COL. CESAR MANCAO.. Ist Nominee, 'MAYPAGSA' PARTY-LIST!..

ISA na namang 'MAYPAGASA' Party-List ang umusbong na handang maglingkod ng buong puso sa taong bayan at sa Bansa na kong saan first nominee COL.CESAR MANCAO II, isang 'makabayan at palaban' miyembro ng Philippine Military Academy [PMA] Class 1986, na lumaki sa bayan ng Carcar, Cebu City.

Narinig kong magsalita si Col.Cesar Mancao, ako ay 'napahanga' sa kanyang mga sinabi ng maging guest of Honor at inducting officer namin sa Task Force KASANAG na ginawa sa Kapitolyo sa Cebu nitong nakaraang linggo.

Nabigyan ako ng isang dokument ni Col. Cesar Mancao at nakasulat dito ang kanyang mga PLATAPORMA, BISYON na kanyang gagawin. Sinasabing Seguridad ng Komunidad Saligan ng Bayan Matatag..MAYPAGASA-Party-List Ist nominee.

Ok...si Col.Cesar Mancao ay nagtapos sa Philippine Military Academy, taong 1988. S'ya ay isang 'bemedaled' na opisyal ng Philippine National Police na kong saan siya ay dalawa [2] beses na ginawaran ng 'meritorious promotion' dahil sa kanyang kabayanihan at dedikasyon sa tungkulin. Isinuong n'ya ang kanyang buhay sa mga panganib na 'misyon' laban sa kriminalidad upang masiguro ang kaligtasan ng mga mamamayan sa mga lokalidad na kanyang pinaglingkuran.

Sa kabila ng tapat n'yang 'pagsisilbi' sa Bayan, s'ya ay naging biktima ng kawalan ng HUSTISYA, SINIRAAN, INAKUSAHAN at INUSIG. Kaya't labingpitong [17] taon na naging magulo ang kanyang buhay at apat [4] na beses s'yang NABILANGGO batay sa walang KATOTOHANANG mga paratang. Sa gitna ng mabibigat na pagsubok at tila madilim na kinabukasan, hindi s'ya nawalan ng PANANALIG at PAG-ASA hanggang s'ya ay nagwagi at NAPAWALANGSALA.

Buong pusong inaalay ni Col. Mancao ang kanyang sarili at kakayahan upang magsilbi bilang boses at tagapagtanggol ng mamamayan at Bayan laban sa anumang uri ng pang-aapi, kawalan ng katarungan at kahirapan. Bilang kinatawan ng MAYPAGASA Party-List ay itataguyod n'ya ang segiridad sa ating mga komunidad.

Ang KILUSANG MAYPAGASA ay nananalig sa kakayahan at puso ng bawat Pilipino na mamuhay ng marangal, magmamalasakit sa kapwa at maglingkod sa Bayan. Kaya't ang Sambayanang Pilipino ang s'yang pangunahing inspirasyon at pinaghuhugutan ng lakas ng pagkilos na ito.

Ito ang BISYON ni Col. Mancao, Ang magkaroon ng isang MAUNLAD, MATATAG at MALAYANG BANSA na may lakas ng pagkakaisang sambayanan na namumuhay sa TIMBANG, PATAS at MAKATARUNGAN Lipunan.

At ito naman ang PLATAPORMA ni Col. Mancao, Naniniwala ang Kilusang MAYPAGASA na matatag na Bansa ay nakasalalay sa lakas at kakayahan ng mga yunit na bumubuo nito na ang bawat mamamayan, pamilya at komunidad. Ang mga ito ay pundasyon ng lipunan na dapat palakasin sa pamamagitan ng pagbabalangkas at pagpapatupad ng mga karampatang batas, alituntunin at programa. Sa aspetong ito, isusulong ng MAYPAGASA ang mga sumusunod sa adbokasiya.

Bilang pagpapalawig sa DIWANG PATRIYOTIKO ni Col. Mancao, Paiigtingin n'ya ang KATAPATAN sa tungkulin at PAGMAMAHAL sa Bayan ng bawat MAMAMAYAN lalo na sa pagbibigay respeto at pagtulong sa kapwa, pagbabantay at pag-aalaga sa kalikasan, pagtangkilik at pagpapaunlad sa katutubong kultura at kasaysayan at paglilingkod sa panahon ng pangangailangan.

Upang maisulong ang MAKABAYANG EKONOMIYA, Ating pagtitibayin ang mga kaukulang batas at ihahanda ang mga imprastaktura at pagsasanay para sa pagtatatag at pagpapalago ng mga "community-based cooperative economies" na naaangkop sa lokalidad tulad ng Agricultura Barrios at Fishing Villages. Ito ang mga paunang hakbang upang makamit natin ang "Inclusive Growth and Sustainable Development".

TIMBANG, PATAS AT MAKATARUNGANG PAMUMUHAY. Ating huhubugin ang isang Lipunang may makatarungang pamamahala at pantay na pagpapatupad ng Batas, may kaayusan at kahandaan sa anumang krisis at kalamidad, responsible at masinop na paggamit ng likas yaman at may patas na laban at oportunidad para sa lahat.

At sa ating pagtutulungan at pagkakaisa, ang KILUSANG MAYPAGASA, sa gabay at biyaya ng Maykapal ay patuloy na kikilos at maglilingkod hanggang marating natin ang Bukang-Liwayway ng tunay na pagbabago at kasarinlan n gating Bayan. Magandang umaga MAYPAGASA.

