BOC Receives Highest Award for PGS Initiation Stage!

FOR the first time the Bureau of Customs (BOC) under the stewardship of Customs Commissioner Rey Leonardo B. Guerrero passed the Initiation Stage of the Performance Governance System (PGS) and received the Gold Governance Trailblazer award, the highest PGS award, after the Public Governance Forum Revalida held at the Bayanihan

Center, Unilab in Pasig City.

The Public Governance Forum organized by the Institute for Solidarity in Asia (ISA) is a regular event that features public performance reports from national government agencies and local government units who are aspiring to advance to the various stages of the good governance pathway. It was through the initiative of Commissioner Rey Leonardo B. Guerrero and through the collaborative efforts of the men and women of the BOC towards organizational transformation that the Bureau embarked on the PGS, a holistic and collaborative framework for designing,

executing, and sustaining roadmaps to reform.

In the PGS Revalida, the Commissioner presented the BOC's drive to address the various challenges of the agency through its 4-year Strategic Roadmap to transform the BOC into a transparent, responsive and world-class Customs administration by 2022, providing fiscal strength economic growth and border security.

Integral to this roadmap is the core and support functions that are critical to achieving the BOC objectives. These core functions include Pre-shipment, Assessment, Payment, Clearance, Post-Clearance Audit. The five support functions are Organizational Development, Integrity Development, Trade Facilitation, Security and Protection and Financial Management. All these functions must be in full working mode for the BoC to perform, reform and transform.

The Commissioner also laid down the Bureau's pre-initiated transformation efforts which include the publication of 40 Customs Administrative Orders to harmonize and rationalize policies and procedures; the stabilization of the E2M to service the operational requirement of the strategic roadmap; zero backlog in the processing of application for accreditation of importers and customs brokers; and the

application for accreditation of importers and customs brokers; and the implementation of the seven (7) IT support systems.

The BOC was commended by the PGS panelists for its transformation efforts. Among the members of the panel were: Atty. Alexander L. Lacson, Trustee, ISA; Undersecretary Emmanuel T. Bautista, Executive Director, Cabinet Cluster on Security, Justice and Peace; Former BOC Commissioner Guillermo L. Parayno; Mr. John Forbes, Senior Adviser, American Chamber of Commerce; and Ms. Gina Dela Vega-Cruz, Fellow, Institute of Corporate Directors.

"We are committed to enhancing trade facilitation that favors growth and we will continue to work for a Customs administration that is world-class and at par with global standards. To get there, the imperatives of good governance, professionalism and integrity will be instilled both in the institution and in the individuals," Com. Guerrero stressed.

ila hindi na malulunasan ang problema laban sa bawal na gamot dito sa ating bansa. Mismo ang Pangulo na ng bansa ang nagsasabi na may paglalagyan ang mga 'sindikato ng droga' kapag hindi ito napigil. Pero heto patuloy ang ragasa at pamamayagpag ng ilegal na droga. May mga naikulong na hinihinalang mga sangkot sa ipinagbabawal na gamot, pero ito ay sinasabing dahil mga kalaban ika nila sa pulitika, kapag kapanalig daw ay tila naabswelto o tila pa rin, na may kakutsaba para itago ang Puno ng bawal na gamot.

Kasi ba naman, dear readers, Parekoy Fidel Orate at Katotong Pasky Natividad, sinasabing itong Customs Chief na si Jagger, inutos pala na isarado ang lahat ng pintuang papasok sa paikot ng Assessment Division bagay na ang nalilitong sandamakmak na brokers ay naipon ang mahabang pila at bumara sa bukana ng isang daanang binuksan lang na sakop ng mahabang pasilyo sa labas ng gusali. Ang hakbang raw na ito ni Jagger ay kaugnay ng 'No Contact Policy' na biglang ipinatupad sa puerto.

