Cavite GFPS goes on a learning visit to Los Baños

In line with the goal of becoming a more gender-responsive province, the Technical Working Group of Cavite Gender and Development Focal Point System spearheaded a learning visit at the Gender and Development Office in the Municipality of Los Baños, Laguna recently.

Municipal GAD Officer Karen Lagat-Mercado oriented the group on the Best Practices in GAD mainstreaming of Los Baños LGU with emphasis on the development of GAD Database. It is a manifestation of the municipality's strong commitment to the advocacy since it serves as basis for gender responsive planning, programming and policy formulation.

There were 449 types of data needed in the database gathered from 14 barangays using results of the Community Based Monitoring System survey and data coming from various offices of the municipal government. It was narrowed down into several sectors such as social development, economic development, infrastructure and environment sector, institutional sector and gender mainstreaming for ease of identification and appreciation of end users.

Ms. Mercado also highlighted that the success of the LGU's GAD advocacy is mainly attributed to the commitment of the Local Chief Executive and the strong support of the legislative body which gave way to the passage of gender-responsive local policies, fiscal administration and governance, in general. Community involvement also contributed to successful implementation of the GAD programs.

Meanwhile, the Municipal Civil Registrar and ICMS Head, Mr. Glenn N. Arieta shared to the participants their milestone in creating the database which started with the issuance of Executive Order No. 59 series of 2016 directing the Organization of the Los Baños Information & Communication Management Services (ICMS). After series of meetings with other offices, agencies, the academe and with the combined effort of GAD Council thru the GAD Office and the ICMS Team, the Los Baños GAD Database was formally launched on August 8, 2018.

After the briefing, the delegation made a courtesy call to Municipal Mayor Caesar Perez who welcomed the team and shared some of his undertakings in local administration. He encouraged each participant to do his own share towards a successful government. "Ang pagbabagong hinahanap nyo ay magsisimula sa bawat isang mamamayan hindi lamang sa aming nanunungkulan," he added. He thanked everyone for coming with a hope that they have imparted new learnings to the group.

Municipal Councilor Josephine "Baby" Evangelista, Chairperson of the Committee on Women and Family and a prime mover in the GAD campaign was also present during the activity. ***(PICAD)***

Among the activities during the program were the poster-making contest, spoken poetry competition and the musical/theatrical play participated by the Kariton High School students. The event was also in collaboration with key school personnel from Amadeo National High School, Pangil National High School and Halang Banay-banay National High School to promote abstinence and encourage the youth to focus first on their education for a better future. Similarly, the "True Love Waits" advocacy helps develop a positive behavior support plan that bridges home and school for parents to see how their children perform and behave in school. Every year, Mr. Peñaflorida supports such project to inspire the youth to achieve their dreams. DTC is a youth-development, non-profit organization founded in 1997, made up of mostly teen-aged volunteers that helps educate the less-privileged children mainly from the marginalized sector of society. ***(PICAD)***

COM. GUERRERO PURO 'NGAWA' PERO KULANG DAW SA PANGIL AT GAWA?, SINO SI 'DELA-K'WARTA' NG MICP?... S'YA BA ANG DAHILAN BAKIT SEMPLANG ANG MICP ANG MICP COLLECTION?..AT COLL.ATTY.AUSTRIA GISING?!

RATSADOR

fidel p. orate

NAPAPANAHON na Bureau of Customs [BOC] Customs Commissioner Rey 'Jagger' Leonardo B. Guerrero upang malaman mo na mukhang 'ginagago' ka at 'napapaikutan' ng ilan district collectors particular sa kanilang collection at operation ng puwerto?.

Aba eh, sabi nga ng aking mga 'bubwit' d'yan sa Adwana, puro ka daw 'ngawa' pero kulang sa pangil at iyong mga pinag-nga-nga-ngawa o ginagawa?.. Alam n'yo Com. Jagger Guerrero sa BOC pag-sinabi mo tapusin at gawin mo....

Alam n'yo po Com. Jagger Guerrero, matagal ko ng mino-monitor ang iyong magagandang sinasabi sa mga Customs Officials mo, ngunit mayroon akong napuna...ang mga Customs Personnel Order [CPO's] na iyong naunang ginawa na inaprubahan ni Sec. Sonny Dominguez, subalit hindi mo ito ipinatupad?..Bakitttttt...sa madaling salita hanggang CPO's na lang Com. Jagger Guerrero?....D'yan ka po nabansagang Com. Jagger Guerrero ng iyong mga Customs Officer na 'BIGAY' ...'BAWI'..

Alam mo Com. Jagger Guerrero, Idol na sana kita, ngunit mukhang, habang tumatagal ay di'umano'y NAKAKAIN KA NA RIN NG KALAKARAN SA BOC?...ayaw kong maniwala sa balita 'yan.

May mga ibinulong pa aking mga 'bubwit' d'yan sa BOC, may mga adviser ka daw na puro kasinungalingan ang mga pinagsasabi s'yo?.Alam mo Com. Jagger Guerrero, d'yan sa mga isyu 'yan, nasira ang mga naunang magagaling na kumisyuner na inapoint ni Pang. Digong Duterte....Kaya paka-ingat ka po Com.Guerrero, dahil hindi lahat ng iyong mga kaharap na naka-smile s'yo ay maganda ang layunin, 'yon pala sa likod nito ay pinagtatawanan ka nila.

H'wag na lang nating banggitin ang kanilang mga pangalan, alam na 'y an ng taong bayan. Ok Com. Jagger Guerrero, kasangga mo pa rin si 'RatsadoR'.

COLL. ATTY. AUSTRIA MAKABAWI KAYA SA 1ST QUARTER?!

Isyu natin ngayon Com. Jagger Guerrero ang Manila International Container Port [MICP] under the leadership ni district Collector Atty. Erastus Sandino Austria.

Aba ang MICP ay isang billionaires port, ngunit parang millionaires port na lang ngayon?...Bakitttttttttttt?... Sey mo pareng Rey Domingo. Hehehe, bakit daw 'semplang' ang collection ng MICP?.pareng Rey..dahil ba daw ito sa binansagan natin 'alyas-dela-K'WARTA' ng MICP?.

Sabi nga kong walang magsusumbong, particular sa mga texter natin at nagpadala ng messages ay hindi natin malalaman ang lahat-lahat, pero double tsek tayo toditz. So, ibig sabihin nito ay tototz.

Ok, simulan natin....base sa text message, ito ang sumbong o kalungkutan kanilang napapansin...ipina-alam sa kanilang text message, dahil sa di'umano'y aabutin ng halagang P2 billion ang 'semplang' na collection ng balwarte ni Coll. Atty. Sandino?...Hehehe, P2 billion lang kaya?.

Oi, possible, totoo ito dahil January hanggang February ay 'semplang' ang collection ni Coll. Atty. Sandino. On the record po 'yan Sec. Sonny Dominguez.

Sinasabi pa sa text messages, di'umano'y naglipatan daw sa Port of Manila [POM] ang karamihan bigtime importer, kaya 'semplang' ang collection ni Coll. Atty. Austria....ang tanong ko naman bakit naglipatan sila sa POM?. Anong 'meron' sa POM, na wala sa MICP?...bahala na d'yan si Coll. Atty. Austria.

Opz, ito na sinagot ng texter, eh walang iba daw kong hindi si 'alyas-dela-Pera' na dahil sa kahiligan di'umano sa kadatungan [baka-ibig sabihin ng text-ter, eh matakaw sa pera si 'alyas-dela-K'WARTA' kaya naglipatan ang mga bigtime importers] s'ya pala daw ay naka-assign sa Formal Entry Division [FED] ng MICP eh ano kaya Section?....Alam kaya ito ng kanyang bossing Coll. Atty. Austria?.

