PCLEDO'S BIZ iCREATE PROGRAM DEVELOPS ENTREPRENEURIAL SKILLS: Cavite Provincial Cooperative, Livelihood and Entrepreneurial Development Office (PCLEDO) continues to educate and equip aspiring entrepreneurs with proper knowledge as it facilitated Session 3 of BIZ iCREATE – Cavite's Responsible Entrepreneurs Aiming Toward Economic Sustainability program on April 30, 2019 at PCLEDO Training Area, CaCoDeC in Trece Martires City. DLSU-Dasmariñas Graduate School of Business Professor, Dr. Aldrin Antivola continued the discussion on Entrepreneurial Skills Development (Part 2) to twenty entrepreneur partakers. He also stressed out the relevance of satisfying the needs and wants of the target market. Last two sessions which will cover the topic of Strategic Business Plan and Business Plan Preparation are scheduled on May 2 and 28, 2019, respectively. (PICAD)

The PNP Bacoor hosted the Monday Flag Raising Ceremony last April 29, 2019 held at Strike Gym, Bacoor City Hall. Bacoor City Chief of Police Lt. Col. Vincente Cabatangan delivered his message and reported their achievements most specifically the 1, 200 arrests made due to illegal drugs, in his first 10 months as Chief of Police. He also reiterated their utmost support against drugs and other criminalities. Also in Photo: Mayor Lani Mercado Revilla, Councilors: Rowena Bautista; Venus de Castro; Mike Bautista; Alex Gutierrez; ABC Pres. Rey Palabrica and Board Member Aba Gawaran. (FRANK ESTRADA)

During the gathering, Provincial Nutrition Action Officer Angeles Peñalba explained the scope and overview of the Philippine Plan of Action for Nutrition 2017-2022 for the neophyte NAOs. She also asserted the call for action on the rampant measles cases in the province which reached more than 1,000 and 17 deaths.

Ms. Peñalba also pointed out the urgency of collaborating with all the NAOs in the province as the data on stunting or short for age cases alarms the PHO and malnutrition continues despite the efforts of the provincial government to reach out the poorest members of the community.

On the other hand,

background on the updated nutrition Monitoring and Evaluation of Local Level Implementation Protocol (MELLPI) for local government and nutrition workers was discussed by Nutrition Officer II Ms. Liberty Mojica-Guzman. The participants were given time to ask their query on the new MELLPI Pro guidelines and elaborated some issues concerning the present practices in their locality. The different phases of the MELLPI were clarified during the assembly.

Nutritionist - Dietitian II Ms. Dessa May Alibangbang introduced the key features of MELLPI Pro and its tools and showed presentations on the journey to nutrition awards. For 2019, the province /city/

municipality will be ranked based on MELLPI Pro scores and top performing local government units with ratings not lower than 3 shall be given the Certificate of Quality Nutrition Program in lieu of the Green Banner. Other awards include the Consistent Regional Outstanding Winner in Nutrition (CROWN), CROWN Maintenance Award, and the Presidential Award for Nutrition.

In the afternoon, updates on BNS Project, PPAN accomplishment reports to be submitted to the Department of Interior and Local Government (DILG), and submission of BNS reports were conversed with the nutrition action officers and representatives of the city/municipality in Cavite. (PICAD)

COM. GUERRERO, exceeds April collection Target by 3.3%; 'TARA SYSTEM' TULOY PA SA BOC?!

RATSADOR
fidel p. orate

THE Bureau of Customs (BOC) under the stewardship of Commissioner Rey Leonardo B. Guerrero initiatives to plug revenue leakages in its system, coupled with its enhanced revenue collection efforts, have resulted in the Bureau's exceeding its collection target for April by 3.3 percent, according to the preliminary report of the Financial Service.

"The Bureau was expected to collect P51.604 billion in April, but because of our stringent monitoring and continuing efforts to enhance our revenue collection capabilities, we were able to collect P53.33 billion which is higher than the target revenue," Com. Jagger Guerrero reported.

He added that the collection in April is up by 14% as compared to what was collected during the same period last year. Com. Jagger Guerrero stated, "In April 2018, we only collected P46.794 billion, but this year we exceeded our collection performance and even generated more than P1.726 billion surplus."

Commissioner Guerrero commended the collective efforts of the 17 collection districts for their unwavering support, commitment and dedication to service.

Based on the preliminary report, twelve of the seventeen collection districts were able to hit their respective targets, namely: the Manila International Container Port (MICP), Port of Limay, Ninoy Aquino International Airport (NAIA), Port of Cagayan de Oro, Port of Subic, Port of Cebu, Port of Davao, Port of San Fernando La Union, Port of Iloilo, Port of Tacloban, Port of Zamboanga and Port of Legaspi. BOC's improved revenue collection performance, according to Guerrero, is the result of its intensified control measures against undervaluation, misdeclaration and other forms of technical smuggling.

"I have given all the district collectors a stern order to closely monitor all the transactions in their respective ports to ensure that the correct duties and taxes are being paid and that customs laws, rules and regulations are being followed, Guerrero stressed. To All District & Port Collectors.....CONGRATULATIONS!

BOC Tightens Control of Hazardous Materials, Bans Importation of Neutralized Phosphogypsum!
In line with its tightened monitoring and enforcement of rules to protect the country from the entry of hazardous materials to both human and the environment, the Bureau of Customs (BOC) clarified that the importation of neutralized phosphogypsum is not included in the list of recyclable materials allowed for importation.

In a memorandum which is set to be released today, Customs Commissioner Rey Leonardo B. Guerrero reiterated that this official stand of the Bureau is in line with the Department of Environment and Natural Resources (DENR) Administrative Order (DAO) No. 22 Series of 2013 (Revised Procedures and Standards for the Management of Hazardous Wastes).

In a letter addressed to the Bureau of Customs (BOC), Director Metodio U. Turbella of the Environmental Management Bureau (EMB) said that neutralized phosphogypsum is radioactive due to the presence of naturally occurring radioactive elements.

It is also indicated in the limiting conditions of the said order that the importation of recyclable materials (scrap metals) should not contain radioactive materials. Also, considering that phosphogypsum is a waste per se without any recycling to be done, its importation is therefore prohibited.

In line with this, Com. Jagger Guerrero immediately ordered that all shipments containing neutralized phosphogypsum shall not be allowed entry and must be shipped back to the port of origin by the importer or shipper.

Com. GUERRERO and Port of Subic Coll. MARTIN seizes P60 million worth of Misdeclared Sugar and Firecrackers!

The Bureau of Customs (BOC) under the stewardship of Commissioner Rey Leonardo B. Guerrero and the Port of Subic (POS) district Collector Maritess Martin seized last Friday P60 million worth of smuggled Sugar and Firecrackers.

Acting on a derogatory information received by District Collector Maritess Martin alerted and ordered a hundred percent examination of the 35x40 containers which arrived from Hong Kong on March 31 and April 07, respectively, and was consigned to JRFP International Trading.

According to Collector Martin, 34 containers, misdeclared as floor mats and plastic floor coverings yielded 21,760 bags of Thailand refined sugar, while the remaining container was found to contain several boxes of firecrackers.

Warrant of Seizure and Detention (WSD) was issued against the shipments on April 12. Customs Commissioner Jagger Guerrero immediately ordered the revocation of the customs accreditation of both the importer and the customs broker. Appropriate charges will be filed against them for violation of Section 1401 of the Customs Modernization and Tariff Act (CMTA).