Ang ibig sabihin, bawal ng dumikit ang mga personero sa mga Sections (1-15) Processors ng Formal Entry Division (FED) upang mag-follow up nang import entries ng kanilang mga imported shipments na ilalabas sa MICP

KAYA po biglang iniutos ni Pangulong Rodrigo Duterte sa mga law enforcers na arestuhin ang mga vape smokers sa mga pampublikong lugar dahil anya'y toxic ito at hindi maganda sa kalusugan ng publiko.Ito ang dahilan ng Presidente kaya inanunsyo $\ niya\ ang\ pag-ban\ sa\ paggamit\ at\ importation\ ng\ vaping\ products.$

Sinabi ni Digong na hindi daw ito maaaring gawin sa loob ng isang kwarto dahil macocontaminate nito ang mga taong hindi pa panahong mamatay.

Ipinaliwanag rin ni Duterte na ang mga vape ay naglalaman ng kemikal na mayroong hindi matukoy na apekto sa katawan. Ay balita natin ay hindi rin umano ito pumapasa sa Food and Drug Administration(FDA).

ginawang 'co-chair ng Inter-Agency Committee sa Anti-Illegal Drugs (ICAD,) na tinanggap naman ni Robredo ang naisin ng Pangulo Duterte. Sinabi ni Robredo na handa siyang makiisa sa Administrasyong Duterte, laban sa kontra illegal na droga ng pamahalaan. Nagsimula na si Robredo na makipagtalastasan sa iba't ibang sektor ng lipunan kontra bawal na gamot.

Pero bigla ang balita na tinanggal na siya sa ICAD ni Pangulong Duterte, Dito ay marami ang nadismaya, na akala ng nakararami ay mare-resolba na ang suliranin sa problemang naturan. Lumalabas na tila ayaw ni Duterte na maging matabil sa pagsasalita si Robredo, na kahit ang mga sensitibong usapin ay kanyang maaaring masabi sa balana. Higit ang mailagay sa alanganin ang katayuan ng PangulongDuterte. Pero tanong nga ni Robredo, ano ba ang kinatatakutan ninyong malaman ko?

Tsk! Tsk! Tsk! Kapag laging mamumutawi ang kaisipang kalaban ka sa pulitika, kahit na iisa ang mithiin na paborable sa taumbayan, ay walang kauuwiang maganda, lagiang may away at sigalot. Ang kalalabasan ay kasiphayuan sa panig ng nakararaming mamamayan na nais ang katiwasayan at kaayusan ng paligid. Tanong ko nga sa sarili ko, ano bang klaseng mga lider meron tayo na nagpapatakbo ng ating bansa?

Sila ba ay mga totoong makabayan o mga taong lobo? Sila ba ay may itinatagong illegal na hindi alam ng publiko? Sila ba ay mga payaso, na lagiang inaaliw ang sambayanan, makakuha lang ng atensyon, subalit andoon pa din ang problemang kinahaharap ng bansa? Anong klaseng mga lider ba mayroon tayo ngayon? Lider na paiba-iba ang mga sinasabi, parang batang paslit na nangangailangan ng atensyon? Sa ating mambabasa kayo na po ang humatol.

Dito naman sa Lungsod ng San Jose Del Monte (LSJDM,) Bulacan, ay patuloy ang mga gawaing sibiko nila Mayor Arturo Robes, Congw Rida Robes at VM Efren Bartolome Jr., kaya nga nagpapasalamat din ang mga mamamayan nito. Ika nga sa mensahe ni Mayor Robes ay "maraming mga probinsya, bayan at lugar dito sa Pilipinas na pwede nating gawin na magandang halimbawa. Kaya nga natutuwa ako kapag maraming bumibisita dito sa ating lungsod, dahil unti-unti na nating naipapakita na kung kaya nila ay kaya rin natin. Wala namang ibang mangangalaga sa lugar natin kundi tayo ring mga taga San Jose." Tsk! Tsk! Tsk! Kailangang magtulungan tungo sa kaunlaran ng LSJDM. Mabuhay!

Dismayado't umaangal na ang apektadong mga stakeholders sa pangyayaring ito. Lumalaki kasi ang gastos kapag natetengga ng matagal sa pinaglalagakang container yards ang kanilang mga produktong inaangkat sa ibang bansa.