Oi, ito ang maganda po Com. Jagger Guerrero...base sa text message...halos karamihan daw ng kanilang kasamahan broker, ay ang reklamo si 'alyas-dela-K'WARTA' ang lakas daw 'TUMARA', ito daw ay mga kargadang General Merchandise na dumadaan sa kanyang Section..Paldo-paldo daw ang take home na kadatungan ni 'alyas-dela-K'WARTA.'

Oi, ito po ang masama o maganda Com. Jagger Guerrero, kaya naman pala malakas TUMARA si 'alyas-dela-K'WARTA' ay dahil sa di'umano'y may 'TAMONINING' s'ya na dapat n'yang paligayahin dahil sa TARA...Hehehe, taga saan kaya s'ya?. At 'yan ang nakikita nilang dahilan, Coll. Austria, ay dahil toditz kay 'alyas-dela-K'WARTA', kong kaya 'semplang' ang iyong collection?.

Hehehe, ayaw kong maniwala na di'umano'y may ka-parte ang ilang opisyal d'yan sa MICP?......Sey mo 'alyas-dela-K'WARTA.' Sa akin lang Coll. Atty. Austria, si 'alyas-dela-K'WARTA' ay walang puwang sa BOC, particular na d'yan sa MICP na imbes na bigyan n'ya ng proteksyon ang mga stakeholders at gobyerno ay s'ya pa ang nauunang sumira sa magandang programa ni Com. Jagger Guerrero.

Sey mo Coll. Atty Austria.. Siguro naman kilala mo na s'ya Coll. Austria. H'wag mo ng hintayin Coll. Atty. Austria na si Com. Jagger Guerrero pa ang umaksyon toditz kay 'alyas-dela-K'WARTA.' Abangan n'yo ang susunod na pangyayari...

BILLION KADATUNGAN NGA BA ANG 'NAI-SWING' NA KARGAMENTO SA POM?!

Ok po balikan natin ang isyu sa Port of Manila [POM] na kong saan Com. Jagger Guerrero, dismayado ang ilan sa mga Customs Officer sa napabalitang di'umano'y 'nai-swing' na kargamento lulan ng 555 container vans.

Aba, eh sabi nga ating mga 'bubwit' d'yan sa BOC, Com. Jagger Guerrero billion halaga daw ang laman ng 555 container vans na 'nai-swing' bago NASUNOG o SINUNOG ang 'National Heritage' building ng Customs Port of Manila?.. Hindi ko sinasabing sinadya ang mahiwaga SUNOG na kong saan, kasamang tinupok ng apoy ang mga 'VITAL RICORDS'.

Aba, eh anu-ano ba ang mga sinasabing 'VITAL RECORDS' Com. Jagger Guerrero at Sec. Sonny Dominguez na kong saan ang mga kaso at kakasuhan pang mga bigtime importers con customs brokers at s'yempre ang mga kong sinu-sino Customs Officer na kasama nitong mga sindikato sa BOC.

Tulad na lamang ng 'VITAL RECORDS' na nasa tanggapan ng LEGAL SERVICE at AOCG na tinupok ng mahiwaga sunog....Papaano na 'yan Com. Jagger Guerrero?.

Sey kaya ni DepCom. Ej Dy Buco.. Sinasabi po Sec. Dominguez at Com.Guerrero, ang mga 'nai-swing' daw 555 vans ay naglalaman ng GENERAL MERCHANDISE, CERAMIC TILES, RICE at TILES na nailabas sa magkakahiwalay na dates na dumating sa POM.

Sa madaling sabi 'nai-swing', kaya walang pinagbayaran duties at taxes sa BOC, kaya paldo-paldo kadatungan ang napasakamay ng mga involved na Customs Officer. Dahil 'dyan....nagpalabas na daw ng Customs Personnel Order [CPO] No.20-2019 dated Feb. 25 na pirmado ni Com. Ret Leonardo B. Guerrero.

Ang imbestigasyos daw ay direkta ipinag-utos kay DepCom.Atty. Teddy Raval, EG- Raniel Ramiro, IG-Asst. Com.Atty. Vincent Phillip Maronilla, PCAO-Director Joeffrey Tacio, CIIS-Atty. Jasser Ismael Ammas, Director-3 IAS, at Atty. Alvin Ebreo, Director Collection Service [RCMO].

Ang mga kasama mag-iimbestiga ang binuo Investigation Committee Secretariat na sina Atty. Daniefelle Lagmay, Atty. Christopher Inducil, Atty. Melvin Bauson, COO-4 Chisa-Hamena Mawowalas, C00-3 Charles Almond Mateo, C00I Maribel Lanuzo, C001 Darryl Degracia at Kenneth Arroyo.

Hehehe, sa dami ng mag-iimbestiga Com. Jagger Guerrero, baka ni isa ay wala silang makilala....joke lang. Nawa'y hindi maka-entra todits si 'Mr. BADYET-T', kasi pag-naka-entra ito, t'yak magugulo ang isinasagawa imbestigasyon.

Sey mo pre. Opz kaya naman pala ipinadaan ito sa IED ay di'umano'y idineklara 'PE', na hindi na kailangan idaan sa x-ray scanning machine?. Ganoon ba 'yon?

Aba naman, may alam kaya si former POM District Collector Atty. Erastus Sandino Austria, sa di'umano'y billion kargadang 'nai-swing' bago nasunog o sinunog ang 'National Heritage' Port of Manila bldg.?.

Wow ha, hangga ngayo'y tahimik si Com. Jagger Guerrero?......bakit kaya?. Oi teka, may sinasabi ang ating mga 'bubwit' sa BOC. may involved daw apat [4] na CUSTOMS OFFICER- COLLECTOR sa mga nasabing billion 'swing operation' sa POM..

At least kong sino man sila Sec. Sonny Dominguez at Com. Jagger Guerrero, malalaman din at makikilala.....Sey mo pare Rey Domingo. Abangan..

Bagsak na koleksyong buwis ng MICP, isinisisi kay alyas "Dela Pera!"

OPINYON LANG!

Rey Endaya Domingo

MAY text messages na naman pumasok sa inbox ng aking Iphone. Dating gawi. Ang nagpadala ay nagpakilalang isang lehitimong Customs broker na may regular na transaksyon sa bakuran ng Adwana. Gustong ipabatid ng texter sa inyong abang lingkod na labis ang kanilang kalungkutan dahil sa sinasabing aabot sa P2 bilyong halaga ang tax collection deficit ng Manila International Container Port (MICP) para sa nakaraang buwan ng Pebrero ng taon.

Sa text messages pa, ang itinuturong dahilan o naging mabigat na problema, ayon sa texter, naglipatan na sa Port of Manila (POM) ang karamihang importer na nagpaparating ng kanilang shipments sa MICP. Bakit 'ika ninyo?

Sino ang salarin? Este mali. Ano ang dahilan ulit? Ayon sa texter, walang iba kundi si alyas "Dela Pera," (hindi tunay na pangalan) na ang ibig sabihin ay "mahilig sa pera" na hepe ng isang Section ng Formal Entry Division (FED) sa MICP.

At para sa parehas na pamamahayag na walang "kinikilingan at pinapanigan," minabuti kong ilathala na lang dito ang bahagi ng text messages ng texter. Iwas libel tayo. Kayo na ang bahalang humusga, dear readers.

