## GORDON WANTS ROTC REVIVED

**W**ith China already getting a foothold in Philippine territories in the disputed chain of islands in the South China Sea, Senator Richard J. Gordon reiterated anew his proposal to revive the Reserve Officers Training Corps (ROTC) in preparation for any attacks.

"We are challenged right now, and we should be prepared. I have been proposing the revival of the ROTC so that male citizens who are 18 years old will have military training. They can be asked to give six months military service. In other countries, citizens are even asked to give as long as two years," Gordon said during the Commemoration of the 77th Araw ng Kagitingan and Philippine Veterans Week held at Fort Bonifacio last Friday.

mapanganib dahil may taglay ang mga ito ng nakalalason at nakabubulag na kemikal na kapag nakagat ang sinumang tao ay posibleng maging dahilan ng kanilang pagkabalug o kamatayan.

Dating gawi. Sinasabing nadiskubre ang naturang illegal na kargamento sa gift-wrapped kasama ang ilang kahon na oatmeal at cookies nang dumaan ang kinalalagyang mga bagahe sa epektibong anti-smuggling X-ray machines na minamanduhan ng grupo ni Ray Isais na nakadeploy sa CMEC.

"Violators of illegal wildlife trading may face imprisonment of one year and one day to two years and a fine of P20,000.00 to P200,000.00 based on R.A. 914 (Wildlife Resources Conservation and Protection Act) and or three years and one day but not more than six years imprisonment or a fine of not more than P300,000.00 under unlawful importation pursuant to RA 10863 (Customs Modernization and Tariff Act)," paglilinaw pa nina Coll. Talusan at Ray Isais.

Gayunman, base sa pinakahuling datos, simula nu'ng 2018 hanggang sa kasalukuyang taon, umaabot na sa 2,152 wildlife and endangered species na kinabibilangan ng 63 iguanas, chameleons and bearded dragons, 250 geckos, 254 corals, at iba pang kauri na nasabat bago tuluyang kinumpiska at magkakasunod nai-turn over ng tropa nina Coll. Talusan at Ray Isais sa Department of Environment and Natural Resources (DENR). Kasama rito ang P4.5 milyong halagang 1,532 mga pagong na Star Tortoise, Redfoot Tortoise, Sulcata Tortoise, at Red-eared Slider species na tangakng ipuslit sa NAIA Terminal noong March 19. Nabisto ang imported na mga pagong

pagkaraan na sumalang sa epektibong anti-smuggling na X-ray o scanning machines ang dalang mga bagahe ng isang Pinoy na pasahero galing HongKong.

Pero kung matatandaan ninyo, naunang nasakote ng kampo nina Coll. Talusan at Ray Isais ang 13 botelya na naglalaman ng 650 tablets ephedrine na isang pangunahing sangkap sa paggawa ng primera klaseng shabu noong March 21. Idineklarang "ashma supplements" na nakapaloob sa ilang parcel buhat sa Canada.

Matatandaan rin magkakasunod na natimbog ng kampo nina Coll. Talusan at Ray Isais ang aabot sa P90 milyong halagang mga shabu na tangkang ipuslit habang nakalagak sa DHL warehouse, Pasay City nu'ng February 12. Pagkatapos ay naharang rin ng grupo ang de-kalibreng mga baril at iba't ibang klase ng bala na tinangka rin ipuslit sa parehong bodega noong February 13.

Kasunod nito, nadale rin ng grupo ang 1,269 pirasong Ecstasy na aabot sa P2,151 milyong halaga na tangka rin ipuslit sa CMEC noong February 22. Ang illegal "party" drugs ay nakaconsign sa isang pangalang G. Voolthuzen, nakapaloob sa 3 packages ng self-seating plastic bags at idineklarang "lightbox" at galing sa Netherland. Ang galing ng grupo nina Coll. Talusan at Ray Isais 'di ba? Ito ang kahanga-hangang resulta ng kanilang 24/7 na todo-kayod laban sa smuggling. Wala naman kasing duda na ang pangunahing layunin sa kanilang pagsisilbi ay ang patuloy na pagbibigay ng proteksyon sa interes ng ating gobyerno. Congratulations, Guys! Mabuhay kayo, mga Bossing!

Likewise noting that the country faces a buffet of disasters, both natural and man-made, Gordon stressed the importance of having an army of reserved officers who could be called upon and mobilized to assist in matters of external and territorial defense, internal security and peace and order, and disaster risk reduction and management.

# Strong Signs It Is Time To Let Go

**H**olding on is being brave, but letting go and moving on is often what makes us stronger and happier in the long run. With this in mind, here are some signs it's time to let go:

1. Someone expects you to be someone you're not. – Don't change who you are for anyone else. It's wiser to lose someone over being who you are, than to keep them by being someone you're not. Because it's easier to mend a broken heart, than it is to piece together a shattered identity. It's easier to fill an empty space in your life where someone else used to be, than it is to fill the empty space inside yourself where YOU used to be.

