Nadiskubre ni Coll. Simon ang ipinuslit at itinagong BASURA sa isang liblib na barangay sa Sta Cruz Misamis Oriental noong Octubre 2018. Nangangamba si Coll. Rituals Mentally Strong People Practice Everyday

Here are two key rituals people with remarkable mental strength do daily:

1. They use passion and love to fuel their drive to get the hard things done.

Life is not easy, which is why you have to do hard things to be happy in life. The things no one else is doing. The things that frighten you. The things others can't do for you. The things that make you question how much longer you can hold on and push forward.

Because those are the things that define you. Those are the things that make the difference between existing and living – between knowing the path and walking the path – between a life of defeat and a life filled with happiness and success.

Adversity is an inevitability, and it's much like walking in to a turbulent windstorm. As you fight to push through it, you not only gain strength, but it tears away from you all but the essential parts of you that cannot be torn.

Once you come out of the storm you see yourself as you really are in raw form, still holding the passions and values that move you, and little else. These are the lusts that matter – the inner love and vows that define you. It is this kind of love that drives you forward and even when the going gets tough. It is this kind of love that strengthens the mind, body and soul.

GWEN'S DAUGHTER/BROTHER EYED TO LEAD LEAGUE OF MAYORS IN CEBU

PORTWATCH

Rico Osmeña

Reelected Mayors Christina Garcia Codilla-Frasco (Liloan) and Marlon Fiel Garcia(Barili) are being floated to run for the presidency of the League of Municipalities of the Philippines(LMP)-Cebu chapter, who both are daughter and brother of Cebu Governor-elect Gwendolyn Garcia.

This came out in the last assembly by LMP-Cebu chapter Wednesday night. Representative Vincent Duke Frasco(Fifth district, Province of Cebu),the husband of Mayor Christina in a text message to DAILY TRIBUNE said " I think it would be up to the mayors of Cebu to decide who their president will be. It would be an honor for Mayor Christina if she was chosen among her peers."

However, outgoing Third district Provincial Board member and Balamban Mayor-elect Alex Binghay in a separate interview with DAILY TRIBUNE disclosed that Governor Gwen seems "uncomfortable" on the clamor for her daughter or brother running for the league's presidency as it is "self-serving."

Binghay added that if Governor Gwen chooses her daughter Christina, her brother Marlon maybe upset and vice versa. Binghay checked on the incoming league members and of the 44 town mayors in Cebu, there are 23 identified with the party of the Governor.

And these were: Mayor/s Fritz Lastimoso (Alcantara, Cesare Ignatius Moreno (Aloguinsan), Allan Sesaldo (Argao), Jose Antonio Pintor (Asturias), Carmen Lumain (Badian), Alex Binghay (Balamban), Noel Dotillo (Borbon), Marlon Garcia (Barili), Mary Theres Sitoy-Cho (Cordova), Joannes Alegado (Consolacion), Sun Shimura (Daanbantayan), Jeffrey Belcina (Dalaguete), Lito Narciso Creus (Malabuyoc), Salvador dela Fuente (Madri dejos), Christina Frasco (Liloan), Joven Mondigo Jr.(Medellin),Glenn Baricuatro (Pinamungajan), Lakambini Reluya (San Fernando), Mariano Martinez (San Remigio), Ithamar Espinosa (Sta. Fe), Lionel Bacaltos(Sibonga),Zigfred Duterte (Tabogon) and Raul Gerona (Tabuelan).

For his part, incoming Daanbantayan Mayor Sun Shimura said his personal choice is Mayor Christina but it would always depend on Governor Garcia's endorsement to the league's presidency. Pinamungajan Mayor Glenn Baricuatro said that Christina has expressed interest for the post.

GARCIA SUSPENDS EXTRACTION/QUARRY OPERATIONS IN CEBU AS SHE RECALLS VEHICLES RELEASED BY CAPITOL

Cebu Governor Gwendolyn Garcia yesterday has suspended sand and gravel extraction and quarry operations in the whole Province of Cebu subject to review of existing policies and penalties. This as she clarified the suspension are those covered the permits issued by the provincial government that are less than 5 hectares.

She requested the Philippine National Police(PNP) and Armed Forces of the Philippines(AFP) to help in the enforcement as effectively June 30 this year, the suspension of extractions and quarry operations are deemed illegal.

For his part, Police Colonel Roderick Mariano, the newly installed Director of the Cebu Provincial Police Office(CPPO) told Garcia that immediately he would order all the chief/s of police in the province to implement and enforce the suspension order by the Governor.

