NA 'WOW-MALI' NGA BA ANG MANILA TIMES SA KANILANG NEWS STORY PINALITAN NA SI COM. JAGGER GUERRERO?; IO2 ESPINO..LT. MAULANA AT X-IP MUTIN, KAHANGA-HANGA!

RATSADOR fidel p. orate

TO TOO ba na 'wow-mali' ang Manila Times newspaper sa kanilang news story last week na may titulo **PRESIDENT NAMES NEW CUSTOMS CHIEF?..** Talaga naman sa 1st paragraph pa lang sinasabi, President Rodrigo Duterte is replacing Bureau of Customs [BOC] Commissioner Rey 'Jagger' Leonardo B. Guerrero with a prominent Davao-Based Businessman. Di ba swak na kaagad...

So, ang prominent Davao Businessman na di'umano'y tinutukoy ay isang WILLIAM DE JESUS LIMA, 63 years old na taga Buhangin Davao City. To story short: Kaya daw pinalitan o papalitan si Com. Rey 'Jagger' Guerrero ni Pang. Digong Duterte ay dahil sa BAGSAK [semplang] NA 2019 COLLECTION?. Hehehe, 'yon lang ba?. Medyo nagkagulo sa BOC sa balita 'yan... Sa pangyayari 'yan....Ito ang di'umano'y text message o tawag si Dante Ang, Publisher Manila Times kay Com. Jagger Guerrero.

IN CONNECTION WITH THE NEWS ARTICLE REGARDING 'MY RELIEF' AS BOC COMMISSIONER, MR. DANTE ANG, PUBLISHER OF MANILA TIMES CALLED ME TO ACKNOWLEDGE THE 'MISTAKE' COMMITTED BY THEIR NEWSPAPER AND ASSURED THAT THEY WILL CORRECT IMMEDIATELY.

So, para parehas ang laban, nag-text ako 'Ratsador' kay Com. Jagger Guerrero mga 4:45 A.M January 11, 2020, ito ang text ko sa kanya, gumad po Com. Guerrero totoo po statement n'yo ito sa balita lumabas sa Manila Times pinalitan na ikaw?..

Ito sagot n'ya [Com. Jagger Guerrero] mga 7:15 A.M,....."YES I MADE THAT STATEMENT TO OUR BOC PERSONNEL, HAPPY NEW YEAR"....

REMINDE OUR PERSONNEL TO REMAIN FOCUSED ON OUR JOD AND NOT TO ALLOW THE ERRONEOUS REPORT TO CREATE DISRUPTION AND INSTABILITY IN THE BOC....

@@@@

Lumabas naman sa The Philippine Star..Jan. 11, sa titulo 'GUERRERO STAYS AS CUSTOMS CHIEF'..Sinasabing Commissioner Rey Leonardo Guerrero will remain at the helm of the Bureau of Customs [BOC] for now amid reports of a new appointment to the post.

Sinabi naman ni Cabinet Secretary Karlo Nograles, there has been no orders reaching his office about the supposed appointment of Davao-based businessman William D. J. Lima. "There is no specific instruction yet. As far as we are concern, we wait for orders but no orders were issued for the moment."

Sinabi naman ni Secretary Carlos Dominguez III, he met with the President several times this week and there was no hint of such decision. Ayon naman kay Dante Ang Publisher The Manila Times, sa kanyang text message kay Sec. Dominguez..."I think my reporter got it all wrong. I will correct the erroneous story."

Ok...malalaman natin pag si Pangulong Digong Duterte na ang nagsalita. Tapos ang k'wento. ABAN GAN!.....

'yan po Com. Jagger Guerrero at Sec. Sonny Dominguez ang 2019 accomplishment nina IO2 Jojo Espina, Lt. Abdil Malauna at X-IP Den Mutin. Ok, ito po naman Com. Jagger Guerrero at Sec. Sonny Dominguez ang history ng MV Felicia- K, isang barko may laman Neutralized Phosphogypsum.

Base sa dokumento ng 'Ratsador', memorandum dated April 10, 2019 ni IO2 Felix A. Espino III, Chief Customs Intelligence and Investigation Service [CIIS-Davao] at SP/LT Abdila A. Maulana, JR, OIC-District Commander ESS-Davao.