Ang panghuli sinabi ni Col. Cesar Mancao...Sama-sama nating itaguyod ang seguridad n gating komunidad, kong saa ang bawa't indibidwal at pamilya ay may kapasidad na maging handa at ligtas sa anumang sakuna at kriminalidad, may kakayahan na umahon sa kahirapan at may pagpapahalaga sa dangal ng kapwa. Ito ang adbokasiya n gating isinusulong, sapagkat tayo ay naniniwala na ang SEGURIDAD NG KOMUNIDAD ANG SALIGAN NG ATING BAYANG MATATAG......."IKAW at AKO..Tayo ang lakas ng pagbabago. Sa ating pagkakaisa tayo ay MAYPAGASA."

Opz teka, nakita ko sa foto ni Col. Cesar Mancao na itinaas ni Pangulong Rodrigo R. Duterte ang kanyang kamay bilang pagpapatunay na suportado s'ya nito...

Sa lahat ng mga opisyal ay miyembro ng TASK FORCE 'KASANAG', Suportahan natin si Col.CESAR MANCAO II sa kanyang "MAYPAGASA" Party-List.....Ok!...

Nais nating bigyan pansin ang kalinisan at gumagandang kapaligiran ng Barangay Manggahan, Sta. Maria, Bulacan. Tuwing nadaraan tayo sa naturang Barangay ay kapuna-puna ang makikinang na kulay dilaw at orange na pintura sa bawat harapan ng mga bahay at poste ng ilaw. Ngayon lang sa pamumuno ni Barangay Captain Rey Castro, o popular na tawag sa kanya ay REYMALYN, nangyari ang ganitong tanawin sa Brgy Manggahan. Minsan ay nagkadaumpalad kami ni Rey sa 'viewing' ng isang kakilala, sa Barangay Baka-bakahan, Pandi, Bulacan, at doon ay nagkahuntahan kami ng ilang minuto. Nang banggitin ko ang kalinisan at kulay na taglay ng kanyang nasasakupang Barangay ay puro ngiti lamang ang kanyang naiganti. Malaki pa ang magagawa ni REYMALYN sa kanyang bayan sa hinaharap. Abangan po ninyo iyan!

Tiyak na madadagdagan na naman ang timbang natin ngayong kapaskuhan, laging may ambagin sa kasal, binyag, 'bonding' at pupuntahan Xmas party, ngayong Disyembre. Ang paalalang ito ay inilabas ng DTI kasunod ng pagbibigay ng lisensya sa 19 na kumpanya para makapagbenta ng mga paputok ngayon pagsalubong ng Bagong Taon.

Inilabas na po ang Bureau of Philippine Standards (BPS) matapos maibibay sa kanila ang listahan ng mga accredited firecrackers manufacture. Ito ang ilan sa mga sumusunod, Pegasus Fireworks, Phoenix Fireworks, Platinum Fireworks Inc., Purity Fireworks, Pyro Kreations Fireworks, R and F Fireworks,Tiger Fireworks, Wow Fireworks Manufacturing, Yangco Fireworks at Mary P Diaresco Pyrotechnics Manufacturing.

Pinag-iingat din ang publiko sa paggamit ng anumang uri ng paputok upang maiwasan ang sakuna at sunog sa kani-kanilang lugar. Siniguro din ng ahensya na tutukan din nila ang mga nagbebenta ng mga paputok para hindi ito makapagbenta ng mga walang PS.

HANGGANG sa ngayon po patuloy pa rin na pinag-iingat ng Armed Forces of the Philippines(AFP) ang publiko mula sa mga rebelde ng New Peoples Army(NPA) na nagdaos kamakalawa ng kanilang 50th founding anniversary ng Communist Party of the Philippines(CPP) sa pamamagitan ng pangha-harass sa mga komunidad.

Umiiral pa rin ang kautusan ni 7th Infantry Division Commander Major General Felimon Santos sa lahat ng military units sa Bulacan, Pampanga, Zambales, Bataan, Nueva Ecija, Aurora, Pangasinan, La Union, Ilocos Sur at Ilocos Norte na isagawa na ang mga operasyon nito laban sa NPA.

Ayon kay Lt. Col Eugenio Julio Osias, 7th ID chief of civil-military operations sa kasalukuyan ay aktibo ang kanilang unit sa combat operations upang harangin ang mga komunista sa mga gawain nito na pangterorista.

Ibinunyag ng AFP na kabilang sa highlight ng selebrasyon ng mga komunista sa kanilang anibersaryo ay ang pangha-harass, pagpatay, pangingikil at iba pang krimen laban sa mga Pilipino at gobyerno.

Magugunita na una ng inutos ni CPP founding chair Jose Ma. Sison sa mga guerilla ng NPA na paigtingin ang pag-atake laban sa mga tropa ng pamahalaan para ipakita ang pagtutol nito sa extension ng martial law sa Mindanao ng isa pang taon.

PAGMUMURA NI DIGONG DI DAW PAMBU-BULLY

NANINIWA po ba kayo sa sinasabi ng Malakanyang na hindi bully si Pangulong Rodrigo Duterte na pinaninindigan ng alipores ng presidente?

Ang katwiran nitong si Presidential Spokesperson Salvador Panelo na ang pag-bully daw ay paraan para manakit, at magdulot ng takot laban sa mga mahihina at walang kakayahan na lumaban o dipensahan ang sarili.

Binanggit ni Panelo na may mga kriminal at kurap na patuloy na lumalabag sa batas dahil hindi sila takot sa pananagutan nila mula sa krimen na kanilang ginagawa.

