflation," He stressed.

He added that the current practice also creates unnecessary inconvenience for passengers and rolling cargo operators as after purchasing their tickets from Shipping companies, they are required to queue inside the port to pay for separate terminal fees.

This as PCSA recommends that, in the future, RoRo ports outside of the Philippine Port Authority (PPA) or Cebu Port Authority (CPA) baseports should be transferred and placed under the management of the Department of Public Works and Highways (DPWH) as doing so would reinforce the concept that RoRo ports are public connectivity assets, and not as revenue-generating terminals. The case for this approach is compelling since a standard Roro port can be constructed for approximately ₱200 million, while remaining relatively inexpensive to maintain.

In many developed countries around the world such as Japan and Norway , Roll On Roll Off ports are recognized and treated as extensions of their highway network. The ship become the bridge that connects one land corridor to another. And because these RoRo ports are considered part of the national highway network, rolling cargoes are generally not burdened with RoRo terminal charges that increase logistics costs.

This as PCSA respectfully submits that one of the most enduring legacies of President Ferdinand Marcos Jr.'s administration is the initiation of a comprehensive feasibility study for an enhanced and efficient national logistical network of expressways that will speed up connectivity between Luzon, Visayas, and Mindanao. This shall lower logistics costs, reduce inflationary pressures and bring economic opportunities closer to every Filipino.

The matter is anchored on the fact that the geographic concentration of manufacturing hubs in Metro Manila and CALABARZON entails high transport costs and longer delivery times to Visayas and Mindanao provinces.

"Today, every Filipino feels the impact of logistics. When logistical costs rise, food prices rise. When logistical costs increase, businesses become less competitive. When connectivity is slow and inefficient, economic opportunities become limited. That is why logistics is not merely an industry issue and it is a national development issue, it is an inflation issue and it is a quality-of-life issue," Lim said.

Thus, the PCSA for the Marcos Jr.'s legacy, it proposes to develop expressways for Calapan City, Mindoro oriental to Roxas, Mindoro oriental (121 kms); Caticlan,Malay, Aklan to Iloilo City (214 kms); Bacolod City to Dumaguete City (216 kms); Dapitan City to Zamboanga City (329 kms); Bogo City, Cebu to Santander, Cebu (230kms); Aroroy, Masbate to Esperanza, Masbate (156 kms); Allen, Samar to Liloan, Southern Leyte (406kms); and Surigao City to Davao City (391 kms).

Lim emphasized that a very good example of a " game-changing" initiative was that of Ramon Ang of San Miguel Corporation (SMC), in the ongoing construction of ambitious South Luzon Expressway Toll Road 5(SLEX TR5) project which started two years ago, and to be completed within four years from now. The four-lane expressway will span 420 kilometers from Lucena City, Quezon down to Matnog, Sorsogon. Once completed, the expressway will reduce travel time from 15 hours to five hours which will significantly improve the economic development along the route. Cebu is considered to be the Maritime Hub of the Philippines. PCSA has 50 shipping companies as members with 800 vessels operating in Luzon, Visayas and Mindanao.

Cebu has an approximately 146,500 vessel calls annually while Bohol recorded nearly 31,800 vessel calls in 2024.

Domestic vessel calls for Cebu in 2025 was 145,396 with 1,131 foreign. ***(By RICO MIRASOL OSMEÑA)***

DSWD-7 prepositions 101k FFPs for El Nino

The Department of Social Welfare and Development (DSWD)and the Office of the Civil Defense (OCD) in Central Visayas are rolling out three-pronged defense against El Nino.

This as DSWD-7 Assistant Regional Director for Operations Jiah Sayson disclosed that the field office has already prepositioned 101,259 family food packs (FFP) in Cebu and Bohol in anticipation of drought conditions from November to February 2027. "Over 66,343 packs are already with the local government units (LGUs) while 34,916 remain in our warehouses," she said.

She added that aside from food, stocks also include hygiene kits, kitchen kits, sleeping kits, and clothing kits were with the FFP. For Cebu, 16 of the 53 LGUs have completed stockpiling, or about 30 percent coverage with participating towns and cities include Daanbantayan, Badian, the cities of Toledo, Mandaue and Lapu-Lapu.

While Bohol , had 23 of the 48 LGUs are on board, or 48 percent coverage, including the towns of Candijay, Loon, Talibon, and Tubigon.

Sayson outlined measures to protect an estimated minimum 4,000 farmers and vulnerable households to 18,000 at the maximum.