Sa report ni CIIS-Chief IO2 Espino at SP/Lt. Maulana at X-IP Chief Mutin, notice of arrival MV/ 'FELICIA K' declared 29,990 MTS Neutralized Phosphogypsum.

Sa discussion, last April 4, 2019, Mr. Greg S. Del Monte, Managing Director SEABRIDGES MARITIME MANAGEMENT CORPORATION informing the BOC, Port of Davao through a notice of Arrival dated 4 April 2019 of the above mentioned vessel with the intent to discharge 29,990 Mts of Neutralized Phosphogypsum in bulk at Sta Ana Anchorage, Davao City. The said vessel has arrived in this port last April 5, 2019. However, the discharging of the said cargo [in bulk], WAS STILL PENDING PRIOR TO ISSUANCE OF NECESSARY PERMIT from the BOC and the Environmental Management Bureau [EMB] of the Department of Environment and Natural Resources [DENR X1].

The said shipment was consigned to EDCL CONSTRUCTION and Supply with the office address at km.7 Tigatto rd. Buhangin Davao City. Kong hindi nabusisi ni CIIS- IO2 Espino ang dokumento importation ng NEUTRALIZED PHOSPHOGYPSUM na dumating sa Manila last August 12, 2018 [from Chinhae korea], already inquired sa Office of the Commissioner of Customs to the EMB-Manila, last August 24, 2018.

The EMB through Engr. Metodio Turbella, Director, on his Oct. 1, 2018, sa reply to former Customs Commissioner. Sid Lapena, said that Neutralized Phosphogypsum is 'NOT INCLUDE IN THE LIST OF RECYCLABLE MATERIALS ALLOWED FOR IMPORTATION' under Table 10.1 of DAO 2013-22. Sa sagot ni Director Turbella dated Aug. 24, 2018 kay former Com. Lapena, Importation of Neutralized Phosphogypsum is covered by permitting requirements under 'Chapter 10', hindi ang Table 10.1 [DAO 2013-22] of DENR Administrative Order No. 22 Series of 2013 [Revised Procedures and Standards for the Management of HAZARDOUS WASTES].

Noted that the said materials is Imported by MEARC PHILTRADE CORPORATION which arrive at the Port of Masinloc on 12 August 2018 from Chinhae, Korea. So maliwanag na ang 'NEUTRALIZED PHOSPHOGYPSUM' is NOT ALLOWED FOR IMPORTATION under table 10.1 of the DAO...

To story short..the said materials is RADIOACTIVE DUE THE PRESENCE OF NATURALLY OCCURING RADIO ACTIVE ELEMENTS. Ang Neutralized Phosphogypsum.. IMPORTATION IS NOT ALLOWED... So ang RECOMMENDATION.. shipments, TO BE SHIPPED BACK TO ITS COUNTRY OF ORIGIN. Ok, pirmado ni Director Engr. Metodio Turbella ang pagpapabalik sa port of origin ng kargamento. So, balikan naman natin ang RECOMMENDATION ng Customs Davao...APPROVED SHIPMENT BE SHIPPED BACK TO ITS COUNTRY OF ORIGIN dated April 10, 2019.

Hehehe, kong nagkataon hindi ito natotokan nina CIIS-Chief IO2 Felix A. Espino at ESS-SPT/LT. Abdil Maulana, JR. X-IP Den Mutin...malamang nailabas ang kargamento?.

Habang papaalis ang barko nakatokat pa rin sina IO2 Jojo Espino, Lt. Maulana at Chief Mutin. 'yan po Com. Jagger Guerrero at Sec. Sonny Dominguez, ang history ng MV Felicia K, kasama sa 2019 accomplishment ni Customs Davao CIIS- IO2 Felix 'Jojo' A. Espino, ESS-Lt. Abdil Maulana JR. at X-IP Den Mutin. Sila ang 'kahanga-hanga' mga Customs Officer.

CONGRATULATIONS!

Customs NAIA Intercepts Kush Weeds and Liquid Marijuana!