Eto basahin ninyo: "Kuya Rey, marami na sa hanay naming broker ang nagrereklamo kay "Dela Pera." Ang lakas kasi tumara. Mga GM o General Merchandize ang dumadaan sa kanyang section kaya "paldo-paldo" ang take home niyang tara. Okey lang. Wala kaming pakialam dahil personal na diskarte at kinita niya yun, e." "Kaya lang po Kuya, ang hanapbuhay namin ang napeperwisyo. Kaya siguro malakas siya tumara, kasi ang balita ay siyota niya ang kanyang sekretarya. Siyempre kailangan nilang magkalaguyo ang malaking budget para sa kanilang mga date."

"Kaya ang isa sa nakikita naming dahilan kung bakit malaki ang kakulangan sa kanilang monthly collection target na umabot sa P2 bilyon, ay ang garapalang panghihingi ng tara. Nalulungkot kami dahil sa nakalipas na February ay kapos ang koleksyong buwis ng MICP. Paborito pa naman sana naming puerto," pagtatapos ng text messages. Ayun na! Hinay-hinay kasi sa pangongolekta ng tara.

Pero sa totoo lang, ang katulad ni alyas "Dela Pera" ay walang puwang sa alinmang ahensya ng ating pamahalaan. Hindi rin dapat binibigyan ng sensitibong posisyon gaya ng kanyang tungkulin sa kasalukuyan.

Sa halip kasi ang patuloy na pagbibigay ng proteksyon para sa interes ng ating gobyerno ang pangunahing layunin sa kanyang paglilingkod, aba, e, sariling kapakanan ang inaatupag na gawin. Tiyak may paglalagyan ang taong ito. May update ito, pramis! Abangan!

Gayunman, alam ba ninyo na inamin ng ilang opisyal ng Bureau of Customs na dismayado sila sa napaulat na "nai-swing" ang may 555 container vans imported products bago nasunog ang dalawang palapag sa bahagi ng gusali ng Port of Manila (POM), collection district ng ahensya noong nakaraang February 22, dakong alas 9:00 ng gabi?

Opo! Ang tinutukoy nating shipments na sinasabing bilyun-bilyong piso ang halaga ay gaya ng "general merchandize," "ceramic tiles," "rice" at "sugar" buhat sa ibat' ibang bansa at umano'y magkakahiwalay na dumating sa bakuran ng POM noong nakaraang taon.

Umano'y naipuslit ang mga kargamento sa pamamagitan ng "pag-untagging" at "pag-trigger" sa POM-Informal Entry Division sa (IED) sa pagitan ng mga buwan ng Enero at unang linggo ng Pebrero ng kasalukuyang taon. Sinasabing walang import documents at hindi nagbayad ng duties and taxes sa Customs. Alyas "Mimoso" na taga-IED ang umano'y promotor-lider nang swing operation na ito.

Pero nakatakda na raw imbestigahan ng Kongreso ang kontrobersyal na isyung ito na pinaniniwalaang malaking sindikato at kasabwat ang ilang tiwaling BOC personnel ang nagmaniobra.

Tama ang aking hinala na mapapansin ito ng ilang matatalino't masisipag nating mambabatas pagkatapos na sumabog ang naturang iskandalo sa media. Marami kasing mata at kritiko ang patuloy na nakasubaybay sa Customs. Mahirap itago o ilihim ang nangyayaring mga kabulastugan sa loob ng Adwana. Lilitaw o sisingaw ang amoy.

Ayon sa Customs insider, magpatatawag ng congressional hearing si Congressman Prospero Pichay kasunod ang gagawing pagtatakda rin ng imbestigasyon ng Senate Blue Ribbon Committe ni Senator Dick Gordon para sa tuluyang paglilinaw sa umano'y nadiskubreng smuggling operations sa POM. "Posibleng malaking sindikato ang may gawa nito. Nararapat lamang talaga na imbestigahan. Nakakahiya man sabihin, nabahiran na naman ng dungis ang aming hanay. Credible si Cong. Pichay at Sen. Gordon. Malawak ang kanilang koneksyon. Sa malamang na madadale ang mga gumawa at sangkot. Ang balita ay ngayong weekdays uumpisahan ang imbestigasyon," pahayag ng Customs insider.

Pero bago pala ito, nauna nang nagpalabas ng Customs Personnel Order (CPO) si Commissioner Rey Leonardo "Jagger" Guerrero na nag-aatas sa kanyang mga opisyal para sa agarang imbestigasyon sa usaping ito.

Sa katunayan, batay sa CPO number 20-2019 na may petsang February 25 at may lagda ni Comm. Jagger, ang imbestigasyon ay direktang iniutos kina Customs Deputy Commissiners, Atty. Teddy Raval, EG; Raniel Ramiro, IG; Asst. Commm., Atty. Vincent Philipp Maronilla, PCAO; Director Joeffrey Tacio, CIIS; Atty. Jasser Ismael Ammas, Director 111 IAS; at Atty. Alvin Ebreo, Director Collection Service (RCMO).

Kasama rin sa tutulong sa pag-iimbestiga ang binuong Investigation Committee Secretariat na kinabibilangan ng mga miyembrong sina Atty. Daniefelle Lagmay, Atty. Christopher Inducil, Atty. Melvin Bauson, COO 1V Chisa-Hamena Mawowalas, COO 111 Charles Almond Mateo, COO 1 Maribel Lanuzo, COO 1 Darryl Degracia at Kenneth Arroyo.

Pero alam ba ninyo na trabaho pala talaga ito ng ilang korap na taga-Customs kasabwat ang may-ari ng naipuslit ng shipments? Ayon sa reliable source, kaya pala idinaan ang mga kargamentong ito sa IED, kasi idineklarang "personal effects," kung saan hindi na kailangan buksan ang container vans at dumaan sa x-ray o scanning machines.

Ang matindi dito, ayon sa source, may regular palang ganitong shipments na inilalabas sa IED. At ang pinakamamaba raw ay aabot sa 500 container vans kada buwan. Walang palya ang pagpapalabas. Mga imported na bigas at asukal. Wow. Terible. Totoo kaya ang balitang ito?

Kung pag-aaralan natin mabuti, simpleng modus operandi pero ang katumbas na perwisyo ay malaki. Kasi bilyones na buwis ang nadudugas sa Customs para sa kaban ng ating gobyerno. Sinasabing nangyayari pala ang iligal na operasyon sa panahon ni Atty. Dino Austria nu'ng siya pa ang District Collector ng POM.

Sa totoo lang, ibinunyag ng source sa inyong lingkod ang pagkakakilalan ng apat na Customs officials na malaki ang pagka-inbolb sa swing operation na ito. Pero siyempre hindi muna natin ibibisto ang kanilang mga pangalan sa publiko. Makakasira kasi sa kasalukuyang imbestigasyon. Baka magkasunog na naman sa POM. He,he,he! Abangan!

BALITANG PULISYA AT MGA NAGAWA PA NG MGA ROBES

KATROPA N'YO

Vic Billones III

Una sa lahat nais nating batiin ang magaling at maginoong Hepe ng Pulisya sa Lungsod ng San Jose Del Monte (LSJDM,) Bulacan, na si P/Supt. Orlando Castil, Jr., sa kanyang natanggap na Plaque of Recognition, para sa pagiging Best Senior Police Commissioned Officer, na may lagda ni P/Sr. Supt Chito Bersaluna, Police Provincial Director, kamakailan.

Noon sa mga larawan ng 'Consultant for Media Affairs' ng Facebook, ko lamang nakikita ang itsura ng naturang hepe ng pulisya ng LSJDM, at minsan ko na rin naisulat sa ating pahayagan. Pero ng kami ay magkasama sa pag-akyat sa bundok, sa may Brgy San Isidro, kabilang ang CSU head na si General Pedro Ramos, kasama ang kanilang mga piling tauhan, ay bahagyang nakilala ko ang kanyang pagiging isang maginoo at malasakit na tingnan kung napipinsala nga ba ang ating kalikasan, dala ng nakatambad na basurahan sa itaas ng bundok, sa pagitan ng mga bayan ng Norzagaray at San Jose Del Monte.

