**FELIX A. ESPINO, 'KATANGI-TANGI' CIIS-INTELLIGENCE OFFICER-2 NG DAVAO UNDER COM. JAGGER GUERRERO!**

ITO po Secretary Carlos Dominguez III, Customs Commissioner Rey Leonardo B. Guerrero ang isa pa sa 'katangi-tangi' Intelligence Officer [IO2-CIIS-Davao] IO2 Felix Abbas Espino III, Enforcement Officer [ESS] Lt. Abdil Maulana Jr., Customs Commissioner Rey Leonardo B. Guerrero sa Port of Davao Customs, bakit ka n'yo sila 'katangi-tangi' dahil talaga namang bantay sarado at hindi nakalusot ang MV "FELICIA K"/flag Panama, IMO No. 9614309/GRT 20,992 MT NRT 11,228 MT Call Sign 3FQW2/ Registry No. AWW0002-19 Stc: na naglalaman ng 29,990 MTS 'NEUTRALIZED PHOSPHOGYPSUM'...

Hehehe, pinag-uusapan po dito Sec. Dominguez at Com. Guerrero, barko hindi container van.....eh kong hindi hindi ito nabantayan ni CIIS-IO2 FELIX Abbas ESPINO at ESS- Lt. Abdil Maulana JR...malamang nakatakas na ang barko na may lamang million halaga ng kargamento. Marami pa rin Customs Officer na 'tapat sa kanilang sinumpaang' tungkulin.

Ok, ituloy natin, dito nagsimula, base sa nakuha dokumento ng 'Ratsador', isang Memorandum dated April 10, 2019 ni IO2 Felix A. Espino III, Chief Customs Intelligence and Investigation Service [CIIS-Davao] at SP/LT Abdila A. Maulana, JR, OIC-District Commander ESS-Davao. Sa report ni CIIS-Chief IO2 Espino at SP/LT Maulana, notice of arrival MV/ 'FELICIA K' Stc: 29,990 MTS Neutralized Phosphogypsum.

Sa sinasabing discussion, last April 4, 2019, Mr. Greg S. Del Monte, Managing Director SEABRIDGES MARITIME MANAGEMENT CORPORATION informing the BOC, Port of Davao through a notice of Arrival dated 4 April 2019 of the above mentioned vessel with the intent to discharge 29,990 Mts of Neutralized Phosphogypsum in bulk at Sta Ana Anchorage, Davao City. The said vessel has arrived in this port last April 5, 2019. However, the discharging of the said cargo [in bulk], WAS STILL PENDING PRIOR TO ISSUANCE OF NECESSARY PERMIT from the BOC and the Environmental Management Bureau [EMB] of the Department of Environment and Natural Resources [DENR X1]. The said shipment was consigned to EDCL CONSTRUCTION and Supply with the office address at km.7 Tigatto rd. Buhangin Davao City. Kong hindi nabusisi ni CIIS- IO2 Espino ang dokumento importation ng NEUTRALIZED PHOSPHOGYPSUM na dumating sa Manila last August 12, 2018 [from Chinhae korea], already inquired sa Office of the Commissioner of Customs to the EMB-Manila, last August 24, 2018.

The EMB through Engr. Metodio Turbella, Director, on his Oct. 1, 2018, sa reply to former Customs Commissioner. Sid Lapena, said that Neutralized Phosphogypsum is 'NOT INCLUDE IN THE LIST OF RECYCLABLE MATERIALS ALLOWED FOR IMPORTATION' under Table 10.1 of DAO 2013-22.

Ito ang sagot ni Director Turbella dated Aug. 24, 2018 kay former Com. Lapena, Importation of Neutralized Phosphogypsum is covered by permitting requirements under 'Chapter 10', hindi ang Table 10.1 [DAO 2013-22] of DENR Administrative Order No. 22 Series of 2013 [Revised Procedures and Standards for the Management of HAZARDOUS WASTES].

It is noted that the said materials is Imported by MEARC PHILTRADE CORPORATION which arrive at the Port of Masinloc on 12 August 2018 from Chinhae, Korea. So maliwanag na ang 'NEUTRALIZED PHOSPHOGYPSUM' is NOT ALLOWED FOR IMPORTATION under table 10.1 of the DAO...

To story short..the said materials is RADIOACTIVE DUE THE PRESENCE OF NATURALLY OCCURRING RADIO ACTIVE ELEMENTS. Ang Neutralized Phosphogypsum..IMPORTATION IS NOT ALLOWED... Ito ang RECOMMENDATION.. ang shipments , TO BE SHIPPED BACK TO ITS COUNTRY OF ORIGIN. Ok, pirmado ni Director Engr. Metodio Turbella ang pagpapabalik sa port of origin ng kargamento.

So, balikan naman natin ang RECOMMENDATION ng Customs Davao....APPROVED SHIPMENT BE SHIPPED BACK TO ITS COUNTRY OF ORIGIN dated April 10, 2019.

Hehehe, kong nagkataon hindi ito natotokan ni CIIS-Chief IO2 Felix Espino at ESS-SPT/LT. Abdil Maulana, JR....malamang nailabas ang kargamento sa pantalan.. Dahil ng papaalis na ang barko ay nakatotok pa rin si IO2 Jun Espino.

'yan po Com. Jagger Guerrero at Sec. Sonny Dominguez, isa lamang na 2019 accomplishment ni Customs Davao CIIS- IO2 Felix 'Jun' Espino at ESS-Abdil Maulana JR... Sila ang 'kapuri-puri' Customs Officer... C O N G R A T U L A T I O N S !

**COLL. JUN BARTE, 'KAHANGA-HANGA' 2019 ACCOMPLISHMENT!**

SPEAKING of District Collector, Bureau of Customs [BOC] Commissioner Rey Leonardo B. Guerrero, Department of Finance [DOF] Secretary Carlos G. Dominguez III, malamang ito na ang pinakamalaking apprehension ng Port of Zamboanga Customs [kong ihahambing mo sa mga naunang district collector ng Customs Zambo] na ngayo'y nasa leadership ni District Collector Segundo Sigmundfreud Z. Barte JR, na umabot sa halagang P300- Million shipments ang nasakote nila simula ng s'ya ang manungkulan as district collector.