At mayroon daw na mga kriminal ang patuloy na pumapatay, nanloloob at nagnanakaw sa pera ng taong bayan pero wala silang pakialam kung magdusa man o mamatay ang mga nabibiktima.

Kaya dahil daw dito ay nagagawa anya ni Duterte na takutin ang mga kriminal at kurap sa pamamagitan ng pagpaparusa sa kanila bilang ganti sa mga kamalian na ginawa ng mga ito.

Binigyan-diin ng tagagsalita ng Pangulo na minumura lamang ng Chief Executive ang mga ipokrito para ipagbigay alam sa kanila na hindi nila maloloko ang mamamayan gamit ang kanilang kaipokritohan. Alam ng publiko na binatikos at minura ng pangulo ang iba't-ibang sektor sa kanyang mga nagdaang talumpati kabilang na ang world leaders, human rights defenders at Simbahang Katolika.

oOo

DAPAT laging mapanuri sa salapi ang publiko lalo na ngayong Kapaskuhan at nalalapit na eleksyon na muling pagkalat sa sirkulasyon ng mga pekeng salapi o pera.

Andy Verde

Kaugnay ng bagay na ito ay nagpalabas na po ng warning ang Bangko Sentral ng Pilipinas (BSP) para sa publiko lalong-lalo na sa mga tindero at tindera sa mga palengke na maging mapanuri sa tinatanggap na perang papel dahil marami ang naglipanang pekeng pera lalo na ngayong holiday season.

Sa advisory po ang BSP na nagpapaalala sa publiko na suriing mabuti ang perang papel na matatanggap para masigurong genuine ang mga iyon at hindi peke.

Ibinahagi ng BSP ang advisory sa kanilang Facebook page ay nagsasaad sa mga security features ng Philippine banknotes at kung paano sila susuriin sa pamamagitan ng tinatawag nilang "FEEL-LOOK-TILT" method.

Unang payo ng BSPna salatin ang perang papel. Magaspang dapat iyon kapag sinalat dahil sa mga materyales na ginamit at sa mga embossed (o naka-alsa) prints.

Ang mga security features tulad ng embossed prints, watermark, security fiber, asymmetrical (o hindi magkakasinlaki) serial numbers, at see-through marks ay makikita ng mga mata.

At kapag titingnan ang perang pepel nang bahagyang nakatagilid (45 degrees) ay makikita ang concealed (nakatago) value ng pera. Ang embedded security thread sa P20 at P50 ay makikita sa magkabilang bahagi ng pera kapag itinapat sa ilaw.

Sinabi ng BSP na ang iba pang security features gaya ng windowed security thread na makikita sa mas mataas na denominasyon, optically variable patch para sa P500 at P1,000 at optically variable ink para sa P1,000 ay nagbabago ang mga kulay kapag tiningnan sa iba-ibang anggulo.

At kanila pang ipinaalala na kung sakaling ang sinuman ay makatanggap ng pekeng pera ay dapat itong i-turn over sa BSP sa loob ng limang araw. Ang pekeng pera ay papalitan ng BSP ng tunay na pera sa kaparehong denominasyon.

DTI holds Mentor...

(From page 1)

Ricardo Palomaria (Nerva Tutorial Center), Irmalyn Vicedo (Ben & Lyn Chocolate, Inc) and Cecil Valencia (Hala Bira Food Products) have successfully presented a brief history of their business, products/services/brands, accomplished business model canvass, significant impact or applied learning during the Kapatid Mentor Me Program, operations or production improvement, as well their organizational, marketing and financial improvement plan to the panel of evaluators composed of Mr. Paolo Tibig of VCargo Worldwide, Ms. Adora Santos of Inter-asia Bank), Ms. Liza Gabatan of the Provincial Cooperative,Livelihood and Entrepreneurial Development Office (PCLEDO), Mr. Windel Quidato of Windel Woodcraft, RD Marilou Toledo of DTI-IV-A, Atty Khervy Reyes of PCLEDO, Ms. Isabel Punzalan of Delfa's Food Products, Mr. Jorge Wieneke of Tokyo Tempura, Ms. Agnes Madlansacay of Café Amadeo Development Coop, Ms. Gileth Castillo of Inter-asia Bank and Ms. Eden Cabrera of DLSU-D.

Before the day of the presentation, the mentees have attended the 11 weekly sessions comprised of two components for each engagement namely the lecture and the coaching or mentoring session. They have completed the modules on Developing Good Business Sense which covered the Entrepreneurial Mind-setting and Values Formation, Marketing with Market Trends, and the Business Model Canvas + Key Partners ; while Key Areas on Entrepreneurship which contained Product Development, Operations Management, Human Resource Management, Supply and Value Chain Management, Accounting and Financial Management, Taxation and Business Law were accomplished during the learning sessions.

