**S**a talumpati ni Immigrator Commissioner JAIME H.MORENTE napakaraming makabuluhang mga nagawa na itinampok sa ika-79 na anibersaryo ng founding ng Bureau of Immigration, kasama na ang pagkahuli ng maraming mataas na profile na mga fugitives na dayuhan, mga panginoon na gamot, mga dayuhang terorista at mga nagkasala sa sex.

Sinabi ni Immigration Commissioner Jaime H. Morente, ang mga nagawa ng bureau ay hindi magiging posible nang walang kooperasyon ng mga dayuhang kontra at iba pang ahensya ng pagpapapatupad ng batas.

Ang mas malakas na mga hakbang sa seguridad ng bureau ay mahalaga sa paghawak ng pag-agos ng mga bisita at mamumuhunan, at lumampas sa 6.5 milyong mga bisita sa 2018," aniya, na binanggit na sa unang semestre ng 2019 lamang, mayroon nang 4.4 milyong mga bisita sa bansa. Sinabi niya na ang BI ay handa na ngayon sa pagdating ng higit sa 20,000 mga atleta, media, mga opisyal ng teknikal at mga bisita ngayong darating na Nobyembre dahil ang Pilipinas ang maghahatid sa ika-30 Timog Silangang Asya.

Sabi ni Morente hindi lamang nito susubukan ang ating kapasidad sa pagpapatakbo sa harap ng mga bilang, ngunit susubukan din ang interoperability ng mga sistema ng ASEAN sa ilalim ng bandila ng koneksyon ng ASEAN 2025."

Nanawagan din ang komisyoner sa lahat ng mga opisyal ng BI at tauhan na gawin ang kanilang gawain sa pamamagitan ng paghahatid ng kahusayan at propesyonal na serbisyo sa publiko.

Sa ilalim ng tema, "Pamamahala ng seguridad sa hangganan sa pagkakaiba-iba ng kultura," sinabi ni Morente na bilang frontline anv ahensya, ang pangunahing tungkulin nito na matiyak ang hangganan ng bansa mula sa mga hindi kanais-nais na mga dayuhan at pigilan sila mula sa paggawa ng mga aksyon na likha ng kaguluhan at kaguluhan sa sambayanang Pilipino.

### OPENING REMARK OF JAIME H.MORENTE COMMISSIONER BUREAU OF IMMIGRATION 79th FOUNDING ANNIVERSARY

Numerous significant accomplishments highlighted the Bureau of Immigration's 79th founding anniversary, including the apprehension of several high profile foreign fugitives, drug lords, foreign terrorists and sex offenders.

Immigration Commissioner Jaime H. Morente said the bureau's achievements would not be made possible without the cooperation of foreign counterparts and other law enforcement agencies.

The bureau's stronger security measures have been crucial in handling the influx of visitors and investors, and surpassed the 6.5 million visitors in 2018," he said, citing that in the first semester of 2019 alone, there are already 4.4 million visitors in the country.

He said the BI is now prepared for the arrival of more than 20,000 athletes, media, technical officials and visitors this coming November as the Philippines will host the 30th South East Asian Games.

It will not only test our operational capacity in the face of such numbers, but also test the interoperability of the ASEAN systems under the banner of ASEAN connectivity 2025," Morente said in his speech.

The commissioner also called on all BI officers and personnel to do their task by delivering excellence and professional service to the public.

According to Deputy Commissioner Raniel Ramiro of the BOC - Intelligence Group (IG), reports reached the Bureau that certain individuals have been duping several BOC stakeholders, claiming they are working under IG.

Initially, the report stemmed from a complaint received through 8484 text hotline against an IG personnel allegedly demanding money against consignee Moriel. With the help of the complainant, a case conference was conducted outside BOC on August 23, 2019 which was attended by the operations manager of the consignee together with the representatives from the National Bureau of Investigation [NBI], BOC and the Armed Forces of the Philippines [AFP].

