Zambo Coll. Barte, Condemned P2.2 M Worth of Smuggled Cigarettes!

THE Bureau of Customs Port of Zamboanga [PoZ] under district Collector Segundo Sigmundfreud Z. Barte JR, has condemned on August 14, 2019 forty-five (45) boxes of smuggled cigarettes worth P2.2 Million.

The condemned goods were seized by the joint operation headed by District Coll. Jun Barte in coordination with the BOC Customs Intelligence and Investigation Service (CIIS), the Enforcement and Security Service (ESS) and various enforcement agencies. This is part of the Bureau's drive to crackdown counterfeit and smuggled cigarettes.

The operation stemmed from the information received that there are undetermined boxes of smuggled cigarettes of

different brands aboard MV Maria Erlinda of Montenegro Shipping Lines Inc., a passenger vessel which arrived at Jolo, Sulu.

A pre-condemnation activity was immediately conducted by Collector Barte along with the PCG Task Force Aduana, Joint Task Force Zamboanga, PPA Port Police, ESS, CIIS and other BOC personnel. Collector Barte encouraged civilians to report smuggling operations in order to help intensify the anti-smuggling campaign of the Bureau of Customs.

The said apprehension was the second operation for this month. Last August 5, 2019 a similar confiscation occurred when more than 2,000 reams of smuggled cigarettes were seized on board MB Aljin by BOC.

The Bureau has remained consistent in its efforts to rid the country of faked and smuggled goods in order to protect our local and legitimate businesses as well as to protect the public from the health risks that these illegal goods may cause. C O N G R A T U L A T I O N S!

BOC-IG Launches "8484" Text Hotline!

IN its fight to rid the Bureau of Customs (BOC) of corrupt officials and employees, the BOC Intelligence Group (IG) has recently launched "8484," a special text hotline number.

The said text hotline will allow the public to directly report any BOC official or employee of their irregular transactions as well as Brokers/Importers/Fixers and other entities involved in smuggling, bribery, illegal drugs and other illegal activities.

By sending a text message to 8484 with the complete details of who, what, when, where, why and how (5Ws and 1H), citizens who transact with the BOC can send all suspected corruption-related incidents and be assured that their reports are handled with utmost confidentiality and processed immediately.

This special reporting hotline system was established for the public in order to voice their complaints without fear of retaliation and most importantly, to help the bureau get rid of corrupt practices from among its ranks. The 8484 hotline, in cooperation with a third-party provider, is initially available for Globe-TM users 24/7.

Earlier, Customs Commissioner Rey Leonardo B. Guerrero directed all District Collectors to check their subordinates and make sure that they do their jobs properly. "Set a good example for them to follow - do not commit graft and corruption," Com. Guerrero added. Paktya na kayo....Abangan.

BOC Creates a Unit to Monitor the Entry of Hazardous Wastes!

IN order to address the unlawful entry of hazardous and other form of wastes from other countries, the Bureau of Customs (BOC) under the stewardship of Commissioner Rey Leonardo B. Guerrero has established the Environmental Protection and Compliance Division (EPCD).

Commissioner Rey Leonardo B. Guerrero issued Customs Memorandum Order (CMO) No. 38-2019, institutionalizing EPCD, a permanent and specialized unit tasked to monitor and control the entry of hazardous substances and other wastes into the country.

The EPCD, which is under the Enforcement and Security Service (ESS) of the Enforcement Group (EG) shall monitor the processing of shipments of hazardous substances, waste products, nuclear wastes, recyclable products or substances under the regulatory control of the Department of Environment and Natural Resources (DENR).

The division shall recommend the issuance of alert orders and pre-lodgement control orders against shipments suspected of containing goods in violations of the Customs Modernization and Tariff Act (CMTA) and environmental laws.

It is also tasked to investigate cases and to make recommendations for prosecution of violations of CMTA, in relation to environmental and other applicable laws, rules and regulations. The Bureau of Customs, being one of the regulatory agencies, is mandated to assist the DENR in monitoring and preventing the entry of hazardous and nuclear wastes into the country in compliance with Republic Act 6969 or the Toxic Substances and Hazardous and Nuclear Wastes Control [TSHNWC] Act of 1999.

SOLIDO AGILA NG BULACAN GENERAL ASSEMBLY TAGUMPAY!!!

Mga katoto, nitong Agosto 11, 2019 tagumpay na ginanap ang unang malawakang pulong o general assembly ng SOLIDO AGILA NG BULACAN, kung saan naganap sa Malolos Sport and Convention Center (MSCC) sa Malolos City.

Ang naturang pagpupulong ay dinaluhan ng humigit kumulang sa 500 kasapi, kung saan makaraang pagbukod-bukurin ang apat na distrito ng Lalawigan ng Bulacan ay pinili ang mga District at Assistant Coordinator, kung saan nahirang na District Coordinator ng Bustos Bulacan si Lourdes Ramos at Asst. District Coordinator ay si Lorna Santos, kabilang na ang masipag at walang kupas sa kakaplas ng kamera ng celular phone na si Insan Conrado Natividad. Nagkaroon din ng pamunuan ang bawat distrito ng bulacan, bago bumuo ng pangkalahatang pamunuan, kung saan ang mga pinalad na nagwagi ay sina FOUNDER/PRESIDENT: Maui Kasingsing Galman, Vice Pres: Amado Nicodemus, Sec: June Dimagiba, Treas: Sonie Caparas, Auditor: Louis Manabat, PRO: Noel Parong Cruz, at ang SGT at Arms: Rogelio Carlos.