Hindi rin dapat nadedeley ang releasing para sa mga 'perishable goods' sapagkat ang mga ito ay mabilis masira o nabubulok. Kailangan makarating kaagad sa merkado upang maging pera ang naturang mga produktong inangkat.

Maraming mga miron ang nagsasabing mukhang mahirap talaga espelengin ang pamumuno't pamamahala ni Comm. Jagger, sa puntong ito.

Kasi, paano raw makakalikom ng mabilis at sapat na halagang buwis ang Customs kung mabagal na katulad nito ang mga transaksyon sa daungan?

Sabi pa ng miron: "Dapat ang pinuno kasi ay hindi lang puwersa at lakas ng loob katulong ang hukbo nang coast guards ang ipinapangahas na gawin para sa pamumuno ng ahensya. Kapag nakursunadahan ay gagawin nang kahit hindi muna pinag-isipan mabuti." Ayun na! Sapol! Mismo!

Hard Truths About Happiness No One Wants to Admit

ome people appear to be happy-go-lucky on the outside, but they struggle desperately behind closed doors and never give the matter much thought as to why. They distract themselves with TV, or social media, or whatever it takes to drown out the pain and the truth about their unhappiness. Other people make lavish, life-long plans based on what they have been told "should" make them happy: "I'm going to marry the perfect man/woman, we're going to buy our dream house and a couple cars, and we're going to raise our children in the suburbs." But then they wake up ten years into their plan feeling unfulfilled and depressed. Can you relate at all? Many of us suffer in similar ways.

As long as we're busy doing whatever it is that distracts us from the truth – the whole truth about our happiness and ourselves – we go through life like stones tumbling aimlessly down a mountainside. We bounce and react impulsively to the surrounding environment, and we blunder onward with no clear idea as to where we're headed or why.

We awake every morning wishing we could sleep in. Then we begin each day's work with the foremost intention to stop working as soon as feasibly possible. Our minds grow numb to the monotony of a comfortable yet draining routine. And somewhere along the line, as each day fades into the next, we get our house (sometimes a really big one) and cars (sometimes really fancy ones), and we start a family under pressure... and we never stop to question it all until we feel empty inside, often a decade or two later... as our smiles continue to betray the sadness that we refuse to speak of, and perhaps don't even fully know we carry. This is how many of us live our lives – in a state of denial. We deny the truth about how unhappy we are. We deny the truth about how distracted we are. We deny the truth about how little time and effort we put into the things that matter most to us. And so it goes. But the good news is, we can change. All of us can. Right here, right now, we can start by admitting that...

We often choose to focus on the wrong things – the things that do NOT make us happy. – Here's a universal law of happiness and success: What you pay attention to grows! So focus on what truly matters, let go of what does not, and feel the genuine, positive power that flows from your decision to rise above all the drama and petty distractions.

"It was a win-win solution as management sector wanted only Php 10 increase daily but the labor sector demanded for Php 40 daily," Tomongha said.

He added that the management sector adjusted its proposal to Php 13 daily while labor sector asked for Php 20, thus both agreed to Php 18 increase daily.

This will make the minimum wage in Metro Cebu to Php 404 from Php 386 daily minimum wage. But for Cebu Labor Coalition(CELAC) spokesman Metudio Belarmino Jr. the Php18 increase was "shocking" as they compared it as a "tip" because all prices of basic commodities have increased.

increase was "shocking" as they compared it as a "tip" because all prices of basic commodities have increased.

He insisted that the increase is "LIBING WAGE" or burial wage. Central Visayas has four classes namely: A,B,C and D. There are agricultural and non-agricultural and companies with less than 10 employees.

Class A is Metro Cebu with Php 386 daily to Php 404 while Class B is outside of MetroCebu excluding Bantayan and Camotes islands. Class C are Negros Oriental and Bohol and Class D are Siquijor, Bantayan and Camotes islands.