2. A person's actions don't match their words. – Everybody deserves somebody who helps them look forward to tomorrow. If someone has the opposite effect on you, because they are consistently inconsistent and their actions don't match up with their words, it's time to let them go. It's always better to be alone than to be in bad company. True friendship is a promise made in the heart – silent, unwritten, unbreakable by distance, and unchangeable by time. Don't listen to what people say; watch what they do. Your true friends will slowly reveal themselves over time.

3. You have a habit of moping and feeling sorry for yourself. – Happiness is not the absence of problems, but the ability to deal with them. Imagine all the wondrous things your mind might embrace if it weren't wrapped so tightly around your struggles. Always look at what you have, instead of what you have lost. Because it's not what the world takes away from you that counts; it's what you do with what you have left.

4. You truly dislike your current situation, routine, job, etc. – It's better to be a failure at something you love than to succeed at doing something you hate. Don't let someone who gave up on their dreams talk you out of going after yours. The best thing you can do in life is follow your heart. Take risks. Don't just make the safe and easy choices because you're afraid of what might happen. If you do, nothing will ever happen. Chances must be taken, mistakes must be made, and lessons must be learned. It might be an uphill climb, but when you reach that mountaintop it will be worth every ounce of blood, sweat and tears you put into it.

5. You catch yourself obsessing over, and living in, the past. – Eventually you will overcome the heartache, and forget the reasons you cried, and who caused the pain. Eventually you will

realize that the secret to happiness and freedom is not about control or revenge, but in letting things unfold naturally, and learning from your experiences over the course of time. After all, what matters most is not the first, but the final chapter of your life, which unveils the details of how well you wrote your story. So let go of the past, set yourself free, and open your mind to the possibility of new relationships and priceless experiences.

## CEBU CITY TO IMPLEMENT BIKE LANE ORDINANCE IN 5 MAJOR BRGYS

**PORTWATCH**  
**Rico Osmeña**

The Cebu City government is set to implement an almost five year old ordinance providing shared priority bike lane in designated roads in the city. Cebu City Environment and Natural Resources Officer (CCENRO) Nida Cabrera identified Barangays Sambag 1, Sambag 2 and Calamba as the pilot areas for the bike lanes.

"We are conducting consultations among these three pilot barangays with its officials and residents. We will be identifying the length and the specific area along V. Rama avenue," she said.

"There is a suggestion to put a barrier on the marking for the bike lane but we will have to ask the barangays because the ordinance provides sharing scheme," she added.

Under the ordinance, a shared-lane marking is a 1.5 meter wide pavement parking installed on the rightmost side of the traversable area of the road and to indicate where bikers or cyclist should ride their bikes.

A provision in the ordinance for bikers, should be equipped with proper brakes, light reflector, and safety gears. Exhibitions and stunts are prohibited along the bike lanes.

"We have seen that many are using bike for work so we will implement it. CCENRO and Cebu City Transportation Office (CCTO) will check the viability of the bike lane at the pilot site," Cabrera explained.

She added that while the ordinance states that the bike lane is a shared lane, she reminded motorists that bikers are still a priority on such lane which means that if bikers are using the lane, there should be no other type of vehicle using it at the same time.

The City has allocated P2.2 million for the construction of a bike clinic facility, bike racks in public schools, and for bike markings along the road.

The ordinance penalizes bikers, who violates at P500, P1,000 and P1,500 for first, second and third offense, respectively. It was in October 2014 that the ordinance providing for shared priority bike lane in designated roads in the city that was approved by the City Council.

### HOUSE OVERSIGHT COMM DIRECTS CEBU PORT AUTHORITY (CPA) TO STOP ILLEGALLY COLLECTING FEES FROM TABUELAN PORT

Even with an expired Memorandum Of Agreement (MOA), the Cebu Port Authority (CPA) has been collecting port maintenance fees from the Tabuelan, Cebu port and is said to be illegal, says the House Oversight Committee on Transportation which was presided over by House Speaker and former President Gloria Macapagal-Arroyo.

This as Third District Representative Gwendolyn Garcia sponsored a motion stating " In view of the expired MOA entered into by the CPA and the municipality which has expired in March 23, 2014, all further payments for the 40 percent share and another 15 percent share to the CPA should be withheld until another formal MOA is entered into by the two parties."

She added that the Municipality of Tabuelan should no longer have to remit between P500,000 to P800,000 per month to the CPA as payment for wharfage, berthing and other port charges as the MOA between CPA and the municipality has already expired in 2014.

Citing that for the period of January 2017 and January 2018 alone, the 40 percent share of the CPA from the Tabuelan port has reached to P7.4 million and the other 15 percent share which is to P627,000 and another P970,000 payment for VAT.

"This is a lot of money involved here and there is no formal documentation to back up the collection of these fees," Garcia inquired before the officials of the Department of Transportation (DOTr) and CPA.