Sadyang napakagandang layunin ang napagkaisahan ng samahan, kung saan una na rito ang boluntaryong paglilingkod sa sandal ng pangangailangan particular na kapag dumating ang malalagim na trahedy, tulad ng lindol, bagyo, at sunog na sadyang kumikitil ng maraming buhay ng tao! Gayon din ang medical and dental outreach program kabilang na ang feeding program sa mga batang malnoris na pawang mga pamilya yagit. Ito ang isa sa pangunahing dahilan ng pagkakatatag ng SOLIDO AGILA NG

MAFIA SA LOOB NG PHILHEALTH

ABA eh dapat po lamang na managot sa batas ang lahat ng may kinalaman sa korapsyon sa loob ng ahensiya ng PhilHealth na sinasabing bilyon-bilyong pondo ng ahensiya ang nakurakot sa pamamagitan ng "fraudulent claims".

Iginiit ni Senator Christopher Lawrence "Bong" Go na siyang chairman ng Senate on Health na kakasuhan ang mga opisyal ng PhilHealth na sangkot sa pagnanakaw pagkat wala daw puwang ang korapsyon sa administrasyon ng Pangulong Rodrigo Duterte.

"Hindi po ako papayag na hindi managot ang mga dapat managot. Kahit sa huling sentimo na pera ng gobyerno ay dapat wala pong masayang dahil iyan ay mula sa kontribusyon ng taumbayan" ayon kay Go.

Sinagot din ng senador ang patutsada ng ilang oposisyon senators na hindi kayang parusahan ng adminstrasyong Duterte ang mga corrupt PhilHealth officials at aniya huwag silang magsalita ng tapos dahil baka mapahiya sila.

Magugunita po natin na una ng inamin ng mga dating opisyal ng PhilHealth na may "mafia" sa loob ng kanilang tanggapan na kasabwat umano ang mga tiwaling may-ari ng hospital at medical facilities kaya naisasagawa ang pekeng claim o refund.

At sa isinagawa pong senate inquiry nabatid na matagal na palang ginagawang 'gatasan' ng mga tiwaling healthcare facilities at mga korap na opisyal ng PhilHealth.

oOo

INAMIN po ng Malakanyang na naiinis na din sila sa paulit-ulit na ginagawa ng China na panay ang daan sa Sibutu Strait sa Tawi-Tawi ng Chinese Navy nang walang paalam sa gobyerno ng Pilipinas.

Sinabi ni Presidential Spokesman Salvador Panelo na irritant na ang ginagawa ng China na maaring paglabag sa United Nations Convention on the Law of the Sea (UNCLOS) ang ginagawang ito at di gawain ng dalawang magkaibigan ang inaasal ngayon ng China.

Ang tanong ng ating mga kababayan kaya kayang maghain ng diplomatic protest ang Pilipinas laban sa China. O hanggang sa inis na lang ang kayang gawin ng Duterte administration.

oOo

CHINESE HIHIGPITAN SA VISA

MAKARAAN ang ilang linggo matapos magpahayag ng pagkabahala ang ilang opisyal ng gobyerno sa pagdagsa sa bansa ng napakaraming Chinese national ay hinihigpitan na ng pamahalaan ang mga patakaran sa pagbibigay ng visa sa mga Chinese pagdating ng mga ito sa Pilipinas.

Sa isang pahayag na hinihigpitan na ng DOJ at ng kakabit nitong ahensiya na Bureau of Immigration(BI) ang mga patakaran sa pagpapalabas ng visa upon arrival (VUA) ayon kay Department of Justice Secretary Menardo Guevarra.

"Nais naming limitahan sa 30 araw ang maximum permissible period, i-blacklist ang mga overstaying alien tiyakin ang non-convertibility ng work visa at parusahan ang mga travel agencies na lumalabag sa mga patakaran," ayon kay Guevarra.

Ang VUA ay mayroong bisa na 30 araw pero maaaring

kabuhayan at kalusugan, dahil ito anila ay nagiiwan ng masangsang na amoy at nagiging sanhi ng ilang karamdaman. Isa pang karagdagan na suliranin ng mga nasabing taumbayan, ay ang patuloy na pagkakasira ng mga kalsada dahil sa pagdaan ng mga malalaking truck na may lamang basura, at nagiging sanhi ng problema sa daloy ng trapiko.

Tsk! Tsk! Tsk! Batay pa sa ulat, ay nanawagan ang mga apektadong residente sa ating Pangulong Duterte at sa Department of Environment and Natural Resources (DENR) na personal na puntahan at siyasin ang nasabing lugar upang makita ang idinulot nitong perwisyo sa Taumbayan. Ayaw ni Pangulong Rodrigo Duterte ng ganyan, at mas lalong ayaw ni Mayor Arthur Robes, LSJDM, na nagkaka-problema ang kanyang nasasakupan.

Sa komperensiya ng Civil Society Organizations, sinabi ni Mayor Arthur Robes, "sa lahat ng NGOs at POs, hinihikayat ko ang inyong '100% participation' na makilahok sa lahat ng gawain at proyekto ng pamahalaan para unti-unting mabago ang buhay ng mga mamamayang San Joseño."

BULACAN.

Nagsidating naman ang mga GUEST OF HONOR: Ex-Mayor: AGILA, Atty. Christian D. Natividad, Malolos City, Mayor: Engr. Bebong Gatchalian, Cong: Sander Tantoco at Councilor Ega Domingo ng Malolos City, kung saan nagpasalamat ang mga ito at nagpahayag ng kani-kaniyang mga suporta sa SOLIDO AGILA NG BULACAN, isang napagkaisahan at boluntaryong samahan ng mga bulakeno, na walang iwanan, magpakailan paman!!! Mabuhay ang Solido ng Agila ng Bulacan, Mabuhay ang mga Panauhing Pandanga!! Mabuhay tayong lahat!!!