Metro Cebu comprises the cities of Cebu, Mandaue, Talisay, Lapu-Lapu, Naga, Carcar and Danao and the towns of Consolacion Librar Compostela Minda pilla and San Forrando

Consolacion, Liloan, Compostela, Mingla-nilla and San Fernando.

Meanwhile, the Kasambahays will have an increase of Php 5,000 monthly from Php 3,500 minimum wage in Metro Cebu. While outside of Metro Cebu but within Central Visayas, the increase will be Php4,000 from Php2,500. Central Visayas comprises the provinces of Bohol, Negros Oriental, Siquijor and Cebu.

The new wage order will be signed by the members of the RTWPB-7 and this will be endorsed for approval by the National Wages Productivity Commission (NWPC). It will take effect within 30 days upon signing and public pronouncement of the NWPC.

Cebu City Mayor Edgardo Labella on Tuesday signed the city ordinance providing annual school supplies, uniforms and shoes to all elementary public school pupils in the City.

Labella said that Php500 million will be appropriated from the 2020 annual budget for the program.

"There are more or less 190,000 public elementary school students and it is high time that we give them school supplies and even uniforms," he reiterated. The mayor added that this will encourage the children to go to school.

Labella cited many pupils stopped going to school because their parents could not afford to sustain their education as these free supplies would help cut cost that marginalized households spend for, their children's schooling.

Most of us don't need more to be happier – we need less. – When things aren't adding up in your life, start subtracting. Life gets a lot simpler and more enjoyable when you clear the clutter (emotional and physical) that makes it unreasonably complicated. Our expectations tend to get in the way of otherwise good days. – On a daily basis, wouldn't you rather be pleasantly surprised than hopelessly disappointed? You can be. A big part of your immediate contentment relies on your willingness to let go of what you assumed your life is supposed to be like right now and openly appreciate it for everything that it is.

Most of what worries us today has absolutely nothing to do with today. – If you worry too much about what might be or what might have been, you will ignore and totally miss what is. Worry is the greatest opposition to the present moment. It does nothing but steal your joy and keep you incredibly busy doing absolutely nothing worthwhile at all.

Old wounds have nothing to do with the present potential for happiness. – Do your best to let GO! And remember, letting go isn't about having the ability to forget the past – it's about having the wisdom and strength to embrace the present. You have a choice, to be positive and free or to be imprisoned by your own negativity – to live in the past or to be mindful about the present.

It isn't what happens, but how we respond that makes us or breaks us. — Being happy and positive does not mean ignoring the negative — being happy and positive means overcoming the negative. There is a big difference between the two. Truly, the biggest and most complex obstacle you will ever have to overcome is your mind. If you can overcome that, you can overcome anything.

The draw of short-term comfort often robs us of long-term happiness. — Don't just make the safe and easy choices because you're afraid of what might happen; if you do, nothing good will ever happen. You can be comfortable or courageous, but rarely both at once. Remember this... remember to stretch yourself in the right direction, one tiny step at a time. Don't let fear and complacency decide your fate. Quit talking about what you want to do and begin doing it. Laziness may appear attractive, but meaningful work leads to happiness.

There are friends and family members in our lives who

CEBU PROVINCIAL BOARD OKS P12-B 2020 ANNUAL BUDGET AS BIG HIKE TO 2019 AT P4.6-B The Cebu Provincial Board"s Budget and Appropriations

The Cebu Provincial Board"s Budget and Appropriations Committee during its regular session Monday endorsed the proposed annual (2020) budget of Php 12 billion for approval in the next "out of town" session on November 25 in Camotes island

Sixth District Provincial Board Member Glenn Soco, chairman of the Budget and Appropriations Committee expressed optimism that the 2020 annual budget will be approved without opposition from the other members of the board.

In an interview with DAILY TRIBUNE, Soco said "There's no ceiling on the increase so as long as the LGU can fund the expenditures. The bigger the budget the more programs and projects that we can implement to benefit our constituents."

This after some members of the board questioned the increase of the proposed annual budget to Php12 billion for the 2019 annual budget of Php4.6 billion.