"We will not allow illicit traders to continue to violate our laws. The Bureau of Customs is consistently working on boosting our anti-smuggling measures through the acquisition of upgraded tools for inspection and examination and close coordination with our partner-agencies such as the Philippine Drugs Enforcement Agency (PDEA), the Philippine Coast Guard and the Armed Forces

of the Philippines to beef up our fight against smuggling," Guerrero stressed. The Sugar Regulatory Agency (SRA) commended the Bureau of Customs - Port of Subic for its immediate action that led to the successful seizure of smuggled sugar.

Earlier, a thorough search was conducted with the presence of the Philippine Drugs Enforcement Agency and the Subic Bay Metropolitan Authority - Law Enforcement Division (SBMA-LED), to determine if there are illegal drugs stored inside the containers. SBMA-LED's K9 sniffing dogs inspected the containers and found out to be negative of drugs. Coll. Maritess Martin...Congrats!

BOC's Technology Thrust Gets Global Recognition!
THE Bureau of Customs (BOC) under the stewardship of Customs Commissioner Rey Leonardo B. Guerrero efforts to be in sync with global trade trends through its innovative use of information communications technology and development of the Goods Declaration Verification System (GDVS) including its successor, 1-Assessment, has caught the attention of OpenGov, as it issued a Recognition of Excellence Award to the Bureau of Customs on April 25, 2019.

OpenGov is a Silicon Valley technology company that offers cloud-based software for public sector, budgeting, reporting and open data, powering more effective and accountable governments.

Received by BOC Spokesperson and MICP District Collector Atty. Erastus Sandino B. Austria, the recent BOC milestone underscores the BOC's commitment under Com. Jagger Guerrero, to make the bureau globally competitive through technology reforms.

The system was designed to allow Customs to effectively balance its three mandates of revenue collection, border security, and trade facilitation.

"Every policy, every regulation, and every innovation is an attempt to balance these three functions. And, as an answer to this challenge the Bureau seeks solutions through modernization, automation, and information technology," Atty. Austria said when he accepted the award.

The system automates part of the Customs clearance process. Particularly, it lessens the Bureau's reliance on paper trail by allowing the electronic submission and processing of documents. It also automates the assignment of import entries to random examiners and appraisers.

"While the GDVS and the 1-Assessment remains in its trial stages, the Bureau is refining its design and is investing in its development," Atty. Austria added.

OPINYON LANG! Rey Endaya Domingo

NAKAKABILIB ang consistent na ipinapakitang gilasa sa aktibong paglilingkod ni Bureau of Customs (BOC) Atty. Marites "Meeks" Martin, District Collector ng Port Of Subic (PoS), collection district ng ahensya.

Sa ganang akin, puwedeng pantayan pero hindi ako naniniwala na kayang lagpasan ang kanyang kakaibang kahusayan at katapatan para sa seryosong pagganap sa tungkulin. Sa katunayan, nu'ng April 25, nasabat bago kinumpiska ng tropa ni Coll. Martin ang P60 milyon na halagang misdeklaradong tone-toneladang imported sugar at fireworks, at palibhasa'y alerto ang kanilang grupo na kailanman at hindi "natulog sa pansitan" kaya nabigo ang tangkang pagpupuslit sa naturang pantalan.

Matatandaang buhat sa Maynila ay mabilis na bumiyaha si Customs Commissioner Reynaldo Leonardo "Jagger" Guerrero patungo sa PoS upang papurihan si Coll. Martin kaugnay ng nasabing makabuluhang accomplishment. Gayundin para pangunahan ang naka-schedule na public viewing sa smuggled shipments, na ang tanging layunin ay ipakita sa publiko na matindi ang kanyang (Guerrero) kampanya

KATROPA N'YO Vic Billones III

Habang isinusulat ito ay waring nagpapakiramdam ang mga kandidato sa Halalan 2019. Sabi nga ng isang botante, "nagpapakiramdam, siguro iniisip ng bawat kampo, ay kung ano ang hakbang na gagawin ng kabila, lalo na siguro sa pagbili ng boto, kung paano nila matatapatan ang bigay ng kabila at kung paano masusulot ang mga botante na hindi kanila." Ayon naman sa isang nakausap na botante rin, ay kanilang tatanggapin ang perang ibibigay sa kanila ng mga kandidato, pero kapag sinabihan sila na huwag ng bomoto, kapalit ay pera, ay boboto pa rin sila.

Tsk! Tsk! Hindi naman sa lahat ng sandali ay suhul o bayad sa boto ang ibinibigay na salapi ng isang kandidato. Minsan makaririnig ka ng salita mula sa isang nais na maglingkod sa bayan ng ganito, "ito pong salaping hawak ko ay ibinibigay ko sa inyo, huwag po ninyong isipin na ito ay bayad para iboto ninyo ako. Ito ay pambili po ninyo ng gamot para sa

AGILA, ATTY. CHRISTIAN D. NATIVIDAD, IHALAL, GOBERNADOR PARA SA KINABUKASAN NG BULACAN

Mga katoto, sadyang napapanahon na upang pumili ng isang mamumuno bilang GOBERNADOR sa Lalawigan ng buong Bulacan, kung saan sa ating pagmumuni-muni pakatandaan na ang pagboto ay hindi tulad ng mainit na kaning isusubo na kapag napaso ay iluluwa, kaya suriing mabuti at isaisip na dapat ang isang boto ay napakahalaga sa isang mamamayang Pilipino.

Sa karanasan sa pagboto, samot saring pamamaraan ang ginagawang diskarte ng mga kandidato upang makamit ang panalo, tulad ng halimbawa ng pamimili ng boto, na kung saan upang lumabas na legal ay mangunguha ng maraming watcher at babayaran ng malaking halaga na ang katumbas nito ay ang kanilang boto.

Ang pagbabayad ng malaking halaga sa mga taga Comelec upang maging kasabwat ito pagdating sa bilangan ng pinal na bumoto, partikular na sa mga liblib na lugar sa malayong baryo ng bawat lalawigan.

Ating ipanalangin mga katoto na sana'y huwag itong maganap sa darating na halalan sa Mayo 13, 2019! Partikular na sa Lalawigan ng buong Bulacan, kung saan ay banaag na natin ang tagumpay ng AGILA NG BULACAN, ATTY. CHRISTIAN DIONISIO NATIVIDAD sa pagka GOBERNADOR, ang nag-iisang hulong ng langit na sumunod sa yapak ng ama nitong si CONGRESMAN TEODULO NATIVIDAD, ang tinaguriang AGILA NG BULACAN na hanggang sa yumao ay nanatiling namamayagpag at walang tumalong katunggali bilang isang Kongresista ng unang distrito ng Bulacan at tinangkili ng mga naging Pangulo ng ating bansa na itinalagang Chairman ng National Police Commission dahil sa taglay nitong kakayanan sa larangan ng kapulisan, kung saan ang tanging Pilipinong nagkamit ng isang malisa kinuhang eksaminasyon sa

Coll. Meeks Martin, nakakabilib ang patuloy na kahusayan!

kontra ismagling na aktibo ang operasyon sa mga puerto ng ahensya.

Gayunman, sa kanyang ulat kay Comm. Rey Jagger, sinabi ni Coll. Meeks Martin, ang illegal shipments ay naka-consigned sa JRFP International Trading. Magkahiwalay na dumating sa PoS nu'ng March 31 at April 7 mula Hong Kong at Thailand. Sinasabing plantsado na ang gagawing pagpalusot ng mga kontrabandista sa kanilang mga kontrabando pero nabisto ng grupo nina Coll. Martin.