Isang reklamo ng mga motoristang luwasumuba sa lansangan ng Bonifacio Gate patungong Bayani Street, sa Fort Bonifacio, Taguig City, kung saan ayon sa mga ito, delikadong daanan daw ang lugar dahil umano'y saksakan ng dilim sa gabi at walang traffic light, kaya wala ni katiting na liwanag ng ilaw sa naturang lugar, bagamat may menor na aksidente ng nagaganap, hahantayin paba nating humantong sa malagim na aksidente ang maganap sa naturang lugar. Tinatawagan natin ng pansin ang butihing Alkalde ng Taguig City, MMDA, at DPWH!!!

Isang panawagan ni katotong Chief CHRISTIAN MARAMBA ng MMDA Impounding Area sa Marikina City, kung saan pakiusap nito sa mga motorista na sana makaisa sa mga alituntunin ng batas trapiko ng MMDA, upang sa gayon ay hindi

mapalawig ng hanggang anim na buwan sa kasalukuyang patakaran. Ang mga turistang Chinese ay maaaring mag-aplay ng visa pagdating nila sa bansa sa halip na mag-aplay muna sa embahada at konsulado ng Pilipinas sa China.

oOo

APRUB po sa Malakanyang ang pagkakaroon ng designated communities o hubs para sa mga Chinese workers ng Philippine offshore gaming operations (POGOs).

Ito po ay dahil una na rin namang sinabi ng PAGCOR na ang hakbang na ito ay para rin sa kapakanan ng mga Chinese workers, at hindi upang hipitan ang galaw ng mga ito paliwanag ni Presidential Spokesman Salvador Panelo.

At hangga't walang karapatan ang nalalabag at nalilimitahan ay palagi nilang su-suportahan ang mga isusulong na hakbang dahil dapat lang na protektahan ng pamahalaan ang lahat ng nationals na nananatili rito sa bansa giit ng Palasyo.

Magugunita na una nang binatikos ng Chinese Embassy ang hakbang na ito dahil sa umano'y paglabag sa karapatan ng mga Chinese workers.

Sinabi ng PAGCOR na sa pamamagitan ng pananatili ng mga ito sa isang lugar ay mas magiging madali para sa gobyerno na tugunan ang kanilang mga reklamo at mas madali silang maprotektahan kontra harassment. At hindi pipigilan ang mga ito na umalis at gawin ang anomang nais nila basta't naaayon sa batas ayon sa PAGCOR.

UNIVERSAL HEALTH CARE ACT MAY PROBLEMA

HINDI pa rin po maipapatupad nang maayos ang implementasyon ng Universal Health Care Act sa susunod na taon dahil kulang pa ng P30-B ang pondo para dito.

Inamin nitong si Finance Undersecretary Karl Kendrick Chua na mayroon pa raw kasing P63B na deficit para rito at ang kanila sanang inaasahang income generator para ito ay maipapatupad ay ang buwis sa alcohol at tobacco.

Subalit ang naging problema po ay sa naaprubahang bersyon ng panukala sa Kamara ay maggenerate lamang ng nasa P32B na buwis kaya posibleng mabawasan ang coverage ng batas. Subalit umaasa pa rin ang Finance Department na makukumbinsi nila ang mga Senador na taasan pa ang sin tax sa mga susunod na taon.

oOo

KASAMA pala sa pitong items ng militar sa kanilang "wish list" na a-amiyendahan ang Human Security Act at ang pagbuhay sa anti-subversion law kaya't inamin po ng Armed Forces of the Philippines (AFP) ang kanilang buong suporta sa proposal ng gobyerno na amyendahan nga nasabing Human Security Act

Sinabi ni AFP Public Affairs Office chief Brigadier General Edgard Arevalo ang naungang proposal ni Justice Secretary Menardo Guevarra na taungalin ang P500,000 na multa kada araw ng pagditene sa isang law enforcer na maling nag-akusa ng tao bilang dawit sa terorismo.

Gusto po ng militar na pahabain ng 30 araw ang detention ng mga hinihinalang terorista mula sa kasalukuyang

Isang makabuluhang mensahe para sa kaayusan ng buhay ng bawat isang San Joseño. Heto pa ang isang makabuluhan at mabuting balita. Nagustuhan at pinasalamatan ng mga San Joseños ang ginawang 'clearing operations' ng City Traffic Management-Sidewalk Clearing Operations Group at Public Order and Safety Office sa tapat ng Our Lady of Lourdes Grotto Shrine. Kung saan naiayos ang daanan ng mga tao, at nailagay sa tamang lugar ang mga vendors, na noon ay silang nagpapasikip at problema sa daloy ng trapiko.

Tsk! Tsk! Tsk! Mabuti naman at naisaayos na ang problema sa trapiko sa naturang lugar. Nais nating pasalamatang ang maayos na pamamahala ng lokal na pamahalaan. Kung may Yorme ISKO ang Maynila, may Yorme ART din ang LSJDM. Sabi ng tintera ng kakanin, pareho din daw pogwaps, gwapo daw, hehehehe.Okay Mabuhay po kayong lahat na matitinong Opisyal at kawani ng Pamahalaan ng LSJDM. Kung may nais kayong ipalathala sa kolom ng Katropa ay narito ang ating email: billones@ralo.org. Hanggang sa muli.

magkagastos at maabala sa layo ng pagtungo sa impounding area kung kanilang tububusin ang kanilang mga sasakyan, kaya ang pakiusap ng MMDA, iwasang pumarada sa bawal na lugar partikular na kung may mga nakapaskil na TOWING AREA o BAWAL MAGPARADA,