Based on the report of the cooperative complainant, it was revealed that an alias JERRY, claiming to be an IG BOC collector had already collected certain amounts from consignee Moriel thru its processor on 12 August 2019 at Max Resto Harbor Mall, amounting to P21k for the release of 14 containers and on 16 August 2019 at food court Harrison Plaza, amounting to P27K for another 18 containers. The 3rd collection, supposedly was on 23 August 2019 which was reset on 02 September 2019, which led to his arrest. A certain GERARDO BUNDALIAN a.k.a. JERRY and his conduit NOEL PANGANIBAN were arrested on Monday in an entrapment operation conducted by BOC-IG together with NBI, AFP and the Philippine Coast Guard (PCG).

Undercover authorities met with the suspects at the Harrison Parking area on Monday, September 2, where the two were arrested after they accepted the P43,000 marked money.

Investigation revealed that the two suspects were not Customs employees. They were taken to NBI for a joint field investigation and were subjected to inquest proceedings. Examination of the suspects' mobile phones revealed 80 names of individuals trying to do business with the Bureau of Customs. Further investigation is being conducted by the Bureau.

It can be recalled that BOC-IG also apprehended last 20 May 2019, two bogus brokers suspected of extorting money during the joint entrapment operation of the Customs Intelligence Group (IG) and National Bureau of Investigation operatives (NBI). Also, on 12 July 2019, IG arrested two suspects allegedly involved in the unauthorized sale of seized items from BOC.

The Bureau of Customs advised the stakeholders and the customs employees to remain vigilant and report other forms of irregularities through the BOC text hotline 8484.

# ANG 'FESTIVAL' NA SUMASALAMIN SA BAWAT BUHAY NG SAN JOSENIOS

## KATROPA N'YO Vic Billones III

Niting nakaraang labas ay ating naiulat ang tungkol sa Tanglawan Festival, at para ating maunawaan ano ba talaga ang kabuluhan ng pagdiriwang ng Tanglawan? Dahil dito ay ating kinapanayam si G. Robert Ramirez Jr., 31 yo, Kasalukuyang Puno ng Kagawaran ng Turismo sa Lungsod ng San Jose Del Monte (LSJDM,) kamakailan.

Ayon kay Ramirez, "ang Tanglawan Festival ay sumasalamin sa bawat San Josenios, na nakatira dito sa San Jose Del Monte, 'because historically' po tayo po ay may 'history' na may pinakamalaking 'resettlement area' noong unang panahon po. Noong una hindi po nila makita iyung hindi maganda, para sa kanila itong lugar. Dahil kulang sa trabaho, kulang sa hanap buhay 'but then,' ngayon makikita po natin na dito po nila nakikita iyung liwanag. Iyung pag-asa, iyung tanglaw, na ngayon po ay pinapakita po natin na tayo ay matagumpay, at isa na ngayong 'rising City.' Dahil dito po natin natagpuan sa lugar na ito, iyung pagasa at iyung ganda ng buhay na ngayon ay tinatamasa nating lahat. Ang Tanglawan festival po ay nagsimula nitong nakaraang August 31, matatapos po ng September 10. 'Ongoing' po tayo ngayon iyung mga Tanglawan Festival po natin.

# BODEGA NG PAL/PSI SA NAIA PATULOY NA NAMAMAYAGPAG SA KOLEKSYON TARGET

Mga katoto sadyang matindi ang dating ng koleksyon ng bodega ng PAL/ Philippine Skylander Inc.(PSI) simula't sapul ng pamunuan ito ni katotong DAN E. OQUIAS bilang Special Collector ng PAL/PSI, kung saan hindi na dapat pagtakhan pa, dahil lahat ng hawakan nitong bodega ay laging pasado sa target collections, katulad ng dating bodega ng MIASCOR, PAIRCARGO, at DHL na pawang pinanggalingan nito.

Batid niyo ba mga katoto na may matinding sekreto itong si katotong Dan sa pagmamarket sa mga katoto nitong mga broker/consignee at maging sa mga broker representatives, iba ang karisma ni katotong Dan, matindi ang apila nito, sobrang magaling makisama, napakabit kausap, kapag kaunting diprensiya lang sa katotohanan ay mapagbigay ito upang hindi na magisip pa ang mga kliyente nito na lumipat ng bodega, ohhh, ano pa say niyo mga katoto, korek ka diyan katoto!!! hehehe!!!