OCD-7 Public Affairs Officer Jane Rose Abapo said the three-pronged defense are massive stockpiling, community-level preparedness, and stricter coordination among local governments. ***(By RICO MIRASOL OSMEÑA)***

BIR-CV flags 14 gas stations on failed fuel testings, collects P2.4M

The Bureau of Internal Revenue Regional Revenue No. 13 or BIR in Central Visayas (BIR-CV) has expanded its fuel marking operations in the region. Out of the 23 gasoline stations fuel tested, 14 stations failed.

BIR-CV Regional Director Douglas Rufino disclosed to DAILY TRIBUNE the regional office collected ₱2,404,365.91 on the Fuel Marking operations as of October 15,2026.

The operations covered the Revenue District Office (RDO) 80 in Mandaue City, which operated on three gas stations and collected ₱400,491,51.

RDO 81 Cebu City North which operated on three gas stations and collected ₱778,774.84.

RDO 82 in Cebu City South, on the other hand operated on four stations and collected ₱361,411.26.

While RDO 83 in Talisay City operated on two gas stations and collected ₱730,962.08.

And in RDO 84 in Bohol, operated on two gas stations and collected ₱122,726.22.

The operations were part of the BIR's intensified enforcement against illicit fuel trade and efforts to protect the country's revenue base.

The remaining nine gas stations passed the field tests.

Independent third-party testing and verification are conducted by SGS Philippines.

BIR Commissioner Charlito Martin R. Mendoza said the Bureau will continue tracing fuel sources identified in connection with failed station-level tests and conduct further verification, including testing at fuel depots.

He emphasized that identifying a fuel source linked to a failed station test does not, by itself, establish supplier non-compliance.

"We will pursue these findings thoroughly, but we must also be fair in our enforcement. Any finding of non-compliance must be supported by proper verification," Mendoza said.

The operations form part of the BIR DARES reform agenda under Revenue Collection and Base Protection, which calls for stronger enforcement against illicit trade and other activities that erode the revenue base and place compliant businesses at a disadvantage.

There are 1,226 gasoline stations in Cebu and Bohol.

810 are in Cebu Province while 416 are in Bohol Province. ***(By RICO MIRASOL OSMEÑA)***

BAGONG SIMULA SA BOC AT PCCBI: INTEGRIDAD AT MODERNISASYON SA PAMUMUNO NI COMM. NEPOMUCENO

FROM THE CUSTOMS CORRIDOR

by Sensei Ryu

Hindi matatawaran ang mahalagang papel na ginagampanan ng Bureau of Customs (BOC) sa pagtataguyod ng pambansang ekonomiya. Bawat sentimong pumasok sa kaban ng bayan sa pamamagitan ng tamang buwis at taripa ay nangangahulugan ng mas maraming tulay, paaralan, ospital, at serbisyo publiko para sa mamamayang Pilipino.

Tumpak at kapuri-puri nga ang ipinamamalas na dedikasyon at liderato ni Commissioner Ariel Nepomuceno simula noong siya ay umupo bilang punong komisyoner ng aduana. Sa pamamagitan ng kanyang nakatutok na direksyon—mula sa pagpapalakas ng koleksyon at pagpapabilis ng digitalisasyon hanggang sa walang-kompromisong kampanya laban sa smuggling—naipapakita ng buong aduana ang tunay na kahulugan ng serbisyong tapat at totoo. Wala tayong masasabi dahil pinatunayan niya na serbisyong totoo ang kanyang pagsisilbi sa bayan, kasama ang lahat ng opisyales at kawani sa BOC.

Ito rin ang dahilan kung bakit isinulong ni Commissioner Nepomuceno ang makabuluhang "I AM BOC" Movement—isang inisyatibong nakasentro sa tatlong pangunahing haligi: Integrity (Integridad), Accountability (Pananagutan), at Modernization (Modernisasyon). Sa ilalim ng 'I AM BOC', ipinapaalala sa bawat kawani na ang bawat isa sa kanila ay pundasyon at kinatawan ng reporma, katapatan, at husay sa pampublikong lingkod.

Dahil dito, muling nagpalabas ng mahigpit at inspiradong panawagan si Commissioner Nepomuceno sa lahat ng mga District Collector at kawani ng aduana sa buong bansa: patatagin at palakasin pa ang tax collection sa pamamagitan ng matapat na paglilingkod.

Sa mga ginagawang Collectors' Conference, hindi nag-aatubili si Comm. Nepomuceno na parangalan ang mga distritong nakakalampas sa kanilang buwanang target. Ngunit kasabay ng papuri ay ang patuloy na hamon—huwag maging kampante at higit pang magsumikap upang masiguro na walang buwis na nawawaldas o nalalaktawan. Ayon sa pamunuan ng BOC, ang tagumpay ng koleksyon ay hindi lamang nakasalalay sa dami ng kargamentong pumasok, kundi sa tamang assessment at matapat na deklarasyon ng mga importers.