Ganyan katapat sa simumpaang tungkulin [kahit na ikamatay n'ya] si Coll. Jun Barte, isipin na lamang simula pa lamang ng kanyang panunungkulan, as district collector hindi s'ya

nakitaan natakot sa mga smuggler ng Zamboanga..Saludo ako Coll. Jun Barte.

Oi ituloy natin, talagang walang takot ang mga nagparating ng mga misdeclared shipments na kargadang sigarilyo, bigas ,asukal at iba pa.

Subalit, hindi naman sila pagsasawaan hulihin ng otoridad ng Customs sa pamumuno ni Coll. Barte JR, Military, Naval Task Force Group, Coast Guard kasama na ang PNP.

Ito ang nasakote ng combined operatives ng Bureau of Customs [BOC] Port of Zamboanga Customs District Collector Segundo Sigmundfreud Z. Barte JR., and the Naval Task Group Sulu intercepted on 27 October 2019 motor launch vessel ML Three Brothers in the vicinity of Laminusa, Siasi, Sulu. A total of 2,727 master cases of smuggled Cannon and Fort Cigarettes, bigas at asukal estimated value of P95-Million.

The operations stemmed from a confidential information received by authorities that more or less 3,000 alleged smuggled cigarettes were onboard ML Three Brothers anchored in the vicinity waters off Siasi Sulu. Sinabi ni Collector Barte Jr. expressed his appreciation to the Naval Intelligence and Security Group Western Mindanao for the immediate response and collaborative efforts to curb smuggling activities. Sinabi pa ni Coll. Barte, "The close coordination of law enforcement agencies is the key in winning the battle against smuggling particularly in ZAMBASULTA area." Dagdag pa ni Coll. Barte, that this is the biggest haul in the history of the Port of Zamboanga.

The confiscated cigarettes are now in their custody for issuance of Warrant of Seizure and Detention (WSD) due to the absence of import permit from the National Tobacco Administration (NTA) and for violation of Executive Order No. 245 entitled "Amended Rules and Regulations Governing the Exportation and Importation of Leaf Tobacco and Tobacco Products" and Sections 117 and 1113 paragraphs [f] and [g] of the Republic Act No. 10863, otherwise known as the Customs Modernization and Tariff Act (CMTA). 'yan si Coll. Jun Barte trabaho lang. Congrats, Men & Women Zambo Customs, CIIS at ESS. CONGRATULATIONS!

**COLL. MARTIN 'PERFECT' 2019 ANNUAL COLLECTION!**

OUT of 17 ports, eh mukhang 8 lamang po Secretary Carlos G. Dominguez III, Customs Commissioner Rey 'Jagger' Leonardo B. Guerrero ang naka-meet ng kani-kanilang annual assigned target collections.

Hehehe, pasyahan pang dinodoktor-[ay mali] inaayos ang kanilang figure collection, kong makalusot...

Hindi nan-dodoktor po Sec. Sonny Dominguez, isa na dyan ang Port of Subic [PoS] under the leadership ni District Collector Marites Martin ang masasabi kong perfect January to December collection.

Time out muna, gusto ko lang e-rikol si Coll. Marites Martin, Sec. Sonny Dominguez at Com. Jagger Guerrero, s'ya ay isang 'matalino at masipag' na empleyada noon ng BOC, s'ya ay 'rose from d-rank', hanggang makuha n'ya ang item na collector.

Kilala ko si Ms. Marites Martin [hindi pa s'ya collector], dahil si 'Ratsador' noon ay empleyado pa ng BOC [ngunit hindi ako suwerte dahil nag-resigned ako] at naka-assigned ako noon sa Public Information Division [PID] way back panahon ni Sir, Roland Manuel.

So, nang muling malaman ko nagkausap kami, isang Ms. Marites Martin ay District Collector V1.

Hehehe, Ok balikan na natin Sec. Sonny Dominguez at Com. Jagger Guerrero si Coll. Martin sa kanyang 'excellent' collection sa Subic Customs.

At ito na po Sec. Sonny Dominguez at Com. Jagger Guerrero ang walang paltos actual collection ng balwarte Coll. Marites Martin.

Over-all surplus pa ng halagang P6,442,087,793.60-Billion with 42.18% positive deviation ang Port of Subic.

Ganyan kalaki 'BILLION' ang surplus ni Collector MARITES MARTIN. Next isyu actual 2019 collection. Wow...C O N G R A T S na lang Coll. Marites Martin.

**T**alagang hanggang ngayon Bagong Taon, ang mga San Joseños sa pangunguna ng mag-asawang sina Mayor Arthur at Congw Rida Robes ng Lungsod ng San Jose Del Monte (LSJDM,) Bulacan, ay patuloy na nagsasaya sa karangalang kanilang natamo, na maging Guinness World Record Holder ng "Most Living Figures in a Nativity Scene," kamakailan.

Tsk! Tsk! Tsk! . Maraming sorpresang magaganda ang bumubulaga sa mga San Joseños, tulad ng sa Guinness World Records. 'Very proud' ang mga mamamayan ng LSJDM. Nitong nakalipas na taon 2019, ay madami din karangalang ang nakamit ng LSJDM. At tila madami at patuloy pa na kumikilos ang Pamahalaang Lungsod na mailunsad ng ganap ang kaunlaran sa naturang Lungsod. Subaybayan pa natin.

**M**UKHANG pilit na "ginigising" ang matagal nang "nakatulo" na isyu tungkol sa kontrobersiyal na bilyones shabu shipments na aabot sa 1.6 tonelada na nadiskubring magkasunod naipuslit sa Manila International Container Port (MICEP) nu'ng nakaraang 2018.

Kung matatandaan ninyo, Pareng Fidel Orate at Katoteng Pasky Nativity, kapag naaalala at pinag-uusapan ang drug shipments na ito, pumapasok kaagad sa ating matalas pa na mga memorya si dating Customs Isidro Lapena at ang naging tanyag na "whistleblower" at binansagang "Lady Dragon" na si Atty. Ma. Lourdes "Des" Mangaoang, Bureau of Customs (BOC) Deputy District Collector for Operations sa Ninoy Aquino International Airport (NAIA).