The other question was the expected income of Php180 million from the four provincial and 12 district hospitals in the use of private rooms as income generation.

Governor Gwendolyn Garcia disclosed that the province expects by 2020 about Php 4.2 billion from the implementation of the Universal Health Care program through the Philippine Health Insurance Corporation(PHILHEALTH).

Citing in 2018, PHILHEALTH reimbursed Php475.8 million to Cebu Province while as of October 2019,it has already reimbursed Php370,043,979 with two more months left.

Garcia aside the health programs will prioritize infrastructure projects especially the concreting of roads in the province. For this year alone by December at least Php670 million has been appropriated for road concreting projects in four cities and 34

in your best interests to share lots of time with people who constantly bring you down (even if they're a friend or family member). Because, if you're the kind of person who believes there's something out there for you beyond whatever it is you're expected to do—if you want to be extraordinary—you can't get there by shackling yourself to those who hold you back. Instead, you will very likely become just as ordinary as they expect you to be. And there's absolutely no reason to do that to yourself.

t a recent House Committee Meeting concerning the BOC's nability to meet revenue targets on a yearly basis at five ports, namely; Davao, Manila, Batangas and Cebu.The House seemed to find little or no real answers for all five ports continually failing to meet their revenue targets. But if I am not mistaken same with NIA BOC. I am right Coll. Talusan? It seemed the only real news was them congratulating the BOC leadership for pursuing its mandate with great tenacity but the House Committee mentioned the need to heighten measures to curtail smuggling, but surely this is part of the BOC Mandate under the leadership.

It seemed the main topics for discussions were yesterday's news. No fresh ideas on how to cure the revenue target problem were presented by the House Committee. The questions we must ask ourselves are the House Committee qualified and experienced on such matters. Should BOC not be discussing their revenue target failures with the government financial experts and analyze with them the formula basis for revenue targets and the action needed for success

It is difficult to understand the problems of freight documentation as similar freight shipment documents are used by all carriers internationally, they are easy to read, follow and not complex in anyway. The additional paperwork accepted by each port to clear the shipment should not be required.

Both the exporter and the carrier are responsible for correct

documents. Every carrier has a full set of documents which should be sufficient to clear the shipment on arrival. The importer should more or less

assist ng Dpwn ay muknang willing the time line pa rin ng taon 2021at kapag natapos na ay malaking kaluwagan sa mga dayuhan nagpoprosseso ng kanilang mga dokumento.

Ang budget ng bagong gusali ay galing sa B.l.pero ang nag implement at ibinigay sa Dpwh at sila ang nagpa bid taon 2018 pa isinagawa ang ground breaking at wala pa ako sa Bl.Sabi ni Atty Alegre.

Dagdag ni Atty Alegre may mga problema pa sa baba ay apang panghin masyado tulad sa mga senior citizans na kailangan pang

planohin masyado tulad sa mga senior citizens na kailangan pang umakyat sa apat na palapag,at ito ay naka paloob sa pagpupulong na dapat yon mga frontline services sa 1st and 2nd floor na lamang ang naka wheelchair at sa 2nd & 3rd floor ay medyo mahirap na.

Sa isyu ng immigration jail ito ang tinitingnan at kung puewdi rin magtayo ng bagong jail kasi ang bicutan facility ay nasa ilalamin ng intramurous pero wala pa naman plano na dalahin sa reklamation area , ang office of the commissioner ay may karagdagan proposal kung saan magtatayo ng b.i detencion facility at naghahanap ng malaking lote