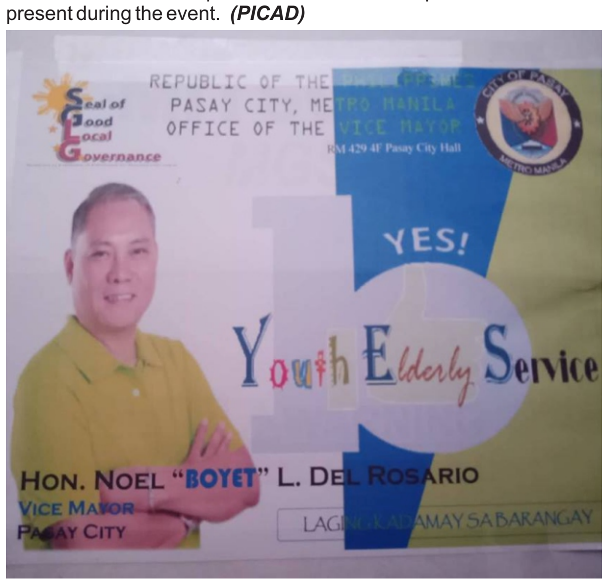
The lecture components subjected the mentees with the module's technical concept, equipping them with the basic jargons and protocols in running a business. Materials or content were simplified for effective digestion and actual examples relatable to the mentees were used for an operative illustration of the subject matter. On the other hand, the coaching and mentoring sessions gave the mentees a chance to consult the mentors with their current situation that included challenges or opportunities for growth. The mentors also guided the mentees on how to develop strategies on the topic at hand.

Highlighting the program was the graduation of the mentees which signaled their completion of the modules being offered by DTI as they capacitated and strengthened their business for the improvement of their status in the commercial and professional industry.

RD Toledo and PD Guevara reiterated their support for the neophyte entrepreneurs who strived hard to achieve their endeavor to compete with the innovations on global standards and linkages. They have encouraged the mentees that collaborating with the right influencers will be an excellent step to be globally competitive if not recognized in the local market. Opportunities and chances of being known in the local arena will give them a break on higher possibilities with the correct attitude and optimistic disposition in life. Mentees should learn how to fight locally to reach the global market.

The KMME , with its mission to capacitate the participants with concepts of functional areas of entrepreneurship that are practical and applicable, delivered in easy to understand platform to suit mentees of various educational and social background , is a coaching and mentoring program under the partnership between the Philippine Center Entrepreneurship-Go Negosyo and the DTI as part of its strategy to boost economic activity focusing on Micro and Small Enterprises (MSE's). (PICAD with reports from DTI)

After the forum, three (3) participants were asked to share their insights and learnings. Public Employment Service Office (PESO) head Dr. Eva Defiesta, Provincial Accountant Mr. Lauro D. Monzon and other representatives from the province were also present during the event. ***(PICAD)***



Things to Remember When Life Gets Rough

Don't live the same year 99 times and call it a life. Dream. Attempt. Explore… This moment is the beginning of anything you want.There's no reason to sulk in sorrow, disappointment or regret. Even when you are no longer able to change a situation, you are challenged to change yourself. And that changes everything.

Here's what we all need to do, DAILY, to avoid needless headaches, heartache and regrets as we journey through the upcoming year…

1. Be right where you are. Happiness is letting go of what you think your life is supposed to look like right now and appreciating it for everything that it is.

2. Consider how incredibly fortunate you are to be here in this moment. Then get going and make the very best out of that good fortune.

3. Tell yourself, "I am ENOUGH!" anytime you begin to feel like you aren't. What you do in life ultimately comes out of who you believe you are. In other words, it's not what you say to everyone else that determines your life; it's what you whisper to yourself that has the greatest power.

4. Whatever you do, do it with love and passion, with full attention and awareness. Be present and put all you have into even the smallest of acts.

5. Avoid sinking into the comfortable mediocrity of doing nothing (which is always the easiest option). Challenge yourself to live with the passion and richness you deserve.

Say "no" to good things when you must, so you are able to say "yes" to important things. We can't do it all. Be mindful and choose wisely.

6. Doubt your doubts before you doubt your faith. How disappointed would you be to get to the end of your life and discover you were made to enjoy life while all you did was doubt it?

7. Stop being afraid of what could go wrong and start thinking about what could go right. Remember, even the wrong choices can bring us to the right places. When you fail to get what you want, consider that it just might be a blessing in disguise.

8. Give yourself some extra space. Take a deep breath when you need one. Sometimes you need to distance yourself for a while to see things clearly again. Don't make a permanent decision for your temporary emotion.

9. Be mindful. Stress comes from the way you react, not the way life is. Adjust your attitude and the stress is gone. You control the way you look at life. Right this moment, your thoughts are setting the direction for your day. Choose thoughts that lead to

the day you most desire to live today.

10. Walk away from drama gracefully. Wherever there's lots of drama, there's usually lots of lying and manipulation. Simplify wherever and whenever possible. Clear the clutter in your physical and mental space. Instead of figuring out how to make ends meet, work on having fewer ends.

If all else fails, the best advice I've found is still just to "sleep on it." Everything changes in the morning! MERRY CHRISTMAS & A HAPPY NEW YEAR TO ALL!

Nagkomento sa Pangbu-bully ng Ateneo Student Senatorial Bet Alunan Umalma sa Pag-block sa Kanya ng Facebook

INALMAHAN ni Bagumbayan Senatorial candidate at dating Interior and Local Government secretary Raffy Alunan ang pag-block sa kanya ng social media site na Facebook dahil lang sa pagpapahayag niya ng opinyon hinggil sa nag-viral na videos ng estudyante ng Ateneo de Manila na nangbu-bully ng kapwa niya mag-aaral.

Naniniwala si Alunan na wala namang masama sa kanyang mga ipinahayag para i-block siya ng Facebook na nagsabing nilabag umano ng dating kalihim ang pamantayan ng social media site. Pinagbawalan din siyang gumamit ng site sa loob ng 24 oras.

"I was blocked for 24 hours by Facebook Philippines for posting a television news report on this little bully that used taekwondo to hurt a fellow student that I spotted in Youtube. Facebook said it was against community standards," dismayadong pahayag ni Alunan.