The suspension order was announced by Garcia during her first meeting with the Capitol department heads yesterday which lasted for almost six hours.

Secondly, Garcia ordered the Provincial General Services Office(PGSO) to recall all vehicles released by the provincial government during the time of Vice Governor Hilario

2. They are relentlessly consistent.
- How many workouts have you missed because your mind, not your body, told you that you were too tired?
- How many workout reps have you skipped because your mind, not your body, said, "Nine reps is enough. Don't worry about the tenth"?

To this day, the answer to both questions is probably thousands for most people. Weakness of the mind is a real dream killer, and the only way to fix this weakness in daily practice.

Far too often we think that mental strength is all about how we respond to extreme circumstances. How did she perform on stage during that nationally televised event? Did he bounce back after his business failed and left him in deep debt? Can she keep her life together even after suffering from a major, debilitating loss? There's no doubt that extreme circumstances test our bravery, determination and mental strength, but what about common, daily circumstances?

Just like every muscle in the body, the mind needs to be exercised to gain strength. It needs to be worked consistently to grow and develop over time. If you haven't pushed yourself in thousands of little ways over time, of course you'll crumble on the one day that things get really challenging.

But it doesn't have to be that way.

Mental strength is built through lots of little victories. It's

Davide III to review if these vehicles were distributed equally to all 44 towns and seven cities in the province.

These includes buses, ambulances and even police vehicles. Garcia asked then Mariano if police operations maybe affected by the recall?, but Mariano said he will still coordinate with station commands, who benefitted from the vehicles. And if other commands have much more than others, he will have it recalled. Garcia disclosed reports that extractions and quarrying has become of sources of corruption in Capital particularly the Provincial Environment and Natural Resources (PENRO).

CEBU PROVINCE CONDEMNS KILLING OF EX-MAYOR RAMIREZ AS IT URGED POLICE TO CONDUCT THOROUGH PROBE

The Province of Cebu through its Provincial Board yesterday has condemned the brutal killing of former Medellin Town Mayor Ricardo " Ricky" Ramirez in the highest possible terms. The condemnation resolution said " WHEREAS,Mayor Ricky was shot dead by more or less 19 armed men in Bogomedellin Corporation Medical Center situated in Barangay Luy-A, Medellin, Cebu at about 11:50 in the evening of June 18,2019."

According to the initial investigation, there were four(4) vehicles reportedly arrived at the said hospital and the armed men disarmed the guards including the jail personnel securing Ramirez.

SM City Dasmariñas' employees together with its tenants once again participated in the National Simultaneous Earthquake Drill 2019. Headed by the Mall Operations, Customer Relations Service and Emergency Response Group of SM City Dasmariñas in cooperation with Dasmariñas CDRMO, the drill was successfully concluded. The drill aimed to prepare the people for the coming of the BIG ONE which nobody knows when and where to occur. It encouraged customers' participation as well, so that they would know what to do in case it happens, most especially when they are inside an establishment.

POINT OF VIEW

by Nestor P. Mose

the individual choices that we make on a daily basis that build our 'mental strength' muscles. We all want this kind of strength, but you can't think your way to it. You have to do something about it religiously. It's your daily actions that prove your mental fortitude.

The bottom line is that when things get difficult for most people, they find something easier to do. When things get difficult for mentally strong people, they find a way to stay on track.

it only takes 45 minutes* to change a life.

Sa pahayag sinabi ni PORT OF CEBU DISTRICT COLLECTOR ATTY ELVIRA CRUZ noong taon 2018 na over hit ng port of cebu ang target na 27 bilyon pero wala pa ang reward, How can remove people if do not give the reward, if you remove people you give the reward, Nasaan ang justice, I dont think that is the intension of the law & follow the law bago ka magtanggali at tingnan muna ang performance, at ang mga port collector ang nakakaalam kung papaano patakbohin ang puerto.

Ayon pa kay Collector Cruz the collection be allowed to divide the monthly collection at hindi puwedeng magdivide ang finance service sa collection at kaming mga collector ang nakakaalam kung papaano pinapatakbo yon puwesto.

Ani pa ni collector Cruz hindi dapat finance service ang magdidikta ng collection sa bawat puerto dahil sa bandang huli kapag hindi nakamit ang collection ay tatanggalin sa puwesto thats unfair naman at kung i-apply ang atrition kailangan bigyan ng authority ang mga district collector hindi yon nag a-apply pa lang ay ibibigay na agad ang collection target.