This complaint stemmed from the Visayan Association of Ferryboat Services and Coastwise Operators before the oversight

committee on the 40 percent arrastre and stevedoring fees of Tabuelan port when in fact, these two services are not being rendered by the municipality.

Fourth District Representative Benhur Salimbangon for his part insisted that the CPA has not spent a single centavo in the construction of the port, it is best that the 40 percent share to the CPA should be instead retained by the municipality for the port's further improvements.

GMA presided over the House Oversight Committee on Transportation in Tabuelan especially the port development aspects of the Roll On Roll Off (RoRo) which was initiated during her presidency.

The municipality of Tabuelan and CPA entered into a 10-year MOA on March 24, 2004 until 2014 but Tabuelan requested for an extension of the MOA and not acted upon by the CPA until this writing.

### PDP-LABAN ALLIED ONE CEBU-TEAM MANDAUE MUSTERED 20K SUPPORTERS

Despite not being the incumbent but the official candidates of the Pilipino ng Demokratikong Pilipino-Lakas ng Bayan (PDP-LABAN), the Team Mandaue-One Cebu political party was able to mobilize Friday night more than 20,000 supporters in Mandaue City.

Sixth District Representative and Mayoralty candidate Jonas Cortes was elated by the turnout of supporters from 27 Barangays in this city.

"The Mandauehanons has urged me to return back in city hall, thus this urging has convinced me to serve them back as the city manager leaving my one term year old district representation," he added.

"Problems in livelihood, infrastructure, floods, peace and order and terminations of more than 2,000 job order personnel in city hall challenged me to recapture city hall which was awarded to the incumbent Mayor Luis Gabriel Quisumbing in silver platter by me," Cortes disclosed.

Quisumbing's group, the Hugpong ng Mandauehanon sa Pagbabago (HMP) will hold their opening salvo today at the Mandaue City Sports complex.

Cortes was endorsed by President Rodrigo Duterte while Quisumbing was reportedly endorsed by Davao City Mayor Sara Duterte-Carpio.

In the Team Mandaue opening salvo were Senatorial candidates Lito Lapid and Bong Revilla with PDP-LABAN- HNP-ONE CEBU gubernatorial candidate Third District Representative Gwendolyn Garcia, Vice Gubernatorial candidate Daphne Salimbangon, Sixth District Congressional candidate Emmarie Lollipop Ouanon- Dizon and the provincial board and the councilorial slate. In Cebu City, the local party Bando Osmena-Pundok Kauswagan (BOPK) yesterday had their proclamation rally at the Cebu City Sports complex.

Led by reelectionist City Mayor Tomas Osmena and his runningmate Councilor Mary Ann delos Santos with reelectionist North District Representative Raul del Mar and South District Representative Rodrigo Abellanosa and their 16 councilorial slate.

Reelectionist Senators Cynthia Villar and Sonny Angara and former Senator and the only Cebuano candidate Sergio Osmena III attended the rally.

While the PDP-LABAN-HNP-Team Barug led by mayoralty candidate and Vice Mayor Edgardo Labella and Vice Mayoralty candidate and former Mayor Michael Rama had their what they call "small gatherings".

These small gatherings were held yesterday in Barangays Mabolo ( north district), the claimed political bailiwick of Labella and in Basak-San Nicolas in the South, the known bailiwick of Rama.

Dr. Bernie R. Anabo Jr.

**M**anila International Container Port, Port of Manila, Port of Cebu, at Port of Batangas, ang mga naglalakihang Aduana sa Bureau of Customs, na wala sa hinagap ng mga kawani na hindi makaka reach ng target sapagkat may mga alaga na ito, o permanenteng kilyente.

Anong dahilan at naging mga NEGATIBO ang kanilang mga koleksyon? Hindi po ito haka-haka, dahil nakuha natin ang COLLECTION REPORT mula sa Bureau of Customs, at maliwanag pa sa araw ang kanilang pag semplang. Isa-isahin po natin ang mga puwerto na bagsak sa koleksyon. Ladies first, unahin natin ang Manila International Container Port, este gentleman pala! Syempre ito'y sa pagmamani-obra este pagmamaneho ni District Collector Austria. Batay sa datos sa buwan ng Marso 1-31, 2019, ang target ng MICP ay 14,934 B, at ang naging actual target nito ay 13,633 B na may deviation na 1,301 o negative -8.7%. Sa buwan naman ng January ang target ay 43,068 at actual nito ay 39,560 na may deviation na 3,509 o negative -8.1%.

Nasaan na ang ipinagmamalaki mo na ikaw ang pinakamagaling na Collector Austria? Hindi nga ba at sabi mo na sa managerial lang yan at focus dapat sa mga kawani? Aba'y tila mga balsa niyo lang ang binubusog niyo. May katotohanan ba ito? Ambot sa kumbing na may bangs!

Hindi kaya, ang dahilan ng pag semplang ng target koleksyon mo ang talamak na pagpapalutog ng DROGA sa iyong distrito? Hindi nga ba at may nahuli na naman sila PDEA Dir. Aaron na droga sa iyong nasasakupan? Ambot!