Ayon sa ulat, idineklarang "floor mats" at plastic floor coverings." Pero nang ipatupad ng kampo ni Coll. Martin iang 100% examination sa mga kargamentong nakalulan sa 35 X 40 container vans, nadiskubrenag naglalaman ng libu-libong bags ng Thailand sugar at daan-daang kahong fireworks.

Kasunod nito ay pansamantalang inilagag ang shipments sa Customs-PoS security warehouse para sa kaukulang pag-iingat at imbentaryo habang inihahanda ang smuggling case laban sa may-ari ng mga kargamento. Ayon pa kay Coll. Martin, kaagad rin nila na ipasubasta sa publiko ang mga Thailand sugar para sa karagdagang koleksiyong buwis ng Customs. Samantalang susunugin naman ang iba't ibang klase ng paputok at paulaw upang hindi na mapakinabangan at maiwasan magdulot ng panganib.

Muntik ko makalimutan, malaki nga pala ang partisipasyon ng tropa nina Customs Police Captain Regie Tuason sa tagumpay na operasyong ito. Si Capt. Regie Tuason na kilalang may malawak na kaalaman at karanasan sa mga paglulunsad ng epektibong anti-smuggling drive campaign ang kasalukuyang District Commander ng Customs-PoS. Kaya

ANG PAGTANGGAP NG ISANG BAGAY MULA SA PUSO AY HINDI MASAMA

inyong karamdaman. Tulong ko po." Meron naman na bibigyan ka ng isang bagay na may kasunod na salitang, "Tatay, para sa iyo, isuot mo bagay sa iyo yan, 'no string attached' yan." Iyan ang mga konsuwelo de bobo ika nga ng mga matatanda. Para sa atin, ang pagtanggap ng isang bagay na mula sa puso ay hindi masama. Ang masama ay ang idinuduldol o ipinipilit ang pera sa isang taong botante, na hindi nila kapartido, at hihikayating huwag ng bomoto, para nga naman hindi na madagdagan pa ang bilang ng boto ng kanilang kalaban sa pulitika.

Sa isang banda gaano kabigha-bighani ang kislap ng salaping suhol sa boto? Sa isang nagdarahap o maralita, ano ang mas matimbang, biglaang salapi o magandang talumpati ng isang kandidato? Iyan ang sa palagay ng ilan, ang mga bagay na naiisip o pinakikiramdam din ng mga pulitikong nakasubo na sa halalang darating, anong mga hakbang ang kanilang gagawin. Sinu-sinong tao o grupo ang dapat na kasangkapanin, para malapit sa mga botanteng hindi nila kapartido. Paano masusulot ang mga dukhang botante na nangangailangan ng dagliang panggastos? Paano nila ito gagapangin?

Dito sa Lungsod ng San Jose Del Monte (LSJDM,) ay nakakalap tayo ng mga kaiga-igayang balita na datapat malapit na ang 'election 2019,' ay wala pa ring tigil sa paglilingkod bayan ang pangasiwaan ng Robes Administration. Ito ay ang mga isinagawang 'Orientation Seminar para sa mga Tricycle Operators

International Police Academy (INTERPOL) ng ito'y pagaralin ng nating pamahalaan bilang isang Major ng Criminal Investigation Service (CIS) ng Philippine Constabulary.

Batid ng lahat na ang tanging layunin ng anak ng AGILA, ATTY. CHRISTIAN D. NATIVIDAD ay madulutan ng tapat na paglilingkod at maipamalas nito ang ganap na pagbabago sa Lalawigan ng buong Bulacan na alaaumbagay mahigitan ang dakilang layuning naipamalas ng Ama nitong si CONG. TEDDY NATIVIDAD, na nagsilbing isang alaala bilang isang ALAMAT NG BULACAN!!!

Matatandaan mga katoto, ang anak ng AGILA ATTY. NATIVIDAD ay matagal na nanungkulan bilang public servant ng ito'y maging KONSEHAL NG BAYAN NG MALOLOS ng tatlong termino na pawang TOP WATCHER ang pagkapanalo nito, gayon din ng manalong BOKAL ng Bulacan na nanguna din, hanggang sa naging ALKALDE NG LUNGSOD NG MALOLOS na tatlong termino, kung saan kaya lubos na minahal ito ng mga tao ay bunga ipinamalas nitong pagmamahal at katapatan sa paglilingkod, dahil sa taglay nitong malasakit sa masa at tatlong "M" Maka Diyos, Makatao, at Makabayan.

Kaya ninais ni katotong AGILA ang hangarin na kumandidato bilang GOBERNADOR NG BULACAN, upang palawakin sa buong Bulacan ang kakayanang ginugol na paglilingkod nito sa Lungsod ng Malolos na makatulong sa pangangailangan ng masa, katulad ng mga karagdagang hospital at paaralan, at pagpapalawig para sa magandang kinabukasan at pagbabago ng buong Lalawigan ng Bulacan. Mabuhay ang buong lalawigan ng Bulacan!!! Mabuhay ang mga BULAKENYO!!! MABUHAY TAYONG LAHAT!!!

P60.M MISDECLARED SUGAR AND FIRECRACKERS TIMBOG SA PORT OF SUBIC-BOC

Tinatayang nasa halagang P60 milyon ang natimbog na kontrabandong asukal at mga paputok ng element ng Bureau of Customs (BOC) sa Port of Subic.

Sa ulat na inihayag ni Customs District Collector Marites Martin kay Customs Commissioner Rey Guerrero batay sa derogatory information nakalap kung kaya't inalerto at nag order ng 100% eksaminasyon ang gawin sa 35x40 containers na idinatang mula sa Hongkong kamakailan kung saan naka-consign sa JRFP International Trading.

Ayon kay Collector Martin ang 34 kontayners na taliwas ang deklarasyon sa floor mats and plastic, floor covering

naman malinaw na sa atin kung bakit natimbog ang imported sugar at fireworks shipments.

Pero nauna rito, kung matatandaan ninyo, sa kabila ng matamlay na import at export business sa ating bansa, kahanga-hangang nakalikom si Coll. Meeks Martin ng kanyang over-tagret revenue collection para sa nakaraang buwan ng Pebrero ng taon.

Sa datos, tumatagting na P1,995,128,567.17 ang kanilang aktuwal na koleksiyong buwis. Mas mataas ito kumpara sa tax collection target na P1,841,460.00. Suma-total, aabot sa 113,668,567.17 or 6.7% equivalent positive ang kanilang collection surplus.

Nakapagtala rin sila ng over-target tax collection noong nakaraang March. At nito lang katatapos na April 16, 2019, sa pinakahuling datos pa, umaabot sa P1,927,515,013.46 ang kanilang revenue collection. Sinasabing mataas ang halagang ito kesa ra sa kanilang target na buwis. Kaya naman nagkaroon pa sila ng aabot sa P75,575,013.46 collection surplus or 4.08% equivalent positive deviation.

Pero hindi pa dito natatapos ang kapuri-puring kahusayan at katapatan ni Coll. Meeks Martin sa pamumuno't pamamahala ng kanilang puerto, partikular sa pagkolekta ng malaking halagang buwis. Kasi, mula pala January at April 16 ng taon, nasungkit nila ang P9,337,327,778.19 kabuuang koleksiyong buwis. Kaya sa datos pa, aabot sa P1,837,578 ang kanilang revenue collection surplus or 24.50% equivalent positive deviation. Ang galing, 'di ba?