Ganyan kabait at may ginintuang puso ang butihing Hepe ng MMDA Impounding Area na si katotong Maramba, isang totoong taong kausap, mapagkakatiwalaan at may isang salita!!! Kaya saludo kami sa iyo katotong Maramba, sana'y manatili kang karapadapat sa iyong tungkuling iniatang sa iyo ng MMDA. Kaya binabati kita katotong Maramba sampu ng iyong mga tauhan sa impounding area. Tinatawagan natin ng pansin si MMDA Manager JOJO GARCIA, Chairman (AFP Gen Ret) Danilo Lim

At dapat lamang ay maharap daw sa habambuhay na pagkakakulong ang mga mapapatunayang terorista nang walang parole o di kaya naman ay patawan ng death penalty kung bubuhayin ito kesa ikulong ng 40 taon ayon sa AFP. Aprub sa militar ang proposed reinstatement sa anti-subversion law dahil umano sa recruitment sa mga kabataan para sumali sa mga komunista.

POGO OULETS SECURITY THREAT

ITINUTURING pala na security threat ng Minorya ng Kamara ang pagdami o paglipana ng Philippine Offshore Gaming Operations (POGO) outlets sa bansa.

Dahil sa pangyayaring ito ay gusto po itong paimbestigahan ng minorya ang paglipana ng POGO outlets ayon kay House Minority Leader Bienvenido Abante Jr. pagkat itinuturing niya itong security threat.

Aba akalain ninyo mayroon palang 51 outlet ng POGO ang matatagpuan sa Metro Manila pa lamang at ang nakakatuwa po ay kung saan ilan rito ay malapit pa sa kampo ng mga militar. Ayon sa mambabatas dapat daw na malaman kung nagkaroon ng kapabayanan ang Bases Conversion and Development Authority(BCDA) kung kaya tila nawalan ng limitasyon ang pagsulpot ng mga ito.

At dahil sa ilang outlets ng POGO ay nagkakaroon pa lalo ng kurapsyon, dumadami ang illegal foreign workers at hindi nababayaran ng wasto ang buwis. Ipinaliwanag ni Abante na hindi naman ito kinakailangan ng Pilipinas dahil kung tutuusin ay problema lamang ito.

oOo

ANG pinaka-madaming turista pala na dumating sa ating bansa ay mula sa South Korea na sinundan ng China, United States, Japan at Taiwan.

Pagmamalaki po ng Department of Tourism (DOT) ay nasa 4,133,050 foreign tourist ang dumating sa Pilipinas ngayong taon na ang ibig sabihin ay dumami po ang bilang ng dayuhang turista na bumisita sa bansa sa unang anim na buwan ng 2019.

Sinabi nitong si Tourism Secretary Bernadette Romulo-Puyat, ito ay pasok sa target ng pamahalaan na 4 million tourist arrivals na ito po ay mas mataas sa naitalang 3.7 milyon record noong 2018 para sa parehong panahon.

Ang paniwala ni Puyat kaya tumaas ang foreign tourist arrival ay nakatulong rito ang mga bagong ayos at pinalawak na paliparan sa bansa at ang kanilang inilabas na promosyon sa mga hindi pa gaanong kilalang tourist destination.

Sexy Character Traits of Happy People

In an era of public booty-bouncing and other ubiquitous in-your-face expressions of sensuality, it's about time we had a new standard of sexy. Real sexiness is so much more than physical shape and form. It's more than style and wardrobe, attitude and visible swag. And it's certainly more than the lopsided exposed skin to covered skin ratio depicted on today's popular media channels.

We are increasingly in desperate need of a more enduring standard, one that includes more than face and body – one that includes the shape and form of internal qualities, those that add joy and passion to life, those of heart, mind and soul.

It's time to realize sexiness is more a state of mind – a collected, mindful state of being.

The Up-Close-and-Personal Principle: Have you ever seen someone across a crowded room you were immediately attracted to, approached them and got to know the person up close and personal, and then couldn't remember for the life of you how you ever found them attractive?

On the other hand, have you met someone who had no particular appeal at first glance, and then after getting to know them you suddenly discovered pure sexiness oozing from their pores?

Deep, moving sexiness is more than mere physicality and more than swaying hips and pouty lips. It's more than broad shoulders and six pack abs. The most enduring form of sexiness is the most endearing trait and the clearest mirror of the human soul: happiness.

It's time we elevate happiness to its proper place in the sexiness pantheon by learning and applying these three

character traits of happiness (and therefore sexiness):

1. Consistent Self-Responsibility. Have you ever met a happy person who regularly avoids responsibility, blames and points fingers and makes excuses for their unsatisfying lives? Me either. Happy people accept responsibility for how their lives unfold. They believe their own happiness is a byproduct of their own thinking, beliefs, attitudes, character and behavior.

And just as happy people never blame others, external circumstances or the universe for what is or isn't a part of their lives, sexy people don't either. Just think about the epitome of the unsexy: A whiny, sniveling, accusing, blaming, irresponsible victim of life. Not happy. Not sexy.

2. True (and Humble) Self-Confidence. Happiness requires a degree of confidence that allows us to believe we have value, that we are worthy of love and friendship and success. Happy people have faith in themselves and in their ability to develop the skills and qualities needed to become highly competent at living life well.

Keep in mind, though, that it's not the pseudo-confidence that hides insecurities under cocky exteriors that shout their accomplishments and exaggerate their strengths and experiences. It's a humble self-acceptance and self-love that genuinely feels comfortable in their own skin. Not much is sexier than someone who humbly exudes self-confidence.

3. Self-Acceptance. Happy people are authentic. They are real and know who they are and what they like. They are in touch with their feelings and spend time learning and growing and developing. Self-accepting people may forgive themselves of their own shortcomings, but they don't excuse them.