Sa Distrito naman ni Port of Manila Collector Gregorio, marahil nagpapaligsahan silang magkaibigan, kung paano sumemplang este maka reach ng target, kaso medyo minamalas ang ginang, dahil palagi daw sinusunog este nasusunog ang kanyang nasasakupan. Kaya BOKYA! Ha ha ha!

Sa kalatas na aking nakuha buwan ng Marso ang target

**A**yon kay Loreen Fajardo na may takot sila sa diyos at hindi sila lalabag sa batas, Sinabi naman ni atty Fedinand Topacio na abogado ng familia Fajardo na ang pangunahing suspect sa pagdukot kay Allan Fajardo at ang driver na si Ricky Atienza

sa isang hotel sa laguna.

Batay sa dami ng nakakita sa pagdukot kay Fajardo parang pulis lamang ang may kapasidad nito. Dagdag pa na walang aksyon ang pnp calabaron na humingi sila ng tulong na kung bakit napasama ang ngalan ni Fajardo sa drug maerix ng pnp calabaron.

Paliwanag pa ni atty topacio na posibleng naharang ang sulat na ipinadala kay pnp chief oscar albayalde, ito ang dahilan para sa nbi sila nag pasaklolo at kaagad naman umaksyon para imbestigahan kung talagang sangkot sa illegal na transaksyon si Fajardo.

Kaugnay nito nag alok ng pabuya ng halagang isang milyon piso ang pamilya fajardo sa sino man makapagbibigay ng impormasyon hinggil sa kinaroroonan ng dating chief security ni dating tanauan city mayor antonio halli.

Nanawagan ang may bahay ni fajardo sa mga naganais na makatulong sa paglutus ng kaso, Hinihiling ni atty topacio tumawag sa numero ng NBI sa direct line (02)525-0445 at (02)523-8231 local 0446.

Sa ulat umaabot sa mahigit sa 30 katao ang dumukot kay fajardo at driver nito na pawang naka combat shoes at ang ay pawang mga pulis, matatandaan noong taon 2016 buwan ng agosto ang bahay ni allan fajardo ay sinalakay ng mga pulis at may nakuhang mga armas. Ng mag pasiya ang judge sa batangas ay ipinasauli ang mga armas dahil may mga dokumento at lisensiyado ang naturang mga baril. Si atty topacio ay nagsampa na rin ng kaso sa matataas na opisyal ng calabaron pnp sa tanggapan ng ombudsman.

Ayon naman sa pnp nasa drug maerix daw si fajardo, Ang sabi naman ni atty topacio kahit isang kaso ay walang nakabinbin laban kay allan fajardo at maging sa nbi.

## BUREAU OF IMMIGRATION ASKS SOJ TO SUSPEND 18 PERSONEL

Bureau of Immigration (BI) Commissioner Jaime Morente recommended the preventive suspension of 18 personnel allegedly involved in an extortion attempt of 15 Koreans in Angeles, Pampanga last month. Acting on President Rodrigo Roa Duterte's order, Morente recommended that said operatives be suspended pending the results of an investigation on the alleged extortion during a law enforcement operation.

It can be recalled that the 18 agents previously made headlines after several Korean victims filed a complaint to the Office of the President (OP) and the Department of Justice (DOJ) against them. Extortion is a violation of our oath of service. We cannot allow such instances to go unpunished," said Morente. "We have requested the DOJ, which is our mother department, to issue the suspension order," he added.

According to Morente, the agents face both administrative and criminal charges. "We have our Board of Discipline to

Nitong January ang target 21,068B at ang actual nito 20,531B na may deviation na 537 o negative -2.6%. Anong nangyari? Totoo kaya na binabawi muna ang ginamit na salapi para makuha ang kanyang posisyon? Besides hindi naman siya deserving maging COLLECTOR! Haiz! Marahil ito na ang epekto!

Ito naman sa Batangas, tila nakikipag paligsahan din ang COLLECTOR dito. At kung hindi tayo nagkakamali. First time in the history! Ha ha ha! Semplang po ang target ng MAMA. Sa dokumento na aking nakalap, ito lang naman ang kanyang COLLECTION REPORT! Marso 1-29, 2019 ang actual target ng Batangas District ng Bureau of Customs, ay 12,831B at ang actual target nito ay 11,363B na may deviation na 1,468B o negative 11.4%. Wow ang galing ano? Parang may na-aamoy ako dito! Ha ha ha! Ambot sa kumbing na may bangs! Mabuti na lang at nakabawi ka. Nitong January ang target ng Port of Batangas ay 33,015 at ang actual target nito ay 33,364 na may deviation na 350 o positive 1.1%. Ngunit kung susumahin, NEGATIBO pa rin dahil nahila siya nitong MARSO. Anong dahilan?