Congratulations sa kampo ng Customs-PoS, especially kina Coll. Meeks Martin at Capt. Regie Tuason! Keep up the good work and more power, Guys! Mabuhay kayong lahat!

tumambad ang 21,760 ng bags ng Thailand, refine sugar, samantalang ang nalalabing kontayne natuklasan ang ilang mga kahon na naglalaman ng mga firecrackers.

Nilabasan ng Warrant of Seizure and Detention ang shipments noong April 12, kung saan dagling pinakansela ni Customs Commissioner Rey Guerrero ang accreditation ng magkabilang importer at customs broker. Sinampahan ng kaukulang kaso laban sa mga lumabag sa Section 1401 ng Customs Modernization and Tariff Act (CMTA). "We will not allow illicit traders to continue to violate our laws. The Bureau of Customs is consistently working on boosting our anti-smuggling measures through the acquisition of upgraded tools for inspection and examination and close coordination with our partner-agencies such as the Philippine Drugs Enforcement Agency (PDEA), the Philippine Coast Guard and the Armed Forces of the Philippines to beef up our fight against smuggling," Guerrero stressed.

Nauna rito nagsagawa ng pagsisiyasat ang Philippine Drugs Enforcement Agency (PDEA) at ang Subic Bay Metropolitan Authority-Law Enforcement Division (SBMA-LED), upang alamin kung may illegal na droga nakapaloob sa kontayner gamit ang SBMA-LED K9 sniffing dogs, subalit natuklasang negatibo sa droga. Samantalang pinapurihan naman ng Sugar Regulatory Agency (SAR) ang BOC Port of Subic sa maagap na aksyon, kung saan tagumpay na nakumpiska ang mga kontrabandong asukal.

Making Your Life Harder Than It Has To Be

When we were young we saw the world through simple, hopeful eyes. We knew what we wanted and we had no biases or concealed agendas. We liked people who smiled. We avoided people who frowned. We ate when we were hungry, drank when we were thirsty, and slept when we were tired.

As we grew older our minds became gradually disillusioned by negative external influences. At some point we began to hesitate and question our instincts. When a new obstacle or growing pain arose, we stumbled and fell down. This happened several times. Eventually we decided we didn't want to fall again, but rather than solving the problem that caused us to fall, we avoided it all together.

As a result, we ate comfort food and drank alcohol to numb our wounds and fill our voids. We worked late nights on purpose to avoid unresolved conflicts at home. We started holding grudges, playing mind games, and subtly deceiving others and ourselves to get ahead. And when it didn't work out, we lived above our means, used lies to cover up lies, and ate and drank some more just to make ourselves feel better again.

Over the course of time, we made our lives harder and harder, and we started losing touch with who we really are and what we really need.

If you're nodding your head, then you understand the need for "Getting Back to Happy" (more on that below), and you know deep down that you've gradually made your life harder than it has to be. Here are some common mistakes you've likely made in the past, and some ideas on simplifying things starting today:

1. You let others make you feel guilty for living your life. – As long as you're not hurting anyone else, keep living your life

YOUR way. Sometimes we get lost in trying to live for someone else, trying to meet their expectations, and doing things just to impress them. Take a moment and think about it. Are you doing things because you truly believe in them? Remember your own goals. Live, do and love so that you are happy, because when it comes down to it, relationships can end in an instant, but you will live with yourself for the rest of your life.

2. You always assign negative intent to people's actions. – Another driver cut you off in traffic. Your friend never texted you back. Your colleague went to lunch without you. Everyone can find a reason to be offended on a daily basis. So what caused you to be offended? You assigned negative intent to these otherwise innocent actions. You took it as a personal insult – a slap in the face. Don't do this to yourself. Don't take things personally. Don't assign negative intent to the unintentional actions of others. Let today be the day you look for the good in people instead.

3. You are stuck on your mistakes. – It's important that we forgive ourselves for making mistakes. We need to learn from our errors and move forward. Make a pact with yourself today to not be defined by your past. Sometimes the greatest thing to come out of all your hard work isn't what you get for it, but what you learn from it. A happy, successful life, after all, is not a life absent of problems, but one that's been able to rise above them.

4. You're letting loss devour you. – Sometimes you have to work at happiness. Some hurdles in life are too difficult to clear simply by adopting a positive mindset. Do you need to forgive someone? Do you need to let go of a failed relationship? Do you need to come to terms with the death of a loved one? Life is full of loss. But, in a sense, true happiness would not be possible without

forgiveness from the Lord and those hurt. A wrong-doing has been done," he insisted.

As he assured that the Catholic Church hierarchy is determined and committed at eradicating and preventing these kind of unfortunate situations.

"Not only(by seeking) forgiveness, let us also know. (May you) realize that starting from Holy Father, we are determined and committed to stop this in all Church and (we will) do all we can to stop this," Valles said.

"In concrete(actions) there are certain procedures on what we can do. But be assured we will bring justice to all(and) bring to justice the perpetrators. Be assured that the Church will also accompany those who are hurting from being abused. We will be with you," he added.

As he said that Church leaders will not cover or run away from these sexual abuses cases involving the clergy, and are willing to stand with the victims. Cebu Archbishop Jose Palma, for his part said bishops are willing to walk through the victims towards healing.

As the Church can provide for spiritual counselling and assist the victim that they can receive psychological help. While Papal Nuncio to the Philippines Archbishop Gabriele Giordano Caccia echoed the statements of Valles and Palma.

"If people observe a priest " at risk" or showing manifestations that they are losing passion in their service, the young people is urged to open up with him and remind him of his commitment and vows before the Church," Caccia added.

UK GRANTS P160-M TO CEBU CITY AS 19 CITIES WORLDWIDE QUALIFI

The government of United Kingdom(UK) is set to release a grant of at least P160 million for Cebu City under the Prosperity Funds-Global Future Cities Program.

This was disclosed yesterday by Cebu City Mayor Tomas Osmena, who attended the Prosperity Evening Reception at the UK Ambassador's Residence in Forbes Park, Makati City.

Cebu City was among the 19 cities in the World that was selected as beneficiaries with new Clark City in Angeles City, Pampanga.

Osmena said the funds will enhance the implementation of the second phase of the Bus Rapid Transit(BRT) system, work on the vision for Call Center City and Business Processing Outsourcing(BPO) single mother's program, Waste to Energy facility for garbage, centralized data storage and command center and more programs without cost on Cebu City's taxpayers.

The program scope includes transportation, urban planning, and resilience wherein sustainable developments under the scope will be implemented to alleviate the concerns revolving around these scopes.

Cebu City Administrator Nigel Villarete, who was with Mayor Osmena during the Reception ceremony said a memorandum of understanding(MOU) is set to be signed on this third or fourth week of the month.

He added that this program will provide the city with long term strategy and framework for sustainable urban development including a strategy to achieve the sustainable development goals that can be continued beyond political cycles.

"The Prosperity Fund focuses on the UN Sustainable Development Goal 8, which promotes sustained economic growth. We are looking at coming up with a strategic document which will serve as a framework for other city plans required by the national government as well as facilitate their alignment with national goals, similar to the Cebu City +10 which was conceptualized in 2008," he added.