Sinabi rin ni Dep Comm Alegre na siya ang supervising commissioner ng bagong gusali,at pinag uusapan ano ba ang nasa ground floor at ano ang divi -division kasi ang naka plano ay matagal ng plano kung baga siyempre kailangan na rin mag adjust baka mamaya ang plano ay iilan pa ang tao ng time na yon na nagsasanay,ngayon ang dami na lalo sa ARD.Para naman madecongest ang mga inmate sa Bicutan Jail ay dapat ay may measure kasi ang cost ng paglilinis at nakahuli ng madami at ang verification ng mga pangalan at yon identify kapag nahuli ay idadaan sa legal division they are insuring yon identify at yon talaga nga siva at kung hindi naman siya ma identify ay doon nagkakaroon ng delay sa pag processo ng mga dokumento ,at the same time na kapag na i calendar sa b.i.board of commisioner na okay na at na charge na ng legal division ito ay i aagenda na sa office of the deputy commissioner at ang problema ay ang implementation, ito ay kailangan i clearance muna sa NBI kasi ang isa sa mga requirements condition for deportation dapat walang kaso at kung may kaso ay hindi naman puwede at ikukulong muna at ihihingi ng permiso sa regular court .

Ipinahayag din Dep.Comm.Atty Alegre ang petition for bail ay

nasa discretion ng office of the commissioner at wala sa ODC at kung ma

substances naman at justified na bailable talaga discretion ng OCOM.

Sa aming DC with Dep.Comm.Atty Tobias Javier,pag dating sa main deportation case mismo kami ang may discretion kung baga may endorsement ang legal division ang bail pasok dahil sa sobrang dami ay niipon sa detention facilty pero may mga factor na kung minsan hindi rin control tulad ng pangalan,at kapag pinuntahan wala naman dalang I.D.tapos kapag may order na ang ODC ang nag iimplementa normaly kapag ganyan malalaki ang kasama na mga chinese police at sila na yon incoodination tulad ng eroplano na pinamamasahehan ang chinese police at sila na ang nag ii-scheddule . Sa isyu naman ng pag offload sa mga pasahero sinabi ni Dep

Comm Atty Alegre nasa discretion ng mga personel immigration counter kasi they are train kung paano magprofile yon mga posible victim ng human trafficking sila mismo ang nakakakita ano ang actation ng tao tapos yon dokumento ay veniverify kung may clearance sa POEA kapag nakita ng B.I.personel na kaduda ang mga dokumento tapos yon mga reason sa pag iinterview at tinanong THIS IS YOUR FIRST TIME NA MAGTRAVEL bakit ka pupunta sa ibang bansa tulad ng SINGAPORE ,MALAYSIA yon pasahero ay nauutal ay isasalang na sa 2nd immigration counter at doon ang pinaka detalye at kapag hindi nakapasa sa mga pagtatanong OFFLOAD.

need to pay the correct duty to clear his shipment. The important documents for clearance are;

 1. Attested Invoice detailing description and value of goods.
 2. Certificate of Origin attested by Chamber of Commerce.(country of origin) There can be no negotiation on customs duty payments. This is the responsibility of Bureau of Customs.

The next meeting for this matter shall be held this coming

December 09 2019, and perhaps the points listed below, can be discussed; 1. A new shipment clearance system to be installed without delay. The cost of these systems are only a fraction of the revenue loss presently incurred by each port. You can also customise the system to identify shipments that do not meet port standards

2. The opening of a dry dock area for shipments which arrive

and do not meet the port rules and regulations. The port can charge premium demurrage charges until such times these shipments are cleared by the port authority. It is the responsibility of the importer to co-ordinate with BOC on clearance of goods

3. All shipments are between two parties, the exporter and importer, remember it takes two to tango. The exporter is responsible for documentation. These include Invoice which is mandatory and details freight description and freight value. The freight insurance is the responsibility of the importer.

The port authority can appoint a recognised insurer for this purpose, another way for better control and increase revenue. This way can also be a checking method for undervalued shipments as the importer must submit a copy invoice issued by exporter before issue of insurance

certificate. This should be completed prior to shipment.

4. Visit to a major sea port, such as Dubai, would benefit and allow the team to review a major container operation.

It seems paperwork is the problem on undervaluation, nisdeclaration and smuggling of goods. Surely an ISO Inspection Company can sort out the paperwork flow and make sure people work to ISO Principles. A complete ISO System needs to be installed.

6. The Collector has a work duty at a Port for a maximum 2 years

weakness in the person himself and hopefully the port would be more

RETOKE QUEEN FROM B TO C?