Haiz! Gusto ko na tuloy maniwala na REACH NIYO ANG BULSA, at SEMPLANG SA TARGET! Marahil dapat kayong magbakasyon muna sa Customs Monitoring Unit, at bigyan naman ng pagkakataon ang ibang kolektor na higit na may kakayahan sa inyo.

Nagtataka lang ako, bakit itong ilang sangkot sa anomalya, ay patuloy pa rin na nagmamatigas at kapit tuko sa kanilang posisyon. Katulad na lamang ng isang kolektor na subject for investigation dahil sa asukal at bigas.

Palusutin ba naman sa Informal Entry Division! Ha ha ha! Magkano kaya? Este ilang kaya ang nawala sa GOBYERNO? Exempted daw sa DUTIES and TAXES! OMG! Only in the Philippines! Mahabaging MARIA, liwanagin muna ang pag-iisip ng mga ERE! So young and yet so CORRUPT! Sino ere?

## Togonon Gets Positive Feedback From Pasay Residents and Netizens

The color blue will soon become prominent in every nook and cranny of Pasay City with Tropang Togonon, led by former Manila City Chief Prosecutor Edward Togonon, receiving positive feedback from residents and Pasay netizens.

Morente reiterated that the agency is "serious in sweeping its ranks" and vows to rid of corrupt and erring personnel. The President's directive is clear, we will weed out corruption in the BI. No one will be spared," he warned.

## BUREAU OF IMMIGRATION DETAINS VIETNAMESE COUPLE WITH FAKE B.I. STAMPS ON PASSPORT

Bureau of Immigration (BI) officers at the Ninoy Aquino International Airport (NAIA) have arrested an overstaying Vietnamese couple for attempting to leave the country with fake immigration stamps on their passports.

BI Port Operations Chief Grifon Medina said Nguyen Thanh Quang, 35, and his wife Pham Thi Dung, 34, attempted to board a Philippine Airlines flight to Ho Chih Minh City last March 30 when they were intercepted at the NAIA Terminal 2 by members of the bureau's travel control and enforcement unit (TCEU).

Their passports had arrival stamps indicating that they arrived only last March 11 but a check of our database showed that they did not arrive on that day," Medina said.

He added that the BI's anti-fraud section which examined the passports later certified that the arrival stamps imprinted on the couple's passports are not authentic.

They thought they could evade paying their fines for overstaying by making it appear that they arrived only recently through these fake arrival stamps. These fraudulent schemes cannot escape detection by our vigilant officers at the airport," Medina said.

According to BI-TCEU Chief Erwin Ortañez, the couple had been in the country for nine months as their last date of arrival was June 5 last year.

Instead of applying for the extension of their stay and pay the required fees, they chose to deal with fixers who make a living by selling these fake stamps to overstaying foreign tourists," Ortañez said.

He disclosed that the couple's fraudulent scheme was discovered after BI personnel noticed that their passports did not have departure stamps from their supposed previous arrival.

The couple is now detained at the BI detention facility in Camp Bagong Diwa, Taguig City pending their prosecution for violating the Philippine Immigration Act.

These activities will not be tolerated," said Morente. The BIWF currently houses 212 foreign nationals awaiting deportation

## DPWH INAUGURATES 32-MILYON EVACUATION CENTER IN TALAVERA NUEVA ECIJA

A new and modernized evacuation center is set for utilization as the Department of Public Works and Highways (DPWH) inaugurated today the disaster-resilient building in Talavera, Nueva Ecija.

DPWH Nueva Ecija 1st District Engineer George DC Santos joined Rep. Estrelita Suansing and the local officials in the inauguration and blessing of the one-storey evacuation center with a funding of P32,725,123.20 located in Barangay Sampaloc, Talavera, Nueva Ecija, which is one of the six evacuation centers to be constructed by the agency in Central Luzon.

Regional Director Roseller Tolentino said the construction of the evacuation center is in line with the government's aim of safeguarding Filipino people from any calamities through mitigating and preparing for the impact of such incidents.

"This evacuation center is constructed in a low-risk area as

first time that a new name in Pasay politics emerged despite the presence of traditional politicians. Togonon's strong desire to help Pasay residents turned out to be his greatest motivator in facing up against familiar names in the city's political ruling system. With majority of Pasayenos in full support of his candidacy, Togonon is all the more inspired to do public service. Togonon and his team tirelessly go around Pasay and visit every barangay to share with the residents their objective in seeking public office. Every townhall meeting held in different barangays never failed to gain positive response from the people who took the time to troop to the venue in order for them to know more about Tropang Togonon's feasible plans for the city.

After a townhall meeting held at Brgy. 201 in Kalayaan, Pasay, Vilma Baniqued took to E.T. 2019 Facebook page her wish by saying, "Sana po mga taga Pasay, iboto natin siya nang magkaroon ng tamang pamumuno ang Pasay." Elsa Bejar Giray, on the other hand, wrote, "Togonon tayo for a change. God bless us all. Go, go, go panalo tayo!" Meanwhile, under Chairman Daniel Twitter account, one comment read, "Salamat chief, magbabago na ang Pasay #Tropang Togonon."