AS part of the Bureau of Customs [BOC] under the stewardship of Customs Commissioner Rey Leonardo B. Guerrero's mandate to protect the country's borders, the Port of Ninoy Aquino International Airport [NAIA] Customs District Collector Mimel Talusan operatives intercepted Kush weeds and liquid marijuana with an estimated street value of P200,000 at the Central Mail Exchange Center (CMEC) in Pasay City.

The shipment was identified to have originated from California, USA and was declared as "one pair of shoes and chocolate". Upon examination, the parcel was found to contain four (4) packs of suspected kush weeds and ten (10) cartridges of liquid marijuana. The parcel was intercepted by alert Customs Operatives at NAIA in coordination with the Philippine Drug Enforcement Agency (PDEA) and NAIA Inter-Agency Drug Interdiction Task Group (NAIA-IADITG)

The Authorities suspected the presence of prohibited substances due to the scent emitted by the parcel. Previous apprehensions of marijuana were observed to have the same scent raising suspicion that the same was present in the parcel.

The alleged consignee who was identified as a certain Xavier Martin Bulos from Sampaloc, Manila was arrested while claiming the parcel and shall face charges for violation of RA 9165 also known as the Comprehensive Dangerous Drugs Act of 2002 in relation to RA 10863 or the Customs Modernization Tariff Act [CMTA].

Assumptions We Need to Stop Making About Other People

Never underestimate a person's challenges. Everyone is struggling. Some are just better at hiding it than others. Too often we judge people too quickly, or too subjectively. We tell ourselves stories about them without thinking it through—our perceptions and biases get the best of us.

What we tell ourselves about others—what we think we know—is often far from the truth. And with that in mind, let us reflect on all the little things we have to stop assuming about other people, for their sake and ours...

1. We need to stop assuming that the happiest people are simply the ones who smile the most. – Behind the polite smiles and greetings people give you, some are hurting and lonely. Don't just come and go. See them. Care. Share. Listen. Love. We can't always see people's pain, but they can always feel our kindness. So be kinder than necessary.

2. We need to stop assuming that the people we love and respect won't disappoint us. – When we expect perfection we tend to overlook goodness. And the truth is, no one is perfect. At times, the confident lose confidence, the patient misplace their patience, the generous act selfish, and the informed second-guess what they know. It happens to all of us too. We make mistakes, we lose our tempers, and we get caught off guard. We stumble, we slip, and we fall sometimes. But that's the worst of it... we have our moments. Most of the time we're pretty darn good, despite our flaws. So treat the people you love

accordingly—give them the space to be human.

3. We need to stop assuming that the people who are doing things differently are doing things wrong. – We all take different roads seeking fulfillment, joy, and success. Just because someone isn't on your road, doesn't mean they are lost.

4. We need to stop assuming that the people we disagree with don't deserve our compassion and kindness. – The exact opposite is true. The way we treat people we strongly disagree with is a report card on what we've learned about love, compassion, kindness and humility.

5. We need to stop assuming that we can't trust people we don't know. – Some people build too many walls in their lives and not enough bridges. Don't be one of them. Open yourself up. Take small chances on people. Let them prove your doubts wrong, gradually, over time.

6. We need to stop assuming that the rude people of the world are personally targeting us. – We can't take things too personally, even if it seems personal. Rarely do people do things because of us. They do things because of them. And there is a huge amount of freedom that comes to us when we detach from other people's behaviors. So just remember, the way others treat you is their problem, how you react is yours.

7. We need to stop assuming that other people are our reason for being unhappy, unsuccessful, etc. – We may not be able control all the things people say and do to us, but we can decide not to be reduced by them. We can choose to forgive, or we

can choose to forget. We can choose to stay, or we can choose to go. We can choose whatever helps us grow. There's always a positive choice to make. Thus, the only real, lasting conflict you will ever have in your life won't be with others, but with yourself... and how you choose to respond... and the daily rituals you choose to follow.

MACTAN AIRPORT TO GROUNDBREAK 2ND RUNWAY ON JAN. 14

PORTWATCH
Rico Osmeña

The Mactan Cebu International Airport Authority (MCIAA) has set on January 14 (Tuesday) the groundbreaking ceremony on its construction of the second runway pegged at Php 2 billion.