AGAW eksena na naman itong retoke queen at queen of fire sa Bureau of Customs nitong nakaraang Collectors Conference na ginanap sa Port of Subic, at ang naturang pagtitipon nagiya ng maayos ni Coll. Martin, kahit may EKSENADORA.

Naging usap-usapan si Retoke Queen cum Queen of Fire sa araw na iyon, dahil sa grand ball na nais maisayaw si BOC Comm. Guerrero, hinaharangan nito, sapagkat siya lamang daw ang karapat-dapat na dalhin sa dancing hall ni Comm. Jagger. Gaano ito katotoo?

Ha ha ha, kapansin-pansin ang paglaki ng kanyang BOOBS, mula sa size B to C. Meaning, hindi satisfy sa kanyang katawan. Ngek, may ganun! Masyado naman atang insecure itong si COLLECTOR sa kanyang sarili. Sabagay, marami naman siyang pera mula sa kanyang mga TARA kasi ba naman form HEAD to FOOT, Renovated na daw! Ambot sa kambing na may bangs! Hindi ko tuloy mawari kung ang COLLECTOR na ere ay kathang isip lang o tunay na nilalang! Ha ha ha!

Totoo ba ang balita na ang kanyang BFF na tatakbong Congressman sa parteng Bulacan, ay gagastosan niya o siya ang financier ng 600 milyon? Saan niyo ito kinuha? Wag na magtanong! Sa TARA! Mismo! Ha ha ha! Sa susunod nating paglalatha, itong si SIZE B to C, ay may mga plano para makuha ang PORT OF SUBIC, na dati niyang sinunog este pinamunuan. Kaya pala pinabanatan si Coll. Martin, kahit na performano lovel! performance level!

Umaayos ka Retoke Queen cum Queen of Fire, alam naming na madami kang pera para manggiba sa kapwa mo COLLECTOR. Subalit, hindi bulag pipi't bingi si Comm. Jagger, para di malaman ang mga ginagawa mo. Ha ha ha! Buti nga sayo, kasama mo ang READS, hindi kayo nagwagi laban kay Dep. Comm., sa inyong demolition job at isinasama niyo pa si Comm. Jagger. Mahiya naman kayo. Haitz! Iba talaga kapag balat buwaya. May susunod pa!

BUREAU OF CUSTOMS TUMANGGAP NG PINAKAMATAAS NA AWARD PARA SA PERFORMANCE GOVERNMENT SYSTEM **INITTIATION STAGE**

Ang Bureau of Customs (BOC) ay pumasa sa Initiation Stage ng Performance Governance System (PGS) at natanggap ang Gold Governance Trailblazer award, ang pinakamataas na award ng PGS, pagkatapos ng Public Governance Forum Revalida na ginanap sa Bayanihan Center, Unilab sa Pasig City.

Ang Forum ng Pamahalaang Publiko na inayos ng Institute for Solidarity sa Asia (ISA) ay isang regular na kaganapan na nagtatampok ng mga ulat ng pagganap ng publiko mula sa mga ahensya ng pambansang pamahalaan at mga yunit ng gobyerno na naghahangad na sumulong sa iba't ibang yugto ng mahusay na landas ng pamamahala.

Ito ay sa pamamagitan ng inisyatiba ni Commissioner Rey Leonardo B. Guerrero at sa pamamagitan ng pakikipagtulungan ng mga kalalakihan at kababaihan ng BOC tungo sa organisasyonal na pagbabagong-anyo na isinagawa ng Bureau sa PGS, isang holistic at pagtutulungang balangkas para sa pagdidisenyo, pagpapatupad, at pagpapanatili ng mga roadmaps sa reporma.

Sa PGS Revalida, ipinakita ng Komisyonado ang biyahe ng

BOC upang matugunan ang iba't ibang mga hamon ng ahensya sa pamamagitan ng 4 na taong Strategic Roadmap nito upang mabago ang BOC sa isang transparent, tumutugon, at pamamahala sa klase ng Customs sa buong mundo noong 2022, na nagbibigay ng lakas sa pananalapi, pang-ekonomiya paglago at seguridad sa hangganan.