"The UK's assistance will help improve the way Cebu City is planned and managed, especially in capturing the aspirations of the Cebuanos through a consultative process and will hopefully result in increased local prosperity and quality of life, including reductions in levels of poverty and gender equality," he cited. Villarete clarified, though the assistance may not involve actual construction of projects but mainly project preparation.

it. It helps us appreciate the good times. It helps us grow. If you're struggling to see the light, you're not alone. Find someone who understands and talk to them. Reach out for support. Don't let loss devour you.

5. You keep cutting corners and taking the easy way out. – Do what is right, not what is easy. And do the right thing even if no one else will ever know. Why? Because YOU will know.

The needed 6,716 vote-counting machines (VCM) for Cebu has already arrived and testings will be conducted says Commission. On Elections(Comelec) says Cebu Provincial Election Supervisor Jerome Brillantes. He added the VCMs represents the 6,716 clustered polling precincts in Cebu. This as authorities are taking extra measures in guarding this set of equipment to avoid tampering or alteration.

This number does not include the more than 400 "contingency" VCMs from the Comelec head office that are appropriated to the different municipalities and cities here, in case the used ones malfunction.

Brillantes said the VCMs are kept safely in LBC express hub in Mandaue City- the warehouse facility intended solely for the VCM storage.

The Special Weapons and Tactics (SWAT) units beef up the security there as teams are deployed around the premises to make sure no trespasser can penetrate the facility.

Brillantes added the facility is equipped with 24-7 closed-circuit television(CCTV) cameras for close monitoring. It will be on May 10 that the Comelec-Cebu will conduct a synchronized final testing and sealing of the VCMs.

Local candidates are invited to witness the May 10 activities. He explained further that the event's purpose is to check if these VCMs are transported to the right precinct of a municipality or city. He said that these VCMs are actually distinct of a municipality and city, as well as to a certain precinct.

Brillantes, further said that the ballots go with the VCMs and should not be inter-changed, that is why these are guarded carefully. The ballots for Cebu are expected to arrive on the last week of this month or first week of May.

And these will be distributed automatically to the individual municipal and city treasurer's office which will take custody of the election materials.

CBCP CALLS ON CATHOLIC YOUTH TO REPORT SEXUAL HARASSMENTS OF

The Catholic Bishops Conference of the Philippines(CBCP) yesterday encouraged the catholic youth not to be afraid in reporting cases of sexual abuses or harassment involving the clergy. The encouragement was made by CBCP President and Davao Archbishop Romulo Valles during a dialogue with the National Youth Day(NYD) at the Cebu City Sports Center.

Valles said the victims may seek help from their respective bishops in their dioceses.

"Do not be afraid, for other young people, to go to your bishops and priests and open and unburden your hurting situation. And if I may speak in behalf of the bishops of the Philippines, they will listen to you... we will listen to you and we are ready to ask your forgiveness, Valles said.

He added that Church leaders are willing to ask for forgiveness and are asking for forgiveness to the victims of abuses, especially to the young who are mostly vulnerable to such situations.

"We bow in shame facing this reality of sexual abuse...Yes, we bow in shame and it is good for us to be reminded that the Holy Father(Pope Francis) himself has asked forgiveness for this deep hurt done by the Church members to the young people.

Cardinals, bishops and priests would be one with the Holy Father, we ask for forgiveness," He reiterated.

"The Church is very ready and has done so to admit the situation and will continue to say we are so sorry and beg for

The Bureau of Immigration (BI) announced that they will be tightening rules on the issuance of permits to foreign nationals working in the Philippines. Immigration Commissioner Jaime Morente made the announcement on labor day after the BI signed the joint guidelines on the issuance of work and employment permits to foreign nationals. Parties to this agreement are the Department of Justice (DOJ), Department of Labor and Employment (DOLE), the Bureau of Internal Revenue (BIR) and BI.

This shift in policy was implemented following concerns in the rising number of foreign nationals working in the Philippines. We saw a rise in the number of foreign nationals in the previous years due to emerging industries such as the online gaming industry," said Morente. "Issues and challenges only appear now. This has never been a problem in the past because of the relatively smaller number of foreign nationals working in the Philippines then," he added.

According to Morente, the previous regulation in the issuance of special work permits (SWP) did not have any restrictions, apart from the duration. "The old system was prone to abuse, hence we saw the need to tighten our regulations to ensure that jobs that can be done by Filipinos will not be given to foreigners," he stated.

An SWP allows a foreign national with a tourist status to render service for a maximum period of 6 months, and does not bind a foreigner in an employer-employee arrangement. In contrast, a 9(g) visa is a working visa for aliens employed in the country, with contracts usually lasting for 1 to 3 years.

A permit would allow a foreigner extended business activities here up to 6 months—say for example transfer technologies or perform in concerts or shows in the Philippines, while a visa binds a foreigner as an employee by a company in the country," Morente clarified. In 2018, the BI issued a total of 83,760 SWPs, while the DOLE reported issuing a total of 54,241 Alien Employment Permits, which is the primary requirement for securing the 9(g) visa.

Morente stressed that "they are in constant talks with DOLE to craft policies that will ensure the protection of the Filipino worker". However, he assured the foreign community that the new guidelines will not compromise the ease of doing business.

We have made it easier for foreign nationals to comply with our laws," said Morente. "The procedures are simple, the process is now quicker, so there's really no excuse for foreign nationals to not follow," he added. Morente likewise vowed to "rid of all illegal aliens who disregard immigration laws.

Apart from the updated rules on work permits, the BI also announced that it will include in the requirements for visas and permits proof that the alien applicant has paid their taxes. "It's really about government agencies working together to harmonize rules and procedures," said Morente. "It's high time we put our heads together to ensure that the government gets what it is due," he added.

BUREAU OF IMMIGRATION TIGHTENS RULES ON WORK PERMITS

BI Commissioner Jaime Morente said 33-year-old Charles Roy Atkinson will be deported following his arrest last April 27 in Talisay City, Cebu by operatives from the bureau's fugitive search unit (FSU).

Morente said the US embassy sought the BI's help in locating and apprehending Atkinson who is subject of an arrest warrant issued by the Court of Harrison County, Mississippi on Jan. 24, 2013.

His presence here poses a risk to children, anyone of whom could be his next victim," the BI chief said. "We were informed by American authorities that his passport has already been cancelled," said Morente, and disclosed that Atkinson will also be deported as an undocumented alien.

BI-FSU chief Bobby Raquepo said Atkinson had hidden in the Philippines since he last arrived on Jan. 22, 2013, the day before the Mississippi court issued the warrant for his arrest. "He must have received information about it, so he fled to the Philippines to evade his arrest," said Raquepo.

Raquepo added that documents submitted to his office showed that the court ordered the forfeiture of the US\$10,000 bail bond Atkinson posted for his temporary liberty after he failed to appear at the scheduled hearing of his case.

It was learned that Atkinson was charged with the crime of "exploitation of a child" which under Mississippi law carries a penalty of five years up to 40 years imprisonment and a fine of US\$50,000 to half a million dollars. Mississippi statutes describe exploitation of a child as causing, soliciting or knowingly permitting any child to engage in or simulate sexually explicit conduct for the purpose of producing any visual depiction of such conduct by any means including computer.

BOC EXCEEDS APRIL COLLECTION TARGET BY 3.3 %

The Bureau of Customs' initiatives to plug revenue leakages in its system, coupled with its enhanced revenue collection efforts, have resulted in the Bureau's exceeding its collection target for April by 3.3 percent, according to the preliminary report of the BOC – Financial Service. The Bureau was expected to collect P51.604 billion in April, but because of our stringent monitoring and continuing efforts to enhance our revenue collection capabilities, we were able to collect P53.33 billion which is higher than the target revenue," Commissioner Rey Leonardo jagger B. Guerrero reported.