Residents of Brgy. 183 in Villamor, Pasay also showed their strong support to Team Togonon. Francois Fernandez wrote the comment, "Ang daming tao... go for the win Kuya Edward."

Vidal Doble firmly expressed his support by telling, "Mga taga Villamor, Togonon na tayo... kung gusto n'yong na mas maunlad na buhay."

In Brgy. 125 headed by chairman Malen Reblando, Team Togonon's townhall meeting was also a success. It gained favorable response from residents with Felisa Polonan commenting on E.T. Facebook page: "Sa lahat ng meeting, laging puno ng tao dahil gusto nilang marinig ang programa nila... halinapo kayo at suportahan natin ang tropang Togonon." Having witnessed the jam-packed crowd, Carmen Adolfo commented, "Pangitain na yan, ang daming tao."

The townhall meeting is also an opportunity for Pasayenos to bring to the attention of Team Togonon their concerns, issues and aspirations for Pasay. Togonon is aware that the people want change and he is ready to give them a better public service.

Maritess Ningge of Brgy. 156 commented after the 14th townhall meeting, "Tropang Togonon. Dito na tayo sa mga kandidatong lahat galing sa hirap at may puso para din sa mahihirap."

In Brgy. 135, Mike Panilagao said, "Makuha n'yong po sana ang tagumpay." With a heart of gold, Tropang Togonon was first to attend to victims of fire in Brgy. 178, Zone 19, Maricaban, Pasay. Twenty-nine families had lost their homes and Togonon, together with other concerned Pasayenos, wasted no time in providing food by feeding sopas to the young and old members of affected families.

## IDENTIFIED IN THE HAZARD MAP AND IS DESIGNED TO BE RESILIENT FROM ANY DISASTER SUCH AS FLOOD, EARTHQUAKE, AND OTHER EXTREME WEATHER EVENTS," TOLENTINO ADDED.

The blessing was followed by the official turnover of the evacuation center from the DPWH Region III to the Talavera local government unit, through the Office of Civil Defense Region III (OCD-3), which will facilitate and maintain the infrastructure.

DE Santos said that the DPWH entered into a memorandum of agreement (MOA) with the OCD-3, Talavera local government, Department of Health Region III and Department of Social Welfare and Development Region III to ensure that the infrastructure will serve its purpose.

# PINOY SA LIBYA PINALILIKAS NA

**P**ATULOY po ngayong tinututukan ng Embahada ng Pilipinas sa Tripoli Libya ang kalagayan ng may 1,000 Pinoy sa nasabing lugar maski sa labas ng capital gayundin ang galaw ng mga tropa ng gobyerno.

Ito ay kasundo ng anunsyo ng Libyan National Army na umabante na ang kanilang pwersa na posibleng maglagay sa panganib ng ating mga kababayan doon kaya't gusto ng Department of Foreign Affairs (DFA) na ipagpaliban muna ang pagpunta sa naturang bansa dahil sa kaguluhan.

Base sa rekord ng naturang ahensya ay nasa halos 1,000 Pilipino na nasa apektadong mga lugar ang sinabihan na tiyakin na mayroon silang sapat na pagkain at tubig at ibang pangangailangan at mahigpit na pinag-iingat yung mga Pinoy na nakatira hanggang 100-kilometer radius ng Tripoli.

Gayunman sa mga Pinoy naman na gustong magpapatryate upang makabalik sa bansa ay pinayuhan na agad kumontak sa Philippine Embassy para matulungan.

**HINILING** po sa Bureau of Customs (BOC) ng Food and Drug Administration (FDA) ang tulong nito na huwag papasukin sa bansa ang Maximum Sexual King brand ng sexual enhancement pills na hindi daw rehistrado sa ilalim ng kanilang ahensya.

Nagbabala din ang FDA sa publiko laban sa pagbenta at pag-gamit ng mga hindi rehistradong sexual enhancement products at isa nga dito ay ang Maximum Sexual King brand.

Sa advisory ng FDA na batay sa kanilang post-marketing surveillance nabatid na hindi rin nabigyan ang naturang produkto ng certificate of product registration.

Kung kaya't hiniling ng FDA sa tanggapan ng Customs na ipahinto o harangin ang pagpasok ng mga unregistered sexual enhancement product sa lahat ng port sa Pilipinas.

At hiniling rin ng ahensya ang mga local government units at law enforcement agencies na ipatigil ang pagbenta at pag-gamit nito sa kani-kanilang mga lugar.

**TUWIRANG** sinabi nitong si Pangulong Rodrigo Duterte na kakausapin niya si Senator Richard Gordon at ang Land Transportation Office (LTO) para huwag munang ipatupad ang Motorcycle Crime Prevention Act.