"So, FB (Facebook) let me get this straight, a televised report by media and my post that seeks immediate action by the school authorities to prevent more students from getting bullied and hurt go against your community standards that warrant your indiscriminate censorship?" aniya pa.

Matatandaan na kahapon lang ay naiulat sa telebisyon ang mga nag-viral na videos ng isang Joaquin Montes na isang atleta ng Taekwondo. Umani ito ng iba't ibang batikos at reaksyon mula sa netizens kabilang na ang ilang mga pulitiko.

Bilang isang Atenista at kasapi ng Philippine Taekwondo Association, nagpahayag si Alunan ng kanyang sariling opinyon at hiniling niya sa pamunuan ng unibersidad na aksyunan na ang insidente na makailang beses na palang nangyari. Ito ang nilalaman ng kanyang post na naging dahilan upang i-block siya pansamantala ng Facebook:

"Spare the rod and spoil child. The bully clearly has psycho-emotional issues. Interventions should have been applied immediately after the first incident to discipline the bully and prevent future bullying. Because of the lack of it this bully reportedly hurt more victims. This emotionally disturbed student has given the Philippine Taeknwondo Association, of which I am a part of, a bad name apart from the damage to his school's carefully sculpted image and reputation. His school better act on this fast before he hurts other students," dagdag pa ni Alunan.

Samantala, ipinahayag naman ni Alunan na ang insidenteng ito ay dapat magsilbing aral hindi lamang sa mga kabataan kundi maging sa school officials at mga magulang na dapat ginagabayang maigi ang kani-kanilang mga mag-aaral at anak upang hindi maligaw ng landas at mahasa ang tamang pag-uugali. Nangako din si Alunan na kung papalarin sa 2019 Mid-term Elections ilan sa mga aasikasuhin niya ay ang pagpapatibay pa ng batas kontra sa pangbu-bully, pagpapanagot sa mga kabataang nasasangkot dito sa pamamagitan ng pagrebisa sa ating Juvenile Justice Law at ang pagpasa ng batas na magre-regularisa sa pag-censor ng mg social media pages sa kanilang mga sites na dapat lamang ay patas at walang kinikilingan.

POE: STRENGTHEN ANTI-BULLYING LAW

Sen. Grace Poe said the bullying incident involving high school students has prompted the need to revisit the Anti-Bullying Act of 2013 to fill in some gaps as to the role of the schools in dealing with actual cases.

"Anyone who has seen the video of the violent bullying incident would understand that bullying is a despicable act that insults our humanity," she said.

"There is an Anti-Bullying law in place. However, we believe it should be strengthened to require concrete and timely action from schools," Poe, vice-chairperson of the Senate committee on public order, added.

The unfortunate incident should serve as a wake-up call for legislators to examine the law and plug the gaps to make it truly responsive to the problem of bullying.

Republic Act 10627 or the Anti-Bullying Act of 2013, signed by then President Benigno Aquino III, mandates all elementary and secondary schools to adopt policies to prevent and address the acts of bullying in their institutions.

The law defines bullying as "any severe or repeated use by one or more students of a written, verbal or electronic expression or a physical act or gesture or any combination thereof, directed at another student that has the effect of actually causing or placing the latter in reasonable fear of physical or emotional harm or damage to his property.

Poe stressed that the current law gives the school administrators too much discretion on when to act on the bullying case. "It leaves it up to them to determine whether appropriate action can be taken," she explained. Under the law's "Mechanisms to Address Bullying," it states that:

"If it is determined that bullying or retaliation has occurred, the school principal or the designated school officer or person shall:

(a) Notify the law enforcement agency if the school principal or designee believes that criminal charges under the Revised Penal Code may be pursued against the perpetrator;

(b) Take appropriate disciplinary administrative action;

(c) Notify the parents or guardians of the perpetrator; and

(d) Notify the parents or guardians of the victim regarding the action taken to prevent any further acts of bullying or retaliation."

"This is why in the current case, even with the numerous videos that have come out, police are saying that they have to wait for Ateneo to notify them and seek their help," Poe said.

"And, this is why the school administration is saying that it still has to determine if bullying has taken place," she added.

The senator said that one possible amendment to the law would require removing the section that gives total discretion to the school.Poe noted the need for timely response to incidents of bullying. "For example, anti-bullying committees should be formed, which shall act upon reports of bullying within thirty (30) days after the incident," she said, adding that a delayed reaction would be detrimental, as it allows the perpetrator to repeat the bullying act.

SEN. GRACE POE

The members of the proposed body or committee that would look into the incident should not be related in any way to the parties involved, Poe said.

Furthermore, the alleged perpetrator must be required to take a leave of absence until the investigation is completed, she said. Poe said she would soon file a resolution to hear out concerned stakeholders in a bid to review and amend the law.

SERVING THE PUBLIC THRU MEDICAL AND DENTAL MISSION: Another outreach project of the Provincial Government of Cavite which aim to provide immediate health care services to economically disadvantage Caviteños was conducted at Brgy. TUNAY NA KAHANGA-HANGA SI BOC COMM. JAGGER

HUNTER
Dr. Bernie R. Anabo Jr.

TUNAY ngang pinagpala ang Bureau of Customs sa kamay ni Comm. Jagger Guerrero, dahil sa determinasyon nitong alisin ang korapsyon, at pataasin ang koleksyon ng bawat distrito, kung saan isinasagawa na niya ang balasahan.