He added that the collection in April is up by 14% as compared to what was collected during the same period last year. In April 2018, we only collected P46.794 billion, but this year we exceeded our collection performance and even generated more than P1.726 billion surplus," Guerrero stated.

Commissioner Guerrero commended the collective efforts of the 17 collection districts for their unwavering support, commitment and dedication to service.

Based on the preliminary report, twelve of the seventeen collection districts were able to hit their respective targets, namely: the Manila International Container Port (MICP), Port of Limay, Ninoy Aquino International Airport (NAIA), Port of Cagayan de Oro, Port of Subic, Port of Cebu, Port of Davao, Port of San Fernando La Union, Port of Iloilo, Port of Tacloban, Port of Zamboanga and Port of Legaspi. BOC's improved revenue collection performance, according to Guerrero, is the result of its intensified control measures against undervaluation, misdeclaration and other forms of technical smuggling.

I have given all the district collectors a stern order to closely monitor all the transactions in their respective ports to ensure that the correct duties and taxes are being paid and that customs laws, rules and regulations are being followed, Guerrero stressed.

ang ASUKAL, BIGAS, at SIGARILYO? Sa aking pananaliksik, kapag personal effects walang manyayaring examination, x-ray, at physical examination! May ganun! Kahit saan pala may lusot! Ganun daw kagaling si Al-Kuhol, at Baklang Satanas. Ha ha ha galing talaga ni BUKAKA QUEEN!

Si Junior daw ang player ng ASUKAL, at BIGAS. At hindi daw po ito nagbayad ng DUTIES and TAXES ang hinayupak. Magano kaya ang kay AL-KUHOL este BUKAKA QUEEN at Baklang Satanas. Hindi kaya nagkamal ang kanilang balsa?

Balita po natin 500 to 600 containers lang naman ang pinalusot! Ha ha ha! Totoo kayang may halong DROGA? Ito ngayon ang kumakalat sa apat na sulok ng Bureau of Customs. Hindi daw po imposible! May ganun! Iba talaga ang nagagawa ng pera!

Ano kaya ang nangyari sa investigation TEAM ni Dep. Comm., for Intelligence Gen. Ramiro, na pinangungunahan ni Customs Intelligence and Investigation Services Head Tacio? Totoo bang nabayaran? Walang kasi nangyaring imbestigasyon? Totoo bang nabayaran? Nagtatanong lang!

Atty. Jonathan Mengullo, at Menacio Magno! Totoo po bang nagkaroon ng WHITE WASH? Magkano naman? Ha ha ha ha! Sabagay mga tao daw kayo ni dating Kumisyuner Lapena, na nasibak dahil sa pagkakapulisit ng 11 bilyong shabu! Anong meron? May nais ba kayong pagtakpan?

Teka dapat na rito mali-alam ang Presidential Anti-Crime and Corruption Commission. Ang pagkasunog ng gusali sa BOC, tila meron silang gustong pagtakpan! May ganun! Ambot sa kambing na may bangs! Iba talaga si BUKAKA QUEEN!

Paano madami daw anomaly si Baklang Satanas, pati na si RUBBING AL-KUHOL, at alam iyan ng mga taga National Bureau of Investigation. Lang ya, talo pa si Mang Luci. Ha ha ha ha! Sino kaya ito? Ambot

Alam niyo po ba ang dalawa ay mahilig magsabi na "Don't you know that I was appointed by the President here?" "I can call or text him anytime." Ha ha ha! Ina-anak daw po kasi ni Pangulong Digong lagi niyang ipinagmamalaki. Ambot! Si AL-KUHOL. Ano kaya niya si Pang. Digong! Alams na!

Samantala, ani ng mga matatalinong kawani sa Bureau of Customs. Meron daw nais pagtakpan! Ha ha ha! Sana makarma kayo. May kasabihan tayo na ang langka, ibaon man lalabas pa rin ang amoy! Haitz! Kaya nangangamoy AL-KUHOL at Asupre! Ha ha ha!

DRAFTING OF IRR NG TRANSPORT AND ROAD USAGE CODE SA BATANGAS PROVINCE, ISINAGAWA

Mahigit sa 60 stakeholders ang dumalo sa isinagawang Drafting of Implementing Rules and Regulation ng Provincial Ordinance No. 008 o mas kilala bilang Batangas Transportation Usage Code noong ika-30 ng Abril 2019 na ginanap sa Provincial Planning and Development Office (PPDO) Conference Room, Capitol Compound, Batangas City.

Ang nasabing pagbabanghay at pagbibigay mungkahi ng mga alintuntunin at regulasyon, na pinangunahan ng Pamahalaang Panlalawigan ng Batangas sa pamamagitan ng Provincial Traffic Management Office na nasa ilalim ng Provincial Public Order and Safety Department, ay naglalayong mabigyan ng linaw ang pangkalahatang sitwasyon ng trapiko sa lalawigan.

Naging pangunahing tagapagsalita si 5th District Board Member Arthur Blanco, may akda ng naturang ordinansa, na nagpaalala na ang batas na ito ay lubos na makatutulong sa usapin sa trapiko na magresulta sa maayos na takbo ng ekonomiya.

Nakiisa rin sina P/Lt. Col. Aniceto S. Malapitan, Provincial Traffic Management Officer; Mr. Benjamin B. Bausas, PPDO Head; Mr. Darwin Panganiban, Senior Transportation Regulation Officer – Land Transportation Office Region IV-A; mga Traffic Management Officers ng iba't-ibang bayan at lungsod; mga representatives ng ilang departamento ng pamahalaang panlalawigan; at, mga ahensya na may kaugnayan sa pamamahala ng trapiko.

Ipnalilwanag naman ni P/Lt. Col. Malapitan na bagama't ang ordinance ay naipasa na, bukas naman umano ito sa anumang amyenda para sa epektibong pagpapatupad nito.

Ang Batangas Transportation Usage Code ay matatandaang naisabat na noong ika-4 ng Marso 2019 at sasaklaw sa provincial at national roads sa Lalawigan ng Batangas.

BUREAU OF IMMIGRATION WARNS OFWs DO NOT BE VICTIMIZED BY THE SYNDICATES

Bureau of Immigration (BI) officials urged Filipinos intending to work abroad to avoid dealing with syndicates that provide their victims with fake overseas employment certificates (OECs) and other spurious documents.

BI Commissioner Jaime Morente issued the warning after receiving reports from Port Operations Division Chief Grifon Medina that another female OFW was stopped from leaving the country for presenting a tampered OEC and fake Philippine Overseas Employment Administration (POEA) clearance.

The victim attempted to board a Philippine Airlines flight to Damman, Saudi Arabia when she was intercepted by members of the BI's travel control and enforcement unit (TCEU) at the NAIA terminal 1. Do not deal with these fraud syndicates because believing them is to your disadvantage," Morente said. "Deal only with licensed recruiters and not with these human traffickers whose only motive is to earn profits at the expense of our poor kababayan," he added.

Morente stressed there is no way that the scheme will work because their computer system is linked with POEA, making detection of fake permits easier. During the recent Lenten break alone, the BI reported some 14 OFWs that were stopped at the NAIA for having fake OECs and POEA clearances.

Morente shared that the traffickers are unrelenting in their attempts to victimize Filipinos. "They just won't stop. Walang manloloko kung walang magpapaloko," said Morente. "Do not take so-called shortcuts just to work abroad. It is for your own protection," he said.