Tsk! Tsk! Tsk! Congratulation at Mabuhay ka PNP Chief Castil, Jr.! Sana ay ipagpatuloy mo ang iyong kasipagan, maayos na pagpapatupad ng kapayapaan at kaayusan at tapat na paglilingkod sa mga taumbayan ng LSJDM.

***

Dumako tayo sa mga pangunahing haligi ng LSJDM na sina Mayor Arturo Robes, VM Efren Bartolome, Jr., at Congresswoman Florida Robes, sa kanilang walang humpay na gawain upang mabigyan ng kaayusan ang LSJDM at maipaabot ng agaran ang mga tulong na kailangan ng mga San Josenios.

Nitong nakaraan ay ating napag-alaman na 'co-author' pala si Congw Rida ng House bill 5784, na mas kilala sa tawag na 'Universal Health Care for every Filipinos.' Nakapaloob sa nasabing HB 5784 ang lahat ng Filipino ay 'covered' na ng Philhealth, libre ang 'accomodation' sa mga Public Hospital, 'check-up' at 'basic lab test' kasama ang 'basic maintenance medicine.'

Maliban dito ay patuloy pa rin ang tulong at gawain na ipinagkakaloob ng PESO, LSJDM, sa pamamatnubay nila Mayor Art, VM Bartolome, Jr at Congw Rida Robes. Ang programang 'Trabaho, Negosyo, Kabuhayan,' na nagbibigay ng empleyo, pagsasanay, 'migrant' at kabuhayan sa mga San Josenios. Ito ay naisagawa sa Star Mall Event Center, Brgy Kaypian, kamakailan.

Batid po ba ninyo na ang hatid ng programang 'Sa Dobleng Aksyon, Tulong-Tulong sa Pagsulong,' ay pawang mga pagbabago sa LSJDM. Ika nga nila ang 'buwis ng taumbayan ay para sa taumbayan.' Dahil diyan ay may 'ongoing contruction ng Linawan bridge, maayos na 'apartment type niches' sa Citrus public Cemetery, ang nagawang PNP Headquarter, pagsasaayos ng City hall bldg., Birthing Station sa Minuyan proper, mga Health at Day Care Centers, Waiting area, School buildings, Historical land marker, Pagsasaayos ng Productivity Center, CDRRMO Bldg., Bahay Kanlungan, Activity Center, City Vetenirary Hospital, CSWD building, City Covered Court, Puso at Pagasa Social Action Center, City Sports Complex, Ospital ng LSJDM, '0ngoing construction ng Convention Center at ng City College of San Jose Del Monte. Ano pa ba ang ating nakalimutang isulat na nagawa ng mga Robes, para sa kapakanan ng mga San Josenios? Sa ilang taon ng kanilang panunungkulan ay madami na agad nagawa ang Administrasyong Robes.

Tsk! Tsk! Tsk! Ano pa nga ba ang masasabi natin, kundi ARya San Jose! Hanggang sa muli, narito pa ang ating email: billones@ralo.org. Hanggang sa muli.

Damaging Lies and Excuses Your Mind Likes To Tell You

The mind is a wonderful thing. It's also a total liar and an excuse machine that frequently tries to convince us not to take actions we know are good for us. This ultimately prevents many positive changes from taking place in our lives.

So why does the mind lie to us and make irrational excuses? Because the mind wants comfort – that's why. It's afraid of discomfort, pressure and change.

The mind is used to its comfort zone, and anytime we try to stretch that zone too far, for too long, the mind tries desperately to get back to ground zero at any cost… including sacrificing our long-term health, happiness and success. So let's expose some of the cowardly mind's most damaging lies and excuses once and for all:

1. "I can't do it." – It seems too difficult at first, so you think you can't stick to the positive change you're making. You don't believe in yourself enough to take another step. This is a common lie/excuse that can be countered by looking at the fact that other people no more capable than you have done it. Truth be told, the only person who can tell you "I can't" is you. If you hear those words echoing in the back of your mind, tune them out. In the end, your doubts and your faith have something in common. They both ask you to believe in something you can't see; you simply have to decide which one you want to believe.

2. "They can do it, but that doesn't apply to me because they have it better than me." – Just because someone else can, doesn't mean you can, right? You look for reasons they can do it but you can't – maybe he's an internet entrepreneur or freelance writer because he has no kids. Maybe she's way fitter than I am, so she can run a marathon. Maybe she doesn't have all the work and family obligations I have, or has a supportive spouse, or doesn't have bad knees. Stories abound of people with disabilities or illnesses who overcame their obstacles to achieve great things. Your obstacles can be overcome.

3. "It'll be too hard because I can't get by without _______." – Fill in the blank: I need my cellphones, my wine, my cheese, my sweets, my TV shows, my nine hours of sleep, my big house, my fancy wardrobe, etc. These are luxuries we convince ourselves we can't live without, so we can justify not making positive changes like eating healthier or exercising daily or saving money or simplifying our lives or building a profitable side hustle.

4. "Life is meant to be easier and enjoyed more." – Sure, I agree that life should be enjoyed (as many of us do) but the problem is that the idea that life should ALWAYS be easy and enjoyable is used to justify all kinds of lazy behavior. Might as well sit on the couch and scarf down those Twinkies, because hey, life is meant to be enjoyed, right? Nope. You can do without junk food and still enjoy life. You can exercise and enjoy it. You can give up a lot of comfort in your life and not lose a thing. In fact, the path of least resistance is often the path of least reward. You need to do hard things. There are no shortcuts to any place worth going.

5. "I can do it later." – Sure, you can always do it later… but your later self will feel the same exact way. Think about it: Why should your later self be more disciplined than your present self? In fact, because you're allowing yourself to slack off now, you're building a habit of procrastination and actually making it less likely that your later self will be more disciplined. So today, stop making excuses for why you can't get it done and start focusing on all the

reasons why you must make it happen. Stop talking about what you have done or what you are going to do. Just do it and let your actions speak for themselves. Most great things in life don't happen by chance, they happen by choice. You never know what's possible until you risk finding out. In the end, there is only one thing that makes your dreams and goals completely impossible to achieve: Your lack of action today.

CUSTOMS- COAST GUARD CEBU.ON ALERT VS. COCAINE ENTRY

The Bureau of Customs(BOC) and Philippine Coast Guard (PCG) in Central Visayas has been alerted and monitoring to prevent the possible entry of cocaine in the region.

Cebu Customs District Collector Atty. Elvira Cruz in an exclusive interview with DAILY TRIBUNE said she has ordered the Customs Intelligence and Investigation Service(CIIS) and the Emergency Security Services-Customs Police Division(ESS-CPD) to be " on alert" on the possible entry of cocaine,ecstasy and shabu on board international vessels and aircrafts.

"We are very sorry for the inconvenience as we have to be more stricter on incoming cargoes whether it enters via Cebu International Port(CIP) or at the Mactan Cebu International Airport(MCIA)," she insisted.

But Cruz clarified that in terms of seacrafts to monitor international vessels,it is the PCG that has the equipments and seacrafts for monitoring.

PCG- 7 Commodore Ronnie Gil Gava in a separate interview said " We are not letting our guards down,after recently,may mga suspected blocks of cocaine retrieved sa ibang probinsiya. We are doing our part, and we can do random checks in our areas with our K-9 units who are trained to detect them." He added that random inspection will be conducted in coastal areas in Central Visayas.