They look their weaknesses square in the eye, accept them as they are, then go to work growing and improving and transforming them into strengths. Self-acceptance is never used as an excuse for stagnation or laziness or apathy by the truly self-accepting.

Someone with that kind of inner calm, self-awareness and forward momentum is almost universally considered sexy and attractive to others.

PHP1.4 TRILLION LOST IN CORRUPTION IN 2 YEARS?

The Office of the Ombudsman disclosed this week that the Filipino people lost more than Php1.4 TRILLION in graft and corruption in this past two years. Meaning during the time of President Rodrigo Roa Duterte as he assumed in June 30, 2016.

The supposed centerpiece program of PRRD is to fight illegal drugs and graft and corruption. And why is this happening.....does our President do not have the "TEETH" to impose of his centerpiece program?

According to the Presidential Anti-Graft and Corruption Commission(PAGCC),the top four agencies in government,who are "corrupt" are the Bureau of Customs(BOC),the Bureau of Internal Revenue(BIR),the Department of Public Works and Highways(DPWH) and the Department of Environment and Natural Resources(DENR).

In my almost 25 years with the media industry and covers these agencies.....indeed.....they were the same, this corner usually writes?.

PORTWATCH.....thought that CHANGE HAS COME? Yes, there were changes but not the system..... the figures/statistics has changed from millions and now to TRILLIONS.

PRRD's anti illegal drugs campaign too has its changes.....and this even came from his mouth. "Before these illegal drugs enter the country...in millions of pesos.....but now it has reached to billions," Duterte admitted. PORTWATCH fears that in the next generations to come, our grandchildren would be blamed for what has happened to them.

Its not only we lost Php1.4 Trillion in graft and corruption but "we sold our country to the Peoples Republic of China(PROC),who will have started invading us and in the long run,,,,,we will be called the PROVINCE OF CHINA.

INFRA PROJECTS HAS MONEY COMPARED TO THE SENIOR CITIZENS

In Cebu City, the administration of Mayor Ed (EDLAB) Labella seems to be prioritizing infrastructure projects than that of the Senior Citizens(SCs) financial assistance.

In a very recent statement,he said that he is to endorse the Php80 billion Cebu Rail Project(CRP) which will be undertaken by Udena Corporation owned by Presidential closed friend and financier Dennis Uy.

Labella asked the SCs their "PATIENCE" as the city government have to pass the Supplemental Budget No. 2 of Php2.5 billion, so as to fund the SCs financial assistance.

In the SCs city ordinance it is mandated that every month,the more than 75,000 SCs have to receive Php1,000 and this has been a practice during the time of former Mayor Tommy Osmena. Labella said Php455 million has been allotted for the SCs from July to December this year.

PORTWATCH has been receiving a lot of queries daily among SCs on when they are to receive the assistance. Unfortunately, this corner cant answer them as Labella has selected only some media allies for him to be interviewed about it. My replies to these SCs....."Mag-ampo lang ta!".(LET'S PRAY).

AS PORTWATCH LOOKED AT IT..... INFRASTRUCTURE PROJECTS HAVE MONEY AND THERE

ARE "NO PROFITS" WITH THE SENIOR CITIZENS?. HEHEHE AND REMEMBER.....THAT'S POLITICAL REALITY.....YOU SPEND MILLIONS OR BILLIONS....AND WITH GRATITUDEPOLITICIANS HAVE TO PAYBACK!. SA INFRA PROJECTS.....MAY PERA.....SA SENIOR CITIZENS.....WALAPERA? HEHEHE.

Nasabat ng Bureau of Customs Port of Zamboanga noong ang apatnapu't lima (45) kahon ng smuggled na sigarilyo na nagkakahalaga ng P2.2 Milyon. Ang mga nahuling mga smuggled na sigarilyo ay naharang sa isinagawang operasyon na pinamumunuan ni Zamboanga District Collector Sigundo Sigmundfreud Z. Barte sa koordinasyon ng BOC Customs Intelligence and Investigation Service (CIIS), Enforcement and Security Service (ESS) at iba pang ahensya ng pagpapatupad.

Ang operasyon na nagmula sa impormasyong natanggap na mayroong mga kahon ng smuggled na sigarilyo ng iba't ibang mga tatak na nakasakay sa MV Maria Erlinda ng Montenegro Shipping Lines Inc., isang sasakyang pampasahero na dumating sa Jolo, Sulu.

Isang aktibidad na pre-penalty ang isinagawa agad ni Collector Barte kasama ang PCG Task Force Aduana, Joint Task Force Zamboanga, PPA Port Police, ESS, CIIS at iba pang mga tauhan ng BOC.

Hinikayat ni Collector Barte ang mga sibilyan na magulat ng mga operasyon sa smuggling upang makatulong na paigtingin ang anti-smuggling campaign ng Bureau of Customs.

Ang pangalawang operasyon para sa buwan na ito ay noong nakaraang Agosto 5, 2019 isang katulad na pagkumpiska ang nangyari nang mahigit sa 2,000 reams ng smuggled na sigarilyo ang nasabat ng boc na naka consign kay Al Aljin

BOC-INTELLIGENCE GROUP INILUNSA ANG 8484 TEXT HOTLINE

Sa paglaban nito upang maalis ang mga tiwaling opisyal at empleyado, ng BOC Intelligence Group ay naglunsad ng "8484," isang espesyal na numero 8485 text hotline

Pinahihintulutan ng nasabing text hotline ang publiko na direktang mag-ulat sa sinumang opisyal ng BOC o empleyado ng kanilang iregular na mga transaksyon pati na rin ang mga Broker / Importers / Fixers at iba pang mga sangkot sa smuggling, suhol, ilegal na droga at iba pang ilegal na aktibidad.