Kasunod nito, puwede rin matandaan natin sa pagkakaangkat ng usaping ito, pareng Fidel at Katoteng Pasky, ay ang apat na empty magnetic scrap lifters na pinatunayang pinaglagayan ng "mysteryong" mga shabu, at natuklasan ng tropa ng Philippine Drug Enforcement Agency (PDEA) sa kanilang operasyon sa isang warehouse sa GMA Cavite City noong nakaraang taon. Kaugnay pa ng drogagang ito, hindi rin puwedeng maisantabi sa ating alaala si Atty. Zsae de Guzman, sinibak na hepe ng X-Ray Inspection Project (XIP) Unit, ilang tiwaling Customs officials at iba pang indibiduwal na sinasabing inbolb sa naturang drug smuggling na ilang buwan rin pinagpiyestahan ng media. Maliwanag pa sa sikat ng araw na malaki ang aking tama, 'di ba, mga Parekoy?

Pero kung tutuusin, walang masama sa pagbuhay ng usaping ito. Karapatan ng sinuman sa atin, partikular ang mga kritiko ng ating gobyerno na alamin ang kinahinatnan ng kasong ito para sa interes ng publiko. Hindi naman kasi gramong-gramo at baryabaryang halagang droga lang maituturing ang naipasok na mga shabu sa bansa sa pamamagitan ng Customs at tuluyang naipuslit palabas sa nasabing puerto ng ahensya.

Subalit, ang hindi lang katanggap-tanggap, pareng Fidel at Katoteng Pasky, bakit naman kasi, kung sino pa ang taong may matatag na paninindigan, mataas ang morale, pinagkatiwalaan, walang takot na humarap at nagbigay ng kapani-paniwalang testimonya, maayos na sumagot sa mga tanong "punto por punto" sa grupo ng Senators at Congressmen na nag-iimbestiga para sa simpleng ikalilinaaw at ikalulutas ng kaso, aba, e, siya pa ang "inilalaglag at pilit inawasak" ang kredibilidad" sa publiko. Malaking mali, dear readers, 'di ba?

Kunsabagay, "bad publicity" ay publicity pa rin na

## CHILDREN'S CHRISTMAS CONCERT AT SM CITY ROSARIO

**S**M CITY ROSARIO, CAVITE - Children's Christmas Concert is a program under Championing Community Children, being conducted annually, particularly during 26th day of December. This aims to give hope through giving gifts to the unprivileged children which are called as "Gifts of Hope". This is to celebrate the true essence of Christmas and for these children to feel that they are loved.

Limited number of Gifts of Hope started to be distributed by C3 founder and President, the Nobel Peace Prize for Children 2012 winner, Kesz Valdez on his 7th birthday through roaming around the streets and giving these gifts to the children who were sleeping on the street like him before he was taken care of. Soon, it was called as Project TLC or Tsinelas, Laruan, and Candy, simple things that a child wants to have.

Since then, the group has given more than 40,000 Hopegifts to Filipino children, and has reached as far as Indonesia to give love and hope every Christmas. Last 2016, the thought of giving a bigger experience to the children came. That year, then, the first ever Children's Christmas Concert held at SM City Rosario on December 26, 2016.

The next year 2017, held at SM City Dasmarias, and 2018 and 2019 went back to SM City Rosario. The event catered for more than two hundred children from Cavite through the help of SM Supermalls and different private organizations to make

## UMINOM NG KAINAMAN, HUWAG MAGPAKA-SAGAD

\*\*\*

Nitong nakaraang araw ay ibinalita natin sa 'social media' ang napaslang na Ihinyero ng kanyang kainuman. Basahin po natin: Ihinyero nakipag-inuman sa kapitbahay, sinuntok, hinampas ng bote sa ulo at ng mabuwal ay nabagok ang ulo sa isang matigas na bagay, na kanyang ikinawalang malay-tao. Isinugod sa malapit na Ospital, at doon ay nabawian ng buhay. Ang insidente ay nangyari sa lugar ng Igay, Barangay Sto Cristo, Lungsod ng San Jose Del Monte (LSJDM,) Bulacan, kamakailan. Ang napatay ay nakilala na si Engr. Elmer Toledo, habang ang kanyang kapitbahay na kainuman ay nakilala lamang sa kanyang alyas na "Campit," isang tekniko. Batay sa ulat ni dating Konsehal Rene Avellanosa ng LSJDM, ang magkapitbahay ay nagkainuman, hapon ng biyernes, matapos ang Pasko. Nang kapwa malasing ay nagkaroon ng maintang pagtatalo. Nakita ng mga saksi na inundayan ni Campit ng suntok ang inhinyero, at hindi pa nasiyahan ay dumampot pa ito ng bote, na kanyang inihampas sa ulo ng biktima, na ikinalugmok nito at ikinabagok ang ulo sa isang matigas na bagay.

Sa pangyayaring iyun ay nagawa pang maisugod ng mga naksaksi ang biktima sa Grace General Hospital, subalit pagsapit ng alas-diyes ng gabi ay binawian ito ng buhay. Agad

## Atty. Des "Lady Dragon" Mangaoang, sikat na lalong pinasikat!

puwedeng pakinabangan. Masama o mabuti man, ang magandang epekto nito, lalo lang sumisikat ang indibiduwal na sinisiraan. Puwede rin kasi mabaligtad ang sitwasyon. Ang "pinababaho" ang pangalan sa publiko ay "bumabango." Tama o mali? Kaya ang mga taong mapanira ng kapwa, aba'y hinay-hinay lang kayo. Hehehe! At 'eto na nga mga Parekoy Fidel, Pasky at Dexter, kilala ba ninyo ang Customs official na tinutukoy ko. Puwes walang iba kundi si Atty. Des Mangaoang. Nagulat ba kayo? Kamakailan lang kasi, lumutang ang pangalang Nephthalie R. Gonzales. Gamit ng "luka-luka" na ito ang social media (Facebook) at nagpost ng kabulastugan. Sa pamamagitan ng kanyang mga post sa FB, binuhay na naman ng aleng ito ang isyung sinabi raw ni Atty. Des Mangaoang, ang "pinaka-worst administration sa bansa ay ang administrasyon ni Pangulong Duterte." Kaugnay ito ng 1.6 tons smuggled shabu shipments na nailusot sa MICEP. Matinding paratang, 'di ba?