Unti-unti na pong lumalabas ang mga Customs Personnel Order, at isang magandang indikasyon ang kanyang pagsibak sa mga taong involved sa pagpapalusot ng 11B droga, at mga COLLECTOR na sangkot sa TARA SYSTEM.

Nariyan na po ang isang HALIMBAWA, nasa Compliance Monitoring Unit na po si dating X-Ray Inspection Project Head Lawyer Zsae de Guzman, IOI Joseph Jayson M. Dimayuga, SAI Manuel Martinez, SAII Benjamin L. Cajucom.

Kung matatandaan niyo mga kabayan si Lawyer Zsae de Guzman, ay kinasuhan ng Philippine Drug Enforcement Agency, at kanyang mga kasamahan kaugnay sa pagkakasangkot nila sa pagkakalusot ng 11B shabu lang naman. Haitz! Ambot sa kambing na may bangs!

Magkano kaya? Este, anong dahilan, bakit nila pinalusot este bakit ito nakalusot? Totoo kayang may TARA? Naniniwala po talaga ako sa KARMA! Siguro pinarusahan na sila ng kalikasan. Sadyang ikinatuwa naman ito ng mga kababayan natin! Ha ha ha ha

Ang hinihintay na lang po natin na MASIBAK ang isang COLLECTOR na FULLY RENOVATED! Alam niyo po ba kung sino ito? Siya lang naman ang MS. TARA ng kabisayaan! Ha ha ha! Ambot kay BB Gandang Hari! Kasiping este kaibigan daw po ito ni PAPA P! Ha ha ha ha!

Samantala, batay sa mga nakukuha kong impormasyon. Ito palang ating KUMISYUNER ay may angking TALINO. Ako'y naniniwala dahil ang pagkaka-alam po natin sa MAMA ay graduate sa University of the Philippines, bago pa man siya ay pumasok sa Philippine Military Academy.

Kaya naman, hindi po nagkamali ang ating mahal na Pangulong Rodrigo Roa Duterte na italaga si Comm. Jagger sa Bureau of Customs, kapalit ni X Comm. Lapena. Bukod kasi sa angking talino, ang antas ng kaisipan at ka-alaman ni Comm. Jagger, ay hindi mapantayan.

Nasa mabuti namang kamay si Comm. Jagger sa kanyang Chief of Staff na si Atty. Teddy Jumamil, isa itong San Beda graduate, at bago mapunta sa BOC ay Vice President po ito ng DBP. Minsan ko rin pinapasyalan ang kanyang tanggapan o LAW FIRM sa Burgundy Tower. Kahit itanong niyo pa kay Atty. Boy Asoy!

Marami tayong alam sa pagkatao Atty. Jumamil, na malaking tulong sa pamunuan ni Comm. Jagger. Kaya naman nasa mabuting kamay ang Bureau of Customs. Tunay ngang kahanga-hanga ang pamunuan ng BOC sa kasalukuyan. Mabuhay and merry Christmas po sa ating lahat!

MARKET DIVISION/TAX MAPPING/LICENSE DIVISION HEAD RUEL SAN PEDRO, AT ACTING ASSISTANT TREASURER MS. DINA B. BARRIOS GINAWARAN NG PARANGAL

TUMANGGAP ng parangal ang aking mga kaibigan na sina Market Division/Tax Mapping/License Division Head Ruel San Pedro at Acting Assistant Treasurer and Cash Division Head Dina Bautista Barrios, dahil sa natatangi nilang ambag sa Treasury Department.

Sa pagkikilala ko kay Boss Ruel San Pedro, ng Pasay City Treasury Department, isang kawani na may mabuting kalooban, mapagkumbaba, at marunong sa kapwa, kaya naman marami ang humahanga sa kanyang pag-uugali.

Dangan lamang ang reklamo ng mga nakakakilala sa kanya, kung bakit hindi siya binigyan ng parangal bilang EMPLOYEE OF THE YEAR, sapagkat sa kanyang paglilingkod, wala itong bahid na anomalya, bukod sa pagiging empleyado ng Treasury ng SAMPUNG TAON.

Kaya naman naging kuwestyonable ang parangal na iginawad ng City Hall. Meron din po akong narinig bakit mga taga City Admin lang daw ang tumanggap! Anong dahilan? Meron ba tayong na-aamoy na LUTO? Wow yummy! Hahaha!

Gayundin kay Acting Assistant Treasurer and Cash Division Head Ms. Dina Bautista Barrios, tahimik lang na babae, at simple. Ngunit ang nilalang na ito ay may kakaibang kakahayahan lalo na sa larangan ng FLOW OF CASH.

Tunay rin po itong kahanga-hanga, dahil sa kanyang ini-ingatan na Integridad at Dignidad, ay nakita ng ating mahal na Treasurer Dr. Manuel Leycano, patunay na ang pagsisikap niya ay may magandang resulta.

Narito po pala ang nilalaman ng Citation ng aking mga kaibigan na ibinigay ng PILIPINAS STAR NGAYON:

Plaque of Recognition
Given to
Mr. Ruel San Pedro

CAVITEX SOUTHBOUND FLYOVER BINUKSAN NA SA PUBLIKO

Madaraanan na ng publiko ang bagong gawang 4-lane southbound flyover at left turning facility ng Manila- Cavite Expressway (Cavitex) patungong Pacific Drive at D. Macapagal Avenue.