Nitong ENERO/FEBRERO/MARSO ay biglang i-jack, up ang laki ng collection target, ng febrero at nitong marso ay short fall ang collection tapos i-reremove, kung ang proposal ang sinunod sa forecast o kokolektahin namin, tatarget kami, at hindi naman pinababawasan ang buong taon at ni-rerealign lang ang monthly at iyon rin naman ang total, pero ayaw nilang pumayag kaya walang pangil ang collector, pero kapag nagkamali ka ng konti sibak ka.

Sinabi ni COLLECTOR CRUZ noong taon 2018 hit namin ang target pero hanggang ngayon sabi ay ibibigay nila ang reward, Nobody talk to us and tell us kailan at paano, Every one here to downstairs ay umaasa, Sabi ko HABANG MAY BUHAY MAY PAG ASA siguro we should be a prize ang reward mo ganito pero wala eh there was a meeting with district collector supposed to get the reward i ask not sure pa.

Samantala ayon kay COLLECTOR CRUZ napaka very vigilant ang tao sa port of cebu dahil sa regular ang isinasagawang meeting ng mga brokers at importers para nalalaman kung ano ang kanilang mga hinaing.

Tungkol naman sa mga nakumpiska ng law enforcement tulad ng ESS at CIIS dito sa port of cebu ay marami na ang nasubasta at ang iba naman ay na condem na.

BUREAU OF IMMIGRATION ARREST MORE THAN 100 ILLEGAL ALLIENS IN ONLINE COMPANY RAID-RESCUES 1 MINOR

Bureau of Immigration (BI) Commissioner Jaime Morente announced the arrest of 105 foreign nationals in a raid of a Business Process Outsourcing (BPO) company in Biñan, Laguna.

According to Morente, the foreigners were caught by operatives from BI's Intelligence Division (ID), in flagrante working at a BPO without the necessary visas on Thursday morning. "They failed to present any proof of identification, during verification formalities," Morente added. BI Spokesperson Dana Krizia Sandoval bared that of the 105 arrested aliens, 21 were female while 84 were male. "There was even one minor—a 17 year old female—who was obviously trafficked to work here illegally, which brings the number to a total of 106," she shared.

According to Sandoval, information about the illegal aliens came from several complaints from the community. She stated that most of those arrested were undocumented or were able to present only tourist visas. The roundup resulted in the interception of 97 Chinese, 4 Indonesians, 3 Malaysians, 1 Vietnamese, and 1 Laotian.

They were arrested for violating the conditions of their stay," said Sandoval. "Foreigners are not allowed to work here without the proper visas or permits," she added.

Sandoval said that the 105 will be detained in BI's holding facility in Bicutan, Taguig while ongoing deportation proceedings. She added that the ID recommended for the release of the minor under recognizance to her guardian, but may still be ordered to leave the country by BI's legal team if found to have indeed engaged in illegal work. Morente expressed his dismay upon learning of big companies employing illegal aliens. "Cases like this show that some foreign nationals think that they could just get away with illegal activities in the country easily," he said.

He warned that illegal aliens shall be arrested and deported. "This should serve as a warning to aliens with depraved motives. We

COMMISSIONER GUERRERO ATTENDS THE 28TH ASEAN MEETING OF DIRECTORS GENERAL OF CUSTOMS

Bayer employees and Gawad Kalinga volunteers cooked for 500 public school children in San Fernando, La Union

Bayer employees and Gawad Kalinga

Bayer Fund in partnership with Gawad Kalinga (GK) distributed 500 food packs to elementary school children in four public schools in San Fernando, La Union recently.

Some 30 Bayer employees and Gawad Kalinga volunteers cooked the food themselves and prepared the 500 food packs that were distributed. Thereafter, they visited a GK community in Brgy. Talogtog, San Juan, La Union for a fellowship lunch with the residents and an afternoon of fun and games.

Meantime, Bayer Fund is building feeding kitchens in Norzagaray, Bulacan and Echague, Isabela to help address the problem of hunger and malnutrition amongst public school children in the said areas. The central kitchens are expected to produce up to 3,000 vegetable-based meals daily which can help address the hunger and malnutrition of at least 3,000 students.

The feeding kitchens will be built and operated close to the schools and will provide at least 3,000 meals for 220 days. The

kitchen will also use locally produced crops which will help local farmers and other small businesses.