Pagkatapos na bumuyangyang sa Facebook ito, tila gumuho na naman ang mundo ng ating kaibigan at hinahangaang "babaeng dragon" na si Atty. Des. Mangaoang. Hehehe! Pero ang higit na nakakabilib, palibhasa'y kilalang palabang (sa matuwid na paraan lang) si Atty. Des (may bayag na babae) Mangaoang, sa halip na makitaan ito nang panghihina ng loob, aba'y bumuwelta kay Nephthalie R. Gonzales. Hehehe! Kumbaga, hindi na nagpatumpik-tumpik ang "matalino at matapang" na abogada ng Customs. Mabilis pa sa "alaskuwatro," nagpalabas si Atty. Des ng kanyang official statement upang maipabatid sa publiko ang katotohanan ukol sa malisyosong atake ni Nephthalie Gonzales na nagdadawit sa kanyang pangalan sa umano'y pagbatikos sa pamahalaan ni Pangulong Digong.

At para sa mabilis na intindi, minabuti natin na ilathala dito sa aking kolum ang kabuuang statement ni Atty. Des Mangaoang bilang paglilinaaw at pagtutuwid nang walang labis, walang kulang ukol sa isyung ibinabato laban sa kanya. Bahala na kayo ang humusga.

'Eto at basahin n'yo: "My attention was called by friends that a certain Nephthalie R. Gonzales quoted me as saying that the worst administration is the Duterte administration."

"First of all, i do not make that statement in any occasion. Secondly, i do not know Nephthalie R. Gonzales and i do not recall having met her or talked to her. So quoting me has no basis at all."

"I testified that the magnetic lifters contained the shabu and that the x-ray images clearly show that something was concealed in the magnetic lifters. Both hearings concluded that the magnetic lifters were used by the syndicate to smuggle the P11 billion worth of shabu as it was shown by physical, documentary and testimonial evidences. Commissioner Isidro Lapena admitted this fact."

"Subsequently, the bureau's XIP personnel were criminally charged and Lapena was charged criminally by the National Bureau of Investigation (NBI) and Philippine Drug

naman nahuli ng pulisya ang salarin na si Campit, dahil na rin sa maagap na aksyon at tulong ng mag-asawang Rene at Kagawad Maryann Avellanosa.

Tsk! Tsk! Tsk! Batid po ba ninyo na minsan ay nakaharap ko na din ang biktima, isa siyang maginoo, palangiti at magalang. Nakapanghihinayang na dagling mawala sa mundo ang isang tulad ni Engr. Toledo. Kaya kapag tayo ay makikipaginuman, ay kilalanin natin maige ang ating kaharap, ng sa gayun ay makaiwas tayo sa anumang problema. Uminom lamang ng kainaman at huwag magpaka-sagad. Ika nga nila, ilagay sa t'yan at huwag sa ulo. Sa inuman iwasan ang mga birong personal at nakaiirita, ugaliin ang tuwina ang disiplina sa harapan. Alalahanin na sa harapan ang bidahan ay hindi maiiwasan, may mayabang ang dating at may maharot, kung hindi ninyo tanggap ang pananaw sa isang usapin ng isang kainuman ay manatiling tahimik at umiwas sa pakikipagtalo, at kung sa tingin ninyo na nagiging mainit na ang usapan ay magalang na magpaalam sa harapan. Ang pagtallis sa harapan ay hudyat ng pag-iwas sa maintang pagtatalo, o nakaambang sigalot. Heto ang mas mainam, huwag na kayong uminom ng anumang nakalalasing na likido. Iwasan ang alak!

Enforcement Agency (PDEA)," bahagi ng statement ni Atty. Des.

Gayunman, ayon kay Atty. Des, nag-ugat ito nang interbyuhin siya sa mga live program ng ilang kilalang sikat na istasyon ng radio at television habang nasa kasagsagan ang isinasagawang Senate Blue Ribbon Committee hearing na pinamunuan ni Senator Richard Gordon kaugnay ng nailusot na shabu shipments sa MICEP noong October 2018.

At kabilang pala sa tanong ng isang beteranong anchorman/host ng programa kay Atty. Des: "Which Customs administration was the best." Sabi pa ni Mangaoang, "i replied that it was during former Commissioner Guillermo Parayno's time because that was the time that BOC's processes were computerized and the Philippine Customs was ahead of most other countries."

"Then i was asked which Customs administration was the worst, i quickly replied that it is during the administration of Commissioner Lapena because the biggest drug shipment slipped thru BOC during his time and other contrabands were being smuggled in many ports." Paglilinaaw pa ni Atty. Des, misquoted si Gonzales sa naging pahayag nito sa tropa nang nag-interbyung media. "That the latter's Facebook post is not only out of context but also they are not my words This is nothing but fake news which is a violation of the Cybercrime Prevention Law and punishable with a maximum of 20 years imprisonment. I never said in any of my interview that the Duterte administration is the worst because it is not."

Kasabay nito, nakiusap rin si Atty. Mangaoang sa iba't ibang grupo na kontra sa Duterte administration, na lubayan na ang paggamit sa kanya at sa umano'y isyung ipinahayag niya na hindi naman nito ginawa, na ang nakikitang dahilan ay upang masira ang kanyang (Atty. Des) kredibilidad sa administrasyong Duterte at sa mga supporter ng pangulo.

Kasunod ang pakiusap ay nagbanta si Atty. Des sa mga pasaway na nakikisawsaw sa isyu na may paglalagayan sila kapag hindi tumigil sa pagpopost sa Facebook ukol sa pekeng usapin laban sa kanya. "I ask those who posted the fake statement in FB to take it down or i will be compelled to file charges against them for violation of the Cybercrime Law. I fought for justice and the truth and i will continue to do so for our beloved Philippines and the present and future generations of Filipinos," pagtatapos sa statement ni Atty. Des. "Yun na! Mismo!

Hala! Sige! Matakot na ang mga sawsawlero't sawsawlera na mahilig mag-imbento ng mga kabulastugan. 'Wag ninyo ubusin ang pasensya at hinahon ni Atty. Des Mangaoang. Garantisadong may paglalagayan kayo, pramis!