This was confirmed by MCIAA General Manager (GM) Lawyer Steve Dicdican in an interview with DAILY TRIBUNE.

Duros Development Corporation (DDC) in its recent facebook post said that MCIAA has awarded to them the MCIA 2nd Runway project.

DDC Founder Lito Barino emotionally unveiled the good news in a 7th State of Duros Address in Northside Beacon Estate in Liloan, Cebu in its recent gathering.

However, Dicdican clarified "no award has been issued yet, although Duros joint venture gave the lowest calculated bid. The procurement process has not yet concluded, so this declaration that the project has been awarded is premature."

The 2nd runway will be parallel to the present 3.3 kilometer runway of MCIA.

The project will start by the first quarter of this year as equipments are to be mobilized this month.

Duros Land developed the asphalt-overlay of the first runway of MCIA in 2018 and currently is building the MCIA Corporate offices.

ONLY 26 CONTINGENTS TO JOIN SINULOG PARADE AS MAYOR LABELLA WANTED TO LIMIT

Only 26 contingents, seven are out of town contingents are joining the Sinulog grand parade this year January 19.

This as Cebu City Mayor Edgardo Labella wanted to limit the contingents as he wanted to end the parade by 7pm Elmer "Jojo" Labella, the executive director of the Sinulog Foundation Inc. (SFI) said the number of contingents this year is aligned with the limit set by the mayor on the number of participating contingents.

He disclosed that Mayor Labella has directed the SFI to make sure that the number of contingents performing in the grand parade should not exceed 30.

"We have less contingents because that is what our mayor wants so that we will end early," Jojo Labella said.

Mayor Labella insisted that he wants the Sinulog to end early because extending the hours means spending more resources for the city and participants and security personnel will also be exhausted.

The contingents will perform under the Sinulog-based and free interpretation categories.

The seven out of town contingents will come from Sinanduloy Cultural Troop of Tangub City, La Castellanas and Santa Catalina of Negros Oriental, Bacolod City and San Carlos City in Negros Occidental, Panglao of Bohol, and Borongan City of Eastern Samar.

10 contingents from Cebu City from Barangays Guadalupe, Basak San Nicolas, Labangon, Cambinocot, Budlaan, Kinaiyahan, Sapangdaku, Mabolo, San Nicolas Proper, and Inayawan.

While the remaining six are from Cebu Province namely: Carcar City, Talisay City, Ginatilan, Bogu City, Lapu-Lapu City and Toledo City. A guest contingent from South Korea, who participated in 2019 will come back to join the 2020 parade.

BUREAU OF IMMIGRATION INTERCEPTS 3 WOMEN HIRED TO WORK AS BAR GIRLS IN HONGKONG

Bureau of Immigration (BI) officers at the Ninoy Aquino International Airport (NAIA) have foiled another human trafficking attempt with the interception of three women who were illegally recruited to work as bar girls in Hongkong. The BI's travel control and enforcement unit (TCEU) said the passengers were intercepted Friday morning at the NAIA 1 terminal as they were about to board a Hongkong Airlines flight. They attempted to leave in the guise of being tourists but the immigration officers who processed them noted numerous inconsistencies in their statements, and referred them for secondary inspection.

The trio initially presented fake tickets, as well as posed as employees of a travel agency, said the BI.

"It was during the interview that they admitted they were going to work in Hongkong and that they were promised salaries of 500 Hongkong dollars a day," said BI-TCEU head Ma. Timotea Barizo.

Barizo said women hired as club entertainers abroad are prone to become victims of human trafficking as there have been reports that many of them are eventually forced into prostitution.

"We have rescued these women from harm's way," Barizo added. It was learned that the women were recruited by a female agent whom they only met via Facebook. They admitted they each spent P15,000 for their plane tickets but the cost of processing their travel documents was shouldered by their recruiter whom they will pay through salary deduction.

"This is a trick being used by human traffickers," said Barizo. "Indebting victims for the cost of their recruitment essentially forces them into debt bondage. They have no choice but to work long hours, only to pay off their so-called debt," she added. The women were eventually turned over to the Inter-Agency Council Against Trafficking (IACAT) for assistance and further investigation.