Sa pamamagitan ng pagpapadala ng isang text message sa 8484 na may kumpletong detalye kung sino, ano, kailan, kung saan, bakit at paano ang mga mamamayan na nakikipag-transaksyon sa BOC ay maaaring magpadala ng lahat ng mga pinaghihinalaang insidente na may kinalaman sa katiwalian na ang kanilang mga ulat ay hawakan ng lubos at agad itong mapoproseso

Ang sistema ng pag-uulat ay itinatag para sa publiko upang maipahayag ang kanilang mga reklamo nang walang takot sa paghihiganti at pinaka-mahalaga, upang matulungan ang bureau na mapupukso ang mga tiwaling nakasanayan

Ang 8484 text hotline, sa pakikipagtulungan sa isang third-party provider, ay unang magagamit para sa mga gumagamit ng Globe-TM 24/7.

Nauna rito, inatasan ni Customs Commissioner Rey Leonardo B. Guerrero ang lahat ng mga Distributor ng Distrito na suriin ang kanilang mga subordinates at tiyaking ginagawa nila nang maayos ang kanilang mga trabaho.

Sabi pa ni guerrero na magtatakdang isang magandang halimbawa para sa kanila na sundin na huwag gumawa ng graft at corruption sa bureau of Custom.

DEPLOYMENT NG OVERSEAS FILIPINO WORKERS SA HONGKONG NORMAL NA -- AYON SA DOLE

Patuloy pa rin ang pagde-deploy ng mga manggagawa sa Hong Kong sa kabila ng mga protesta at kaguluhang nagaganap sa nasabing lugar.

P2.2 MILYON HALAGA NG SMUGGLED CIGARETTES NASABAT NG BOC SA ZAMBOANGA

Sinabi ni Labor Secretary Silvestre H. Bello III na wala pang natatanggap ang labor department na rekomendasyon mula sa Department of Foreign Affairs (DFA) na ang kondisyon doon ay nangangailangan ng temporary deployment ban, habang patuloy namang binabantayan ng Philippine Overseas Labor Office (POLO) ang sitwasyon.

Hindi pa itinataas ng DFA ang alert level sa Hong Kong. Naghihintay pa kami ng kanilang rekomendasyon bago kami gumawa ng aksiyon o pansamantalang isuspinde ang pagdedeploy ng ating mga OFW sa Hong Kong," pahayag ni Bello sa ginanap na media forum sa Malate, Manila. Kanya ring inatasan ang labor official sa Hong Kong na magbigay ng periodic report sa sitwasyon at kung lumala ang kaguluhan.

Gayunpaman, pinayuhan ng kalihim ang mga OFW na manatili sa loob ng kanilang pinagtrabahuhan at iwasan ang mga lugar kung saan nagaganap ang protesta at kaguluhan.

Hinihimok namin ang ating mga household service workers sa Hong Kong na pansamantalang mamalagi sa kanilang pinagtrabahuhan at iwasan ang mga kalsada kung saan nagaganap ang protesta. Mahigpit naming binabantayan ang sitwasyon," ani Bello.

Kanya ring pinayuhan ang mga migranteng Pilipino sa nasabing bansa na huwag magsuot ng puti o itim na t-shirt habang nasa kalsada upang hindi sila mapagkamalan na kasama sa mga nagpoprotesta at maiwasan ang anumang hindi magandang insidente.

MALAWAKANG CLEAN-UP DRIVE KONTRA DENGUE, ISINULONG NI TANAUAN CITY MAYOR ANGELINE SWEET HALILI

Sa isinagawang "joint meeting" ng City Disaster Risk Reduction Management Council at Local Health Board agad na naglabas ng direktiba si Mayor Mary Angeline "Sweet" Halili na magsagawa ng isang malawakang paglilinis ng kapaligiran sa buong 48 barangay ng lungsod upang mapigilan ang paglaganap ng sakit na dengue na idineklara ng "National Epidemic" ng Department of Health

Sa naturang direktiba, agad na inatasan ni Mayor Halili ang mga kapitan ng barangay na manguna at pamahalaan ang "clean-up drive" na isasagawa sa kanilang mga nasasakupan gayundin ang paghimok sa kanilang mga kabarangay na makiisa sa programa lalo pa at ang naitalang pinakamaraming kaso sa lungsod ng tinatamaan ng nasabing sakit ay nasa edad 1-10 taong gulang.

Ang mahigpit na utos namang ito ang agad na tinugunan ng mga opisyal ng barangay kung saan kaisa ang barangay health workers, tanod, mga miyembro ng TODA at iba pang "volunteers" ay naisagawa rin ang "search and destroy" vs. dengue activity ng DOH na naghahanap at naglilinis ng mga lugar na tinitigilan ng malinis na tubig na binabahayan ng mga lamok tulad mga baradong kanal, lumang gulong, mga bote na walang takip, plorera at iba pa

Samantala, naging sentro naman ng isinagawang pagpupulong ang pagdedetalye ni Dr. Adel S. Bautista, City Health Officer, ng mga naging inisyatiba ng pamahalaang lungsod sa pamamagitan ng kanilang tanggapan at mga regular na aktibidad kontra dengue. Kabilan na rito ang pagsasagawa ng "proactive surveillance," 4s implementation at fumigation, pagsasagawa ng advocacy at health education sa komunidad hinggil sa prebensyon at pagkontrol ng nabanggit na nakababahalang sakit, distribution ng treated-nets sa mga pampublikong paaralan, at "larval survey" sa ilang lugar.

Mungkahi naman ni Dr. Florentino Afafe, miyembro ng LHB ng lungsod, na ang pagpapaabot ng wastong kaalaman hinggil sa kung paano mapigilan ang paglaganap ng sakit na "dengue" ang maituturing na mabisang paraan upang mabawasan ang mga naitatang kaso kaugnay nito sa lungsod.