At para sa hindi pa nakakaalam, si Atty. Des Mangaoang ay naging hepe ng X-Ray Scanning Project o XIP sa panahon ni dating Customs Commissioner Napoleon "Boy" Morales. Simula't sapol ay nagampaman ng maayos ang kanyang tungkulin. Walang bulilyaso at lalong walang illegal shipments, especially mga iligal na droga ang nakalusot papasok at palabas sa mga pantalan ng Customs. May update! Abangan!

# Effective Ways to Free Your Mind and Take Back Control of Your Life

Since we were born, our minds have been gradually programmed by our surroundings and by society at large. As we grow, evolve and awaken to this reality, we learn that it is in our best interests to uninstall some of this programming and take back control of our minds.

What are we taking control back from, specifically? Well, in part, the immense amount of cultural, societal, and institutional brainwashing that has greatly influenced who we are, and how we view ourselves and our abilities.

For example, despite what you may have heard... You don't need to be a person who needs everyone to approve of them. Your relationships don't need to model modern day sitcoms. Your daily energy doesn't need to be directed by mindless drama, which is stirred to distract you from deeper meaning and passion.

You can clear yourself of this corrupt thinking and reclaim your sanity and effectiveness.

But it's hard, because distractions are everywhere, pulling at us and creating needless points of focus meant to disempower us. They drive us into compulsive consumerism and egoism, rather than meaningful connection and emotional freedom. So today, it's time to flip the switch. It's time to free your mind and take back control of your life. Here's how to start:

1. Be selective about the media you consume. – Marketers all across the world are tracking your patterns, buying your personal information and studying your online and offline habits in order to funnel you into purchasing products from the companies that hire them. If you are inclined to cave, and make impulsive, unhealthy purchases – like fast food – they are aware of this, even to the exact percentage of likelihood that you will make this impulse buy. They push ads upon you until your willpower gets weak. This is just one form of mind control being practiced publicly every day. It's manipulative and it was created to be. You have to take back control from these mega-corporations by making strong-willed, healthy decisions that support YOUR best interests. Buy things that benefit you and those you love, not things that benefit big companies that don't care about you. (from the "Simplicity" chapter of our book)

2. Prioritize YOUR desires ahead of external and internal resistance. – You're the one that's got to die when it's time for you to die, so let yourself live your life the way you want to live it. Seriously, life is too short to waste profuse amounts of time wondering what other people think about you. In the first place, if

they had better things going on in their lives, they wouldn't have the time to sit around and talk about you. What should be important to you is not their opinions of you, but your opinion of yourself. So don't let others get in your way! And don't let your fears get in your way either; they're not there to scare you. They're there to let you know that something is worth it. If a particular pursuit makes you feel alive, stand strong and step forward, no matter what.

3. Stop wishing for it and start working for it. – Do what you have to do today so you can do what you want to do tomorrow. Through the grapevine you may have heard that what you should want is "an easy life." But that's not true, what you really want is a life you are proud to have lived, and that takes work. Because the only way that we can truly live, is if we grow. The only way that we can grow is if we change. The only way that we can change is if we learn. The only way we can learn is if we are exposed. And the only way that we can become exposed is if we are willing to put ourselves out there and work through life's difficulties. Do it! It's worth it! (from the "Adversity" chapter of our book)

4. Create healthy daily rituals. – The person you are destined to become is the person you decide to be every single day. Because how you spend your days is how you spend your life. In a nutshell, when it comes to working hard to achieve a substantial life goal of any kind – earning a degree, building a business, fostering a relationship, raising a family, becoming more mindful, or any other personal achievement that takes time and commitment – one thing you have to ask yourself is: "Am I willing to spend a little time every day like many people won't, so I can spend the better part of my life like many people can't?" Think about it. We ultimately become what we repeatedly work hard at. And isn't it funny how day by day nothing changes, but when you look back everything is different? That's the power of daily rituals.

5. Flip your perspective from negative to positive. – We can complain because rose bushes have thorns, or rejoice because thorn bushes have roses. You've heard this before. Don't let negativity influence you. When others are being negative, ignore them. How others see things is rarely the truth. There are no facts, only interpretations, and it is our interpretations that make us or break us. If you look at things the right way, you can see that the whole world is a beautiful garden. It's your job to tend to it, and to see and appreciate the roses. Because in the end, the quality of your vision drives the quality of your life. Train your mind to see the beauty in everything. Positivity is a choice. The happiness of your

life depends on the effectiveness of your perspective. (from the "Happiness" chapter of our book)

And again, if you're struggling with any of these points, remember that you are not alone. We are all in this together. Many of us are right there with you, working hard to feel better, think more clearly, and keep our lives on track.

it only takes 45 minutes\* to change a life.

## BOC X-RAY INSPECTION PROJECT MATINDING DUMAGIT NG DROGA

**M**ga katoto isang malaking karangalan sa panig ng Bureau of Customs (BOC) ang mga naitalang nagampanang tungkuling naiambag ng BOC X-RAY INSPECTION PROJECT na nasa ilalim ng pamumuno ni katoto Bienvenido Entipo, sa Port of Manila, PortArea, Manila.

Batid niyo ba mga katoto na itong si katotong Entico ay hindi matatawaran ang nagampanang tungkulin bilang isang lingkod bayan sa Bureau of Customs, kung saan sa taglay nitong karanasan ay hindi na kaila sa kaalaman at kakayahan kapag trabaho ang paguusapan.

Taong 1988 ng magsimula si katotong Entico maging kawani ng BOC, kung saan naging spot checker ng panahon ni katotong Customs Commissioner Mizon, naging BID Inspector, PEZA Acting Examiner, hanggang sa naging OIC ng PEZA Customs Asahi Glass. Naging Deputy Collector sa BOC Cebu, Special Asst. ni District Collector Mario Mendoza sa Port of Manila, Acting Appraiser sa Port of Clark, hangang sa naging Acting COOV sa Port of Clark at COOV sa Ninoy Aquino International Airport (NAIA), hanggang sa naging Deputy Collector for Assessment sa Subic, kung saan sa kasalukuyan ay Chief ng BOC X-Ray Inspection Project, sa Port of Manila.