Ibang dumiskarte si katotong Dan, lahat welcome sa kanyang tanggapan, ayaw nitong nag aantay ng matagal ang mga may kailangan sa kanya, lalo't matindi ang pakiusap na mapabilis ang paglalabas ng mga kargamento sa bodega nito, walang oras na inaaksaya ito, matulungan lang ang nangangailangan, kaya marahil minamahal ito ng mga kliyente, kung saan ang nagiging bunga bilang matululungin at maayos na kausap ay ang pagpapasok ng malalaking kargamento na sadyang nakakatulong sa pagtaas ng koleksyon.

Katulad nitong buwan ng Agosto, ang orihinal na target ng revenue collections ng PAL/PSI ay nasa halagang Php 761,013,000.00, subalit nahigitan ito ng halagang Php 782,261,475.22, kung saan nagkaroon ng kalamangang Php 21,248,475.22 na pasok sa 2.79% o porsyento, katulad din noong nakalipas na buwan ng Hulyo, na nahigitan din ng malaking agwat ang nakalipas na revenue collections target, kung saan maituturing na malaking adbentahe sa ibang bodega ng Bureau of Customs (BOC) sa Ninoy Aquino International Airport (NAIA).

Bagama't patuloy na namamayagpag ang PAL/PSI sa

## BALIK-KULUNGAN DUMARAMI - PNP

NUMAASA po ang pamunuan ng Philippine National Police(PNP) na bago dumating ang 15 araw na grace period na ibinigay ni Pangulong Rodrigo Duterte sa mga ex-convict na napalaya dahil sa GCTA law ay mababalik ito sa kulungan.

Hanggang sa sinusulat ito ay balita po natin ay mayroon ng 36 na mga dating bilanggo ang kusang sumuko sa PNP sa iba't-ibang panig ng bansa. Ang balita po natin sa nasabing pagsukong ito na ang pinakamarami pa rin ay mula sa PRO-2 na pumalo na sa 24 na sinundan po ng PRO-7, PRO-5, 6, PRO-4A at 4B, NCRPO, PROCOR, PRO-8 at PRO-3. Karamihan po sa nangunguna na sumuko ay yung mga presong may mga kasong may kinalaman sa pagpatay at panggagahasa na may tig 13. Humingi na rin ng tulong ang pamunuan ng PNP sa Interpol (international police) para muling maaresto itong mga presong naturan na nakalaya dahil sa GCTA Law na posibleng nasa ibang bansa na.

Nakatakdang maglalabas ang PNP ng red notice sa Interpol dahil kahit daw sa mga bansang walang extradition treaty ang Pilipinas ay maaring mahabol ang mga ito.

Kanilang ipapadaan sa pamamagitan ng red notice sa interpol dahil napatunayan nang epektibo ito kung saan marami nang wanted sa Pilipinas ang naaresto sa bansang kanilang pinagtataguan kahit walang extradition ang ating bansa.

Nabatid kay PNP Chief Oscar Albayalde na ilan sa mga bilanggo na sangkot sa mga "heinous" crimes o karumal-dumal na krimen ay posibleng nasa labas na ng ating bansa.

Prayoridad ng PNP na tugisin ang mga tinaguriang "high value targets" na kabilang sa halos 2,000 inmates na pinalaya kahit may mga mabibigat na kaso.

Hindi na isinali sa budget proposal ng Presidential Communications Operations Office ang information drive nito para sa pederalismo. Sa ipinresenta nitong proposal sa budget hearing sa Kamara, hindi na kabilang pa sa proposed P1.6Billion budget ng tanggapan ang mga programa para sa pagpapakalat nito.

Ayon kay PCOO Assistant Secretary Marie Banaag, wala na munang info drive sa federalismo sa susunod na taon. Matatandang isa ang pederalismo sa mga naging programang ibinida sa kampanya ng kasalukuyang administrasyon.

Sa kabila nito, hindi na ito natalakay sa Kongreso at hindi na rin pinamadali ni Pangulong Rodrigo Duterte.

Congrats kay MDHP Chief PMaj Greg Sanchez at sa mga tauhan nito for the job well done!!! Iba ka talagang tumarbaho katoto, you're the best!!!!