Pinangunahan ninaDepartment of Public Works and Highways (DPWH) Secretary Mark Villar, Department of Transportation (DOTr) Assistant Secretary for Road Transport and Infrastructure Mark Richmund de Leon, Toll Regulatory Board Executive Director Abraham P. Sales, at Metro Pacific Tollways Chief Toll Operations Officer Roberto Bontia ang pagbubukas ng Cavitex Southbound flyoverna inaasahang magpapagaan ng daloy ng trapiko ngayong kapaskuhan.

Hinikayat ng pamahalaan ang publiko na gamitin ang electronic toll collection system o ETC gaya ng EasyTrip RFID upang mas mapabilis ang pagbabayad sa toll plaza ng flyover.

Ang proyektong ito ay bahagi ng 'Build, Build, Build' Program na isinusulong ni Pangulong Rodrigo Duterte na naglalayong patatagin ang imprastraktura ng bansa upang magbigay daan sa matatag na ekonomiya.

Ang Cavitex ang magdudugtong ng 7.7-kilometrong C5-Southlink na bumabagtas sa Las Pinas, Paranaque, at Taguig ay ng 45-kilometrong Cavite Laguna-Expressway.

PAGBABANTAY SA PAGAWAAN NG PAPUTOK, ITINAKDA

Sasailalim sa mahigpit na pagbabantay ng Department of Labor and Employment ang mga pagawaan ng paputok sa bansa upang matiyak ang pagtalima ng mga ito sa Occupational Safety and Health Standards (OSHS).

Kaugnay ng pagdiriwang ng Pasko at Bagong Taon, inilabas ni Labor Secretary Silvestre H. Bello III ang Advisory No. 20, Series of 2018, na nag-aatas sa lahat ng Regional Directors na mahigpit na bantayan ang pagtupad ng mga establisyamento, partikular iyong nasa pagawaan ng paputok, alinsunod sa Republic Act No. 11058, o ang Occupational Safety and Health Standards (OSHS) upang maiwasan ang aksidente sa lugar-paggawa.

"Kaugnay ng pagdami ng pagawaan ng paputok sa buong bansa dahil sa pagdiriwang ng Kapaskuhan at Bagong Taon, inaatasan ang lahat ng Regional Directors na bantayan ang mga establisyamento sa kanilang pagtalima sa Republic Act no. 11058, OP Memo Order No. 31, s. 2018, Occupational Safety and Health Standards (OSHS) upang maiwasan ang anumang aksidente sa lugar-paggawa," nakasaad sa panukala.

Dagdag pa dito, inaatasan din ng panukala ang mga labor laws compliance officer (LLCO) na tulungan ang mga establisyamento sa pagtatama ng kanilang mga kakulangan upang makasunod sa OSHS.

Gayunpaman, kung sakaling hindi sumunod ang mga establisyamento sa patakaran, may karapatan ang labor inspector na magsagawa ng imbestigasyon sa paglabag alinsunod sa Department Order No. 183, series of 2017, o ang Revised Rules on the Administration and Enforcement of Labor Laws.

Samantala, inaasahan na ang lahat ng DOLE Regional Office ay magsusumite sa Bureau of Working Conditions (BWC) ng listahan ng kanilang na-monitor at tinulungang establisyamento sa Disyembre 28, 2018.

109 OFWs mula sa Saudi, nabigyan ng tulong

Higit isandaang overseas Filipino workers ang makapagdiriwang ng kapaskuhan kasama ang kanilang pamilya kasunod ng kanilang repatriation mula sa Kingdom of Saudi Arabia, ayon sa ulat ng Department of Labor and Employment (DOLE).

Ayon kay Overseas Workers Welfare Administrator Hans Leo Cacdac, ang 109 na napauwing mga OFWs mula sa Middle East ay makatatanggap ng tulong kabilang ang P20,000 cash assistance mula sa kagawaran para sa kanilang maayos na reintegrasyon sa bansa.

"Utos ito ni Labor Secretary Silvestre Bello III. Umaasa tayo na makatutulong ito upang mairaos ang pang-araw araw na gastusin," wika ni Cacdac. Ang mga pinauwing OFW ay lumapag sa bansa noong Disyembre 8 mula sa Dammam, KSA.

Kabilang sa kanila ang 88 manggagawa ng Azmeel Company sa Al Khobar na apektado ng lockdown ng work sites at hindi nakatanggap ng tamang suweldo at overtime pay.

Mayroon ring 18 OFWs mula sa Rakan Trading Contracting Company at 4 na empleyado ng Samama Company ang nagdesisyong umuwi dahil sa mga paglabag sa kontrata ng kanilang Saudi employers.

Dagdag pa ni Cacdac, liban sa pinansyal na tulong, ang mga repatriated OFW ay maaari ring mag-aplay ng tulong pangkabuhayan kung naisin na lamang nilang manatili sa bansa.

"Ang mga napauwing OFW ay mayroon ring oportunidad na mag-aplay ng tulong pangkabuhayan. Isang seminar ang dapat nilang daluhan at kailangan rin nilang magsumite ng kanilang business plan. Tuturuan naman namin silang gawin ang mga ito," ayon pa sa punong opisyal ng OWWA.

Naglaan rin ng airport assistance para sa mga napauwing OFW na kinabibilangan ng pansamantalang tuluyan para sa mga nag-aantay ng kanilang flight pabalik sa kanilang probinsya, at transportation assistance para naman sa mga naninirahan sa area ng Luzon.

Samantala, ang OWWA at ang Philippine Overseas Employment Administration (POEA) ay nakahandang magbigay ng legal assistance sa mga OFW na nais mag-file ng reklamo laban sa kanilang mga Arab employer o sa kanilang recruitment agency.