President Rodrigo Duterte disclosed Colombia cartel has already infiltrated the country. Citing the drug syndicates known as Sinaloa cartel of Mexico and Asian Bamboo Triad.

The Philippine National Police (PNP) and Philippine Drug Enforcement Agency (PDEA) seized 165 kilogram of blocks of cocaine worth P871.674 million in Tandag City in Surigao del Sur province,Dingalan town in Aurora province, Caraga town in Davao Oriental province and Dinagat islands.

MUNTI BASED DRUG RING NOW LORDS OVER CEBU SUPPLIES

After neutralizing the illegal drugs operations of Visayas based known drug lords Peter Lim, Kerwin Espinosa and Franz Sabalones, olice and drug enforcement agencies disclosed the entry of new players especially in the Province of Cebu. The revelation was made yesterday by the Intelligence Division(I.D.) of Police Regional Office(PRO)-7.

And the new player was identified as Rustico Ygot drug syndicate who is now an inmate in the National Bilibid Prisons in Muntinlupa City. The new player was traced when Police and Philippine Drug Enforcement Agency (PDEA) operatives raided two drug dens last week in Barangay Inayawan in Cebu City and Barangay Casili in Consolacion.

It yielded P190.4 million worth of shabu in two buy bust operations on known Drug Queen Jocelyn Encilla and Elymar Ancajas. Encila, upon the orders of Ygot, reportedly receives,stores, and distributes the illegal drugs shipped from Mindanao and Luzon.

Encila has a cousin in Bohol who is a police officer with a rank of Police Officer 2 assigned in the Bohol Provincial Police Office(BPPO) and a resident of Barangay Tangke in Talisay City.

A former japayuki,Encila had a romantic relationship with Ygot and had three other relationships with Arglo Garces,a known bigtime drug lord, an intelligence officer of the Philippine Coast Guard (PCG) and a Police Officer with the rank PO3.

The proof of the relationships was Encila's phone where they were together in vacations, family events and visits in Encila's farm. The PDEA released the Ygot Drug Ring matrix yesterday to the media.

Senior Superintendent Remos Medina, the Intelligence chief of PRO-7, the group disposed 300 kilograms or P2.4 billion before they were busted. A blue book was discovered when PDEA and PNP arrested Charlie Fortuna in a high end subdivision in Mandaue City which yielded P47.6 million worth of shabu in Barangay Cubacub.

OMBUDSMAN ASKED TO PROBE PLUNDER ON TOLEDO CITY'S GHOST EMPLOYEES WORTH P210-M

The Office of the Ombudsman yesterday has been requested to investigate the possible Plunder of public funds ostensibly paid to Job Order(JO) employees in the highly questionable and irregular "Clean and Green Program" of the City of Toledo, Cebu.

Former Third District Congressman Pablo John Garcia yesterday led 21 out of the 38 barangay captains of the city in filing the request to investigate the matter before the Ombudsman which according to documents had reached to P210 million through three supplemental budget resolutions in 2018.

Garcia said " In its Annual Audit Report for Toledo City in the Fiscal Year 2017,the Commission on Audit(COA) had already noted the highly suspicious and irregular disbursement of more than 100 million pesos in public funds supposedly paid to so-called Job Order(JO) employees whose existence, identities and actual work were in question.

The COA noted in item 6 of their report that " The necessity of hiring Job Order(JO) employees could not be established due to lack of contracts and doubtful daily time records of most job orders doing the fieldwork, thus the regularity and propriety of expenditures totalling P113,265,231.40 could not be ascertained.

In addition, some JO personnel hired did not perform piece of work or intermittent job of short duration and services rendered exceeded six months."

However, Garcia added " Despite these findings, and in defiance of the recommendations of the COA, the City of Toledo continued these questionable practices in the implementation of a 210 million peso Clean and Green Programs for Fiscal Year 2018 as follows: 1. Supplemental Budget No. 2 approved on 30 May 2018 of P70 million; 2. Supplemental Budget No. 7,approved on 25 October 2018 of P60 million; and 3. Supplemental Budget No. 8 enacted on 10 October 2018 of P80 million.

"The fund, ostensibly to employ job order (JO) employees at P350 per day to clean and green Toledo, was appropriated thru supplemental budgets in three tranches beginning in May and ending in October of 2018.

Considering the sheer magnitude of the fund, there should have been a clear and unmistakable improvement in the hygiene and landscape of the city," Garcia insisted.

The people of Toledo City has been asking Why is there no visible sign of any JO employees cleaning our barangays?

If you do the math,P200 million for six months is around P33 million a month. Working at P350 a day for 20 days a week, there would have been--at any given day-- 4,760 JO employees working in the 38 barangays of Toledo City. And yet if you ask any resident, no sign of these Clean and Green JO employees was evident during the last half of 2018.

In several sworn affidavits by residents and former JO employees disclosed that the employees are made to fill up personnel data sheets, daily time records and sign the documents and are being paid for P1,500 to P2,000. While many in the JO payrolls are fictitious persons and are non residents nor registered voters of the city. In a press conference after the filing, Garcia revealed that there were JO employees in the payroll that are employees of Gaisano Metro in Toledo City,a seaman who is abroad, a college student studying in Cebu City and an employee of Jollibee in Toledo City.

As he urged the Ombudsman to preventively suspend Mayor John Henry Osmena, Councilors Marjorie Perales and Leo Dolino, Executive Assistant II Justin Anthony De Jesus, Officer-In-Charge(OIC) Budget Officer Gethsemane Mahinay, Officer-In-Charge(OIC) City Administrator Ferdinand Marquez, City Treasurer Leonardo Rivera Jr.,

Human Resource Management Officer(HRMO) Edwin Abad, City Accountant Ramon Samper and Liga ng mga Barangay President Ophelio Dolino.

Garcia presented to media several payroll documents that the handwriting on signatures are clearly "forged" as there is one ballpen used and the penmanship are all the same. Mayor Osmena was unavailable as of press time.

BAGMAN CUM KOLEKTOR NG TARA, TALAMAK SA BOC?

MATUNOG ang ilang pangalan ng mga kawani ng Bureau of Customs, hinggil sa TALAMAK na TARA SYSTEM, kung saan ito raw ang nagiging sentro ng KURAPSYON, at sanhi ng INFLATION ng ekonomiya. Alam kaya ito ni BOC Comm. Jagger?

Despalinghado kaya ang INTELLIGENCE ng ahensya? O sadyang natatapalan ang kanilang mga MATA, at TAENGA, kung kaya't pipi't bingi! Magkano kaya ang naging CASH-SUNDUAN? Meron bang aalingasaw na baho! Ambot!

Mukhang ginagawang tanga o marahil nagtatanga-tangahan lang ang mga taga INTEL? Bakit sila nalulusutan ng mga PERSONALIDAD na BAGMAN CUM KOLEKTOR? O baka naman namamantikaan din at nasilaw ng SALAPI ang pamunuan ni Deputy Comm., for Intelligence Group Gen. Ramiro? Nagtatanong lang!

Ito Dep. Comm. IG Gen. Ramero! Sino itong Maricon ng Port of Manila? Balita ko po ito ang humahakot ng TARA? Totoo kayang ito ang binigyan ng ASSIGNMENT para mabawi ang 30 milyon ni COLLECTOR para maka pwesto? Sinong Collector ba ito? Madami sila sa POM! Ambot!

Dumako naman tayo sa Manila International Container Port, sa ilalim ni District Collector Atty.Dino Austria. Gaano kaya katotoo na si Mr. Ben ng Intelligence Group, ang siyang KOLEKTOR ng TARA? Kakahiya, under ka pa naman ni Gen. Ramiro….