Bilibid Prisons (NBP). Naniniwala po ang marami na kung ganito ang gagawin ng ating pamahalaan sa lahat ng gustong tumestigo laban sa korapsyon sa iba't-ibang sangay ng ating gobierno ay marami pang anomalya ang mabubulgar sapagkat mabibigyan ng proteksyon ang sinumang tetestigo di po ba?

Tulad sa kaso nitong si Yolanda Camelon ang isa sa testigo sa umano'y Good Conduct Time Allowance o 'GCTA for sale' sa New Bilibid Prisons (NBP) na balitang pinag-aaralan na ngayong ilagay sa Witness Protection Program (WPP) ng pamahalaan.

Ita po ang planong gawin sa kanya dahil sa pagtestigo niya at umamin na nakipag ugnayan siya sa mga tauhan ng BuCor at pumayag na makipagbayaran para makalaya ang kanyang kinakasama. Buong-lakas loob po niyang sinabi na siya'y nakahanda na harapin ang kahihinatnan ng kanyang pag amin sa pagdinig na isinasagawa ngayon ng senado.

Ngayon po ay bahala na ang Department of Justice(DOJ) sa desisyon kung magagawa nilang isaisailim nga sa WPP si Camelon at magbulgar ng mga anomalya sa BuCor.

Subalit sa aming pananaw dapat bigyan ng proteksyon ng gobierno ang lahat ng gustong tumestigo sa mga pagbulgar ng anumang anomalyang nagaganp sa iba't-ibang sangay ng ating pamahalaan. Hindi man tuluyang mawala ang nagaganap na korapsyon sa gobierno ay kahit papaano ay mabawasan man lamang.

# WAYS TO FIND YOUR PEACE WHEN LIFE FEELS OVERWHELMING

Too much to do, not enough time to do it. Sound familiar? We may be able to achieve twice as much in half the time, but that's what's expected of us now – it's the new baseline. On top of that, technology fills our free time with endless distractions – we're checking text messages, email, Facebook, Instagram, etc.

And so, despite its benefits, our technology has us feeling as desperately overwhelmed as ever. The solution? Mindfulness. Or more specifically: mindfulness as it relates to prioritizing, letting go, and reframing our thoughts.

1. The Art of Mindfully Prioritizing. The moment we admit to ourselves that we're trying to cram too many things (tasks, obligations, distractions, etc.) into a relatively small space (24 hours in a day), it becomes obvious that we need to clear some clutter from our schedules. Mindful prioritization is the key.

Pay close attention to all the things you do today – all the things you're trying to fit into 24 hours. How much TV are you watching in the morning and evening? What websites are you browsing? What games are you playing? How much time are you spending texting, emailing, or updating your social media accounts? How much online window-shopping are you doing? How much time do you allocate to eating, cleaning, and taking care of others? What else are you spending the precious minutes of your day on? What you might notice first is that you're doing too many random things that don't need to be done – too many time-wasters. Then you might also notice that you're over-committed with too many obligations – and those obligations are filling up your life.

You can start stealing your time back by eliminating as many needless distractions and obligations as possible, and saying "no" to new ones that arise. Easier said than done, of course, but the important thing to realize is that you CAN change how you allocate your time.

Next, look at your to-do list (assuming you have one): how many of these things can you reasonably do in the next 24-hours? Probably only three to five, with sanity.

Now ask yourself this: which task would you work on if you could only work on one task over the next 24 hours? That is your #1 priority. Just that one task. The truth is, you probably can't complete everything on your list in one day's time, and you can't do your top three to five tasks right now. You can do only one thing at a time. So just focus on your #1 task and, once you're done, then figure out what your next #1 task is. Clear everything else away, and focus.

2. The Art of Mindfully Letting Go. So what about all the other things you want to do (or feel you "should" do), that you simply can't get done? What do you do with the tasks that don't fit into 24 hours? This is where the art of letting go comes into play.

You had too many things you wanted to fit into your day, and now you realize this, so you've decided to only put the important things on your priority list. But that means there's likely a few things you think you "should" do that are not going to fit. So what can you do? You can do those things tomorrow. Or you can decide to not do them at all. Either way, the reality is they won't fit into the next 24 hours of your life. And since these things were not top priorities, there's really no problem.