Hinihikayat naman ang mga OFW na magsumite ng kanilang bio data upang mabigyan sila ng OWWA ng employment assistance sa pamamagitan ng programang Build Build Build ng administrasyong Duterte dahil karamihan sa mga Pilipinong migranteng manggagawa ay namamasukan sa sektor ng imprastraktura.

"Panghuli, magbibigay rin tayo ng tulong sa employment facilitation. Pinangungunahan ng ating pangulo ang programang Build Build Build. Ang DPWH at iba't ibang mga kontraktor ay naghahanap ng mga tauhan na nababagay sa inyong mga kasanayan," sinabi pa ni Cacdac sa mga OFW.

DOLE sa mga establisyamento: I-report ang pagbabayad ng 13th month

Kailangang i-report ng mga employer sa Department of Labor and Employment (DOLE) ang kanilang pagsunod sa batas-paggawa ng pagbabayad ng 13th month pay sa kanilang mga manggagawa.

Ito ay muling ipinaalala ni Labor Secretary Silvestre H. Bello III sa pamamagitan ng Labor Advisory No. 18, series of 2018 kung saan kanyang ipinanawagan sa lahat ng employer sa pribadong sektor na bayaran ang kanilang rank-and-file employees ng 13-month pay bago mag-Disyembre 24.

"Kailangang i-report ng mga nasabing employer ang kanilang pagsunod sa batas sa pinakamalapit na DOLE Regional Office ng hindi lalampas ng Enero 15 ng susunod na taon," ani Secretary Bello.

Batay sa nakasaad sa Presidential Decree 851, kung saan inaaatas ang pagbabayad ng 13th-month pay, kailangang mag-sumite ang mga establisyamento ng compliance report sa DOLE.

Kailangang nakasaad sa compliance report ang pangalan at lugar ng establisyamento, produkto o negosyo, kabuuang bilang ng empleyado, kabuuang bilang ng manggagawang nakatanggap ng benepisyo, ang halagang tinanggap ng bawat empleyado, kabuuang halaga ng benepisyong ibinigay, at ang pangalan, posisyon at telepono ng taong nagbigay ng impormasyon.

Ang 13th-month pay ay ang one-twelfth (1/12) ng basic salary ng empleyado sa loob ng calendar year. "Samakatuwid, ang minimum 13th-month pay na iniaatas ng batas ay hindi dapat bababa sa one-twelfth (1/12) ng kabuuang basic salary na kinikita ng empleyado sa loob ng calendar year," ani Bello.

Kasama sa basic salary ang lahat ng kabayaran o sahod na ibinayad ng employer sa isang empleyado para sa serbisyong kanyang ibinigay, ngunit hindi kasali ang cost-of-living allowance (COLA), profit-sharing payment, cash equivalents ng unused vacation at sick leave credit, overtime pay, premium pay, night shift differential pay, holiday pay, at ang lahat ng allowance at monetary benefit na hindi itinuturing, o hindi bahagi ng regular o basic salary ng empleyado. Sa parehong Labor Advisory, nagbigay si Bello ng sample illustration ng formula sa pagkukuwenta ng 13th month:

Kabuuang suweldo na kinita sa kasalukuyang taon = katapat na 13th month pay 12 buwan

Kailangang bayaran ng lahat ng employer ang kanilang rank-and file employees ng kanilang 13th-month pay, anupaman ang uri ng kanilang empleo, at kung anupaman ang pamamaraan ng pagbabayad ng kanilang sahod, basta nagtrabaho ang empleyado ng isang buwan sa loob ng kasalukyang taon. Ang natatanging kondisyon lamang ay nakapagtrabaho ang manggagawa ng isang buwan sa loob ng kasalukuyang taon.

BI Rescues 9 Korea-Bound Human Trafficking Victims

PASAY, Philippines—Bureau of Immigration (BI) officers at the Ninoy Aquino International Airport (NAIA) have rescued nine more suspected human trafficking victims who disguised themselves as tourists in attempting to leave for South Korea.

In a report to Immigration Commissioner Jaime Morente, BI Port Operations Division Chief Grifton Medina said the passengers were about to board an Air Asia flight to Taipei last Thursday when they were intercepted by members of the bureau's travel control and enforcement unit (TCEU).

"They admitted that they were actually destined for Korea where they were illegally recruited to work as orange pickers in a plantation in Jeju Island," Medina said.

He added that the passengers initially claimed they were traveling as tourists to watch a Nanta acrobatic exhibition show in the said island.

"When asked, they could not explain and had no idea what the Nanta show is all about and their answers to questions by immigration officers were highly inconsistent," Medina said. "When pressed on the actual purpose of their trip, they confessed that they were hired to work with a promised monthly salary of P65,000."

The victims, whose identities were not divulged due to a prohibition in the anti-trafficking law, were turned over to the Inter-Agency Council Against Trafficking (IACAT) for assistance and further investigation.

NAIA Terminal 3 BI-TCEU Chief Glen Comia observed that the apprehension occurred barely three days after immigration officers also intercepted eight trafficking victims who were illegally recruited to work in Cyprus.

"It appears that only one syndicate was behind the recruitment of these victims," Comia said. "This is a well entrenched trafficking syndicate that operates in both Europe and Asia." As in the case of the Cyprus-bound victims, the Korea-bound passengers also did not know each other and related that they only met at an office in Ermita where they were briefed by their recruiters before their trip.

The victims, who all hail from far flung areas in the provinces, also recounted in writing the ordeal they suffered as they lost their life savings due to the huge sums they paid their recruiters for processing their travel papers.