Ang nakakadismaya lang po, pati ba naman sa tanggapan ni Kumisyuner Jagger Guerrero! Nariyan daw po si Lloyd? Kanino kaya ito bataan? Bakit nito ginagamit ang pangalan ng isang Atty. Jumamil? Naku po! Lagot ka kay Mr. 5M este Atty. Waray! Haitz!

Pumunta naman tayo sa parte ng Kabisayaan lalo na sa balwarte ng Cebu. Namamayagpag raw dito si Mr. Joey? Gaano ito katotoo? Sikat na sikat ang pangalan mo DONG! Alam ba yan ni Collector? O baka naman may sarili ka nang CASHIERS OFFICE? Ambot!

Sinusubukan po natin makontak ang mga pangalan ng mga nabanggit na personalidad, ngunit mahirap po silang ma REACH! Ha ha ha! Parang pulitiko lang. "Madaling lapitan, Mahirap hanapin!" May ganun! Ambot sa kambing na may bangs!

Samantala, bukas ang pitak ng inyong lingkod para sa inyong panig. Hihimayin po natin ang inyong mga paliwanag para patunayan na wala kayong kinalaman sa sinasabi nilang TARA. Kung meron naman, kayo na po ang magpaliwanag kay Comm. Guerrero.

Gayunman, naniniwala pa rin ako na "KAPAG MAGSABI KA NG TAPAT, TIYAK GIGINHAWA ANG IYONG KALOOBAN!" Ambot sa kambing na may bangs! Huwag niyo pong sirain ang inyong mga pangalan. Kakarampot lang na kita magpapagamit kayo sa mga amo niyong KURAP!

BATANG ABOGADO SA BOC, KADUDA-DUDA ANG SALN?

SO YOUNG AND YET SO CORRUPT: Ito ay isang pamagat ng aking inilathala sa PITAK na ito, kung saan marami ang nag COMMENT, at tumawag sa inyong Lingkod para tigilan ko na daw po ang aking pagsusulat, hinggit sa korapsyon sa BOC. Pati ang aking publisher ay nakaranas ng pangha HARASS. Isinulat ko din po ang isinasagawang imbestigasyon na diriktiba ni Bureau of Customs Jagger Guerrero, na nagsasaad sa CPO No. 20-2019, at inaatasan sina Dep. Comm. Raval, at Dep. Comm. Ramiro na mamuno sa imbestgasyon kaugnay sa pagkakapuslit ng ASUKAL at BIGAS.

Hindi kaya dito nagkamal ng salapi si BATANG ABOGADO? Dahilan para meron siyang hindi maipaliwanag na State of Assets and Liabilities. Tumatanginting lang naman po na 250 milyon ang kanyang assets, at kasama na ang kanyang salapi sa BANKO. Paano ito nangyari?

Ayon sa aking source, iniimbestigahan na daw si BATANG ABOGADO, dahil sa pagiging utak nito ng CENTRALIZED TARA SYSTEM, na namamayagpag umano sa Bureau of Customs. Ito kaya si DARNA? Ambot sa isdang bilasa!

Sinusubukan daw po itong kapanayamin ng operatiba ng National Bureau of Investigation, ngunit mahirap daw itong mahagilap. O ayaw lang humarap! Ha ha ha! Meron kayang itinatago? Nagtatanong lang!

Teka, totoo bang ang Malakanyang ang nagbigay ng Memorandum na imbestigahan si BATANG ABOGADO? Paano utak daw ng CENTRALIZED TARA? Marahil dapat itong sumailalim sa LIE DETECTOR TEST. Paano magaling daw ito mag sinungaling! Ha ha ha! Ito ata ang kanyang MAJOR SUBJECT as in LYING!

Tototo bang meron itong deklaradong ari-arian na umabot ng 175 milyon at 75 milyon cash on hand. Magkano ang sweldo ni BATANG ABOGADO? Ito ba iyong may mga ROLEX na palaging isinusuot kapag pumapasok sa opisina? Haitz! Abogado ka dimo alam ang nilabag mo na batas!

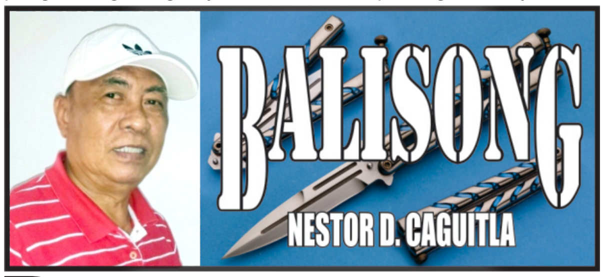
Ang ikinakatakot lang ng inyong abang lingkod baka WALANG MANGYARI sa imbestigasyon! Unang-una, ang ilan daw pong mga sangkot sa TARA SYSTEM ay siyang miyembro ng TARA SYSTEM SYNDICATE, sila din ang INVESTIGATION TEAM? Hay naku! Naloka ako dun!

Parang naniniwala ako na UNTOUCHABLES itong sina Ben, Joey, at Lloyd or Kiko. Bagman ba naman ni BATANG ABOGADO! Ito po ang palaging nagsasabi na 'SINO MGA BACKER NIYO? CONGRESSMAN, SENADOR! ANG AKIN NENONG KO LANG NAMAN SI PANG. DIGONG!

Sana hindi masilaw ang mga taga Special Action Unit ng National Bureau of Investigation. Paano galante raw itong si BATANG ABOGADO. At bago po ang lahat! Paborito raw ito ng nasibak na Kumisyuner dahil sa pagkakpuslit ng SHABU. Si Comm. Lapena? Ambot!

Susunod raw na iimbestihan si AL-KUHOL, sapakat MODUS raw ng grupo nila ang pagpapalusot sa Informal Entry Division. Haitz! Bakit kaya hindi masibak? Totoo kaya na binabawi pa ang 30 milyon? Sino kaya ang tumanggap nun! Sana hindi ang kababayan ko na si Mr. 5M. Gaano kaya ito katotoo? May susunod pa! Hahalukayin natin ang kanilang appointment! May na-aamoy ako! Ha ha ha!

VILLAR: FRIENDSHIP BRIDGE IN ANGELES CITY NOW OPEN TO MOTORISTS



Department of Public Works and Highways (DPWH) Secretary Mark A. Villar formally opened today, March 12, 2019 the widened Friendship Bridge in Barangay Anunas, Angeles City, Pampanga.

With Secretary Villar at the inauguration ceremony are Pampanga 1st District Representative Carmelo "Jon" B. Lazatin II, Angeles City Mayor Edgardo Pamintuan, DPWH Senior Undersecretary Rafael C. Yabut, Assistant Secretary Eugenio R. Pipo Jr., and other local officials of the Province of Pampanga.

The opening of the 240-lineal meters Friendship Bridge completed in the amount of P122.5 Million under the national government's "Build, Build, Build" program will provide solution to the traffic congestion along the Friendship Circumferential Road also known as West Circumferential Road.

Villar said that the additional two (2) lanes bridge and road widening of Friendship Circumferential Road will facilitate better mobility for commuters and motorists doing business in the bustling cities of San Fernando and Angeles City, including the Clark Freeport Zone, and Porac town.

With the widened road and bridge, the travel time from San Fernando City to Clark via Friendship Circumferential Road will be reduced from 30 minutes to 20 minutes, added Villar.

DPWH Region III Director Roseller Tolentino said that aside from construction of bridge and road widening, the project implemented by the Pampanga 3rd District Engineering Office headed by District Engineer Tito Jesus Salvador also includes maintenance work of the other existing two (2) lanes bridge such as repainting using anti-corrosion paint on metal structures and sealing of cracks, slope protection, and provision of safety devices such as concrete railings, signage and pavement markings.