Ang integral sa roadmap na ito ay ang pangunahing at suporta

ng mga function na kritikal sa pagkamit ng mga layunin ng BOC. Kasama sa mga pangunahing pag-andar na ito ang Pre-shipment, Pagtatasa, Pagbabayad, Paglilinis, Post-Clearance Audit. Ang limang mga function ng suporta ay ang Organisational Development, Integrity Development, Trade Facilitation, Security at Protection at Financial Management. Ang lahat ng

mga pagpapaandar na ito ay dapat na nasa buong mode ng pagtatrabaho para sa BoC upang maisagawa, reporma at magbago.

nihatid din ng Komisyonado ang mga paunang pagsisimula ng pagbabagong-anyo ng Bureau na kinabibilangan ng paglathala ng 40 Custom Order Administrative Order upang magkasamahan at magpakatuwiran ng mga patakaran at pamamaraan; ang pag-stabilize ng E2M upang mapaglingkuran ang kinakailangan sa pagpapatakbo ng strategic roadmap; zero backlog sa pagproseso ng aplikasyon para sa accreditation ng mga import at customs broker; at ang pagpapatupad ng pitong (7) mga sistema ng suporta sa IT.

Ang BOC ay pinuri ng mga panelist ng PGS para sa mga pagsisikap ng pagbabago. Kabilang sa mga miyembro ng panel ay sina: Atty. Alexander L. Lacson, Trustee, ISA; Undersecretary Emmanuel T. Bautista, Executive Director, Cabinet Cluster on Security, Justice at Peace; Dating Komisyoner ng BOC na si Guillermo L. Parayno; G. John Forbes Senior Adviser, American Chamber of Commerce; at Ms. Gina Dela Vega-Cruz, Fellow, Institute of Corporate Diirectors.

MGA PINOY NURSES KAILANGAN SA BANSANG GERMANY-AYON SA DOLE

Mas maraming Pilipinong nurse na ang magkakaroon ng oportunidad na magtrabaho sa Germany kasunod ng patuloy na pagpapatupad ng Triple Win Project na inaasahang magbibigay ng

karagdagang 1,000 trabaho sa mga Pinoy sa 2020.

Ayon kay Labor Secretary Silvestre Bello III, mas pinipili ng Federal Republic of Germany na tumanggap ng karagdagang Pilipinong nurse upang tugunan ang pangangailangan nila para sa mga healthcare professional sa ilalim ng Triple Win Project, isang government-togovernment hiring program na pinangangasiwaan ng Philippine Overseas

Employment Administration (POEA).

Anim na taon na ang nakararaan mula ng simulant ng Pilipinas at Germany ang pagtutulungan para sa pagpapadala ng mga Pinoy nurse. Kumpiyansa ako na para sa 2020, ang pagtutulungan na ito sa ilalim ng Triple Win Project ay makapagbibigay ng mas maayos at pinaiksing proseso ng aplikasyon at higit sa lahat ay matiyak ang proteksyon ng mga Pilipinong nurse," wika ni Bello. Batay sa data ng POEA, sinabi ng kalihim na mula 2013, mayroon ng kabuuang 903 Pinoy nurse ang naipadala sa Germany at kasalukuyan na silang tumatanggap ng buwanang sahod na €2,000 hanggang €2,400 matapos silang pumasok bilang mga kuwalipikadong nurse. Gayunpaman, nilinaw ng kalihim na ang application period para sa taong ito ay tapos na at ang pag-aaplay at pagpoproseso

para naman sa susunod na taon ay iaanunsyo rin sa mga susunod na araw. Samantala, dinagdag pa ni Bello na ang katuparan ng Triple Win Project ay maaaring magbukas ng iba pang oportunidad sa mga Pilipino dahil inaasahang nais pang palawigin ng Germany ang saklaw ng proyekto sa iba pang sektor upang umagapay sa kanilang labor demand.