NAMFREL KUMALAS SA COMELEC

NANINIWALA po ang isang Senatorial candidate Neri Colmenares na posible daw na maging vulnerable sa pandarambong at fraud ang naging withdrawal ng National Citizens' Movement for Free Elections (Namfrel) bilang poll watchdog ng Commission on Elections.

Sapagkat matapos yata na bigyan lang sila ng limitadong access sa lahat ng election-related data aba eh umatras ang Namfrel sa accreditation na ibinigay sa kanila ng kumisyon.

Nagtataka itong si Colmenares kung bakit ipinagkakait ng Comelec ang mga hinihinging impormasyon ng kanilang sariling accredited watchdog at wala namang daw dapat ikatakot ang poll body kung walang mangyayaring manipulasyon sa resulta ng botohan. Sinabi ng senatorial bet ang Comelec na hayaan na ng Comelec na magkaroon ng access sa kailangang mga datos ang NAMFREL para mapigilan ang dayaan at mabantayan ang boto ng mamamayan sa darating na election.

Samantalang dumepensa ang Comelec sa naging pahayag ng NAMFREL na wala silang pagsisisi sa pagkalas bilang accredited watchdog ngayong May 13 elections.

Sinabi nitong si COMELEC Spokesman James Jimenez na wala sa posisyon ang NAMFREL na magkaroon ng access sa nasabing dokumento pagkat iniwasan lang din aniya ng COMELEC na magkaroon ng pagkalito ang publiko.

Subalit hindi lamang ito maisakatuparan agad dahil mismong mga local officials ng pamahalaan ang humaharag sa kampanya ng pamahalaan na panatilihin malinis ang mga tourist spots sa ating bansa. Sinabi nitong si Tourism Sec. Bernadette Romulo-Puyat na nakatakdang ipasara at hawakan ng national government ang kontrol sa ilang beach resorts ng Palawan sa oras na mabigo pa ring maka-comply ang mga ito sa panuntunan bago matapos ang buwan ng Mayo.

Balita pa rin natin ay muling magpapalabas ng panibagong executive order hinggil sa implementasyon ng shutdown at kasama na rin ang plano para sa Burnham Park ng Baguio.

Nabatid na hihintayin na din daw ng Tourism department na aprubahan na sa susunod ng Kongreso ang panukalang batas na naga-amiyenda sa Local Government Code.

PINSALA DALA NG EL NINO LUMALAWAK

DAHILAN po sa umabot na yata sa 8-B ang danyos ng tag-tuyot ay pinaniniwalaang mas lumaki at lumawak pa po ang pinsala sa sektor ng Agrikultura na dulot ng tag-init na dala ng nararanasang El Niño Phenomenon.

Pinaaabot ng National Disaster Risk Reduction & Management Council (NDRRMC) na ang pinakasentro dito ang sektor ng pangisdaan sa Regions 1, 2, 3, CALABARZON, MIMAROPA, Cordillera, Bicol, Eastern at Western Visayas.

Lubhang appektado din ang Regions 9, 10, 11, 12 at Bangsamoro Autonomous Region in Muslim Mindanao o BARMM. At umaabot naman sa mahigit 247, 610 na magsasaka ang appektado sa mga nabanggit na lugar kung saan kasama na din dito ang CARAGA.

Samantalang nasa Pitumpu't Walong libong Pamilya o katumbas ng aabot sa halos Apatnaraang libong indibidwal ang umaaray na sa epekto ng tag-init. SA KABILANG dako inasahan na din na magkaroon ng rotational brownout sa Luzon grid dahil sa muling pag-iral ng red at yellow alert sa Luzon grid dahil sa manipis pa rin ang reserba ng kuryente sa Luzon.

Ipiniaalim ng National Grid Corporation of the Philippines (NGCP) ang available capacity ngayong araw ay 11,054 habang ang peak demand at 11,046 megawatts.

Ang yellow alert ay alas 9:00AM hanggang 10:00AM; 11:00AM hanggang 12:00NN; 4:00PM hanggang 5:00PM; at 6:00PM hanggang 9:00PM at ang red alert naman alas 10:00AM hanggang 11:00AM at 12:00NN hanggang 4:00PM.

UNESCO, CPJ 'pleased' with PTFoMS work, initiatives

MANILA – The United Nations Educational, Scientific and Cultural Organization (UNESCO) and the Committee to Protect Journalists (CPJ), an international body dedicated to the protection of journalists worldwide, have hailed the initiatives and work being done by the Presidential Task Force on Media Security (PTFoMS).

PTFoMS executive director, Undersecretary Jose Joel Sy Egco discussed recently with representatives of UNESCO and the CPJ the accomplishments registered by the task force in less than three years after its creation.

President Rodrigo Duterte created the PTFoMS soon after he assumed the presidency in 2016 in response to the violent assaults against media workers in the country, many of which have remained unresolved.

In their recent meeting with Egco, CPJ Asia program coordinator Dr. Steven Butler, CPJ board chair Kathleen Carroll, and Queensland University (Australia) Journalism and Communications chair, Prof. Peter Greste who represented UNESCO, have vowed to keep in touch with the PTFoMS for developments in Philippine journalism.

During their discussions, Egco pointed out that in its 2018 Global Impunity Index (GII) report, the CPJ noted with optimism that while the Philippines remained at its previous No. 5 ranking, it had significantly improved its status in terms of protecting journalists.

Egco also highlighted the fact that the Reporters Without Borders (RSF) has also delisted the Philippines from the top 5 Most Dangerous Countries in the World for Journalists on December 2018.

PTFoMS chief investigator Police Lt. Col. Eder Collantes gave a rundown on the updates on cases of violence against media practitioners. Of the 58 victims in the Nov. 23, 2009 Maguindanao Massacre, 32 were journalists covering

VIDEO SA PAGBOTO INILABAS NG COMELEC

MALAKI po ang maitutulong ng inilabas na instructional video ng Commission on Elections (COMELEC) para sa mga luma o bagong botante sapagkat ito po ay naglalaman ng step-by-step na pagboto sa midterm election sa Mayo 13.

Makikita po sa nasabing footage ay ang paghahanap sa pangalan at presinto at sequence number sa naka-display na computerized voters list bago lumapit sa mga miyembro ng electoral board (EB).

Sa oras na naibigay ng EB ang official ballot sa botante ay kinakailangan itong tingnan nang maigi ng botante upang matiyak na hindi madumi o walang marka, at kung mayroon ay kinakailangang ibalik ito sa EB para mapalitan.

At dapat ding i-shade ng botante ang tapat ng pangalan ng iboboto na gamit ang nakalalang special marking pen.

Ngayon pagkaraang bumoto ay kinakailangang takpan ang balota ng ballot secrecy folder habang ipinapasok sa vote counting machine (VCM). Dapat ding magbigay ng voter's receipt ang VCM na maiiwan sa nakalalang kahon sa voting precinct.

Para po sa kaalaman ng publiko na base sa talaan ng Comelec ay aabot pala sa 61 milyong Pinoy ang inasahan ng boboto sa national at local elections sa Mayo 13.

Hangad po natin ang isang mapayapa at malinis na eleksyon sa buwang ito ng Mayo.

DAPAT noon pa sana hinigpitan ng Bureau of Immigration (BI) ang kanilang panuntunan sa paglalabas ng permits para sa mga foreign nationals na nagta-trabaho o gustong sa bansa tulad ng ginagawa ng ibang bansa sa ating gustong magtrabaho sa kanilang bansa.