A problem only arises when you feel anxiety, overwhelm, and frustration because you can't fit everything in. But you have to realize that the way you feel is based on your ideals – the thought that you should be able to do it all, be everything to everyone, and be super human – not your reality. So you have to adjust your ideals to match reality. The reality is that you can't do everything today. You can only choose to do some things – the important things – and everything else will have to wait until tomorrow, or get removed from your list. Since you can't get more than 24 hours out of a day,

## CEBUANOS JOINS CALL TO ABOLISH TRAVEL TAX AMONG FILIPINOS

The Cebu Provincial Board and the city councils of Cebu, Mandaue and Toledo yesterday during their regular sessions passed separate resolutions calling to abolish travel taxes being collected among departing Filipino passengers at the international seaports and airports in the country.

Tabogon Councilor and Provincial Board member Francis Salimbangon (the President of the Philippine Councilors League(PCL)) sponsored the resolution in support of House Bill 3874 filed by Cebu Third District Representative Pablo John Garcia to abolish travel tax as it has become "burdensome" to the Filipino travellers.

Mandaue City Councilor Joel Seno on the other hand cited reasons that the income used to purchase tickets are subject to tax, the airline tickets are subject to tax and the terminal fees are subject to tax which burdens our constituents. Toledo City Councilor Nick Pepito echoed Salimbangon's sentiments and sponsored abolition resolution yesterday during the regular session.

For Cebu City Councilor Joel Garganera, who sponsored a resolution in support of Senate Bill(SB) 384 filed by Senator Emmanuel Pacquiao which seeks to abolish travel taxes collections this imposition not only made our Overseas Filipino Workers(OFWs) paying additional taxes but the Filipino travellers in general. Pacquiao filed SB 384 last July 11 while HB 3874 filed by Garcia was last August 13.

### CEBU CUSTOMS ON THE WATCH VS. PORK PRODUCTS W/ASF AS PROVINCIAL ASF-TF SEIZED CANS OF MALING PRODUCTS

The Bureau of Customs(BOC) of the Port of Cebu has intensified its campaign against the entry or smuggling of pork meat products suspected to have been contaminated by the African Swine Fever(ASF) but the frontline government agencies like the Bureau of Quarantine(BQ) and the National Meat Inspection Service(NMIS) should also be as vigilant as the BOC says Cebu Customs District Collector Lawyer Charlito Mendoza.

This as last Monday, the Cebu Provincial African Swine Fever Task Force seized imported Maling canned goods at Pier 1 in Cebu City which were supposed to be shipped to Bohol.

The Maling products with an estimated value of about Php200,000 were consigned or owned based on documents by AEL Development Corporation, said Port Police Senior Inspector Adolfo Abregana Jr, the operations chief of the Cebu Port Authority(CPA).

Mendoza explained that import shipments particularly meat products first passing through to inspection by the Bureau of Animal Industry Veterinary Quarantine(BAI-VQ) and the NMIS then the Customs either at the seaports or airports.

Mendoza in a text message to DAILY TRIBUNE yesterday said "We are strictly monitoring the importations of pork and pork meat products. We also strictly implementing the Commissioner's Memorandum Orders, as well as Gov. Garcia's Executive Orders, on the matter. I can assure that these Maling Canned Meat did NOT enter Cebu through the Cebu International Port(CIP)."

Confiscated were 966 cans of 170-gram and 246 cans of 340-gram of Maling canned goods. Celeste Laput, a representative of AEL said that all Maling products that were distributed to all their clients in Cebu and Bohol were already pulled out.

She added that they already pulled out their products from the market since they were made aware of EO 14 issued by Gov. Garcia on August 22, 2019 which prohibits entry of pork, pork-related products and by products into the Province of Cebu for 100 calendar days without permits or certifications from the NMIS and the Bureau of Food and Drugs Administration.(BFAD).

### D30 LED GROUNDBREAKING OF 192 HOUSE UNITS FOR NAGA, CEBU LANDSLIDE VICTIMS

President Rodrigo Duterte yesterday broke ground to start the construction of 192 housing units for the landslide victims in the City of Naga, Cebu. In a media briefing by Housing and Urban Development Coordinating Council (HUDCC) Secretary Eduardo del Rosario, he said the Naga Permanent Housing Project is a joint undertaking among the National Housing Authority(NHA), Housing & Land Use Regulatory Board(HLURB) and the City of Naga, Cebu for land development and construction of 192 units. President Duterte said these housing units will be completed within 408 calendars days or more than seven months and finally a permanent shelter for the landslide victims.