Baka po kasi nakakalimutan natin na ang Presidente ay isa ring motorcycle enthusiast kaya bakit niya pinirmahan ang nasabing batas na iprintotesta ng libu-libong riders sa National Unity Ride kamakailan.

Ayon sa presidente ipasususpende niya ang pagpapatupad ng Motorcycle Crime Prevention Act, dahil may mga probisyon itong hindi papabor sa mga motorcycle riders, at hindi rin naman makatutulong sa pagsugpo sa krimen.

Tulad na lang daw na delikado sa kaligtasan ng mga riders, at maging ng mga pedestrian, ang malaking plaka sa harap ng motorsiklo kasama na ang aniyang'y napakalaking halaga ng multa sa mga lalabag sa nasabing batas, at sinabing kukumbinsihin niya si Gordon na babaan ito.

## DURUGISTANG DRIVERS TUTUTUKAN

**PINAG-IINGAT** po natin ang mga driver ng mga provincial bus at taxi na malaki umano ang posibilidad na gumamit ng droga upang makarami ng biyahe.

Sapagkat kayo ang tututukan National Capital Region Police Office (NCRPO) sapagkat iniutos na po nitong si NCRPO director Maj. Gen. Guillermo Eleazar ang pagpapaigting ng kampanya laban sa mga nagbebenta ng droga sa mga driver ng bus at taxi sa Metro Manila lalo na sa mga mamamasada sa Holy Week.

Malaki kasi ang hinala ni Eleazar na posibleng gumamit ng shabu ang mga nasabing drivers para manatiling gising at alerto sa inaasahang pagdagsa ng mga pasaherong mag-uuwian sa mga lalawigan.

Gagawin nila ang hakbang na ito na naglalayong masiguro ang kaligtasan ng mga pasahero at motorista sapagkat maaaring makaasidente ang mga driver na bangag sa droga kapag namamasada.

Kung atin po na matatandaan ay dumarami ang aksidente sa panahon ng Semana Santa sapagkat dumaragsa ang mga nagsisiuwi sa mga lalawigan para bumisita sa kanilang pamilya at siempre para po magbakasyon.

Para magsagawa ng surprise at random drug-testing sa mga transport terminals ay nagmiting na ang NCRPO sa Land Transportation Office at Land Transportation Franchising and Regulatory Board.

## DOST-TAPI, DOST-PCHRD spearhead meeting on basic IP and invention disclosure

**M**untinlupa City – As a preparatory workshop for the technology disclosure of the researches under the Tuklas Lunas Project, the Technology Application and Promotion of the Department of Science and Technology (DOST-TAPI) with the Philippine Council for Health Research and Development (DOST-PCHRD) organized the Consultancy Meeting on Basic Intellectual Property (IP) and Invention Disclosure on 07-08 March 2019 at the Vivere Hotel Alabang, Muntinlupa City.

The Tuklas Lunas Project strengthens health research in the regions by capacitating the health researchers as part of the Department's goal in developing new drugs for tropical and other diseases. "The significance of research output provides quality science- and technology-based solutions for problems faced by the country especially those that are health-related," said DOST-PCHRD Executive Director Dr. Jaime C. Montoya.

Director Edgar I. Garcia, Dr. Jaime Montoya, and Atty. Bayani B. Loste with the facilitators and participants of the

na nagnanais na makapagtrabaho sa Thailand sa sandaling magkaroon ng magandang resulta ang bilateral talks sa pagitan ng Department of Labor and Employment at Thai Ministry of Employment kaugnay sa oportunidad na pwedeng makuha ng Pinoy English teachers sa Thailand.

Ibinalita nitong si Labor Secretary Silvestre Bello III na maaaring malagdaan na daw sa mga darating na linggo ang kasunduan hingil sa deployment ng English teachers para sa "English for All" project ng Eastern Economic Corridor (EEC).

At dahil nga sa angking kagalangan ng mga Pinoy sa wikang ingles kaya mas gusto ng pamahalaan ng Thailand ang mga Filipino teachers na kung saan sa ilalim ng proposed agreement ay tatanggap ang Ministry of Education ng Thailand ng mga Pilipinong guro para siyang magturo sa primary at secondary levels ng kanilang mga eskuwelahan.

Malaki ang sweldo at ang balita ang mga Filipino teachers ay tatanggap ng 25,000 baht kada buwan o P45,000 kabilang na ang housing allowance.

Mayroon pang ibibigay sa mga titser na personal accident insurance, round trip airfare, at work permit fees na sasagutin na ng pamahalaan ng Thailand.

## INIT NG PANAHON LUBHANG MAPANGANIB

**NAGBABALA** na po ngayon ang Philippine Atmospheric Geophysical and Astronomical Services Administration (PAGASA) na nasa dangerous" na ang heat indices na 41°C-54°C, at nangangahulugang posible ang heat cramps at heat exhaustion at heat stroke ang posibleng mangyari sa tao.

Ang nasabing init ng panahon na atin palang nararanasan sa ngayon ay itinuturing ng PAGASA nasa "dangerous level" dahil pumalo na sa 44.5 degrees Celsius ang temperatura sa ilang lalawigan ng bansa.