Bahagi rin ng kanyang mga naging suhestiyon ang pagpapalabas ng kaukulang "memorandum" ng Department of Education Tanauan City Division na nagpapahintulot sa mga estudyante ng mga paaralan na pansamantalang hindi muna mag-uniporme at sa halip ay magsuot ng pants at "long socks" ngayong tag-ulan kung saan kalimitang umaatake ang mga lamok

na may dalang "dengue-virus.

BUREAU OF IMMIGRATION INTERCEPTS KOREAN FUGITIVE AT NINOY AQUINO INTERNATIONAL AIRPORT

Bureau of Immigration (BI) agents at the Ninoy Aquino International Airport (NAIA) have arrested a Korean wanted for fraud in his country.

BI port operations division chief Grifon Medina identified the fugitive as 38-year-old Jang Hongsuk who was intercepted at the NAIA 3 terminal last Aug. 9 as he was about to board an Air Asia flight to Seoul.

He seemed to not know that he was already in our alert list of wanted foreign fugitives when he booked his flight," Medina said, adding that the passenger is presently detained at the BI Detention Center in Camp Bagong Diwa, Taguig City.

He will be deported after the BI board of commissioners issues the order for his summary deportation.

According to Atty. Rommel Tacorda, BI-NAIA border control and intelligence unit chief, Jang was included in the BI's passenger alert list after the Korean embassy informed the bureau about his presence in the country.

Tacorda said Jang arrived in the country last Feb. 10, nearly six months after he committed his alleged crimes in Korea. It was only last month, however, that the Interpol issued a red notice on the fugitive.

Seoul authorities alleged that sometime in August last year, Jang conspired with other suspects in defrauding three victims of more than 8.2 million won or more than \$US6,700.

Jang allegedly introduced himself to the victims as a financial investment advisor, and enticed them to withdraw and transfer money to the bank accounts of the fraudsters.

HINDI MATAWARAN ANG TANDEM NI MICP COLL. FRANCIA, AT CIIS HEAD ALVIN ENCISO

HUNTER

Dr. Bernie R. Anabo Jr.

THE Customs Intelligence and Investigation Service or CIIS, is responsible for surveillance, apprehension, and investigation in cases involving violations of customs and tariff laws and regulations. At ito'y mabuting naiimplementa ni Manila International Container Port CIIS Head Alvin Enciso. Isa kang asset ng BOC! Idol, ika nga nila!

Sinamahan pa ni MICP District Collector Francia, na may angking galing sa pamamahala. Kaya naman, hindi makalusot sa kanilang radar ang mga kontrabando, at ismaglers na gustong isahan ang gobyerno. Bitag kayo sa tandem ng magiging na kawani. Mabuhay!

Ika nga pa nila, hindi matawaran ang samahan nina Coll. Francia at CIIS Head Enciso, sapagkat sa taas ng antas ng kanilang intelikal, at lawak ng kanilang intel. Dispalenghado ang mga ismaglers, kung kaya't hindi makalusot sa kanila ang mga kontrabando. Saludo po ako sa inyo Coll. Francia at CIIS Head Enciso.

Patunay lamang rito ang sunod-sunod na pagkakahahuli ng mga agricultural products na nagkakahalaga ng 24 milyon mula sa China. Kaya naman tuwang-tuwa ang mga lokal na magsasaka. Dapat ngang bigyan ng parangal ang tandem nina Coll. Francia at CIIS Head Enciso. Walang kokontra.

Saan mang mapunta na DISTRICT of Bureau of Customs si CIIS Head Alvin Enciso, nagpapamalas ito ng galing. Sa katunayan sa ating nakalap na impormasyon ukol sa pagkatao nito. Tinagurian itong MAN OF ACTION.

Isang masuwerteng maituturing sa larangan ng PAGTITIKTIK si CIIS Head Enciso, dahil determinado at performance level ito sa kanyang tungkulin. Kaya naman, masuwerte rin si Coll. Francia na ka tandem niya ito.

Dangan lamang na maging alerto pa rin sapagkat ang mga ismaglers ay gagawa ng paraan, upang makalusot sa inyong PUWERTO na pinaglilingkuran. Gayunman, confident ang inyong lingkod sa inyong angking galing at antas ng ka-alaman sa larangan ng INVESTIGATION.

Kaya ang masasabi ko lang CONGRATZ and JOB WELL DONE Coll. Francia and CIIS Head Alvin Enciso. Ipagpatuloy niyo lang po ang inyong ginagawa, tiyak na magkakaroon kayo ng REWARD na magiging pamantayan ng ibang mga kawani, para kayo ay tularan. Muli congratz.

Samantala, nais ko lang magbigay ng isang impormasyon kay Coll. Francia, at CIIS Head Alvin Enciso, na talasan ang paniniktik, dahil meron pa ring sumusubok na magpasok ng mga ipinagbabawal na gamut. Imbestigahan niyo po. Baka malusotan po tayu.

OPISYAL NG CUSTOMS NA AMBUSH SA MAKATI

Anong dahilan, kung bakit nitong Biyernes ay pinaulanan ng bala sa loob ng sasakyan ang mga opisyal ng Bureau of Customs at ang dalawa rito ay sugatan? Hindi

kaya may kinalaman sa kanilang trabaho? At may mga nasagasaan silang mga ismaglers? Well, dapat imbestigahan.

Ang mga biktima na kawani ng BOC ay sina Maricon Manalo, at Marietta Lasac, na magkapatid. Masuwerte naman na hindi tinamaan ang isa pa nilang kasama sa kotse. Marami naman ang nagtatanong bakit, at sino?