The landslide happened on September 20, 2018. Naga City Mayor Valdemar Chiong in a separate interview with DAILY TRIBUNE added that there were more than 440 families that will be provided of the housing units. For NHA will be 213 families while the City of Naga's counterpart will be more than 230 families. For the 192 units alone, the NHA has allotted more than Php 120 million for land development and housing construction. These housing units are located in Barangays Inoburan and Tinaan in the city with more than 2.1 hectare Balili property as the net project area. The floor area will be 26 square meters per housing unit. The project beneficiaries are the landslide victims and their families within the one kilometer no-build zone.

you need to adjust your ideals. Focus on what's truly important, and do what you can do today. That is enough. Let go of thinking that it isn't.

3. The Art of Mindfully Reframing. Once you have your priorities better managed, and you've let go of some things, it's time to reframe how you're generally thinking about the busyness that overwhelms you.

As human beings, how busy we think we are amplifies how overwhelmed we feel. That is, the stories we tell ourselves about life can dramatically escalate, or ease, our stress levels. This is where reframing makes all the difference.

it only takes 45 minutes\* to change a life.

**U**MA-ATUNGAL ang mga players, at brokers ng Bureau of Customs, dahil sa tindi ng TARA umano ni ATTORNEY, na naging matinding pasanin ng mga stakeholders. Si Attorney na dating clerk, at anak umano ng dating doktora ng BOC, ay tumataginting ang SALN na 200 milyon, na ikinamangha ng kanyang kapwa kawani.

Nabatid na si Attorney ay abogado umano ng mga ismaglers, kung saan ito ang taga gawa ng kanilang pleadings. Hindi po ba ito'y may conflict of interest? Tama po ba ako Attorney P?

Sentro umano ng imbestigasyon si Attorney, kung saan nito lamang August 9, 2019 nakatanggap ng kalatas si Bureau of Customs Commissioner Jagger Guerrero mula sa National Bureau of Investigation, at may lagda ni Deputy Director for Regional Operations Atty. Antonio M. Pagatpat.

Ang nasabing kautosan ay alinsunod sa pronouncement ni President RODRIGO R. DUTERTE sa kanyang 4th State of the Nation Address (SONA) at sa bisa ng DOJ Department Order No. 383 issued on 26 July 2019 ni Honorable Justice Secretary MENARDO I. GUEVARRA na magsagawa ng masusing

Kaya naman ni request umano ang (1) Personal Data Sheets at (2) Statement of Assets, Liabilities, and Net Worth, ni Attorney filed five years. Wow huh, galing ano. Dapat kasuhan kapag may makitang katiwalian. Ambot!

Kahanga-hanga ang hakbang na ginagawa ni Pangulong Digong, ka-agapay ang National Bureau of Investigation, para na rin matulidokan, ang TARA SYSTEM umano ni Attorney na sadya namang maituturing na karumaldumal, dahil nagsasakripisyo ang mga consumers sa kanyang ginagawa.

Mas mabuti unahin na ni DDROS Atty. Pagatpat, itong si Attorney na nag declare ng assets sa kanyang SALN ng tumataginting na 200 milyon lang naman. Ambot sa kambing na may bangs!

Magkano kaya ang suweldo ni Attorney? Aabot ba ng 2 milyon o limang milyon kada buwan? Ha ha ha. Tinalo si Pangulong Digong. Ambot sa kambing na may bangs! Paborito daw ito ni Darna at Kuhol?

Totoo kayang si Attorney ay sangkot sa 641 conatiners na nakalusot sa Informal Entry Division? Hala ka! Opo, wag na kayo magtaka namagkaroon ito ng 200 milyon sa kanyang SALN! Kasabwat daw po kasi ito ng mga ismaglers. Ha ha ha

Gaano po kaya katotoo na itong si Attorney ay money maker nina Kuhol at Darna? Wow! Galing ano? Saan pa kayo? Parang banko sentral lang taga gawa ng pera? Ambot!