Sa aming muling pag uusap nitong Enero 2, 2020, nabanggit ko kay katotong Entico ang bagong apat na latest model Xray Machines na naitalaga ang dalawa nito sa BOC MICP at ang dalawa ay nasa BOC POM, kung saan ayon dito nabili ito ng BOC sa halagang P1.5 milyon, samantalang sa panahon ni Pangulong Gloria M. Arroyo ang nabili ng Xray machines ay nasa halagang P2.4 milyon, sobrang laki ng halaga subalit mas epektibo pa itong huling nabili na mas mura at malaki ang pakinabang ng pamahalaan dahil sa kaya nitong mag xray ng 60 kontayner na kumpleto ang detalye ng laman nito sa loob ng isang oras at 120 kontayner kapag xray lang upang mabatid ang laman sa loob ng isang oras. Sino kaya ang mga taong may kinalaman sa pagkabili nito ng "OVERPRICING"? tinatawagan natin ng pansin si Pangulong Digong Duterte, na kahit

### 4Th Mactan-Mandaue bridge engineering details/procurement set on 2020

The Engineering details and procurement processes has been set this 2020 for the construction of the fourth bridge linking Mactan island and Mandaue City.

The disclosure was made by Department of Public Works and Highways(DPWH) Secretary Mark Villar in a recent interview by Cebu media.

Last December 20,the Joint Committee of the National Economic Development Authority (NEDA) approved 12 big infrastructure projects worth Php626 billion and one of these is the fourth Mactan-Mandaue bridge.

"These projects have been fast-tracked before the year end," he added.

"This 2020 the DPWH will focus on the engineering details and procurement and its subsequent start of construction," Villar told media.

The bridge is planned to have a 0.58 kilometer bridge component with four lanes and a 6.2 kilometer coastal road part or the Mandaue-Liloan diversion road.

Overall project cost estimates is Php3 Billion and the Japan International Cooperation Agency(JICA) will assist in its funding. Target completion is set by 2024.

Recently, the Cebu-Cordova Link Exchange (CCLEX) or the third bridge linking Cebu City and. Town of Cordova reported that it has almost 50 percent completed.

Both bridge projects will hopefully solve the traffic problem going to Mactan island and the Cities of Cebu, Mandaue, Talisay and Danao.

Mactan island comprises the City of Lapu-Lapu and the Municipality of Cordova.

### CEBU CAPITOL TO HIRE DOCTORS AS JOB ORDER AS OUTSOURCING FIRM FAILED TO RECRUIT MEDICAL PRACTITIONERS TO SERVE DISTRICT/PROVINCIAL HOSPITALS

The new Cebu Capitol manpower provider failed to outsource 10 medical specialists and 10 general practitioners for the four provincial and 12 district hospitals since

October 2019,thus Governor Gwendolyn Garcia and the Provincial Health Office(PHO) reconsidered and will directly hire them as job order employees.

This was disclosed yesterday by Dr. Sheila Faciol, the head of the Public Health Operations Division of PHO.

"In order to meet the needed number of doctors for the four provincial and 12 district hospitals operated by the Cebu provincial government, medical doctors will no longer be included in the Capitol's outsourcing of personnel from manpower provider L Serv Corporation," she said.

"They are now categorized as job order workers of the province, This was what we requested from the governor because when the hiring was done under Lserv, not a single doctor applied because they found it degrading that they will be hired by a manpower agency," She added. Last October 10,2019 L Serv Corp. posted job openings for doctors and specialists for the hospitals and the employment contract should have started on October 1, 2019,however there were no applicants.

Governor Garcia wanted the four provincial hospitals to be upgraded to a level 2 classification so these will already have intensive care units(ICUs).

But one of the requirements on this is hiring of medical specialists and general practitioners(doctors).

LServ offered medical specialists as a salary rate of Php45,000-Php50,000 a month while general practitioners will get Php40,000-Php45,000 monthly.

But Faciol said that under the job order scheme, the medical specialists will be receiving over Php70,000 a month while for general practitioners will be over Php56,000 a month.

She said they are now processing the application of doctors for the four provincial hospitals after the governor approved that medical doctors will be excluded in the outsourcing scheme.

LServ, a Manila-based agency, signed a Php258 million contract with Capitol in September 2019 to provide over 800 medical and clerical personnel to the provincial and district hospitals and the offices in Capitol.

The provincial hospitals in Balamban and the cities of Bogu, Carcar and Danao are all categorized as level 1 hospitals that can only perform minor surgical procedures.

### CORDOVA, CEBU TO PUSH THROUGH WITH 1,500 HECTARES RECLAMATION WITH SM

This maybe very ambitious and costly but Presidential Legislative Liaison Office(PLLO) Secretary Adelino Sityo expressed optimism that the 1,500 hectare reclamation project in the Municipality of Cordova, Cebu will start this year with ShoeMart (SM).

This revelation was made by Sityo during the 107th founding anniversary of the municipality last January 1.

"This year the processes will start and hopefully by the middle of 2021 the reclamation would start as targetted by SM, " Sityo said in an exclusive interview with DAILY TRIBUNE.

According to him, SM has initially estimated the cost of the 1,500 hectares reclamation at Php 800 billion and their plan will be five islets reclamation development with five bridges linking the different reclaimed islets.

DAILY TRIBUNE tried to interview SM- Executive Vice President Marissa Fernan but as of presstime, she has not replied yet on the proposed reclamation project in Cordova.

SM has already started scholarship grants to the children of the fisherfolks, who are expected to be affected by the reclamation since two years ago.

Sityo clarified that this will be joint venture between Cordova, the Province of Cebu and SM and it will be a 51-49 percent sharing scheme.

The 51 percent will be for Cebu province and Cordova while 49 percent for SM.

It will be SM that will develop the reclamation project at no cost to the province and Cordova.

The Province of Cebu has already approved the 1,500 hectare project during then Governor and now Vice Governor Hilario Davide III.

Sityo added that it is now in the hands of the Philippine Reclamation Authority(PRA) to fast-track the project after which it will be forwarded to President Rodrigo Duterte for final approval.

ilang panahon na ito ay dapat pa rin busisiin upang mapanagot sa iregularidad na gawain. Hehehe!