Upang matiyak na maabot at malampasan ang revenue collection targets ng pamahalaan, inilatag ni Nepomuceno ang ilang pangunahing hakbang sa ilalim ng prayoridad ng 'I AM BOC': Una, paiigtingin ang Post-Clearance Audit. Hindi nagtatapos ang tungkulin sa paglabas ng kargamento sa pantalan, kaya mas susuriing mabuti ang mga dokumento upang maiwasan ang undervaluation at misdeclaration.

Pangalawa, ang mabilis at tapat na auction. Ang mga nakumpiska at forfeited goods ay agad na ipapasubasta nang mabilis at transparent upang maging karagdagang pondo ng gobyerno.

Pangatlo, ang modernisasyon at digital processes. Sa pamamagitan ng pagpapalakas ng automated systems tulad ng online payment portals, nababawasan ang human intervention na madalas pinagmumulan ng anomalya.

"Ang bawat pondo mula sa aduana ay may patutunguhang malaki para sa kapakanan ng bansa," diin ng komisyoner. Para kay Comm. Nepomuceno, ang susi sa matagumpay na koleksyon ay ang kombinasyon ng teknolohiya, mahigpit na pagpapatupad ng batas, at malinis na integridad ng mga kawani ng BOC na isinasabuhay ang 'I AM BOC'.

Kapag nagtutulungan ang pamunuan, ang mga District Collector, at ang bawat kawani ng aduana, ang pangunahing nakikinabang ay ang mamamayang Pilipino dahil sa mas matatag na pondo para sa mga proyekto at serbisyo ng pamahalaan. Sa patuloy na pakikipagtulungan ng mga collection district at ng pribadong sektor, nananatiling optimistiko ang pamunuan ng Customs na magiging sandigan sila ng bansa sa pag-abot ng mas matatag at maunlad na bukas.

PROTEKSYON SA BALIKBAYAN BOXES: BOC, NAKIPAGDIYALOGO SA MGA OFW SA PORT OF ILOILO

Pinatibay ng Bureau of Customs (BOC), sa pamumuno ni Commissioner Ariel Nepomuceno, ang pakikipag-ugnayan nito sa mga Overseas Filipino Workers (OFWs) sa Iloilo upang direktang dinggin at tugunan ang kanilang mga alalahanin, partikular ang usapin sa mga balikbayan box.

Isinagawa ang diyalogo sa Founding Anniversary Celebration ng Port of Iloilo katuwang ang Port District Collector na si Noli Santua Jr., Director Venus E. Apas ng OFWAP, Board Member Rolando B. Distura, at iba pang kinatawan ng OFW associations.

Upang maprotektahan ang mga OFW mula sa mga mapagpabayang kumpanya, isinusulong ng BOC ang mga sumusunod na mahalagang hakbang:

• Mandatory Accreditation: Pagpapatupad ng mas mahigpit na akreditasyon para sa mga freight forwarders at deconsolidators.

• ₱2-Million Bond Requirement: Minimum na pyansa upang matiyak na may pananagutan ang mga kumpanya sa bawat shipment.

• Tulong sa Impormasyon: Paggamit sa BOC OFW Help Desk, portal na "Isumbong Kay Commissioner", at Duty and Tax Calculator.

****

BAGONG SIMULA SA BOC AT PCCBI: INTEGRIDAD AT MODERNISASYON

Hindi maikakaila na ang bawat galaw sa Bureau of Customs (BOC) ay may malaking epekto sa buong ekonomiya ng Pilipinas. Kaya naman isang magandang hakbang ang ginawa noong Oktubre 16, 2026 sa ika-34 na National Convention ng Philippine Chamber of Customs Brokers, Inc. (PCCBI).

Sa pamumuno ni Customs Commissioner Ariel F. Nepomuceno at PCCBI National President Atty. Norberto V. Castillo, opisyal na nilagdaan ang isang Memorandum of Agreement (MOA) na naglalayong isulong ang IAM BOC Movement—isang inisyatibo para sa integridad, pananagutan, at modernisasyon sa serbisyo ng aduana.

Mensahe ni Commissioner Nepomuceno, ang problema o tagumpay ng BOC ay usapin ng buong bansa, at malaki ang papel ng mga customs brokers sa pagbabagong ito. Sa pamamagitan ng kasunduan, magtutulungan ang magkabilang panig sa pagbibigay ng tuloy-tuloy na edukasyon at pagsasanay sa propesyonalismo para sa mga kasalukuyang brokers at mga estudyante ng Customs Administration.