Sinabi po ng PAGASA na ang heat index ay tumutukoy sa aktuwal na pagdama sa temperatura, taliwas sa temperaturang nasusukat ng thermometer.

Base sa datos na ipinalabas ng ahensya ang pinakamataas na temperatura sa bansa ay naitala kamakalawa dito sa Dagupan City, Pangasinan, na may maximum heat index na 44.5°C, mas mababa sa 48.2°C naitala nitong nakalipas na araw.

At bukod nga daw po dito sa Dagupan City ay nakapagtala rin ng delikadong heat index na 41.4°C sa Cuyo, Palawan at sa Sangle Point, Cavite kamakalawa at habang ang 41°C naman ang naitalang heat index sa Cotabato, Maguindanao.

Kaya sa atin po na mga kababayan ingat po natin ang ating kalusugan at iwasan ng sobrang exposure sa init ng araw upang makaiwas sa heat cramps at heat exhaustion at heat stroke na posibleng ikamatay ng isang tao.

**PALAGAY** ko ay nakahinga na po maluwag ang mga artistang sinasabing kabilang sa drug watchlist ng Philippine Drug Enforcement Agency (PDEA) ng sabihin ni Pangulong Rodrigo Duterte na wala na daw siyang planong ilabas sa publiko ang pangalan ng mga artistang nasa narco list ng PDEA.

Kaya pala nagbago ang plano ni Duterte na huwag ng isa publiko ang listahan ng mga celebrities na iniuugnay sa ilegal na droga ay dahil hindi naman daw naghahangad ng posisyon sa pamahalaan ang mga ito na hindi tulad ng mga pinangalanan niyang kandidato.

Kaya bigo ang publiko sa kanilang kahilingan na isapubliko niya rin ang listahan ng mga celebrities na sinasabing gumagamit at nagbebenta ng droga sa bansa.

Magugunita po na una nang sinabi ng PDEA na may 31 celebrities daw ang nasa kanilang listahan at 11 sa mga ito ay aktres.

Kapwa po pumapabor ang PDEA at Philippine National Police (PNP) na pangalanan ang mga celebrities na nasa narco list, dahil nagsisilbi umanong huwaran o inidolo ng publiko ang mga ito.

Pero ayon kay Presidential Spokesperson Salvador Panelo na si Pangulong Duterte ang magpapasya kung isasapubliko ang nasabing listahan o hindi.

## MGA TSONONG NAGTATRAHAHO SA BANSANG

**ISANG** mambabatas ang nanawagan po ngayon sa Bureau of Immigration (BI) na kanselahin nila ang mga inisyung Special Working Permit (SWP) sa mga Chinese construction workers na nasa iba't ibang infrastructure projects sa bansa.

Binigyang-diin ni re-electionist Sen. Nancy Binay na iligal daw at labag sa batas ang ginawa ng BI sa pagbigay ng mga SWP kaya dapat lamang na kanselahin nito ang SWPs na hawak ng mga Tsino at simulan na din nila ang pagkulong at pag-deport sa mga ito pagkat di daw kasama sa pag-issue ng SWPs ang mga

consultancy meeting on basic IP and invention disclosure on 07-08 March 2019 at the Vivere Hotel Alabang, Muntinlupa City

He added that translating the research outputs to technologies and products that can be used by the Filipino people is the priority of the Council.

The consultancy meeting created an opportunity for the discussion on basic researches disclosure for IP protection specifically on writing claims on IP applications.

Moreover, several researchers showed confidence in revealing their researches as their inquiries were answered and coaching were provided by IP experts.

"This event is a way to train our technology transfer officers and researchers to intensify the adoption of healthcare innovations which will benefit the Filipinos in the long run", said DOST-TAPI Director Edgar I. Garcia.

construction workers at iba pang trabahong may koneksyon sa manual labor.

Ipinagbabawal pala ang mga banyagang construction worker, cashier, waiter, janitor, household worker, karpintero, garbage collector, security guard at warehouse caretaker base sa umiiral na supplemental guidelines para sa SWPs.

At naniniwala ang nasabing mambabatas na kumpirmado raw na nabigyan

ng SWP ng BI ang mga Tsinong construction worker kahit na bawal ito.

Nanawagan din si Binay sa Department of Labor and Employment (DOLE) na inspeksyunin ang mga construction sites para malaman kung may kaukulang permits ang mga trabahanteng Chinese.

Mayroon palang mga reports na walang working permits ang mga Chinese construction workers na nagtatrabaho sa mga Chinese-funded infrastructure sites sa ilalim ng "Build, Build, Build" program ng pamahalaan.

Sa talaan po ng DOLE at BI ay mayroong 138,000 ang mga dayuhang nabigyan ng SWP noong 2018 at 56,180 sa bansa ang mga Tsinong nasa online gaming operations sa Pilipinas.