"We are very pleased to do another project with Gawad Kalinga which not only helps local farmers but would also involve school officials and parent volunteers who are encouraged to attend values formation and food education sessions.

It is very inspiring that we are able to create shared value among the members of the community which ensures the project's success and sustainability. Ocampo said.

Meantime, Mark Lawrence Cruz, GK Project Head, noted that GK usually gets support for producing meals but not for expanding or building kitchens to produce these meals. "We are happy that we are able to get support from Bayer Fund to build central kitchen facilities so we can expand and improve our operations and reach out to more school children who will exponentially benefit from this project," Cruz said.

are serious in our drive against illegal aliens. Foreigners who are undocumented should go out now and legalize their stay, lest face sanctions," Morente said.

Morente then encouraged citizens to report illegal aliens in their community. "Many of our arrests came from complaints, reports, and tips from concerned citizens," said Morente. "This is a big help for us in pinpointing the location of illegal aliens who may be hiding in the most remote places of the country. Report them to us so our Intelligence men may swiftly act on it and we may deport them immediately," he urged.

BUREAU OF IMMIGRATION NABS FAKE KOREAN FILM MAKER IN PAMPANGA

Bureau of Immigration (BI) agents arrested in Pampanga a Korean national wanted by authorities in Seoul for swindling a compatriot of more than 200 million won for an alleged movie project.

BI fugitive search unit chief BOBBY RAQUEPO identified the captured Korean as 38-year-old Kim Woo, who was arrested on Thursday in Bgy. Balibago, Angeles City.

The FSU operatives were armed with a mission order from BI Commissioner Jaime Morente who issued the same at the request of the Korean embassy in Manila.

Raquepo said Kim, who had hidden in the country for almost a year, is already an undocumented alien due to the cancellation of his passport by the Korean government.

He added that a Korean court had issued an arrest warrant against Kim who is also the subject of a red notice from Interpol.

It was learned that Kim is wanted for swindling his victim of nearly 129 million won from 2013 to 2015 which he borrowed by falsely claiming he needed the money to finish a film that he was directing.

He was also accused of defrauding the said victim last year of more than 107 million won by enticing the latter to invest in a corporate business.

Investigation revealed that Kim fled to Manila on Aug. 5 last year and has not left the country since then. Fraudsters and fugitives are not welcome in our country," said Morente and added that Kim will be deported upon and barred from re-entering the Philippines.

DONATE-A-BOOK, SHARE THE GIFT OF KNOWLEDGE WITH THE SM STORE

Just in time for the back-to-school season, SM shoppers can share the gift toys, and hygiene kits for identified unprivileged communities, including those of knowledge through The SM Store's SM Share Movement Donate-A-Book campaign in all branches nationwide. Ongoing until July 7, shoppers can donate books and school supplies to benefit school children of select SM Foundation supported schools. In exchange, shoppers will receive 50 pesos discount coupon for every donation made.

Earlier donations from the campaign, which was launched last May 20 were distributed to the Balanga Elementary School in Bataan where employee volunteers from the nearby branches of The SM Store in Pampanga and Olongapo shared a fun-filled day with grade 3 pupils. The SM Store donated books from Olongapo and Pampanga branches enough to fill up the mini-library of the two storey school building donated by SM Foundation. Bags and school supplies were also donated just in time for the back to school season.

The grade 3 pupils of Balanga Elementary school were also treated to a story telling session by The Story Telling Project (TSP), a non-government partner organization of SM, with the aim to spark hope, inspiration and imagination through storytelling. In the session, TSP demonstrated how you can inject fun and enthusiasm in reading as a group activity to teachers, parents, and pupils.

According to Rey Buñi, Executive Director of TSP, "we are aligned with the mission of The SM Store Share Movement Donate-A-Book campaign and Balanga Elementary School to make reading an enjoyable experience for children. It can help start the regular habit of reading in an age when children are often distracted with gadgets."

Reading, especially for third graders is a very crucial academic skill because it is the foundation of learning. Amy Inieto, Principal of Balanga Elementary School, shared that in addition to their regular school curriculum, they have a program to reinforce reading habits of learners.

"The books donated by The SM Store through its Share Movement Donate-A-Book campaign will be put to good use. It will become part of our teaching instruments to reinforce the value of reading," said Inieto.

The SM Share Movement Donate-a-Book campaign is part of The SM Store's quarterly donation drives- wherein it collects shoes, books,