Ayon sa report, makikita sa CCTV, na bumabaybay sa Victoria Street sa Barangay Magallanes ang mga biktima nang biglang tumigil ang kotse sa harapan nila.

Kitang-kita na bumaba ang 4 na lalaki at saka pinalibutan ang kotse ng mga biktima. Pilit na binubuksan ang kotse at sinubukan pang basagin ng isa sa kanila ang giid ng sasakyan.

Pumasok ulit sa kanilang sasakyan ang mga salarin at doon na pinaputukan ng baril ang sasakyan ng mga biktima.

Agad namang nakaatras ang mga biktima, dahilan para lubayan sila ang gunmen. Mabuti na lang kamo at naging alerto ang kanilang driver, dahilan para sila ay mapalayo sa kapahamakan.

Stable na ang kondisyon ng mga biktima habang nagpapatuloy pa ang imbestigasyon sa krimen. At inaasahan ng lahat na magkaroon ng linaw sa nasabing pananambang. Hindi pa malinaw ang motibo sa krimen pero posible umanong pandurukot o pagnanakaw.

Sa isang pahayag, kinondena ng BOC ang pag-atake sa kanilang empleyado. Inatasan na ni Customs commissioner Rey Leonardo Guerrero ang Customs Intelligence and Investigation Service para tulungang mapanagot ang mga salarin.

CONDO NI KUHOL SA BGC, 30 MILYON?

MAGANDA ang ginagawa ngayon ni Presidential Anti-Corruption Commission, Commissioner Greco Belgica na ipapa life style check niya ang ilang mga opisyal ng gobyerno, at ilang mga Cabinet Members ni Pangulong Digong.

Ang akin lang naman, kung mag lifestyle check ka. Bakit hindi mo unahin ang mga opisyal ng Bureau of Customs. Nariyan si Sherex a.k.a. Darna, Kuhol, Atty. Loid, at iba pang opisyal na nagtatamasa umano ng salapi mula sa korupsiyon.

Ano itong balita ko na si Kuhol ay meron condo sa BGC, Taguig na nagkakahalaga ng 30 Milyon. Wow! 30 Milyon? Saan niya kinuha iyon. Maari bang tingnan ang Statement of Assets and Net worth ni Kuhol? Nakakapagtaka ang kanyang yaman. Ambot!

Hindi kaya ito'y katas ng kanyang mga pagpapaluset ng mga kontrabando? Ano kaya itong nakuha kong impormasyon, kung saan man siya mapunta na distrito ng Customs ay nagkakaroon ng sunog? Meron bang gustong pagtakpan. O sadyang kambal niya ang apoy? Nagtatanong lang.

Wala namang batas na nagsasabing kapag magtanong ka ay makakasuhan ka ng Libel, o anumang paglabag sa batas? Tama po ba ako Atty. Mongo, lawyer of smugglers? Ha ha ha! Huwag kokontra. Dahil ikaw daw taga gawa ng mga pleadings! Haruy!

Balita ko, ang amo mo na si Sherex, at Kuhol ay may kinalaman sa mga palusot diyan sa BOC. Haitz! Hindi na kayo na-awa. Sabagay sponsor niyo daw ang mga ismaglers para kayo ay makapwesto? Gaano po i to katotoo? Muli nagtatanong lang! Ambot sa kambing na may bangs!

DOH Caraga Inutile vs Dengue, One Died caused by Deworming

BUTUAN CITY - Dengue cases in Caraga region increases said the Department of Health – Caraga, it intensified the 4S campaign in the different provinces of the region. Data released by DOH-Caraga as of July 22, 2019 shows more than 6,000 dengue cases recorded in the region, higher compared to last year's figure of only 2,300 which very alarming already.

This is very high compared to last year's cases of 2,300, but questionably, with the new graph, DOH still considered it below the alert level," said Regional Director Dr. Jose Llacuna Jr. Computation shows a 260.86% increase of Dengue cases in Caraga, yet, DOH Caraga was not yet alarmed.

The health department also reminded the different barangays to continuously perform the 4S campaign to prevent the spread of dengue disease. These are: search and destroy; self-protection measures; seek early consultation; and say no to indiscriminate fogging.

The DOH Caraga also recognized the effort of the local government units in the region for their constant implementation of the health programs to the public.

The public asked why fogging is not the first line of defense of killing mosquitoes and ultimately stopped Dengue when it should be the best. Fogging should be an act of war against mosquitoes or the best prevention rather than cure to totally

eliminate mosquitoes instead of allowing them to multiply. The public now thinks of a possible conspiracy between hospitals and governments inutile moves to fight the killer mosquitoes when it can simply be done by a discriminate fogging.

Likewise, it also monitors the number of cases on measles and ensures the conduct of school-based immunization including deworming in the provinces of Caraga region.

The official added that they are coordinating with the Department of Education to ensure the provision of immunization to school-age children by September, this year.

Last week, DOH launched the school-based immunization and deworming in coordination with the Department of Education to immunize all our school age children. That by September 30 as emphasized by the health secretary, at least 95 percent of the students will be immunized against measles and dewormed.

It was also known that during the conduct of school based Deworming in Gigaquit, Surigao del Norte, last week, six (6) pupils were hospitalized due to Albendazol tablet taken by them administered by DOH while one died. Investigation of the incident now was elevated on higher level after the conduct of autopsy to find out the real cause of death.

This another incident of death due to deworming would

add panic to parents to disallow their children to be another victim of DOH program, although, DepEd officials in the region was silent and refuse to give comments, but, it seems that they can no longer allow their pupils to be a specimen of DOH experiments. Jun Datwin-Caraga Mass Media.