The new bridge made of reinforced concrete deck girder on bored pile foundation and the approach road on both sides has a total length of 585 meters.

FLOOD CONTROL PROJECT NG DPWH SA BAYAN NG CALASIAO PANGASINAN, NATAPOS NA

Sa ulat ni Pangasinan 4th District Engineer Simplicio Gonzales kay DPWH Sec. Mark Villar, natapos na ng DPWH ang 24.57 milyong proyekto ng flood control sa construction ng 550 lineal meter Gabion Revetment Wall sa kahabaan ng Ingalera River sa Barangay Macabito, Calasiao, Pangasinan.

Ayon kay D.E. Gonzales, ang munisipalidad ng Calasiao ay karaniwang nalubog sa tubig baha sa panahon ng malakas na pagbuhos ng tubig ulan pero sa ngayon ay hindi na lubog sa tubig dahil nakumpleto na ang proyekto ng DPWH na flood control.

Sabi pa ni D.E. Gonzales, and mga gabion na ginawa ng DPWH ay hindi na guguho ang lupa sa kahabaan ng riverbank at pagbawas ng biglang pagtaas ng tubig sa lugar.

Dagdag pa ng Pangasinan Dist. Engr., bukod sa pagprotekta sa mga residente sa 24 na barangay ng bayan ng Calasiao, ang Gabion Revetment Wall ay maiiwasan nito ang pagsira ng mga halaman sa bukirin.

Sa mga nakalipas na taon, ang munisipalidad ng Calasiao ay kabilang sa mga lugar na inilagay sa ilalim ng estado ng kalamidad hindi lamang sa panahon ng pag-atake ng bagyo at malakas na buhos ng tubig ulan na nagdulot sa milyon-milyon halaga ang napinsala.

BI AGENTS NAB BIGTIME KOREAN SWINDLER

The Bureau of Immigration (BI) is deporting another South Korean fugitive wanted for swindling nearly a hundred people in three Asian countries through telecommunications fraud that caused the victims to lose more than half a million dollars.

BI Commissioner Jaime Morente said operatives from the bureau's fugitive search unit (FSU) arrested last Wednesday inside his unit in a high-rise condominium tower in Makati City 40-year-old Kim Youngin.

Morente said he issued a mission order for Kim's arrest after the South Korean embassy informed the BI about the fugitive's crimes.

"He (Kim) no longer holds a valid passport because it was already cancelled by the Korean government. He will thus be deported for being an undocumented and undesirable alien," the BI chief added.

According to BI-FSU chief Bobby Raquepo, Kim is also an overstaying alien as he failed to extend his stay since he last arrived in the country as a tourist in August 2015.

Raquepo added that Kim was issued an arrest warrant by a Korean court after he was indicted for large-scale fraud and swindling.

Korean authorities alleged that Kim established and headed a voice phishing organization named "Hoon- yi" which engaged in telecommunications fraud in Incheon Korea; Weihai China and Cambodia from April 2012 up to March 2015.

By pretending to be a counselor of a company called D-REX that offered low interest loans to prospective customers, Kim and and his cohorts reportedly defrauded their victims in the said three countries of more than $530,000.

Investigation also revealed that the syndicate had a database with the personal information of their victims which they utilized to contact, deceive and entice their victims to give them money in exchange for processing their loan applications.

It was further alleged that the fraudsters resorted to voice phishing which enabled them to engage in identity theft and gain access to the private, personal, and financial information of their victims.

PINOY TALO SA PAGKALAS SA ICC-CHR

ITINUTURING daw ng Commission on Human Rights (CHR) na nagwagi ang "impunity" sa bansa makaraang kumalas ang Pilipinas sa International Criminal Court (ICC) at para sa mga nagsusulong sa mga karapatang pantao.

At isa daw itong malaking dagok para sa mga pamilya ng mga biktima ng madugong war on drugs na ipinatutupad ng Duterte administration.

Sinabi pi ni CHR spokesperson Jacqueline de Guia na ang hakbang ay pagtalikod rin ng Pilipinas sa mga international treaty obligations at pagtalikod sa mga tagumpay ng bansa sa pagsusulong ng hustisya at karapatang pantao.

Kaya nga daw sa bandang huli ay mga Pinoy ang talo kung hindi na nila maaasahan ang justice system na protektahan sila. Magugunita po natin na noong nakaraang Marso 2018 ay kagyat na inutos ni Pangulong Rodrigo Duterte ang pag-alis ng Pilipinas mula sa Rome Statute, ang treaty na bumuo sa ICC.

At makaraan nga po na ianunsyo ng tribunal na magsimula ito ng preliminary examination sa reklamong crimes against humanity laban sa Pangulo dahil sa kampanya ng pamahalaan laban sa droga.

Si Duterte ay nahaharap din sa hiwalay na reklamo dahil naman sa umanoy mga naganap na patayan sa Davao City na kagagawan daw ng mga death squad noong ito ang meyor pa ng nasabing siyudad.

HINDI po talaga maikakaila na napakalaking tulong sa ating ekonomiya ang ating mga manggagawa sa ibang bansa sapagkat lumago ang Overseas Filipino Workers remittance nitong Enero ng 2019 batay sa datos ng Bangko Sentral ng Pilipinas (BSP). Nabatid mula sa BSP ay tumaas daw ng 3.4% ang personal remittances ito ay mula sa dating $2.66-B ay umakyat ang ipinapadalang pera ng mga OFWs sa $2.75 bilyon.

At ang balita po natin na ang mga land-based OFWs ay nakapagtala ng 2.3% o $2.12-B remittance mula sa $2.07-B.

Samantalang tumaas naman daw po ng 12.6% ang remittance ng mga sea-based OFWs na may kontratang wala pang isang taon. Napag-alaman mula kay BSP Governor Benjamin Diokno na naitala ang pinaka-mataas na sa share sa Estados Unidos, sumunod naman rito ang Saudi Arabia, Singapore, United Kingdom, United Arab Emirates, Japan, Canada, Qatar, Hong Kong, at Kuwait.

EPEKTO NG NARCO LIST SA ELEKSYON

PUWEDE lamang na maging pinal ang diskuwalipikasyon ng isang kandidato kapag mismong ang Korte Suprema na ang magdesisyon dito.

Ito ang nililinaw po ngayon ng Commission on Elections(Comelec) na walang epekto daw sa kandidatura ng mga pulitiko ang pagkakasama ng kanilang mga pangalan sa narco-list na isinapubliko ni Pangulong Rodrigo Duterte.

Sinabi ni Comelec Spokesperson James Jimenez matapos isapubliko ng Chief Executive at isa-isang banggitin ang mga pangalan ng mahigit 40 pulitiko na umano'y sangkot sa aktibidad ng illegal na droga sa bansa.

Naniniwala si Jimenez na kahit walang epekto sa kandidatura ay posible na makaapekto ang pagkakasama ng pulitiko sa listahan sa desisyon ng mga botante kung sinu-sino ang kanilang iboboto sa Mayo 13.

Iginigiit ng opisyal na maaari lang madiskuwalipika ang isang kandidato kung may final conviction na sa kinakaharap nitong kaso.

"Makakaapekto ito sa desisyon ng botante pero sa kandidatura, officially walang epekto, dahil ang narco-list is a list of suspects. Hindi 'yan list of convictions," paliwanag ni Jimenez ayon sa opisyal. "Ang puwede lang ma-disqualify ay 'yung may final conviction," paglilinaw ni Jimenez.