DPWH BEGINS INVENTORY OF FOOTBRIDGES ALONG NATIONAL ROADS

The Department of Public Works and Highways (DPWH) is now in the process of studying proposals for the possible inclusion of footbridges in its Annual Maintenance Program (AMWP).

In his report to DPWH Secretary Mark A. Villar, DPWH Bureau of Maintenance Director Ernesto G. Gregorio Jr. said that starting January 2020, all DPWH Regional and District Engineering Offices were required to submit an inventory of all footbridges along national roads, including structures' details and condition, and cost of repair.

"While the construction, repair and retrofitting of national roads and bridges is in our yearly program, we are receiving reports that the preservation of aging footbridges is being left out," said Director Gregorio.

"All structures built within the roads must be maintained to ensure safety of our motorists and pedestrians in cases of earthquakes and other calamities. Clearly there is a gap that needs to be addressed hence we are now looking into whether we can help the local government units (LGUs) and include the funding for the maintenance of degrading footbridges along national roads," explained Director Gregorio.

Currently, DPWH handles the design and construction of new footbridges along national roads, which are then turned over to the LGUs for maintenance.

SA GITNA NG TENSYONG AMERIKA AT IRAN P 600 MILYON ILALALATAG NG RPATRIATION TULONG SA OVERSEAS FILIPINO WORKERS SA MIDDLE EAST

Naglatag ang Department of Labor and Employment (DOLE) ng inisyal na P600 milyong piso para sa mabilis na repatriation at tulong sa mga overseas Filipino workers (OFW) na papauwiin bunsod ng krisis sa Gitnang Silangan.

Sinabi rin ni Labor Secretary Silvestre Bello III nitong Miyerkules na inihahanda na ang mga alternatibong overseas at local employment para sa mga apektadong manggagawa kasunod ng tumitinding tension sa pagitan ng US at Iran kasabay na rin ng pagpapadala doon ng isang Rapid Response Team (RRT).

Nakipagpulong rin si Bello sa mga opisyal ng Department of Justice (DOJ), Department of National Defense (DND), National Security Advisers, NICA, at ng Mindanao Development Authority upang pag-usapan ang sitwasyon ng mga Pilipinong manggagawa sa Iran, Iraq, Lebanon at iba pang kalapit

na bansa na apektado ng tensyon.

Inabisuhan ko ang grupo na ipapadala ko ang aking mga senior officials upang bigyang babala ang mga OFW sa sitwasyon ng tensyon sa pagitan ng US at Iran at ang plano ng gobyerno para sa repatriation," wika ni Bello.

Ang RRT ay pangungunahan nina Philippine Overseas Employment Administration (POEA) Administrator Bernard Olalia na ipadadala sa Lebanon; OWWA Administrator Hans Leo Caddac na magtutungo sa Saudi Arabia at Kuwait; at si Undersecretary Claro Atrellano naman sa United Arab Emirates (UAE). Ang mga OFW ay pupulungin upang matiyak ang maayos na koordinasyon at ligtas na repatriation ng ating mga manggagawa, dagdag pa ng kalihim. Hihikayatin rin aniya ng RRT ang mga OFW na sumama sa repatriation pabalik sa Pilipinas. Gayunman, hindi mapipilit ang sinumang ayaw sumama.

Pipilitin naming sumama sila sa repatriation efforts, gayunman, kung hindi sila makikipagtulungan ay wala na kaming magagawa pa doon. Makikipag-ugnayan rin kami sa kanilang mga employer upang payagang umuwi ang mga OFW," ayon pa kay Bello. Sinabi ni Caddac na maliban sa 100 milyong pisong repatriation fund, mayroon ding 500 milyong pisong stand-by fund and DOLE para sa mga krisis at emergency situation na maaaring magamit agad.

Batay sa tala, mayroong tinatayang 2,174,611 na bilang ng mga Pilipino, documented at undocumented na nasa Middle East at kabilang dito ang Dubai, Qatar, Kuwait, Lebanon, Oman, at Israel. Sa pagtataya rin ng pamahalaan, mayroong kabuuang 2,191 Pilipino sa Iraq at 1,184 sa Iran.