Huwag po kayo mag alala. Nalalapit na ang araw ni Attorney, may nakahanda nang mga reklamo para sa ombudsman.

Tama po ba ako NBI Deputy Director Atty. Pagatpat. Magandang accomplishment po ng bureau kapag mapakulong niyo si Attorney.

Teka, bago natin tapusin ang pitak na ito, may tanong lang po tayo. Totoo bang may nais daw itong ipalusot na droga? Hala ka. Bantayan niyo po Comm. Jagger, baka ipahamak ka. Sabagay, kakampi ito ni Queen of Fire. Ha ha ha

## FFCCCII leads advanced Moon Festival observance

Federation of Filipino Chinese Chambers of Commerce and Industry Inc. (FFCCCII) president, Dr. Henry Lim Bon Liong led the advanced celebration of the ancient "Mid-Autumn Festival" Chinese tradition, also known as the "Moon Festival" at a thanksgiving luncheon for the media in Quezon City on Aug. 17.

Among the special guests who spoke during the occasion were Presidential Spokesman Secretary Salvador Panelo and China Embassy Counsellor Xie Yonghui who represented Ambassador Zhao Jianhua.

The Mid-Autumn Festival or Moon Festival is China's ancient harvest festival held on the 15th day of the 8th month of the Chinese Lunar calendar. This falls usually on either late September or early October in the Gregorian calendar, when the full moon shines most beautifully.

This 2019, its exact date will be on September 13. The FFCCCII luncheon was an advanced celebration to thank the media for its support of the federation's various social, civic and economic causes, as well as help promote this ancient festival of Chinese mooncakes and thanksgiving in the Philippines.

FFCCCII is a federation of 170 Filipino Chinese chambers of commerce and diverse industry and civic associations nationwide. Its numerous economic, socio-civic and cultural advocacies include the "Operation Barrio Schools" which donates public school buildings to poor rural communities, medical/dental missions, Filipino-Chinese volunteer fire brigades, disaster relief operations, and many others.

Explaining its origin, Dr. Lim said the Mid-Autumn Festival started in China where they have learned to appreciate and pray to the bright moon for good harvest. Part of the tradition involves eating mooncake and playing the dice game. The mooncake festival, he said, started at a time when the Han people rebelled against the Mongols. The tradition included writing "in the evening of the Mid-Autumn Festival" on papers and putting them into mooncakes which they give to the people to eat.

The Dice Game, for its part, was started centuries ago by scholars who took Imperial examinations. The dice game combinations and prizes were named after imperial titles earned.

Overseas Chinese communities continue to observe this festival and today "I'm happy that our media friends are here to celebrate this tradition with us," Dr. Lim said, adding he is proud to have been to office by President Rodrigo Duterte on August 6, 2016 at Malacanang, together with this other FFCCCII officials.

He shared that FFCCCII presented to the President the 702 units of 2-classroom school buildings under their flagship program "Operation Barrio School," for a total of 1,404 classrooms. Since 1962 the program had donated and turned over more than 5,700 public school buildings which now serve the needs of more than a million

Dr. Lim revealed the FFCCCII will also shortly donate barrio schools in the Municipality of San Jose in Occidental Mindoro. The hometown of the 22 fisherman who figured in the unfortunate fishingboat ramming incident recently at the Recto Bank off Palawan.

He said they also have donated P1.2 million for the immediate and total repair of their damaged fishing boat, and extended P250,000 as livelihood assistance for them and their families in his personal capacity and also gave 50 sacks of rice for them.

As part of the initiatives to help increase farmers' yield, Dr. Lim recently launched "Masaganang Ani 300" and "Support Filipino Farmers" campaign in collaboration into GoNegosyo.

Farmers in Nueva Ecija have increased their harvest by using hybrid rice seeds and they want to replicate this in other parts of the country.

"Masaganang Ani 300" helps farmers harvest more than 300 cavans of rice per hectare. They have also started to spread "Support Filipino Farmers" posters in public places to encourage people to support farmers by buying their products. In closing, Dr. Lim said: "Our Federation looks forward to foster our partnership with our friends from the media. Let's work together in spreading positive and good news to our people. Happy Mid-Autumn-Mooncake Festival!"