Sinabi nitong si DoT Undersecretary Art Boncato, Jr na tungkuling isuplong ng local government ng Malay, Aklan sa kanilang tanggapan ang mga establisimyentong lumalabag sa mga alintuntunin sa isla. Sinisiguro nila na agaran ang gagawan ng aksyon ng DoT ang mga reklamong matatanggap nila.

Sa panig naman ni DoT-Westrern Visayas director Atty. Helen Catalbas, kailangan nila ang pakikipagtulungan ng LGU kaugnay ng naturang usapin.

Base sa record aabot sa 320 hotel at resort ang nabigyan na nila ng accreditation makaraang makumpleto ang lahat ng kinakailangan upang makapag-operate ng negosyo.

"Our purpose is to sustain a better and cleaner Boracay Island," ayon sa opisyal. "Unlike in the past, Boracay-bound tourists are now required to have bookings with DoT-accredited hotels and resorts. Otherwise, they are not allowed to enter the island if they do not have proof of a hotel or resort booking. There has been strict checking at mainland Malay town before tourists are allowed to go ride the boat going to Boracay," ayon pa sa DoT.

NATIONAL ID SYSTEM AARANGKADA NA

ANG unang batch po ng Philippine Identification System (PhilSys) na siyang magsisilbing single identification system para sa lahat ng Pinoy at resident alien at nang sa gayon ay hindi na kailanganin pa ang magprisinta ng ibang uri ng identification kapag nakikipagtransaksyon sa gobyerno at pribadong sektor ay inaasahan po na maipapalabas na sa darating na Septiembre.

Ayon sa report ay aabot po sa anim na milyong Pilipino ang tatanggap ng kanilang national identification cards kapag lumabas ang unang batch ng nasabing card.

At qualified po makakuha nito ang mga Pilipino mula limang taong gulang pataas at resident alien at ang unang irerehistro ay mga indigent, persons with disabilities (PWDs) at mga empleyado ng gobyerno.

Sa mga kukuha ng ID na ito o PhilSys ay kailangan ang biometrics (thumbprint, iris and face scanning), buong pangalan, kasarian, kapanganakan, lugar kung saan ipinanganak, blood type, address, at kung isang tunay na Pilipino o resident alien.

At depende po naman sa kukuha kung gusto pa nitong ilagay ang marital status, mobile number at email address sa card at pagkatapos ng libreng pagpaparehistro, bibigyan ang registrant ng kanyang permanenteng PhilSys Number.

Sa isinagawang pagdinig ng House Oversight Committee on Population and Family Relations ay sinabi ni Lourdines Dela Cruz, Deputy National Statistician ng PSA na ito ay alinsunod sa RA 11055 (The Philippine Identification System Act) at sisimulan na nila ang pagpaparehistro ng aabot sa anim na milyong katao para sa PhilSys sa darating na Setyembre.

Andy Verde

Siniguro ng mga opisyal ng PSA sa House panel na handa silang magsagawa ng unang batch ng registration at determinadong makapag-i-isyu sila ng unang pangkat ng ID sa Setyembre. Nabatid din sa pagdinig na ayon sa PSA aymakapag-i-isyu daw sila ng 100 milyong card sa mga Pinoy at resident alien sa 2022.

DAHILAN sa nararanasan po na kakulangan sa suplay ng tubig dito sa Kamaynilaan ay bibigyan daw po ng prayoridad Department of Health (DOH) sa rasyon ng tubig ang mga ospital.

Kaya nga daw personal na nagpunta itong si Health Secretary Francisco Duque sa Manila Water at nakausap niya ang chief operating officer na si Mr. Geodino Carpio na nagsabing susuplayan nila ng sapat na tubig ang lahat ng DOH hospitals upang matugunan ang pangangailangan.

Kung kaya't sinisiguro ni Duque na prayoridad na susuplayan ng sapat na tubig ang mga ospital sa gitna na rin ng nararanasang water interruption partikular sa Metro Manila.

Sa kasalukuyan po ay apektado na ng problema sa supply ng tubig ang Rizal Medical Center sa Pasig City na naglimita na ng admission kamakalawa subalit muling binuksan sa normal ang pagtanggap ng mga pasyente for confinement. Napag-alaman na kung may interruption umano ang water supply ang mga ospital ay 'uniterrupted operations' na hindi maaring makompromiso ang kalusugan at kaligtasan ng mga pasyente.

At batid din ng publiko na lubhang napakahalaga sa mga ospital o pagamutan ang suplay ng tubig kung saan nakasalalay ang hygiene at sanitation ng mga pasyente nila.

VETOING OF OSG BILL, A WASTE OF TAXPAYERS' MONEY - GORDON

Senator Richard J. Gordon has decried the vetoing of the proposed bill strengthening the Office of the Solicitor General as a waste of taxpayers' money. "It was a waste of time, a waste of taxpayer's money. We worked so hard for this bill. It was an administration bill. I had no plans of filing such bill but they lobbied for it. They vetoed themselves," he said.

President Rodrigo R. Duterte vetoed last week enrolled bill Senate Bill No. 1823 /House Bill No. 7376 because of apprehension that the provisions of the proposed measure granting benefits beyond the current compensation framework for other government offices may prove to be too onerous to the government because it will create too much disparity and inequality among the public servants in the Executive Branch, among others.

"They asked for their salaries be the same as others. We complied and we even debated it for them," the chairman of the Committee on Justice and Human Rights said.

Gordon, who sponsored the bill in the Senate, said the bill would ensure that the benefits received by the solicitor general and the OSG lawyers would be at par with their counterparts in the judiciary, the Department of Justice and the Office of the Ombudsman. During the deliberations of the bill, he underscored the need to strengthen the OSG by adjusting the salaries and providing more benefits in order to attract and hire more lawyers.

Ilocos RDC recommends PORTASOL dryer use

LAOAG CITY – The Ilocos Regional Development Council (RDC 1) has noted the very encouraging feedbacks they have gathered from Ilocano farmers and many others from various regions, on how the Portable Solar Dryer (Portasol) has benefitted them since RDC 1 commended and endorsed the technology in 2018, following its introduction to them the previous year.

In their 2018 resolution, the RDC 1 Board urged "all government instrumentalities" and concerned groups to promote the Portasol technology among farmers and other users of drying facilities after it found the equipment to be highly effective and efficient in drying not only palay but also other high-value crops including corn and tobacco and even fish.

National Economic Development Authority (NEDA) Ilocos regional director and RDC 1 vice chair Nestor Rillon said it is necessary to address the insufficiency of post-harvest facilities in the region that "aggravates the practice of drying palay on national roads and highways, which poses danger to lives while causing tremendous grains loses worth billions of pesos."

Rillon noted that for decades, no significant solution has been made to address the country's post-harvest problems. The DPWH has banned palay drying along highways but the ban is hardly noticed. "The Portasol drier is both timely and crucial in "achieving what the country needs now," he stressed.

A study by the Bureau of Postharvest Research and Extension indicates that the country suffers tremendousloses worth billions of pesos from wasteful drying practices. The lack of post-harvest facilities complicates the problem further because "farmers are compelled to sell their fresh palay to dealers at low prices" and rice dealers use the highways to dry them.

The Portasol is a Filipino invention. It was developed by Francisco "Popoy" Pagayon, president of the Filipino Inventors Society (FIS) and the FIS Producers Cooperative (FISPC) who said he designed it for drying palay and other high-value crops, including fish; save grains losses; help address risks to farmers and commuters' lives along highways; and help spare motorists from being held hostage by workers of big-time rice dealers who even install physical barriers so vehicles will not run over the grains they dry.

To discourage big rice dealers from using the highways to dry their grains, Pagayon said the government may consider imposing "fines" on a per-square-meter basis of the paved road space they occupy. **(Win Bataller)**