Sa nasabing paghihigpit ay nilagdaan na daw po ng bureau ang joint guidelines sa issuance ng work at employment permits para sa mga foreigners kasama ang Department of Justice (DOJ), Department of Labor and Employment (DOLE) at Bureau of Internal Revenue (BIR) kasabay ng Labor Day.

Nabatid mula sa BI ay mayroong special work permit kung saan papayagan ang dayuhan na mayroong tourist status na magtrabaho sa bansa na hindi lalagpas sa anim na buwan, at walang mangyayaring employer-employee arrangement.

Nilalaman din ng naturang polisiya na magkaroon ng hiwalay na working visa, na tinatawag na 9(g) visa na mayroong kontrata na hindi lalagpas na isa hanggang tatlong taon.

Nalaman na sa nakalipas na regulasyon sy wala palang ipinapatupad na restrictions ang BI maliban na lamang sa haba ng pananatili ng isang banyaga sa Pilipinas (isang sistema na madalas naabuso). Ang hakbang na ito ng naturang ahensya ay sa gitna Ginawa nila ang bagay na ito sa concerns na tumataas na bilang ng mga foreign nationals na nagtatrabaho sa ating bansa dulot ng emerging industries tulad na lamang ng online gaming.

INUGATAN NA PANAHON BENTAHAN NG BOTO

DINEDEMDA lamang mga botante ang parang sirang plakang laging panawagan ng Commission on Elections (COMELEC) na huwag magbenta ng kanilang boto sa tuwing darating ang panahon ng eleksyon. Heto na naman itong si Comelec Spokesperson James Jimenez na nanawagan sa lahat ng botante na gamitin ng mga ito ang kanilang konsensya sa pagboto at huwag tanggapin ang perang alok ng mga kandidatong bumibili sa kanilang boto.

Ito ang naging reaksyon ni Jimenez matapos ihayag ni Philippine National Police (PNP) Chief Director Gen. Oscar Albayalde na maaaring tanggapin ng botante ang pera ng vote buyer, basta iboboto ang napupusuan at karapat-dapat sa puwesto.

Sa ganang akin at sa pananaw ng marami at mukhang makatotohanan na may katwiran itong si Albayalde sa kanyang sinabi na tanggapin ng botante ang pera ng vote buyer pero dapat na iboboto yung mga napupusuan kandidato at karapat-dapat sa puwesto.

Napakatagal ng laging sinasabi ito ng Comelec sa mga botante pero wala namang nangyayari at sa halip ay patuloy sa pagtanggap ng pera ang mga botante mula sa mga kandidatong namimili ng boto.

the filing of certificate of candidacy of then town mayor Ismael "Toto" Mangudadatu for Maguindanao governor.

Mangundadatu, whose wife was one of the 58 massacre victims, subsequently ousted then Gov. Andal "Unsay" Ampatuan Jr. He earlier said press freedom in the country has significantly improved since PTFoMS' creation in 2016.

Egco reiterated his earlier promise to resign if the perpetrators of the 2009 Maguindanao massacre will not be convicted.

Among the others who attended the PTFoMS meeting with the UNESCO and CPJ representatives were Publishers Association of the Philippines Inc. (PAPI) President Nelson Santos and National Press Club vice president Paul Gutierrez. (PNA)

Magkatunggaling kandidato sa iisang pinaglalamanang pusisyon nagpapataasan ng pagbibigay ng suhol o pagbile ng boto sa kanilang lugar.

Sino namang botante ang magsusumbong sa tanggapan ng Comelec sa gawaing ito samantalang nakikinabang sila sa magkatunggaling kandidato sa kanilang lugar.

Ngayon ano na ba ang nangyari sa sinasabi ni Jimenez na nakatanggap na sila ng mga

sumbong na ilang kandidato daw ang ngayon pa lang ay namimili na umano ng mga boto.

Wala pa akong nababalitaan na bang naparusahan ng batas na mga kandidatong sinasabing namimili ng boto o mayroon na bang botanteng nagbebenta ng boto na naparusahan na.

Doon lamang sa lalawigan ng Nueva Ecija laganap ang balita na umano'y may mga bayan dito na talamak ang bentahan ng boto at nagpapataasan pa ng presyo na ibinigay ng mga kandidatong kapalit ng boto.

Ang sabi sa akin ni Tatay Islaw ang bentahan o bilihan daw ng boto tuwing sasapit ang eleksyon ay "inugatan na ng panahon" hindi na kayang sugpuin hanggat may nagugutom na botanteng Pinoy.

CANADA INAASAR LAMANG NG PANGULO

HUWAG po natin na seryosohin ang sinabi nitong si Pangulong Rodrigo Duterte na kapag hindi kinuha ng Canada ang kanilang mga basura ay gigiyerahin niya ito.

Inamin po kasi ng Palasyo na ito ay pang-aasar lamang Pangulo pagkat wala naman daw talagang planong gawin ito ni Digong. Sinabi nitong si Presidential Spokesman Salvador Panelo na figure of speech lamang ang banta ni Pangulong Duterte na makikipag-giyera sa Canada sa sandaling hindi kinuha ang mahigit isang daang toneladang basura na itinatapon sa bansa.

Ngayon naman ang ipinang-aasar ng Presidente ay bibigyan daw niya isang linggo ang Canada para kunin ang kanilang basura dahil kung hindi ay itatambak daw niya ito sa kanilang magagandang beach.

Kaya huwag po natin na masyadong seryosohin ang mga patutsadang ito ng ating Pangulo sapagkat alam naman po natin na palabiro ito at naniniwala naman kami na walang gagawin masama ang Presidente na ikapapahamak ng masang Pilipino.

NGAYON pa lamang po ay ipinapaalala na ng Commission on Elections (COMELEC) sa publiko na huwag maniniwala sa anumang lababas na balita o impormasyon na may inisyal nang nanalong mga kandidato dahil ito ay "peke". Ang tinutukoy po ng poll body ay resulta ng isinagawang local absentee voting (LAV) para sa 2019 midterm elections dahil ayon sa Comelec ay hindi muna pala nila ito. Sinabi ni Comelec spokesperson James Jimenez na ang resulta pala ng mga boto sa nagpapatuloy na LAV ay sabay-sabay na malalaman sa counting of votes ng May 13 elections pa kaya kung may lalabas na nanalo sa LAV ay ito'y "fake news" lamang na hindi dapat paniwaan ng publiko. Ito po na LAV ay para sa mga miyembro ng militar, police, government officials at iba pang indibidwal o grupo may malaking gagamapanan sa election day.

MAGANDANG balita po na yun palang job at business fair ng pamahalaan ngayon Labor Day ay bukas din para sa mga refugees at iba pang dayuhan. Sa madaling salita ang job at business fair na ginagawa ngayon puwedeng sumali o makibahagi at mag-apply sa mga alok na trabaho sa kanilang mga job and business fair ang sinuman kasama na nga po yung mga foreigners na nangit sa bansa.

Sinabi nitong si Department of Labor and Employment - Bureau of Employment Director Dominique Tutay hindi na kinakailangan pang kumuha ng alien employment permit ng mga refugees kung mag-aaply ng trabaho dahil itinaturing silang mga "stateless persons".

Sapagkat wala pa lang nakasaad na limitasyon ang job fair para sa mga dayuhang manggagawa bagama't hindi naman nila inasahang may mga foreign national ang mag-aaply sa job fair.