Nilalaman po ng Senate Bill 2583 ng US na "The Secretary of State shall apply subsection (c) to foreign government officials about whom the Secretary has credible information have been involved in the wrongful imprisonment of:... (2) Senator Leila de Lima whp was arrested in the Philippines in 2017."

Ito po ay may kinalaman daw ito sa implementasyon ng Global Magnitsky Human Rights Accountability Act, na nagpapataw ng "sanctions" sa mga banyagang may direkta at indirect involvement sa "significant corruption" o "gross violations of human rights."

"Not later than 60 days after enactment of the act, and following consultation with the appropriate congressional committees, the Secretary of State shall submit to such committees a plan to improve the coordination of such efforts, including to ensure the Departments will jointly develop and implement sanctions, as appropriate."

Kabilang din po dito sa ituturing nilang paglabag sa karapatang pantao ang hindi makatarungang pagkulong ng mga mamamayang Amerikano.

Magugunitang ipinakulong si De Lima dahil sa diumano'y pagkakasangkot sa paglaganap ng ilegal na droga sa loob ng New Bilibid Prison.

Tanong ng ating mga kababayan magawa kaya ni Trump na mapalaya si de Lima?

**MILYONG PINOY APEKTADO NG TENSYON SA ME**

MAYROON palang 1.2million na mga overseas filipino workers(OFW) ang posibleng maapektuhan sa Gitnang Silangan dahil sa umiiral na tensyon dito.

Kaugnay nito ay hinihimok ngayon ng Trade Union Congress of the Philippines si Pangulong Rodrigo Duterte na magkaroon na ng isang evacuation plan sa milyong-milyong mga Pilipino na nasa middle east.

Ito po ay may kaugnay sa tensyon sa pagitan ng US at Iran matapos ipag-utos ni US President Donald Trump ang airstrikes na ikinasawi ng military commander ng Iran na si Qasem Soleimani.

Sinabi nitong si TUCP President Raymond Mendoza na dapat daw ay mayroon nang mekanismo ang pamahalaan para sa pagpapa-uwi o relocation sa mga ito bago pa man tuluyang lumala ang situwasyon sa rehyon.

May katwiran itong si Mendoza na mas magandang handa ang pamahalaan sa lahat ng worst case scenarios sa Gitnang Silangan kasabay ng pagtitiyak ng pamahalaan sa mga hakbang nito para matanggal ang pangambang nararamdaman ng mga OFWs at ng kanilang mga kaanak dito sa Pilipinas.

traveling public from the usual 45 seconds to as low as 8 seconds per passenger. The said project has been a recipient of an award at the Philippine OpenGov leadership forum 2019. The e-gates is said to process a total of 250,000 passengers each month.

"We are studying expanding this project to other smaller airports, as well as the departure areas for the next few years," Morente revealed.

Morente shared that the e-gates prioritized Filipino citizens, especially overseas Filipino workers (OFWs), to lessen their waiting time and allow them to spend more hours with their families. "We wanted to improve how we serve our OFWs who sacrifice themselves for their families, hence we also implemented a special lane for them, and acquired pre-screening equipment for faster and more efficient checking," he added.

Data from the BI shows that the number of international travelers are getting bigger and bigger each year. In 2015, the BI serviced a total of 21.2M international travelers who flew in and out of the country, and in 2019, the total number reached 32.3M.

"With this growing number of international travelers, there is a need for our numbers to grow as well," said Morente. "For 2020, we pray that we be granted more manpower as we are expecting numerous airports to open. We are also looking into

Nangangamba din ang grupo ng implikasyon ng tensyon kabilang na ang posibilidad ng unemployment ng ating mga kababayan.

Magugunita po na nauna nang nagpatupad ang mga embassy ng Pinas sa Middle East na mag-ingat habang ang ilan naman ay nagpatupad na ng voluntary evacuation.

MUKHANG babalikan ng Duterte administration sa sandaling oras na i-impose ng Estados Unidos ang entry ban nito sa mga Philippine officials na nasa likod umano ng "wrongful imprisonment" ni Senator Leila de Lima.

At ang paggantung ito ay sapat na daw ang isang Executive Order(EO) upang obligahin ang mga US citizens na kumuha muna ng Philippine visa bago makapasok dito sa bansa.

Banta ni Duterte ayon kay Presidential Spokesman Salvador Panelo kung tutuusin o gugustuhin ito ng pangulo ay maaari itong ipatupad kaagad sa pamamagitan ng isang EO at hindi na kailangang dumaan pa sa kongreso.

Na hindi naman daw magiging bias ang bansa sa pagbibigay ng Philippine visa sa mga US citizen basta't sundin lamang ng mga ito kung ano ang requirements o itinatakda ng panuntunan sakaling ipatupad ito.

**PRESYO NG SILI ISYU NA NAMAN**

MALAKING isyu na naman ang presyo o pagtaas ng halaga ng sili matapos itong pumalo sa P600 kada kilo ang presyo ng siling labuyo base sa price monitoring ng Department of Agriculture(DA).

Ilang lugar sa bansa ang nagbebenta nito ng P350-P500 kada kilo ayon sa report ng DA.

Balita nga natin ngayon na sa Kamuning Market naman ay umakyat ang presyo ng sili sa P700 kada kilo habang nasa piso hanggang P2 ang bentahan sa kada piraso ng sili.

Kumonti daw ang supply ng sili dahil sa mga nagdaang bagyo ayon sa mga tindera.

Magugunita po natin noon ay naging usap-usapan na noon ang presyo ng sili matapos mag-viral ang litrato ng napakamahal na presyo nito sa isang supermarket.

Kung atin po natin na iisipin hindi natin dapat ipag-alala ang pagtaas sa presyo ng sili sapagkat hindi naman tayo

beefing up our manpower for our southern borders," he added.

Morente shared that they only have around 1,900 organic personnel. "Apart from our airports, BI personnel are also stationed in seaports, border crossing stations, as well as field and district offices all over the Philippines.

Because of lack of manpower, we are heavily dependent on contractual personnel. We are managing, but we are already spread out too thinly, especially when we are looking forward to the opening of new airports," he shared.

Morente added that they are also looking forward to the passing of the new immigration modernization law. "Hopefully our new law is passed this year.