Kasabay ng pagpapalakas ng moralidad, patuloy rin ang digitization sa pamamagitan ng Customs Processing System (CPS) upang gawing awtomatiko, mabilis, at transparent ang pagsusumite ng dokumento, pagbabayad, at paglalabas ng kargamento. Hindi rin nakalimutan ang kapakanan ng ating mga kababayan, dahil nagpahayag din si Board Member Distura ng suporta sa mga programang pangkabuhayan at reintegration para sa mga nagbabalik na OFW at kanilang pamilya.

Ang ganitong uri ng pagtutulungan sa pagitan ng pamahalaan at pribadong sektor ang tunay na kailangan upang mapuksa ang katiwalian at maiangat ang serbisyo sa publiko.

Rising Concerns Over Proposed Maritime-Related Measures

Recent reports appearing in a Chinese-based newspaper have outlined a set of suggested steps that could affect relations between the Philippines and China amid ongoing tensions in the West Philippine Sea. Among the points raised are potential limits on trade supplies such as oil and fertilizer, adjustments affecting Filipino overseas workers, fewer Chinese visitors to Philippine shores, and calls regarding the grounded naval vessel at Ayungin Shoal. These proposals have drawn close attention here at home, especially because hundreds of thousands of Filipino overseas workers are based in Hong Kong, Macau, and mainland China, supporting families across our country with their remittances.

Many Filipinos are now asking what these published ideas might mean for daily life. It should be noted that these are suggestions printed in a newspaper, not yet confirmed as official government policy from either side. Still, the discussion itself has sparked public debate: some citizens have spoken about choosing to buy fewer imported goods from China as a show of concern, while others remind us that local Chinese-born residents living in the Philippines are our neighbours and should not be blamed for official disagreements between nations.

Tsk! Tsk! Tsk! The best path forward is not immediate trade boycotts or retaliatory moves that may hurt ordinary people on both sides. Instead, Philippine authorities should continue strengthening diplomatic talks, while also preparing backup plans to secure essential supplies and protect the rights of overseas Filipino workers. Our country must stand firm to defend its maritime rights, but always keep doors open for peaceful discussion. Both nations share long-standing ties, and the welfare of ordinary families--Filipino and Chinese alike--should remain the top priority for every decision-maker.

PhilHealth Members Can Now Request Transfer to Preferred YAKAP Clinic

The Philippine Health Insurance Corporation (PhilHealth) announced that YAKAP beneficiaries can now request reassignment to a new YAKAP Clinic during the fourth quarter of the year, providing members greater freedom and flexibility in accessing primary healthcare services.

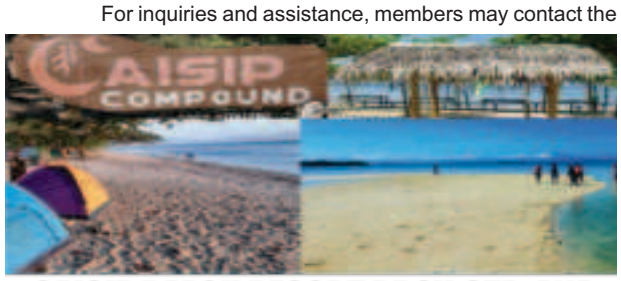

Transfer Rules:

Beneficiaries who have not yet availed their First Patient Encounter may apply for a clinic transfer at any time during the year, with approved requests taking effect immediately.

Beneficiaries who have completed their FPE may only request a transfer during the fourth quarter (October to December) of the current year. Approved transfers will take effect on January 1 of the following year.

To request a transfer, members must visit any PhilHealth Local Health Insurance Office (LHIO) for member verification and liveness checking via the PhilHealth Check Utility (PCU). Applicants who cannot complete PCU verification, such as those whose PhilSys registration has not yet been finalized, may present one valid government-issued identification card or other acceptable documents, together with a duly accomplished Primary Care Selection Form. Beneficiaries unable to personally request their transfer, may authorize a representative by submitting an authorization letter and valid IDs for both the member and the representative. Upon request approval, beneficiaries will receive an email notification confirming their assignment to their new YAKAP Clinic.

For inquiries and assistance, members may contact the PhilHealth Action Center at (02) 8662-2588 or visit the nearest PhilHealth Regional Office or Local Health Insurance Office. ***#MyPhilHealth #SagotKaNgPhilHealth***