Sinabi ni Bello na sa ngayon ay wala pang OFW ang nagpahayag ng kagustuhan o nakipag-ugnayan sa DOLE upang humingi ng tulong sa repatriation mula sa pamahalaan.

Sa ngayon wala pa kaming natatanggap na hiling mula sa mga OFW na nais nilang umuwi. Tanging ang kanilang mga pamilya lamang ang tumatawag sa amin upang malaman ang kanilang sitwasyon at nagaganap sa nasabing mga bansa," ayon kay Bello.

Ang mga napauwing Pilipino ay bibigyan ng livelihood assistance, training sa ilalim ng Technical Education and Skills Development Authority (TESDA) at hihikayating mag-aplay sa ibang trabaho sa ibayong dagat tulad ng sa Russia, Japan, at Canada.

Samantala, ang mga OFW sa nasabing mga Arab country at kanilang pamilya ay inabisuhan ni Bello na tumawag sa Hotline 1348 at 1349 ng DOLE kung nangangailangan ng repatriation o anumang uri ng tulong mula sa pamahalaan.

Cavite LGUs recognized for exemplary performance in the ADAC audit

All twenty-three local government units of Cavite were recognized during the Anti-Drug Abuse Council Performance Audit awarding ceremony at The Bayleaf Cavite in the City of Gen. Trias spearheaded by the Department of the Interior and Local Government (DILG) in collaboration with the Philippine Drug Enforcement Agency (PDEA). The achievement signifies the functionality of the anti drug-abuse councils of all the cities and municipalities in the province.

The performance was rated based on several indicators including the presence of organized local ADAC, conduct of meetings, allocation of funds as indicated in the POPS Plan, implementation of plans and programs, support to ADACs in component LGUs, and milestones. Bronze award or moderately functional ADAC has a 51-84% score, Silver award or highly functional with 85-99% score and the Gold award or ideal ADAC achieved a perfect score of 100%.

PLTCOL Pablito Naganag of the Cavite Police Provincial Office commended the ADACs for ensuring that anti-illegal drugs programs are implemented down to the barangay level in order to achieve the goal of a drug-free Philippines by 2021.

DILG IV-A OIC Regional Elias F. Fernandez I Director graced the awarding ceremony and lauded Cavite LGUs for the outstanding performance of local ADACs. He reported that out of the 147 LGUs in the CALABARZON region, 12 ADACs achieved a perfect score for functionality, four of which came from Cavite. In addition, 812 out of the 829 barangays in Cavite achieved moderate to high functionality reflecting the LGUs commitment to the anti-drug abuse campaign making Cavite the number one

province in terms of the number of functional ADACs.

The Bronze award was received by the LGUs of Trece Martires City and Alfonso. Silver awardees were Amadeo, Carmona, Cavite City, cities of Bacoor, Imus and Dasmarina, municipalities of Gen. Emilio Aguinaldo, Gen. Mariano Alvarez, Indang, Magallanes, Maragondon, Naic, Noveleta, Silang, Tanza, Ternate, and Tagaytay City. The four LGUs that achieved a 100% score in the performance audit with ideally functional ADAC were the City of Gen. Trias and the municipalities of Mendez, Rosario and Kawit.

As incentive for the LGUs ADAC performance, the Provincial Government awarded equipment to support their anti-drug abuse programs. Bronze awardees received a desktop

computer with printer while Silver awardees received the same with additional laptop. Gold awardees received additional DSLR camera aside from the desktop computer, laptop and printer.

Cavite was also a Regional awardee for the functionality of the Provincial Anti-Drug Abuse Council with a 95% performance rating. The award was received by Mr. Alvin Mojica, OIC-Provincial Administrator on behalf of Governor Jonvic Remulla, PADAC Chair. Agent Billy Viray of PDEA Cavite thanked all the LGUs for being active partners in the fight against illegal drugs and hoped that they remain proactive in implementing programs to ensure that the province will be drug-free and safer for every Caviteño.

HUNTER

Dr. Bernie R. Anabo Jr.