The Philippine Immigration Act is a very old law, and many provisions are outdated already. We see this as a priority not only to upgrade the salaries of our personnel, but to update immigration policies on the ever-increasing number of foreign nationals coming into the country," he added.

Despite the challenges, Morente remains positive for the new year. "Expect more improvements from the BI for the following years. Following the President's orders, we will be focusing on service efficiency to ensure we provide better immigration service," he pledged.

**BUILDING CODE DAPAT SUNDIN**

Muling nagpaalala ang PHIVOLCS sa publiko partikular sa mga nagpapatayo ng mga bagong istruktura o gusali paalala nila ay sumunod sa building code para nakaiwas sa sakuna.

Dahil noon po na magkaroon ng inspektion ang

mga tauhan ng PHIVOLCS sa pinangyarihan ng magkakasunod na lindol noong nakalipas na linggo partikular sa bahagi ng Padada sa Davao del Sur.

Natuklasan nila na wala palang fault na dumadaan sa lugar kung saan gumuho ang Southern Trade Mall sa pagtama rito ng maginutde 6.9 na lindol kamakailan.

At dito nga po ay nadiskubreng hindi naman gumuho ang una't-ikalawang palapag nito sa halip ay lumubog itong papailalim.

Kaya parang lumilitaw na ang lupang pinagtitirikan daw pala nito ay mayroong mataas na tiyansa ng liquefaction.

Ang sinasabing paghina sa tatag o paglambot ng lupang pinagtatayuan ng mga istruktura.

Sa pangyayaring ito ay hinihiling ng PHIVOLCS sa mga LGUs na lalong higgitan ang pagiisyu ng permits at magpatupad na rin ng pagma-marka sa mga faultlines para mapagbawalan ang pagtitirik ng mga gusali rito.

**SM CITY BACOR SECURITY PERSONNELS RETURNED LOST CASH AND ITEMS**

SM CITY BACOR, CAVITE - Most of the time, when a valuable was lost in places and instances you can't remember, it's as good as gone. But what if you lose something inside a busy mall full of shoppers trying to beat the holiday rush? Surely you'd think that there's a very slim chance of getting that back. Thanks to the honest security personnels of SM City Bacoor who secured and returned lost cash and items from the shoppers.

One of them was SG Reynaldo Dulaca of Defense Specialist Security Agency Inc., who recovered a pouch with assorted IDs, ATM cards and cash which he recovered unattended inside Cinema 4 last December 25,2019 and a bag with ID & cash two days after. Another security personnel from the same agency, SIC Alberto Jumawan, recovered a lost phone

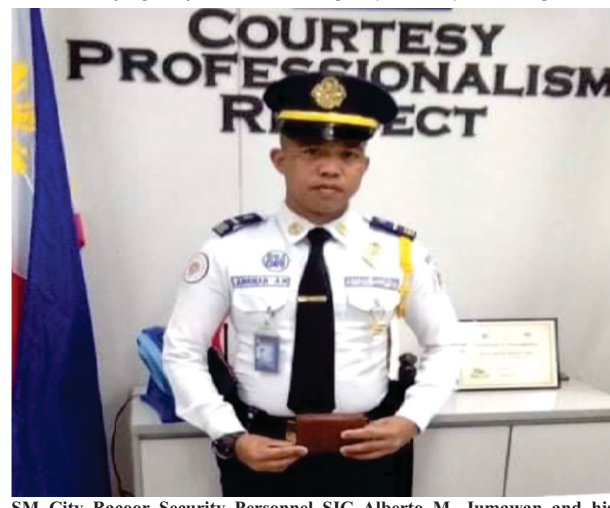

and cash which he recovered during his clearing inspection inside Cinema 1 last December 30, 2019. That same day, he recovered a lost wallet with ID's and cash during his clearing inspection at Cinema 4.

"Hindi ko po pinag-iinteres ang mga bahay na pagmamay-ari ng iba dahil hindi po iyon ang itinuro sa amin ng aming mga magulang," said SIC Jumawan. "Iyon na lamang (din) po ang maipagmamalaki ko sa aking mga anak."

These deeds are reflective of SM's Corporate value of honesty and integrity and bespeaks well of the attribute of a good member of SM Security and workforce as well, worthy of praise and emulation. Both SG Reynaldo Dulaca and SIC Alberto M. Jumawan brought honor and pride not only to himself, his family and security agency but also to SM group of companies in general.

### NO List Issued on US Entry Ban for Philippine Officials

The issue concerning the detention of Senator de Lima on drugs charges she asserts were fabricated by the Philippine government, takes another backward step partly caused by Philippine news reports concerning the prohibition on entry to the US by Philippine Officials. The US must have credible information

whom are involved with the case concerning De Lima before they release a list of Philippine official(s) whom will be banned from entering the US, (If any). That credible evidence (if any) cannot be made available until such times De Lima faces her court trial on drugs charges. De Lima said "Interpreting US appropriations Law requires more due diligence than just looking at one document and, thereafter, promptly concluding that it does not contain the provision banning my persecutors from entry into the US,"

Despite this official statement by US, the Philippine news , to complete their own story, continued to use Philippine officials names which De Lima had earlier identified last October 2019 whom she believed to be involved in her detention. The Philippine news should be impartial and not use old Philippine officials lists created by De Lima herself some three months ago, when the US themselves just confirmed they are yet to release such a list. At the same time the US have also raised similar action against Saudi Arabia, Egypt and Turkey for wrongful detention of "American Citizens" or locally employed staff of a US Diplomatic Mission.

Malacanang through the Philippine Ambassador to the USA, confirmed the provision banning the entry of Philippine officials involved in the Senator Leila de Lima's detention does exist BUT the Philippine Ambassador to the USA (Jose Manuel Romualdez) confirmed it is only enforceable when certain conditions imposed by the US law are met. The new as a whole seem to be jumping to conclusions without being aware of the full facts. Even de Lima is criticizing people for jumping to conclusions and being unable to read and interpret US law documents in a diligent way. Senator Leila de Lima previously being Secretary, Department of Justice needs no guidance on the Laws of the Philippines. De Lima must realize the seriousness of the drugs charges against her and by her creating smoke screens like lists of Philippines Officials involved in her detention, not backed up with credible evidence, serves no purpose whatsoever.