The collection of customs payments from two Ports, namely; Manila and NAIA seem not to reflect the trend set by other Ports over the periods 2018 and 2019. In Port of Manila for the period of 2018 was set a collection target of 88,103 million pesos and failed to meet this target by achieving 86,559 million pesos or equal to a shortfall of around 1.80 percent. For 2019, the collection target was 99,654.20 million pesos and failed to meet this target by achieving 74,812.20 million pesos or equal to a shortfall of around 24.99 per cent.

The 2019 collection achievement did not even meet the 2018 collection target by 11,747 million pesos or equal to a shortfall around 13.50 per cent. The 2019 target for Manila was increased by some 13 per cent, surely for good reason, but the end result was the Port did not even achieve 2018 Target and failed reaching their 2019 target by some 24.99 per cent

In NAIA for period of 2018 was set a collection target of 46,171 million pesos and failed to meet this target by achieving 41,032 million pesos or equal to 11.10 per cent.

For 2019, the collection target was 46,185.50 million pesos and failed to meet this target by achieving 43,238.10 million pesos or equal to a shortfall around 6.38 per cent

The 2019 target for NAIA was set at almost the same as

ATTRITION LAW SHOULD BE IMPLEMENTED AT BUREAU OF CUSTOMS

2018 target but the end result was still in the negative area of around 6.38 per cent, and surely not acceptable to the Bureau of Customs.

On analyzing other Ports, the same problems do not arise, in fact some Ports achieve over target performances for both periods, even for 2019 they are reporting double digit percent over-achievements.

The cause of the problem can be many areas, such as, misdeclaration of goods, undervalue of goods or even contraband. It is very important for Bureau of Customs to solve these issues at an early stage of the year 2020, and perhaps, the introduction of Attrition Law can be part of the answer.

Remember that in the ATTRITION LAW states that negative 7.5 percent or more deficit, the persons or assigned collector its district in Bureau of Customs is liable for dismissal? In other words the penalty is DISMISSAL FROM THE SERVICE. Am I right Coll. Talusan and Ilagan?

No truth in rumors – just FAKE NEWS

Spreading rumors that BOC Commissioner, Rey Leonardo B. Guerrero had left his position were completely denied and should be treated as fake news.

The position of the Commissioner at BOC is a difficult one, and to achieve performance targets you must have the right tools to work with to achieve that target.

Just at the end of 2019, a new working tool was formed, namely; Multi Sectoral Governing Council (MSGC), an external advisory group consisting of professionals whom have different business experiences chaired by Commissioner Leonardo B. Guerrero. They shall discuss future co-operation towards the compliance stage of the PGS pathway.

All group members are able to address any issues direct to the commissioner at any time. The end objective is for BOC to achieve its target of performance for the year 2020 and onwards.

It is expected that with Commissioner Rey Leonardo B Guerrero's real determination to succeed with the assistance of BOC Officials, and the new MSGC will shed new light on the BOC performance target.

To have success, the other important part is that all ports must remain steadfast in implementing border security measures and follow the directives of the Commissioner Rey Leonardo B Guerrero to all ports to be extra vigilant in the entry of illegal goods into the country.

US –v-Iran Conflict kills Iranian Terrorist, Qassem Soleimani

Signs of de-escalation again after Iran strikes US targets in Iraq, but friction prevails Whether this is temporary or not, we can only wait and see. The killing of the terrorist, Soleimani by US drone strike was assisted by informants from Iraq and Syria

US President, Trump claims the terrorist, Qassem Soleimani was planning to blow-up four US Embassies before he was killed in the drone strike. Iran warns of dangerous response if US attacks again. Tensions remain high as US, Iran pull back from brink of war.

A tragic event was the crash of an Ukraine commercial flight killing 176 people on board. Canadian PM, Trudeau says evidence indicate Iranian missile downed the Ukraine plane. Canada will be part of the crash investigation team.

Great Britain PM, Boris Johnson confirmed his siding with the US killing of the terrorist, Qassem Soleimani but requested US to restrain themselves from starting war with Iran

US shall impose new sanctions on Iran and will target eight Iranian officials and companies from different sectors

Lets give a big salute to our President Rody Duterte whom without hesitation ordered two battalions of troops to Iraq to assist the OFW's in repatriating back to the Philippines. The lesson here is "The leader knows their top priority – it's the people."
